THOMAS CLAUDE COUNCIL, 1871-1942

Thomas Claude Council was born in May, 1871, near Holly Springs in Wake County, and died July 26, 1942. He graduated from Wake Forest College in 1896 with a fine record. He was variously engaged for a number of years: teaching school, in the lumber business, Assistant Postmaster of Raleigh for 15 years and Secretary-Treasurer of the Caraleigh Phosphate and Fertilizer Works for seven years. In 1928 he became agent and appraiser for Wake Forest College which position he filled very acceptably until his death.

He became a christian at the age of 12 and throughout his life was actively engaged in christian service. In 1909 he became a member of the Tabernacle church. He taught an adult Bible class for years, was assistant teacher and President of the Baraca class, a member of the Board of Deacons and also its chairman. His greatest service to the denomination was as clerk of the Raleigh Association, which position he filled very faithfully from 1908 till his death. By order of the Association this page is dedicated to the life, work and character of this man of God.

Proceedings

OCTOBER 29, 1942

The One Hundred and Thirty-seventh Annual Session of the Raleigh Baptist Association met with the Zebulon Baptist Church this morning at 10 o'clock.

Following a song service led by Bro. Mark Osborne, Bro. C. O. Greene led the opening prayer.

Bro. Garland A. Hendricks delivered the Annual Associational Sermon, selecting the subject, "Measuring The Worth of A Man." His message was developed as follows:

- I. Measured by his conception of God.
- II. Measured by his dealings with other men.
- III. What is His ideal?

The message was closed with prayer.

Mr. I. Stuart McElroy brought the report on the American Bible Society.

American Bible Society Report

The American Bible Society has served Southern Baptists at home and abroad for many years and Baptists are increasingly recognizing that the Bible Society's work is an essential part of their own program of worldwide missions.

Today under war conditions the demand for the Scriptures is the greatest which the world has ever known. Only the American Bible Society is relatively able to meet the need on a worldwide scale. Scriptures for the men of our own armed forces, for war prisoners, and for refugees, are among the emergency demands from which we can not turn aside.

Over one million volumes of Scriptures have been distributed free through the Chaplains of our Army and Navy. Another million volumes have gone to other emergency areas. Such needs will certainly continue and increase.

The interest of Southern Baptists was demonstrated during the past year by the generous response of the American Bible Society's request for funds to supply Russian Scriptures to Russians in German prison camps, grateful acknowledgment of which has been made in the Baptist state papers.

The Baptist State Convention of North Carolina and the Southern Baptist Convention have both adopted resolutions calling on the churches to contribute to the financial support of the American

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

Bible Society. (1941 North Carolina Baptist Annual, page 54, and 1942 Southern Baptist Convention Annual, page 47).

The following schedule was prepared by a group of representative Baptist leaders suggesting a reasonable and practical plan for acting on these resolutions:

Every country and village church can reasonably give \$5.00 a year.

Churches in small cities can give \$10.00 to \$25.00 each year.

Larger churches can make an annual gift of \$25.00 to \$50.00.

Many great city churches can give \$50.00 to \$100.00 or more each year, to help satisfy the world's hunger for the printed Word of God.

An increasing number of Baptist churches each year include in their budgets a regular amount for the American Bible Society. Others give an offering on a certain Sunday, such as Universal Bible Sunday, the second Sunday in December each year. Whichever plan is used, the funds may be sent to State Baptist headquarters designated for the American Bible Society.

Respectfully submitted,

I. Stuart McElroy, District Secretary

This report was followed by the singing of "Savior Like A Shepherd Lead Us."

Brother Ralph Poe then presented the Report of the Executive Committee as follows:

Report Of Executive Committee

The Executive Committee of the Raleigh Baptist Association met three times during the past year. The first session was held in the Tabernacle Church in Raleigh in early spring. At this meeting several phases of our associational work were discussed. We considered once more the matter of endeavoring to secure sufficient money to pay, according to our budget, \$150.00 to the Baptist Hospital in Winston-Salem for the furnishing of one room in the new building. The treasurer's report showed that only \$5.00 had been received since the association's meeting in October, and that there was in the treasury a total of \$81.04. The committee authorized the payment of a bill amounting to \$24.22 for expenses incurred by Charlie Herbert and his committee in promoting Training Union work in the association. The committee wishes to commend Bro. Herbert and all of his able assistants for their splendid work among the people of our association, training them for future leaders in His great task.

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

Our committee, at its final meeting in August, considered the plans and the program for this annual session of the association.

In closing this report, your committee recognizes the seriousness of the days through which we are now passing. New temptations beset us. In our country's greatest crisis we may forget our own Creator. It is our earnest prayer that all of us may keep our minds and hearts free from malice, hatred, jealousy, greed, and selfishness; that we may live sober, upright lives, full of unselfish service and devotion to our Master and to our fellowman.

Respectfully submitted,

Report On Sunday Schools

To review progress of the past year would doubtless have its values, but what is accomplished is not of greatest importance. Looking backward is not the most effective way to move forward. I think, rather, it would benefit our work more to see briefly some opportunities for progress.

I need not spend time giving you values of the Sunday School. We all recognize its value. Each of our churches now has a Sunday School. We definitely favor the continuation and progress of each of these schools.

There are, however, some great needs throughout our association. One of these is the untrained condition of our teachers and officers. Anyone who teaches any subject should know his subject, should know how to teach, and should know the persons to be taught. Most of our Sunday School teachers and officers are of limited education, yet they are not taking advantage of the training offered them by the Sunday School Board. Out of our whole association of 34 churches, there are only 5 churches who report having a single officer or teacher holding the diploma for Sunday School workers. Not only that but out of a total of 595 officers and teachers reported in the churches of the association there are only 61 reported as holding the diploma. Here is one of our great needs. Every church in the association should put on at least one training course for their officers and teachers during the year. Many of the churches could and should offer more than one. Here is a challenge to your church.

Another great need in our association is for every church to have a Vacation Bible School. Most boys and girls learn more spiritual truth during a Vacation Bible School than in the entire year in Sunday School. It is a marvelous opportunity for teaching. Not only so, but it is ripe with evangelistic possibilities. Schools often lead to more conversions than do revivals in the same churches. Those won in Bible School are usually intelligent conversions. They know what they are doing because they have been studying about it.

Vacation Bible School literature is so clearly written that teachers in any Sunday School can follow its directions and conduct a very successful school in any community. Yet out of our 34 churches there were only 14 Vacation Bible Schools reported this year. Here is truly a great need. You can do nothing greater for your boys and girls this coming year than plan and put on a Vacation Bible School in your church.

Here are two great needs in the Sunday Schools of our asso-

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

ciation. Let us make them this next year two great steps of progress.

Respectfully submitted,
Ryburn T. Stancil, Superintendent

After the congregation sang "All Hail the Power of Jesus' Name" Rev. Edwin F. Perry, Defense Pastor, Fayetteville, N. C., brought a report on the Peril of Drunkenness and Immorality. A digest follows:

The Risk of Drunkenness and Immorality

Scripture: Matthew 5th Chapter, Verses 27-30, 47, 48

Text: "Be ye therefore perfect."

Christianity is a humanly impossible system of perfectionist ethics. But Christianity is a divinely possible way of life for all who would walk therein. Today in America the human is flagrantly opposing itself to the divine. Expressions of unmoral anarchy have become genuinely accepted commonplaces.

Nefarious practices of inhuman principles and wanton disregard of inalienable human dignity have wedded themselves in an unholy alliance and have given birth to monstrous evils. Not the least of these evils are drunkenness and immorality. The risk of drunkenness and immorality is the risk of forfeiting life with God to the achieving of death without God.

The two keywords that provide passageway that lead to the gates of hell are *lack* and *laxity*... They indeed are gates to the gates of hell. Government laxity may provide an environment conducive to drunkenness and immorality, but there is no other power given under heaven whereby man can resist temptation except the power of God! We have lacked that power.

The "good people" voted in the A. B. C. system with a defeatist attitude. Its true basis of remuneration is not the basis of taxation, it is the basis of *profit*! We are selling our present, mortgaging our future that we may liquidate past indebtedness caused largely by political graft and gross inefficiency.

We have failed to heed God's first call to spirituality for in truth his challenge is to spirituality, not mere morality.

It is thence not wise for us to label sexual sin as the sole claim to immorality. Rather every unethical thought or expression by deed or word is an avowal of an immoral life, and as such is sin, and sin is separation, and separation is death.

Drunkenness is without doubt the greatest enemy agent in our midst. Drunkenness and immorality, this demonic duet, are putting a heavy strain on every war community. You cannot build up

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

morale through a *break down in morals!* Morals and morale are not enemies, they are inseparable friends.

Out of this present conflict I envision the most serious social casualty to be the deadening of the sense of morality and the raising up of a generation that will have a confused sense of values. The risk of drunkenness and immorality is the risk of forsaking the abiding place of God and of missing the gate of heaven. Therefore, in deep contrition, let us refuse to join in the cries of confusion and the ways of immorality but rather "let us present our bodies a living sacrifice, holy, acceptable unto God, which is our reasonable service."

America faces forward. Let her face forward soberly. American faces upward. Let her look be unto God.

Respectfully submitted,

Edwin F. Perry

Rev. Hugh A. Upchurch brought the Historian's report.

Historian's Report

Let us turn the pages of time back to 1900 and forward and you will still find a revival spirit similar to that found in Tennessee and that spread to Western North Carolina from 1800 and forward, which caused Bishop Asbury of the Methodist church to say that "encamping places" in the Western part of our State to "look like the Holy Land." Our churches were strong on discipline because they expected their members to live up to their profession. If they did not the deacons with or without the pastor visited them and talked with them frankly about their sins and sought to win them to repentance. The sinning member was a special object of prayer and no revival was considered effective until all members were revived and others won. There was great rejoicing over the one back-slider who repented and was therefore restored to fellowship with the Lord and the church by the power, of the Holy Spirit. If the individual could not be brought to repentance his name was, by a vote of the church removed from the church roll. A person who accepted the Lord as his personal Savior also received the witness of the Holy Spirit in his heart "rejoiced with joy unspeakable and full of glory." Yes they were not ashamed of the Lord, but wanted others to accept him too and often went back into the congregation to try to win others and usually did. There was often shouting and always rejoicing. This rejoicing was not brought about by the swing of rhythmic motion or rhythm singing but was caused by repentance for sins caused by the convicting power of the Holy Spirit implemented by the lived and preached word

of God made effective by faith which led to surrender to and trust in Christ as a living and loving Savior. Others also who had helped win some loved one or friend to Christ were happy in the Spirit, rejoiced and sometimes became so happy they shouted. Love of God and one another was brought into the heart by the Holy Spirit and all sin was driven out. This brought the condition called holiness in Heb. 12:14 Follow peace and holiness with all men without which no man shall see God. Also II Cor. 7:1. Holiness is that purity of heart and sincerity of purpose and effort found in every child of God. It is not something imagined but something real. In our church covenant we find these words as follows: "We engage therefore, by the aid of the Holy Spirit to walk in Christian love; to strive for the advancement of this Church in knowledge, HOLINESS and comfort."

We have come upon a period when our people even sneer at the very mention of the word holiness and frown upon any one who would dare express outwardly any witnessing of the Spirit. This disrespect for the Spirit has brought a deadness in our churches and a loss of power that has made us a prey to all the seven devils of worldliness. "Fools rush in where angels fear to tread." Mark 3:29-30 But he that shall blaspheme against the Holy Spirit hath never forgiveness but is in danger of eternal damnation: because they said He hath an unclean spirit.

Our church rolls are filled for the most part with just names. Not over one third of our enrolled members make any consistent effort to work with other members for the service of the Lord, by attendance, use of talents or financial support, and only a small fraction of them are motivated by the only thing that gives value to any deed in the sight of God, i. e. love. Love for God and others.

As to our so called revivals, they are, more often than not, just a drive for new additions to the Church roll by a visiting minister and a special worker while the members and the Pastor sit on the side lines and do not even cheer. It is a rare thing for any person to be genuinely regenerated by the Holy Spirit, and that person often finds that he is not among friends.

What is the remedy for this shameful condition? A restudy of the word of God as to the means of grace as follows: faith, confession of sins, repentance, seeking in humility the power of God for the cleansing from sin, a complete trust in Christ as our personal Saviour, a submission to him as our Lord and Master, an obedience to him as our Lord and Captain of our salvation. Then keep studying to show ourselves approved unto God.

What will be the results? There will come that "joy unspeakable and full of glory" (I Peter 1:8) not just once but as often as conditions warrant it. Power to understand the word of God, the

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

need of human souls, the time, manner and words with which to win the straying and the lost. The churches will re-gain their power and will become light houses and power stations, for God. But preachers and deacons and teachers must come under the power of the Spirit first, by turning back to God.

Hugh A. Upchurch.

AFTERNOON SESSION — 2:00 O'CLOCK

The afternoon session was opened with the singing of "Holy, Holy, Holy," led by Mr. Osborne. This was followed with prayer by Rev. Lincoln Fulk.

At this time Mr. Pat Alderman led a group of girls from the Kennedy Home in a brief musical program. Then Bro. Alderman brought a brief report concerning the work of the orphanage.

Orphanage Report

The purpose of the Baptist Orphanage of North Carolina is to prepare dependent boys and girls for the duties and responsibilities of life, and to train them toward Christian citizenship in the Kingdom of God. The orphanage is not an institution for the feeble minded, neither is it a reformatory. It functions in the field where it can be of the greatest service.

The Orphanage operates two homes: the Mills Home at Thomasville, and the Kennedy Home at Kinston. The children who compose the population may be classified under three heads; full orphans, half orphans, and victims of desertion and wrecked homes.

The church life of the Orphanage is one of the most important phases of the work. The membership of the Mills Home and Kennedy Home Churches is composed of workers and children directly connected with the Institution. The churches are financed entirely by the members.

The twelve boys and the twelve girls composing the 1940 graduating class at Mills Home were active in church work and were professing Christians. Approximately 275 boys and girls have gone through the Kennedy Home since its establishment, all of whom, without an exception, having made a profession of faith in the Lord before leaving that Institution.

Music and Scouting play a prominent part in the daily routine of our boys and girls. Athletics and all games are encouraged.

The Orphanage boys and girls have educational advantages that compare favorable with those offered by other schools of the State. The Kennedy Home boys and girls attend the public schools in La Grange and Kinston, where they have the same privileges as

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

other children of the community. The Mills Home School is a unit in the Thomasville graded system. Standard work is done through the grades and High School.

The health record of the Orphanage is unparalleled. They work hard, play hard, and study hard, under proper supervision.

At the close of this report Bro. Jesse McCarter made a motion that the report be adopted. This aroused discussion over the report not having been read. Many were unwilling to adopt a report to go in the minutes when the report had not been read to the association, but only discussed by the one bringing the report. After considerable interesting discussion Mr. R. N. Simms of Raleigh moved that the reports be accepted as information and turned over to the clerk, who in turn would submit them to the executive committee for examination and approval before being printed in the minutes. The motion was carried, and the program proceeded.

Dr. Thurman D. Kitchin, President of Wake Forest College, brought a report on the North Carolina Baptist Hospital and Bowman Gray School of Medicine. Dr. Kitchin read his report, then briefly discussed it, after which it was adopted.

At this point Dr. Forrest C. Feezor stood in the back of the auditorium and made a few remarks concerning the fine Christian attitude of the hospital staff.

Report On Baptist Hospital

Since neither Supt. Hagaman nor Dean Carpenter can be here today, I am glad to present the report on the Baptist Hospital and our Medical School.

I believe that when the final history of the Baptists of North Carolina is written, the union of the Baptist Hospital and the Wake Forest Medical School will mark one of the mileposts of progress and accomplishment by our denomination.

Forty years ago, the Trustees of Wake Forest College saw the wisdom of adding to the academic and law school a third for the training of our youth; and thus in May, 1902, the medical school was established.

Twenty years ago our Baptist State Convention became conscious of the need of a hospital to provide treatment for the sick of the state who were too poor to pay for adequate hospital care. The Baptists of the State felt this was a Christian obligation to suffering

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

humanity, and in May, 1923, the Baptist Hospital was opened in Winston Salem.

Eighteen years later, in 1940, these two natural allies, the medical school and hospital, were united; and the advantages to each, that would inevitably accrue from such a union, are today being realized.

The union of the two institutions is natural and mutually helpful. There can be no medical school without a hospital; and it is difficult to have a modern hospital of the best type without a medical school associated with it. The reasons are apparent: A medical school attracts the ablest men in the profession; it carries on research, which is the vitamin of medical progress; and this research and teaching of young doctors stimulates the faculty and keeps it abreast of advancing medicine. That is to say, the patients in such a hospital receive the benefit of the best that is going on in the field of medicine, both in the way of personnel and equipment.

The capacity of the Hospital has been increased from 100 beds to 300 and the most modern equipment installed. Three years ago the Hospital was caring for 4,000 patients a year. It is now caring for 10,000 patients annually. Of this number 2500 are free patients. That means about \$250,000 of free service a year. (The 2500 free patients spend an average of fourteen days each in a hospital. The actual cost to the hospital of maintaining a patient is \$5.40 per day. This amounts to about \$175,000. It is generally estimated that the cost of medical and surgical treatment, laboratory, and X-ray service amounted to the same as the hospital care. In this instance the hospital and the medical school bear the burden equally, because the staff of the medical school gives its services free to the Hospital.) This free service is met by the 7500 pay patients, the Mother's Day offering, and the Duke Endowment, which provides \$1.00 a day, or about one-fifth of the cost per day, for the free patients. Let me say at this point that anyone who is considered a hospital case by the examining office, is admitted regardless of denominational affiliation, social or financial standing, except those suffering from tuberculosis or mental conditions, and these are cared for by the State.

In addition to the increased number of beds for patients, the hospital has recently added \$20,000 worth of new instruments to the operating rooms and \$44,000 of new X-ray equipment, making this department the equal of any in the South.

The hospital and medical school plant are essentially one. The two buildings are joined under the same roof, and the floors are continuous. The combined floor space of the Hospital and Medical School is four acres. This combined structure represents a value to the denomination of \$2,000,000. The Hospital and Medical School are theoretically separate institutions, each being governed

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

by its own Board of Trustees and the finances of each are separate, but the buildings, the staff, the professional service, and the purpose are all one.

But buildings and equipment do not make a hospital or school. The essential element is personnel. The hospital has a staff of approximately one hundred doctors and twenty-six internes. The entire staff of the medical school gives its services free to the hospital. I wish to say that the medical faculty at Winston-Salem will compare favorably with any in the country. I would be glad to tell you about the different individuals, but it would not be appropriate here.

I do want to say however that almost a miracle has occurred, in that local practitioners and men who have spent their entire adult life in educational institutions have successfully dovetailed into one harmonious faculty. So far as I know, this is the only school in which this has happened in modern times.

I have mentioned hospital and medical school. But proper medical service rests upon a tripod—and the third member is the nursing school. There are now sixty-three young women in training and fifty graduate nurses. Fifty student nurses will have to be admitted to each succeeding class in order to maintain the nursing staff.

There is still another phase of this matter that should be mentioned. The abiding purpose of the management, of those who shape its policies, and of the employees of this hospital and school, is that it shall be a definitely Christian institution, with all that it implies. The medical school and hospital have a joint religious program. It is not rules and regulations in themselves that make the institution Christian. It is primarily that indefinable, but all pervasive something, that we call Christian atmosphere.

This service of helping the sick and teaching those who are to help the sick is distinctly Christian. Our Master recognized the importance of body as well as the soul. It takes service to both to complete the practical application of religion, because body and soul are linked together. Likewise, disease in the body and sin in the soul are twin problems for Christian service. The two well known Scripture passages, "Ye that are strong ought to bear the infirmities of the weak" and "pure religion and undefiled . . . is to visit the fatherless and widows in their affliction," properly interpreted refer to human suffering in all its forms. This is a part of the teaching and practice of Christ. The full Gospel means to save both the soul and body of man. We have neglected all too long His commands concerning the physical man!

Surely there can be no serious disagreement concerning the validity and worth of the type of medical education and service that

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

is committed to the three-fold humanitarian and scientific effort of alleviating and preventing human suffering, teaching doctors, training nurses and technicians. These will turn the white light of science upon the diseases which are the great slayers of mankind, and minister to the needs of the sick and suffering. Institutions that perform this task on the level of science, in the spirit of the Beloved Physician and for the benefit of mankind, are worthy of the money, energy, and brains which we put into them. There is no better criterion of human progress than the care that is taken of the weak and the sick. Modern medicine has two great objectives: To heal the sick and to advance medical science. The union of the Baptist Hospital and the Medical School is an ideal combination for the accomplishment of these purposes. The art of administering to the sick and the research into the hidden mysteries of disease will go hand in hand.

Our abiding purpose is to have a medical school and hospital second to none, to render service to the sick, train physicians, and educate nurses on a basis of scientific efficiency reinforced with Christian ideals.

There are not many things that I know much about, but I believe I know something about medicine. As this report is written Mrs. Kitchin is a patient in the Baptist Hospital in Winston-Salem, and she is there because I believe there is no better place in the United States for a sick person to be.

The report on Religious Literature was read by Rev. Lee C. Shepard, pastor of Pullen Memorial Church.

Religious Literature

As Christian men and women we are forever committed to the never-finished task of learning and doing the will of God. We believe that He is wherever there is "life, movement and being," that in every human situation, however noble or tragic, God is there seeking to reveal Himself and indicate what should be said and done. Our endeavor is to help make God real and effective in all walks of life, and thus lift men ever nearer to the Eternal Father. This was the mission of Jesus, and we are His disciples.

Knowledge alone has never been enough, but until we recognize and accept the truth, the truth can never make us free. Individually and collectively, we Christian people are to propagate the gospel, to disseminate the truth as we understand it in all the ways available to us. Democracy, a way of life and a form of

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

government, (the child of Christianity) is today under serious attack. Be it ever kept in mind, however, that neither our Christian faith, nor our democracy can ever be destroyed by bullets or bombs. The church has ever thrived on persecution. No outside attack has ever been effective until first degeneration has taken place within. When we become too weak, then are we in danger.

Awed by our world-wide task, we must seek ever to keep ourselves well-informed. We who would teach must forever be learners. Hence our concern that our religious literature must continually improve in quality and that it must have wider and wider distribution. We are being literally deluged these days by all sorts of literature (or should I say reading matter) from all directions. In the very nature of the case, we must select those books, magazines and papers to which we give our attention.

The Baptists of North Carolina have their own religious journal which has been designed to keep us informed and stimulated concerning the work we are doing and the work we ought to be doing. The Biblical Recorder is not an organ of the General Board, or of any other agency of the convention; it is the organ of the Baptists of North Carolina. It is your paper. Therefore it is your responsibility to see to it that its editorial policy is kept free and uncovered; that the quality of its contents is steadily improved; and that it finds its way increasingly into the homes of our Baptist constituency.

All of us these days are talking a good deal about freedom. We would worship, assemble, write and speak as our conscience dictates and no man, be he potentate or priest may interfere. Let us remember that if we would be truly free we must exercise that freedom, not merely orate about it. At this moment we are perfectly free to do many things we are not doing. If all of us took full advantage of our right to attend worship services, study and teach the Bible, provide adequate funds for support of the local church and for world-wide missions, the causes for which we have met together today would prosper far beyond our present achievements.

There are throughout the state of North Carolina more than one hundred thousand Baptist homes. The subscription list of the Recorder is still a little under twelve thousand. It should be at least twenty-thousand, and we ought not feel we had accomplished much until at least half the Baptist families in the state are regular subscribers to this religious journal. But perhaps someone suggests if it were a better paper it would have more readers. The reply might be if there were more subscribers those responsible could make it a better paper.

Our state paper, as well as all other of our religious literature

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

will be just as original, just as free and independent, just as vital and progressive, just as attractive and inspiring as we Baptist stockholders encourage it to be. The Editor and the Directors and the office force are our servants. They will succeed in giving us only the kind of paper we really want and are ready to support.

I have known two editors of Biblical Recorder—John Calvin Slemph, and Dr. Eugene Olive, and both of them rendered us splendid services. Under their efficient and earnest direction our Baptist journal has become the leading Baptist paper of the South. It is informative and stimulating and deserves our unqualified support.

We are glad to note the coming of Dr. L. L. Carpenter to be the new editor. We welcome him back to his native state and to his own people and bespeak for him a rewarding career as writer, editor and worker among North Carolina Baptists. His is an important task. There are yet many things to be said unto us and we are confident he will say them and write them. May the churches of this association subscribe to and read the Recorder. Write Dr. Carpenter your appreciation and give him helpful criticism. Do not be disturbed if he should write something with which you do not agree, or tell you about something you have never heard. The time to become really anxious is when he writes only along the lines you are already fully acquainted with and utterly committed. Great issues are before the peoples of the world today, and the Christian Church was never in a more vital, strategic situation. We must become aware of what is going on in our world in order that we may render effective service as disciples of Jesus and as Baptists. His story and our testimony concerning it are desperately needed by our world today.

Respectfully submitted,

Lee C. Sheppard.

At the close of his report Bro. Sheppard introduced Dr. L. L. Carpenter, the newly elected editor of the Biblical Recorder, who spoke briefly as follows:

1. Why am I here?
2. What do I hope to do?
3. What can you do to help us?
 - (1) Pray for us.
 - (2) Make suggestions.
 - (3) Contribute articles.
 - (4) Send subscriptions.

Upon motion by Bro. Sheppard the report was adopted. Motion was then made by R. N. Simms that we also accept the new editor, which was done by standing vote.

Dr. O. T. Binkley, Head of the Wake Forest Department of Bible gave the report on Christian Education.

Report On Christian Education

The State is interested in education. It seeks to produce enlightened and efficient citizens. It needs competent persons in business, in technology, in science, and in governmental affairs. For these reasons it maintains schools, research projects, and universities. However, the Christian religion has one unique contribution to make to the education of the race, namely, the mind of Christ. The character of God and his purpose in history, the nature and destiny of man, and the principles of right living have been revealed in the life and teachings of Jesus.

Christian education, therefore, is a broad and meaningful task. It is the attempt to bring growing persons under the transforming influence of Christ and to guide them in the path that leads to intellectual and spiritual maturity. It includes the clarification of Christian truth, the education of children and youth in the Christian way of life, and the growth of adults in Christian character. It demands the resources and the cooperation of the home, the church, and the school.

Our Baptist colleges are dedicated to the task of Christian education. But in all of these schools the skies are now dark and the going is tough. We are in the midst of a social crisis including the phenomenon of total war which is without precedent both in the intensity and in the extent of its destruction of human and material resources. If our colleges are to survive and carry on the great mission for which they were established, they must have the love and confidence and loyal support of our Baptist people.

It is our conviction that these schools should be preserved and strengthened. They should be used to help save our young people from a materialistic philosophy of life and from the disaster and despair to which it leads. They should be used to help our young men and women achieve a Christian philosophy of life that includes devotion to truth, regard for persons, faith in God, and loyalty to Jesus Christ.

Amid the ruins of a world wrecked by a materialistic philosophy of greed and hate and cruelty we are to teach our children and youth to be loyal to Jesus. He will keep alive faith, hope, and love in our hearts. He will enlarge our insight, expand our powers, and strengthen our courage. He will help us to build a new civilization based upon justice, mercy, and truth.

Respectfully submitted,

O T. Binkley

EVENING SESSION

The evening session opened with the singing of "Onward Christian Soldiers," followed by prayer.

Mrs. J. E. Wilder brought the Report of the Woman's Missionary Union:

Report Of Woman's Missionary Union

It is with gratitude to God for His blessings upon our work and with appreciation to those who have so loyally supported every effort to send out the Light and Truth, in the Raleigh Association, that I bring you this report.

In attempting to sum up in a few words and figures the activities of the women and young people of the twenty-four churches having missionary organizations. I find myself almost overwhelmed with inadequacy. Though we have a big task and cannot hope for its completion here, there have been many achievements.

The 2,188 woman and young people making up our 82 organizations are attempting to extend the Kingdom of God by putting into practice the six chief aims of the Womens' Missionary Union.

Thirty-two organizations met in their respective places three times this year for definite prayer and offerings for State, Home, and Foreign Missions. Six others met twice. This is an increase in number observing seasons of prayer with offerings for State Missions. An increase in gifts to all causes shows the effectiveness of the prayers of women and young people.

The 46 added to our membership indicates an eagerness on the

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

part of some to enlist. Praise Him for the addition of New Hill to the number of churches having a missionary organization.

Only 53 mission study classes have been reported. To enlarge our vision of and cause deeper concern for missions, Rev. and Mrs. D. F. Stamps and Mr. Bunn Olive, returned missionaries from China, have been secured to speak in each of our five groups of churches. Also plans have been made to have Miss Myrtle Zentmeyer, our State W. M. U. Field Worker, teach several all-day mission study classes between December 7th and 18th.

Major emphasis has been placed on stewardship. The Woman's Missionary Union adopted a goal of one million dollars toward a debtless denomination by 1945. Raleigh's apportionment this year is \$1,500.00. September 30th, \$1,158.24 had been paid. Total gifts for three quarters is \$6,210.08. Eight new tithers bring our total to 207. Officers are urging all societies to have more classes in stewardship and to observe Stewardship Night.

No churches reported coming up to A-1 Standard. The Standard should be the goal for every Missionary Baptist Church.

Three churches having a class in Bible Study each week, one for entire year, proves a desire for growth along the line of personal service.

One hundred percent of churches having a missionary organization reported this quarter. This is quite a gain.

The annual meeting held with Cary Baptist Church, April 16, was well attended. Guest speakers were, Mrs. George Carver and Mrs. Gordan Maddrey. Stirring messages from these two were highlights of the day. Annual meeting for 1942 is to be held with Tabernacle Church, Thursday after second Sunday in April.

Officers for the year are:

Superintendent	Mrs. J. E. Wilder
Associate Superintendent	Mrs. Ryburn T. Stancil
Young People's Leader	Mrs. Geo. Griffin
Secretary	Mrs. E. F. Canady
Personal Service Chairman	Mrs. J. L. Tilley
Stewardship Chairman	Mrs. John Cooke
Mission Study Chairman	Miss Blanche Banks

Ten churches having no missionary organization, together with a large number of unenlisted is a challenge to each of us. A big task is before us, difficulties are increasing. Herein is a test, not of W. M. U., but of each of us. How much shall we attempt for God and how much shall we expect of Him. "God and any Christian are bigger and more powerful than any multiplication of difficulties." "Ye are the light of the world—O, send out thy light and thy truth."

Respectfully submitted,
Mrs. J. E. Wilder, Supt.

Following the adoption of this report Mrs. W. R. Stone, Divisional Superintendent, spoke to the report.

Rev. C. O. Green brought a factual report on missions:

BAPTIST MISSIONS

Report to Raleigh Baptist Association 1942: Jesus' final earthly command to His disciples was this: "Go ye into all the world and make disciples of every creature." That command, through the disciples, has come down to every one who bears the name Christian. In carrying out this great commission of our Lord, Southern Baptists use a plan which we call the Co-operative Program. It strives to enlist all our people in the intelligent, systematic, adequate, and cheerful support of all our work. It includes all our regular, organized State and Southwide work except the Orphanage. It is Scriptural in objects and method. It includes every cause that

Christ commanded, and only these. It is all-inclusive, it follows the plan of Jesus to preach, heal and teach, it is world-wide, including every person, race, and clime, it is co-operative, it makes room for specials, and it provides a steady income. It deserves the prayerful support of every Baptist, everywhere. Let us understand that this program is not an end in itself, but the means toward an end. We should look beyond the program itself to the Supreme Personality of the ages, Jesus Christ, and to those to whom we minister in His name. We must personalize our program for men do not give their highest to principles but to persons.

Last year Southern Baptists gave to all missions and benevolences the sum of \$7,322,340.43, a gain of \$1,034,713.20 over the year before. That sounds like a great record, but contrast that with the staggering sums now being spent for total war. Break it down to a per-capita basis and we find that we gave last year \$1.32 each to all phases of mission work. That figures 11c per person per month—less than the price of a pack of cigarettes! Surely Southern Baptists need to grow in the grace of giving.

There are three phases of our mission giving, foreign, home, and state. Let us consider each briefly.

Our Foreign Mission Board has its headquarters in Richmond, Va. under the capable direction of Charles E. Maddrey, executive secretary. This Board has a very encouraging report for us this year—the ninety-seventh of its existence. The Board is carrying on work in the following nineteen countries—subject, of course, to the vagaries of war—Africa, China, Manchukuo, Japan, Palestine, Syria, Hawaii, Hungary, Italy, Rumania, Spain, Yugoslavia, Argentina, Brazil, Chile, Colombia, Paraguay, Uruguay, and Mexico. At this time there are 455 missionaries actively engaged in the

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

work. In addition there are 78 missionaries, men and women who have given their all for Christ, and who now are enjoying a well earned rest as they face the sunset years. Then there are 1,022 ordained native workers, and 1,935 unordained. Some very effective work is done by these devoted servants of Christ as they minister to their own people. There is no way of estimating the large number of voluntary workers who serve our missions in one capacity or another in schools, churches, hospitals and the like.

For an idea of the work accomplished, ponder these figures and thank God that your money helped to do this glorious service to our less fortunate brethren of many other lands.

The record value of our property in all lands is \$4,462,237.00.

The income from all sources in 1941 was \$1,428,639.69. Of that figure only 4.27 per cent went for local overhead expenses. Remember that in refutation of the statement often heard that only ten cents of every dollar gets to the mission field. The truth is that at least ninety cents of every dollar gets to the field.

The Board has in endowment funds and other investments under its control the sum of \$1,145,360.09, besides many pieces of property in this country given by devoted friends of foreign missions. The book value of domestic properties is \$81,600.00.

The income of the Board is derived from the Co-operative Program, designated gifts, bequests, and income from invested securities. Among special offerings are: the Lottie Moon offering from

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

our good women, which, up to May 1, 1942, was \$449,162.48, a love gift to the British Missionary Society of \$200,000.00, and a World Emergency Relief offering which, up to September 1, 1942, amounted to the sum of \$403,780.67. Dr. Maddry confidently expects that by January 1, 1943 this offering will have reached the amazing total of \$500,000.00.

One of the most heartening features of the Board's report is the fact that we will soon be out of debt. Ten years ago the Board owed four banks in Richmond, Va. \$1,110,000.00, the interest rate on this amount being 6 per cent. We now owe the banks in Richmond \$90,000.00 on which we are paying 2 1-2 per cent interest. During these ten years we have paid in interest \$260,000.00, and on the principal of these and other debts (\$117,000.00) \$1,137,000.00. If nothing happens every cent we owe will be wiped out by May 1, 1943.

The voice of the Foreign Mission Board is the COMMISSION, a youngster only four years old, but with a circulation already of about 40,000. Every Baptist home should receive this paper.

HOME MISSIONS

Consider now the work of the Home Mission Board. Its headquarters are in Atlanta, Ga. and the executive secretary is Dr. J. B. Lawrence. Its great work is to evangelize and mobilize the home forces for world evangelization.

During the past year forty new missionaries have been added to the force, ninety new mission stations have been opened, and fourteen new pieces of mission property acquired. The total number of missionaries is now 424. During the past year these missionaries distributed more than 40,000 Bibles, Testaments, and portions of Scripture. They gave out more than 600,000 tracts, preached over 35,000 sermons, led more than 9,000 persons to Christ, and received into the fellowship of the churches about 10,000 members. They are preaching the gospel to the Indians, the Mexicans, the Spanish-Americans, the Jews, the Italians, the French, the Cubans, the Chinese, the Russians, the underprivileged in the crowded industrial sections and the slums of the cities, in the neglected and mountain areas, to the men in the army camps and the millions of Negroes in the homeland. Their work extends over the area from Maryland to Arizona, and from Missouri to Florida, Cuba and Panama.

The income for the Board in 1941 was \$782,251.82. From January 1, 1942 till October 1, 1942 the income was \$602,422.56. For the same period in 1941 the income was \$488,356.13, an increase of \$114,066.43, or on a percentage basis, 23 per cent.

In 1928 the Board had a debt of \$2,500,000.00. The debt as of October 1, 1942 is \$275,000.00. There is room for rejoicing in the

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

report that at the present rate of income the Home Mission Board will be out of debt by July 1, 1943.

The voice of the Home Mission Board is SOUTHERN BAPTIST HOME MISSIONS, with a circulation of the October issue of 73,-307. North Carolina has 7,184 subscriptions which figures one subscriber in seventy-four church members.

STATE MISSIONS

We turn, finally, for a look at State Missions. In 1941 North Carolina Baptists gave to Missions and Benevolences \$882,177.73. That figure compared with the figure for 1940, \$782,348.74 shows a gain of \$99,328.99. From January 1, 1942 to October 22, 1942 the receipts for our state work have been \$583,311.94, compared with \$453,042.31 for the like period last year. The division of funds is as follows:

STATE OBJECTS

Education—Ministerial Aid	1 percent
Education—Debt Service	35 percent
State Missions	17 percent
Hospital	5 percent
Ministers Retirement Fund	2 percent
	60 percent

SOUTHWIDE OBJECTS

Foreign Missions	20 percent
Home Missions	9.33 percent
Relief and Annuity Bd.	4.14 percent
Seminaries and W. M. U. Training School	5.65 percent
Southern Baptist Hospital88 percent
	40 percent

Just what is the nature of the work of State Missions? We can only briefly mention some phases of the work:

1. Evangelism. The Convention has always been interested in aiding churches to provide a ministry to the lost people of North Carolina.

2. Establishing and Supporting churches. At present the salaries of about 160 pastors of the state are paid in part by the Board. It is interested too in establishing churches in strategic areas of population growth,

3. The ministry of church development, of teaching and of training. Under this phase the following work: Three general missionaries, Rev. M. O. Alexander, Rev. J. C. Pipes, Rev. D. M. Branch; L. L. Morgan, Mr. and Mrs. John B. Lane in the Sunday School Department; Nathan C. Brooks, B. T. U. Dept.; R. T. Howerton, Jr. heads the Baptist Student Union work. In addi-

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

tion there are pastors' schools each summer at Mars Hill and Meredith.

4. Ministry to other races—Negroes and Indians.

5. Ministry to the sick, at Oteen, Black Mountain, and Aberdeen.

6. A ministry to the wayward at Samarcand and the Boys Training School at Rocky Mount.

7. More recently work around the army camps and defense areas. Rev. Edwin Perry and Rev. J. H. Butler are giving their full time to the work at Fayetteville and Wilmington respectively. L. E. Ludlum full time. Rev. L. C. Pinnix is working part time at Jacksonville.

Opportunities were never more glorious in our state than now. Some of our people are measuring up fine but when we know that there were in North Carolina last year 245 churches which did not give one cent to any mission object we realize that there must be no let up in our efforts to enlist and train our people.

In conclusion, we urge our people to support whole-heartedly our Co-operative Program. Our reports from every hand are encouraging but we are as yet only touching the hem of the garment. As doors close to us in different areas of the world others open. We must enter them, and we must so live and give and work and pray that when this halocaust of war is over we shall be in position to really launch a mission work that shall carry the story of Christ into every corner of this broken, disillusioned world. This report began with Christ's command to go into all the world and preach the Gospel to every creature. It closes with His promise that when we are going, "Lo, I am with you alway, even to the end of the age."

Upon the completion of this report by Bro. Greene, Bro. Garland Hendricks gave some comparative figures on the money given to missions and that spent for liquor.

Bro. Carl Osborn sang a solo, accompanied by Mrs. Geo. Griffin, who was organist for the entire program of the day. The congregation then sang "Fairest Lord Jesus."

Rev John R. Link of Apex at this time brought a very stirring missionary message which stirred all to greater missionary enthusiasm.

The Report on Training Union work was read by Charlie Herbert.

Report On Baptist Training Union

The Raleigh Baptist Training Union Association had planned for 1942 the largest and best program of work ever planned. However, due to conditions beyond our control our work has been very limited. Our work was carried out according to plans through the May meeting at Knightdale. Since that time we have had only one meeting which was our annual meeting at Cary September 27th. Our attendance at those meetings up until May were very well attended, and we had a fair attendance at the meeting at Cary, however, it was not as it was in former years. We are asking that you refer to the Baptist Training Union Statistical Report found in the minutes of the Association for the condition of Training Union work as of September 30, 1942. We are asking that you do this to save space and time, and because of the incompleteness of our reports at this time. At our annual meeting, due to the lack of people, we were unable to complete our Associational officers for the coming year. However, we are listing here the office and the names of those who have been chosen thus far to fill the offices.

Intermediate Leader	Mrs. Ryburn T. Stancil
Adult Leader	

There have been three things of special note during this Associational year and they are: the one-day Associational Meeting held November 28, 1941 at the Calvary Baptist Church, the Associational-Wide Study Course held for the two Associations—the Raleigh and Central—at the First Baptist Church, Raleigh, in February 1942, and the number of people who attended Ridgecrest from our Association this year.

There was sent out by the Association during this Association year 477 cards and 692 letters pertaining to the Baptist Training Union work.

Due to the tire and gas situation we will not be able to visit next year as we would like. We will not be able to have our meetings as in former years; however, we do hope to complete the list of of-

ficers and get together as much as is possible to keep the work intact for the duration. There is being called a State meeting by Mr. Nathan C. Brooks in November to make plans or to see what can be done about the condition of the work. We hope to arrive at some conclusion about what is best to be done until we return to normal conditions.

May I suggest to every pastor and church member in the Association that he do everything within his power to promote the Training Union work in his own local church, and if there is no Training Union work in his church, and he is interested and needs some help we would suggest that he notify the Training Union Office and we will try to supply whatever help is possible. We are urging that all our Christians be earnest and sincere in their prayers for the Training program during the coming year.

Yours in His service,

Charlie Herbert Asso. Director.

After the adoption of the report different phases of the Training Union work were discussed by:

E. D. Flowers of Knightdale, Claude Holland of Raleigh, Rose Wall of Wendell, and Blanch Cordell and Ryburn T. Stan-cil of Garner.

The Association voted to include the talk made by Rose Wall, a Junior, in the minutes. It follows:

Baptist Training Union

By Rose Wall

The Training Union is the training school of the church. Its purpose is to train girls and boys, men and women, from the Story Hour group through the Adult age. So you see this takes in everyone, both young and old.

Now, what Training Union means to me.

First: *Habit Formations*

- (1) Bible Reading
- (2) Attending Preaching
- (3) Study
- (4) Systematic Giving
- (5) Regular Attendance
- (6) Promptness

Second: *Provides Training* for better Christian living in my church life and my community life.

Also trains me to talk on a subject before a group of people.

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

Third: *Provides Christian Fellowship* with people of all ages.

THE JUNIOR MEMORY WORK DRILL

The Memory Work Drill has made me more familiar with the passages in the Bible and has helped me to better understand it. It has developed my sense of memory and has eliminated my stage fright.

From these few remarks you can see that Training Union is vital and essential to the growth of a church and a Christian community. Each of us should pledge ourselves to be regular in attendance and to support our B. T. U. We will find that it is well worth our time and effort.

In the closing minutes of the session the matter of co-education at Wake Forest was brought up for discussion, but evidence of strong feeling on both sides of the question made it seem unwise to extend discussion. The motion was made and carried that we adjourn.

MINUTES OF THE WOMAN'S MISSIONARY UNION

Raleigh Baptist Association

The Woman's Missionary Union of the Raleigh Association met with the Cary Baptist Church on April 16, 1943 for the annual meeting.

The theme of the meeting was "Lighted That We May Lighten."

With Mrs. N. C. Brooks, Associational Superintendent, presiding, the following program was presented.

Hymn Singing — "Send the Light", "Lead Kindly Light".

The devotional message was led by Mrs. Lee C. Sheppard, from Pullen Memorial Church, Raleigh. She read Matthew 5: 13th to 16th verses. The message was that brought to the disciples from Jesus when he said (1) Ye are the salt of the earth; (2) Ye are the light of the world; (3) Let your light so shine. Christ said for them (a) To be Leaders, (b) To show the way, (c) To be the Light. He wants us to bear that "Light" actively and positively and to show the world we are Christians. Prayer closed the devotional period.

Rev. Ford A. Burns

Jan. 20, 1895 - May 5, 1943

Ford A. Burns was born Jan. 20, 1895, at Union, Louisiana, and died May 5, 1943, at the North Carolina Baptist Hospital in Winston-Salem, North Carolina. He was a graduate of the Louisiana Baptist College at Pineville, Louisiana, and of Southwestern Baptist Theological Seminary, Fort Worth, Texas.

He became a Christian in his early boyhood years and soon afterwards experienced the call to the ministry. While at Louisiana College he was active in debating and oratory, winning a medal in oratory. During his student days he pastored churches in Louisiana and Texas.

After leaving the Seminary he held a pastorate in Arkansas. From there he came to Bethel, North Carolina as pastor. Later he pastored at Mt. Holly in North Carolina. For two or more years he worked with the North Carolina Baptist Orphanage. The last several years of his life was spent pastoring other churches of the state including Farmville, Stantonsburg, and Middlesex. At the time of his death he was pastor at Fuquay Springs, North Carolina.

His record was one of unusual ability in leading churches to build and to strengthen their financial program.

Proceedings

October 28, 1943

The One Hundred and Thirty-Eighth Annual Session of the Raleigh Baptist Association met with the Fuquay Springs Baptist Church this morning at 10:00 o'clock. The services opened with the singing of "Come Thou Almighty King."

The Devotional Meditation was led by Rev. John Link, pastor of the Apex church. It was a period of quiet meditation in which we were led to think together about the worth of man, the goodness of God, and what our response or reaction should be. Throughout this period the congregation remained with bowed heads while Brother Link slowly and quietly led our thought.

A roll call of the churches was followed by a unanimous vote that those delegates present with those who would come in later constitute a quorum for the business of the association.

At this point the Moderator, Rev. George J. Griffin, of Zebulon, suggested that all stand with bowed heads in silent memory of Brother Ford A. Burns, who was the elected Moderator for this session, having passed away during the year. The suggestion was accepted and the moment was especially impressive because Brother Burns had served as pastor in the association for several years and was well known by almost everyone present.

The next thing in order of business was a vote to accept the printed program as the order of business and to faithfully observe the schedule of time as given there.

At this time the Rev. Lee C. Sheppard, pastor of the Pullen Memorial Church, brought a message on the "Social and Moral Problems of Our Day". He stated that Jesus preached only one thing—the coming of the Kingdom, and said nothing specific about our major social problems. The Kingdom is a gift of God and we are helpless to bring it in. This Kingdom will transcend all else that we are and have when it comes. We

are agents of God in bringing in the Kingdom, and we ought to do all things we can to prepare the field for its coming. There are certain things that now stand in the way which we should seek to remove:

1. The present war is contrary to the mind, will, and purpose of God.

2. The present breaking up of established home life under war conditions, resulting in a wave of juvenile delinquency.

3. Alcohol. Prohibition laws will not solve this problem.

In closing he suggested some things we can do as Christians:

1. Recognize our responsibility to keep our homes together as much as possible.

2. The church should seek to enlist all boys and girls in its activities.

3. Pray that the war will end quickly.

4. Seek to build all society to higher and nobler living.

Rev. Hugh C. Upchurch, Associational Historian, was ill so the Historian's Report was given by Rev. S. A. Rhyne.

HISTORIAN'S REPORT

History is recording of deeds and trends of the human race by some member of the race. This is our attempt to record some outstanding trends of the recent past in the Christian world. Specifically of our State and Nation. Time was when, at least, attendance, at not too distant intervals, was expected of the members of our churches. Now most if not all of our churches have no such requirement. According to "Kingdom Building in N. C." by M. A. Huggins, page 63, of the 400,000 resident church members only 150,000 attend regularly, and since most of our boys, girls and workers have gone to the camps and defense plants it is even less than that. Having turned away from God and his house we find the following results gradually coming about. Sunday is being more and more commercialized. It is hard to find employment that does not require Sunday work. Because our members to a great extent do not love God they have substituted love of the things that will finish pushing the things of God completely from the thoughts and plans of the individual. We have been witnessing that great falling away mentioned in II Thess. 2nd chapter. Because fathers and mothers of all nations have failed to dedicate their boys and girls to, and lead them in, the service of the Lord for their salvation they are led in the armies of the world

powers for their destruction; and so homes are destroyed physically and spiritually. Because churches have often failed to be true to God's word and have allowed the ungodly to remain on its rolls and often in places of leadership then God's men, whether pastor, superintendent or teacher has been often displaced and the church has become a sinner in God's sight. It therefore loses its power and usually becomes a tool of ungodly governments and an ally of Satan. Therefore in some countries churches have been closed and forbidden to teach the word of God.

What is the remedy for these unholy conditions and trends? First there must be our honest confession of sin by individual members of our churches and the individual church; which includes turning away from sin and turning to Christ. Second there must be a re-study of the word of God and a correct understanding of the commandments of God. The correct interpretation of the ten commandments is found in the fifth, sixth and seventh chapters of Matt. "all power is given unto me in heaven and earth."

Respectfully submitted,

Hugh C. Upchurch.

After the reading of the report it was adopted. Then the congregation sang "Majestic Sweetness".

Mrs. Ford A. Burns brought the Sunday School Report for Mr. L. L. Morgan, Associational Superintendent, in his absence.

REPORT OF SUNDAY SCHOOL WORK

Oct. 20, 1943

The purpose of the Sunday School is to teach God's Word to every available person. Jesus, the world's greatest teacher, placed great emphasis upon teaching. Wherever He went He taught. What ever arose He used. Whoever appeared He helped. He took life as He found it and used it to produce life as He would have it. The task of every Sunday School teacher is to take the pupils as they are and lead them to do certain things, day by day, that will help them to become eventually what the Lord would have them be.

During the year we have had three quarterly meetings, two of which were well-attended. We have learned that our people will come to these meetings if we will make them worthwhile. If all of our churches will co-operate by sending large, representative groups of leaders to these meetings once a quarter we can give the best help that Southern Baptists have to every church in our association. During the week of October 3-10 twelve of our churches conducted training classes. We hope all the others will do likewise.

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

We now have thirty-four churches with 9,020 pupils enrolled in our 34 Sunday Schools. This is 2,855 less than our church membership. According to the law of averages we have at least 18,000 people in the thirty-four church communities that are prospects for our Baptist Sunday Schools. In a day like this we should not be satisfied until these people are enrolled and taught God's word in our churches. A personal interest in every pupil and a trained teacher for every class should be the aim of every church.

In submitting this report we wish to suggest that the following things be done to make the year just ahead the best one in the history of our great association:

1. Seek to increase our Sunday School membership to equal our church membership.
2. Through our associational organization seek to conduct a Sunday School Enlargement Campaign in every church during 1944.
3. Look toward the time when we can have a full time associational missionary to lead in all phases of our work.
4. Four effective quarterly meetings to encourage our teachers and officers to do their best.

Respectfully submitted,

L. L. Morgan,

Associational Sunday School Supt.

After the report was adopted Mrs. Burns spoke to it. She told the story of Ed Spence, illustrating the question, "Did I do the best I could?"

She then discussed things she has found in trips over the association, having found one Superintendent who said, "We haven't met in the past four or five months". "That in Wake County, not in Africa!"

In closing, she suggested that we should set some goals, and then work toward them.

The Moderator then appointed the following committees:

I. Permanent:

- A. Executive—Baxter Durham, chairman, F. Orion Mixon, Lee C. Sheppard, J. T. Allen, and C. O. Greene.
- B. Associational Missions—Mrs. Ford a Burns, chairman, G. T. Mills, Hugh C. Upchurch, Mrs. Jamie Wilder.
- C. Evangelism—J. Gray Murray, chairman, C. W. Teague, and S. A. Rhyne.

II. For 1943 Session:

- A. Obituaries—Douglas Aldrich, chairman, W. P. McGehee, and Mr. Bullard.
- B. Resolutions—M. A. Pegram, chairman, A. C. Dawson, and Horace E. Jones.
- C. Nominations—John Link, chairman, Mrs. Ryburn T. Stancil, and W. S. Caudle.
- D. Time, Place, and Preacher—Charlie Herbert, chairman, M. L. Hux, and M. F. Scott.
- E. Finance—H. P. Greene, chairman, Jesse McCarter.

I. Stuart McElroy give the report on the American Bible Society. In his report he gave rather general facts as to the work of the Society in various parts of the world, giving special emphasis to the work and expense of translating the Scriptures into the many languages and dialects of the world. He urged Baptists to give greater support to this great work.

After the report of the American Bible Society Mr. R. D. Poe, of Apex, gave the following report of the Executive Committee:

EXECUTIVE COMMITTEE REPORT

The Executive Committee of the Raleigh Baptist Association met in the Pullen Memorial Church on February 9th. The Moderator and all members of the committee were present except one. The proceedings of the annual session of the association, which met in the Zebulon Baptist Church, October 29, 1942, were reviewed and discussed. A digest of the several reports submitted by the clerk was approved for incorporation in the minutes.

The committee was instructed by the association to decide where the 1943 session would meet. The Fuquay Springs Baptist Church extended us an invitation to meet with them. Their invitation was promptly accepted. It was also decided wise to confine this session to one day.

Several other matters relating to the work of the Association were considered. Among them was the still unpaid obligation of the association to the Baptist Hospital at Winston-Salem. The Association promised to equip one room in the hospital at a minimum expense of \$150.00. A part of this money is already in the clerk's hands, and it is planned to raise the remainder in the near future.

The committee held its final meeting the first of August, at which time the program for the forthcoming session of the association was planned.

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

Despite the handicaps in travel and also the absence of so many of our fine young people who are in the armed services, we feel that the churches of this association have made some progress this year. We pray that all of us may remain steadfast in our faith, loyal to our Master, and faithful in our service to our fellowman.

Respectfully submitted,

R. D. Poe, Chairman.

After the adoption of this report the congregation stood for the singing of "Am I A Soldier of the Cross?" This was followed by a brief recognition of the visitors present. Then Mrs. Ford A. Burns made announcement concerning dinner, after which the moderator gave a word of appreciation for the generous welcome given us by the Fuquay Springs Church.

Before the sermon of the day Mrs. L. M. Massey sang "Come Ye Blessed" as a solo, accompanied by Mrs. George J. Griffin.

Rev. W. S. Caudle, pastor of Mount Moriah Church in the Johnston Association and the Hephzibah Church in this Association, brought the Associational Sermon. For Scripture reference he read John 8:25-30. Following the reading of Scripture Dr. I. G. Greer led the congregation in prayer.

The sermon subject was "Freedom and Tomorrow's World". Brother Caudle stated that there is a vast difference between our world and God's plan for our world. "There can be no ultimate freedom," he said, "until every person in the world has freedom indeed".

As a means for obtaining freedom he gave the following suggestions:

- I. The war must be won. The forces of right must be victorious.
- II. The right kind of treaties must be drawn up after the war.
- III. The church of the Living God must be alive.
 1. Reaffirm a devotion to the fundamentals of Christian faith, and establish them as a way of life for all mankind. We must have a conviction that they are truths.

2. The power of regeneration must be demonstrated by the lives of members of churches.

3. The church must never compromise with sin.

The morning session adjourned promptly on time at 12:30.

AFTERNOON SESSION

The afternoon session opened with the singing of "All Hail the Power of Jesus' Name" by the congregation.

Dr. I. G. Greer brought the report on Orphanages. He opened his message by saying, "Nothing is important unless linked up with human life. Everything is important when linked up with human life".

He used as his subject, "Making the Right Kind of Men and Women". That, he said, was the business of the orphanage. He made two suggestions whereby the right kind of men and women could be made:

I. Children should be well born. Many people are defeated before they come into the world.

II. Since all are not well born, we must take children as they are and work to bring out the best that's in them.

In reporting on the orphanage Dr. Greer said there are more than 700 children in our orphanage. There are now 232 orphanage boys wearing uniform. Only one orphanage boy so far has failed the physical; this in view of the fact that one-third of North Carolina boys have failed thus far.

The Report on Religious Literature was brought by Rev. Douglas Aldrich, pastor of Calvary Church. He spoke from the Scripture "Thou shalt love the Lord thy God with all thy mind". "Education and Christian living are not at odds", he said. His message was built around the following outline:

I. **Study Prepares the Mind**—God uses the prepared mind, the mind acquainted with the facts. As example he mentioned Abraham, Moses, and Paul.

II. **Study Broadens One's Vision**—Vision broader than our own family, our own church, our own nation, our own denomination.

III. Study Develops One's Personality—

1. Develops spiritual life devotionally.
2. Develops family devotional life.
3. Develops a wholesome attitude toward life.

Following these remarks he gave a brief report of the present picture of our association in its subscriptions to the **Biblical Recorder**. He said 20 of our 34 churches have **Recorder** clubs. At present there are 340 club subscriptions in our association. He reported that the **Recorder** now has 19,135 subscribers. This is a 7,000 increase in about 1¼ years.

This report was adopted, and Dr. L. L. Carpenter, editor of the **Biblical Recorder**, spoke briefly to the report. Copies of the **Recorder** were then passed out to those present who were not subscribers.

While the papers were being passed out Rev. W. H. Moore asked for a moment and spoke briefly concerning Wake Forest Chapel, Minister's Retirement, and other convention objects.

The congregation joined in singing "Fairest Lord Jesus" at the close of Brother Moore's remarks.

At this point a period was left open for consideration of business. The moderator called for any matters of business. Charles B. Howard, representing the Central Association, stood and proposed to the Raleigh Association that we two associations be married. He stated that Central was going to marry somebody and wished very much it might be Raleigh. He said they would be willing for us to take their name or for them to take our name, or that we join our names; just any way would be satisfactory if we would marry them.

Following his proposal there was a few minutes discussion. A motion was made by Dr. Lee C. Sheppard that "we look with favor upon their request and take necessary steps to bring this about." The vote almost unanimously favored the motion. Rev. John Link then made a motion that "our executive committee meet with the executive committee of the Central Association and work out final plans for the union". This was also carried.

HOSPITAL REPORT (Abridged)

Mr. Smith Hagaman brought the hospital report in which he told of 4,000 mothers, representing 12,000 children, who applied for free service in the hospital. Some of these were accepted without pay, some with part pay. None paid doctors bills. There were also 175 preachers, misionaries, and ministerial students who received free service. He stated further that our hospital has the highest rating of any in the south other than Duke.

The death rate is 1 in 63 as against the average of 1 in 24 in all of the larger hospitals of North and South Carolina. In major operations we lose one in 76 as against the average of one in 34. The Christian influence is in large measure responsible for this difference. The prayers of the people are also a power. "Our hospital," he said, "goes by the name of Christian. If we are not true to our name we can do a great deal of damage—more damage than would be done if we did not go by that name."

CHRISTIAN EDUCATION REPORT (Abridged)

Dr. Carlyle Campbell

Faith is the determinate factor in any life or any individual. When we talk about faith we are betting on tomorrow. We are staking our faith on people, on individuals, on institutions. The greatest denial of faith is a dogmatic complacency that we are already there. Faith is religion. It is what we believe about this universe, about usefulness and worthwhileness of children.

When religion comes to think about the future it begins to plan for that future. Building a school is a part of that planning.

The church has been a continually receding influence in the life of society. It is the mother of all the arts: dancing, oratories, education, etc. These things have more and more been taken over by private interests and government. We have been consistently saying to the state, "You know what life is about. You take over our system of education." This is a denial of the faith.

Despite this trend generally, Meredith has this year the largest freshman class in five years, and the largest total enrolment in three years.

Before receiving the report of committees the association voted that the clerk should act as reporter for this session.

The reports of committees were as follows:

OBITUARY COMMITTEE REPORT

During the past year our hearts have been saddened by the passing from this earth to their heavenly home of the large number of

the members of this association, among whom was our beloved moderator, Rev. Ford A. Burns. We also make honorable mention of the service men who have given their lives in defense of their country.

We request silent prayer at this time in thanksgiving for their lives, and in petition that we might be more consecrated to the task which they have left for us.

"Precious in the sight of the Lord is the death of His saints."

Respectfully submitted,

W. P. McGeehee,

G. T. Mills,

A. D. Aldrich,

REPORT OF RESOLUTIONS COMMITTEE

First we thank the Fuquay Baptist Church for its most gracious hospitality. We feel the members have made full provisions for the comforts of the delegates and visitors of the association. The splendid provision of food by the ladies of the church and community is much appreciated.

SECOND: We recommend that suitable space in our minutes be devoted to the memory of our beloved friend, Ford A. Burns, who has left us to join the Heavenly Father since the close of our last association. We express our appreciation for him, but humbly bow in submission to the will of God whom brother Burns loved and served.

THIRD: We are grateful to the officers of our association for their leadership and splendid work. We appreciate all the messages brought, and thank those who have presented reports.

FOURTH: We recommend that we ask the Master to bless and lead us in paths of righteousness until we shall convene again.

Respectfully submitted,

M. A. Pegram, Chairman,

A. C. Dawson.

REPORT OF COMMITTEE ON TIME, PLACE, PREACHER

We recommend that the association meet on Thursday after the 4th Sunday in October, 1944; that the place be named after the executive committees of the two associations have worked out the matter of union; and that the preacher be Dr. F. Orion Mixon.

Respectfully submitted,

Charlie Herbert, Chairman,

M. F. Scott.

EVENING SESSION

The evening session opened with the singing of "Holy Ghost, With Light Divine." This was followed by the report on Training Union Work by Charlie Herbert, Associational Director. The Training Union period was opened with Scripture reading by Charlie Herbert, followed with prayer by Ryburn T. Stancil, Pastor Advisor. Then the report was given as follows:

ASSOCIATIONAL TRAINING UNION REPORT

TO THE RALEIGH BAPTIST TRAINING UNION ASSOCIATION

Report to the District Association Meeting at the Fuquay Springs
Baptist Church, October 28, 1943

The Raleigh Baptist Training Union Association has been very inactive for the past Associational year due to circumstances beyond the control of those responsible for the work. The only meeting that has been held in the Association during the year was the One-day Associational Meeting conducted on November 27 at the Tabernacle Baptist Church under the leadership of Rev. Garland Hendricks for the Sunday School Board in cooperation with the Associational officers. This meeting was started with a group gathered in the basement of the Tabernacle Church for supper, after which there was an executive meeting completing plans for the work for the year 1942-43, at which time additional Associational officers were selected and goals set for the coming year. Following the executive meeting we held an Officers' and Leaders' council meeting and mass meeting combined, at which time those nominated were voted on and the goals for the coming year were adopted. At the conclusion of this meeting Rev. Garland Hendricks brought a message "With Faith We Build Our Training Union."

At the above-mentioned meeting we planned for a full year's work but due to things that have arisen since that time we have not completed any of those plans.

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

We are setting forth in this report the offices to be filled to complete the list of Associational officers for the incoming year. We hope to have this group nominated and elected and turn the names over to the Associational secretary-treasurer so that they can be published in the minutes of the Association before the minutes go to press. The offices to be filled are as follows:

Director, Associate Director, Secretary-Treasurer, Chorister, Pianist, Pastor-Advisor, Story Hour Leader, Junior Leader, Intermediate Leader, Young People's Leader, Adult Leader, Group Directors 1, 2, 3, 4, 5.

There isn't anything further to include in this report other than this that the associational officers were called together for a special meeting on October 24 to make plans for the work for next year, at which time a motion was made and voted upon to call our next executive meeting January, 1944, at which time we would make plans for the meeting that would follow in the first quarter of the new year. It was further decided that we would not plan a year's program at one time but that we would make plans in the first month of each quarter for the quarter.

We are suggesting that you who would want additional information about the Training Union work in the Raleigh Association refer to the statistical report found in the back of the minutes concerning the latest available information pertaining to the work.

May we as associational officers solicit your prayers and co-operation, first, in your local church, promoting a training program at home, and second, that you pray for us who are charged with the responsibility of promoting the work throughout the association.

Yours in His Service,

Charlie Herbert, Associational Director.

Following the adoption of this report announcements were made relative to the Associational meeting to be held at Calvary Church November 23.

Mrs. Ford A. Burns then presented a program depicting the value of a boy to various evil forces of society, showing finally that he is more valuable to the church than to anyone else, because of the value the church is able to bring out of him. Those taking part in the skit were: Mr. Bruce Gunter, Bruce Gunter, Jr., Mr. J. P. McRae, Mr. W. E. Fleming, Miss Rachel Fleming, Miss Inez Rogers, Mr. Ennis Clark, and Mrs. Ford A. Burns.

The Woman's Missionary Union report was brought by Mrs. Jamie Wilder, Associational Superintendent. The report follows:

W. M. U. REPORT

It is with deep gratitude to our Heavenly Father for His continued mercies and blessings that the work of the Woman's Missionary Union is reviewed.

Cooperation and a willingness to serve on the part of state and associational officers, W. M. S. presidents and officers have made the superintendent's work such a joy that she is reluctant to leave you.

During the first quarter group meetings were held, in which associational officers took part, for a combined study of the Year Book and the New Why and How. Also work of the past year was reviewed, the Standard of Excellence checked, and plans for the New Year made. This was an adventure in our association but officers feel that it was well worth the time and effort. Meetings were well attended and much interest shown.

Executive committee meetings were held in April, July and October. The Young People's leader and R. A. counselor held a Young People's rally in June in Raleigh.

At our annual meeting in April the associational Standard of Excellence was adopted as a stimulus to better work. Since the report a year ago fifteen organizations have been added bringing our total to ninety. No W. M. S. was lost last year. Several junior organizations died but a number have been revived.

Only 39 mission and Bible Study classes have been reported this year. In attempting to distribute missionary information and create more interest in missions we were very fortunate in having Miss Zentmeyer teach mission study classes in three of our groups and to visit and speak in two others during the December week of prayer. Also Dr. D. F. Stamps or Rev. Bunn Olive spoke in each group. Among plans adopted at our annual meeting was one to start an associational mission study library under the direction of our mission study chairman. This to be done by Woman's Missionary Unions contributing used books on hand and by taking an offering at the meeting every year to buy new books.

Another plan adopted was one to bring white cross gifts to the annual meetings. Gifts brought for the first year were valued at \$60.00.

More societies met for seasons of prayer with offerings than in 1942. Apparently our women have a keener sense of stewardship of possessions than heretofore. Eleven classes in stewardship have been taught. Though this is a pitifully small number it more than doubles last year. 135 new tithers bring our total to 297 a gain of 90. 107 new memberships in the Hundred Thousand Club prove the women have been mindful of our debt. At the close of the third quarter to-

tal gifts were \$6,274.41. A substantial gain over last year.

There has been an improvement in grades too. One W. M. S. was A-1; Six made a grade of B; Four made C; Three Junior Organizations made B; Three others C. These grades are far too few but make a 50 per cent gain over 1941.

For the past three quarters Women's Missionary Societies have been 100 per cent in reporting which is remarkable and highly gratifying to the superintendent. 32 organizations are participating in Community Missions with soul-winning as the chief objective. Activities in which the women are doing soul-winning are as follows: Cottage prayer meetings, Mission Sunday Schools, services in institutions, V. B. S. for the unchurched, visiting the unaffiliated and unsaved, helping the needy working with negroes and Jews, men in the armed service transients and ministry to the sick and troubled. 32 persons reportedly have been led to Christ as a result of the efforts.

We still have ten churches with no missionary organization. Plans have been made to teach a Bible study or stewardship class in each of these churches, with a view to organizing at the close of the study.

Viewing the fields so, "White unto harvest," the difficulties of the times and our own weaknesses we are prone to falter. But when we realize He is counting on us and, "Underneath are the everlasting arms," that never fail we press on with renewed zeal and courage, "That all the kingdoms of the earth may know that Thou art the Christ, even Thou only."

Respectfully submitted,

Mrs. J. E. Wilder, Superintendent.

After the adoption of the report there was a brief program presenting the work of the auxiliaries. The Sunbeams were represented by Barbara Williamson, the Girls' Auxiliary by Frances Walls, the Royal Ambassadors by Herbert Walls, and the Young Women's Auxiliaries by Doris Pendergraft.

Before the closing missionary sermon the congregation sang "Jesus Shall Reign". The message was brought by Dr. F. Orion Mixon, pastor of Tabernacle Baptist Church. He preached from Matthew 28: 19-20. The message analyzed the text as follows:

I. The Supremacy of Christ

1. All knowing
2. All powerful
3. All present—everywhere.

II. The Command of Christ—Go!

1. Who is to go? Every Christian.

2. How may I go? Either personally or through investment.
3. When to go? Now.
4. Where to go? To every nation. The world is the field.

III. The Activity Given by Christ

1. Making disciples of them.
2. Baptize them in the name of the Father, Son, and Holy Ghost.
3. Teach them to observe all things which He has commanded.

IV. The Promise of Christ

1. Lo, I am with you always, even unto the end of the world.

After the close of this message the association adjourned until its next session, Thursday after the fourth Sunday in October, 1944.

W. M. U. PROCEEDINGS

April 16, 1943

The Woman's Missionary Union of the Raleigh Association met with the Tabernacle Baptist Church, Raleigh, N. C., on April 16, 1943.

"Christ Pre-eminent" was the theme of the meeting.

With Mrs. J. E. Wilder, the Associational Supt., presiding, the following order of business and program was carried out:

Hymn—"All Hail the Power of Jesus Name."

Watchword repeated in unison—"That all the kingdoms of the earth may know that thou art the Lord, even thou only."

Devotional. Mrs. Charles Greaves, Raleigh, selected the parable of the lost sheep from Luke 15. She directed the thought to Christ Pre-eminent as a teacher, physician, Savior, and in the revelation of himself to all classes of people. From Romans 5:6-10 she described the love of Christ for the weak and ungodly. Jesus came to seek and save the lost world.

Prayer by Mrs. Greaves followed.

Greetings—Mrs. Charles Stephenson, Raleigh.

Response—Mrs. M. O. Alexander, Cary.

Secretary's report read and approved.

Treasurer's report adopted.

Committees appointed as follows:

Symposium on W. M. U. Methods presented by the following: Mrs. N. C. Brooks, Miss Mary Currin, Mrs. G. K. Middleton, Mrs. J. S. Farmer, Mrs. Charles Stephenson, Mrs. Z. M. Caviness.

Address: "Christ Exalted in All the Earth", by Mrs. J. S. Farmer, W. M. U. President of North Carolina. She spoke of an encouraging word for a time like this. Christ is exalted in China, India, Africa, and even in Japan. Much remains to be done for Christ. Ultimate aim for carrying on Kingdom work after the war the same, but methods may be different. As we bring our gifts we must support them with our prayers and love.

Lunch.

Hymn—"Give of Your Best to the Master."

Prayer—Mrs. G. K. Middleton.

Y. W. A. Camp—Ridgecrest—Mary Lilie Duncan.

"Duty of the W. M. S. to our Young People"—Mrs. J. S. Farmer.

Report of committees:

Resolutions—Mrs. H. M. Poe.

Time and Place—Mrs. W. H. Pitman reported we would meet the Thursday after the second Sunday in April with the Pullen Memorial Church, Raleigh.

Nominating—Supt., Mrs. J. E. Wilder; Assistant Leader, Mrs. R. T. Stancil, Garner; Sec. Treas., Mrs. L. L. Morgan; Y.

P. Leader, Mrs. John Link, Apex; Community Missions, Mrs. J. C. Tilley, Fuquay Springs; Literature, Miss Gertrude Upchurch, Tabernacle; Stewardship, Mrs. John Cook; Group Leaders, Mrs. J. R. Sugg, Pleasant Grove, Mrs. A. T. Seymour, Apex.

The above officers were unanimously elected.

Address: "That in All Things He Might Have Pre-eminence", by Dr. D. F. Stamps. He used Col. 1:15-18 as his scripture. Jesus Christ is a visible God. This truth is evidenced in God's love to us. Faith in God and hope reveal Christ to us. Missionaries immeasurably strengthened Christ's work in China by remaining on the field.

Following a prayer, the meeting adjourned.

Respectfully submitted,

Mrs. L. L. Morgan, Sec.

REV. G. T. MILLS

G. T. Mills was born in western Wake county, between Green Level and Olive Chapel Baptists churches. He was baptized into the membership of Green Level church in August 1891, by Rev. G. W. Blanchard. In April 1894 he moved his membership to the Olive Chapel church.

He received preparation for the ministry at Buies Creek Academy and at Wake Forest College, pastoring near-by churches during his school days. While at Buies Creek he was married to Miss Callie Williams, from which union six children survive. After graduating from Wake Forest College in 1916, they moved to Wendell where he served near-by churches until the death of his wife in 1919.

He was called to the pastorate of the Green Level church the first Sunday in November, 1920, where he remained as pastor for twenty-four years. Early in this pastorate he married Miss Electa Farrar, who survives with their two children.

Brother Mills was loved by many whom he had served as pastor and by a host of other friends in Wake, Chatham, Durham, and Harnett counties.

MRS. SALLIE BAILEY JONES

Sallie Bailey Jones was born in Greenville County Virginia, January 29, 1868, the daughter of Dr. and Mrs. C. T. Bailey. From the age of nine till her death on Thanksgiving Day, 1943, her home was in Raleigh. She married Mr. Wesley N. Jones in her nineteenth year. Both were outstanding in their service for the Master.

From 1886, the year the Woman's Missionary Union of North Carolina was organized, till her death, Mrs. Jones held an official position in the state union, serving as Corresponding Secretary, Treasurer, President, and President Emeritus. She also served as trustee of Meredith College, and on the Board of Directors of the Biblical Recorder.

A loyal, faithful, useful member of the Central Association, she rarely missed a meeting of this body. It is eminently fitting that this volume be dedicated to her memory.

PROCEEDINGS

RECORD OF PROCEEDINGS

of the

One Hundred Thirty-Ninth Annual Session

of the

RALEIGH BAPTIST ASSOCIATION

held with the

TABERNACLE BAPTIST CHURCH

Raleigh, North Carolina

MORNING SESSION

Thursday, October 26, 1944

1. Moderator George J. Griffin, Zebulon, called the Association to the transaction of business at 10 o'clock. He requested Rev. Eugene Olive, Wake Forest, to lead the music for the sessions, with Mrs. Bruce V. Hartsell, Franklinton, at the piano. The opening hymn was "Faith Of Our Fathers."

2. Moderator Griffin then called attention of the Association to the necessary changes in the program brought about by the merger of the Raleigh and Central Associations. He stated that Rev. R. L. Hughes, Youngsville, was named at the 1943 session of the Central Association to bring the annual sermon at its 1944 session. After the merger of the associations he had been asked to bring the devotional message. He was unable to attend the session so the moderator had asked Rev. Dennis M. Larkins, Knightdale, to bring the message. Rev. Larkins based his thoughts upon a portion of the second chapter of Philippians.

3. Moderator Griffin called for the number of messengers registered at this time. He was informed that 77 was registered for the opening of the session. Those present voted that they be considered a quorum for the transaction of business.

4. Rev. Eugene Olive, Wake Forest, brought the following report:

REPORT OF EXECUTIVE COMMITTEE

At the call of Baxter Durham, chairman of the executive committee of the Raleigh Association, and of Eugene Olive, chairman of the executive committee of the Central Association, a combined meeting of the two committees was held in the Tabernacle Church, Raleigh, in the spring of this year.

The decision of the executive committee of the Central Association to make effective the combination of the two associations before their next annual meeting was reported by Eugene Olive, explaining that this decision had been based upon the approval of the combination by a majority of the churches and authorized by the last meeting of the Central Association and the later approval of the Raleigh Association.

Baxter Durham was made chairman, and Eugene Olive secretary, of the combined executive committee. A motion was passed setting the date of the next annual meeting of the combined associations as October 26, 1944, and the place, the Tabernacle Church, Raleigh.

The executive committee voted to recommend to this Association that the combined organization be called THE RALEIGH-CENTRAL ASSOCIATION; that the executive committee be enlarged to include fifteen members; and that a special committee be appointed to revise and recommend for adoption at the annual meeting in 1945 the constitution for the use of this body.

The executive committee elected as the committee on order of business for the annual meeting to be held October 26, George Griffin, Bruce Hartsell, and F. Orion Mixon. A special committee, consisting of F. Orion Mixon, Fon Scofield, and C. O. Green, was appointed to consider the advisability of recommending to this Association the election of an associational missionary.

The secretary was authorized to furnish for publication in the BIBLICAL RECORDER a statement concerning the combination of the two associations, and the date and place of the annual meeting.

Respectfully submitted,

Committee on Committees

The report was adopted.

6. Mrs. J. S. Farmer, State W. M. U. President, Raleigh, called a meeting of the Associational W. M. U. officers to meet at noon.

7. Rev. Bruce V. Hartsell, Franklinton, made a motion and Dr. Carl M. Townsend, Hayes-Barton, Raleigh, seconded it, that the printed program be adopted as the order of the business for the day. The motion passed.

8. Dr. J. Allan Easley, Wake Forest, brought the report on the Social and Moral Problems of the day. He mentioned racial conflict, drink, juvenile delinquency, and other less urgent problems, noting that all are intensified by war conditions. His suggested solutions to these problems could be summed up in education of our people in Christian virtues.

9. Mr. Olive led the Association in singing "How Firm A Foundation."

10. The first report on religious education was the report on schools and colleges brought by Rev. R. H. Satterfield, Meredith College. The report was adopted by the Association but is not included here because it was not turned over to the clerk.

11. Charlie Herbert, Garner, Director of Training Union for the former Raleigh Association, gave the report on Training Union work as follows:

TRAINING UNION REPORT

The Baptist Training Union of the Raleigh Association reporting to Raleigh-Central District Association, meeting with the Tabernacle Baptist Church, October 26, 1944.

The Baptist Training Union of the Raleigh Association has had five meetings during the Associational year. They were: two mass meetings for entire Association, two executive meetings and one group meeting in Group No. 5.

The first meeting was an executive, held October 24, 1943, at the Tabernacle Baptist Church, to plan for the next meeting on November 23rd. The meeting in November was, according to all reports and comments, the best meeting ever held in the Association. There were 23 churches represented with 240 people present. The program was well presented and enjoyed by all. The first meeting held in 1944 was Group No. 5 with Pleasant Grove Church, Miss Mattie Banks, Group Leader. Every church in the group was represented except Inwood. There were 56 present. The program was excellent.

The next meeting was an executive meeting, held at the Tabernacle Baptist Church, February 20, 1944 to make plans for the first quarter of 1944. It was at this meeting that plans were made for the meeting that was held at Caraleigh Baptist Church March 14, 1944. This meeting was very well attended. Nine churches were represented with 127 people present. The program was very good. There were to have been meetings in June and September but they were not held as planned. A better picture of the present condition of Baptist Training Unions in the Association can be had by referring to the statistical report in the minutes.

The officers for the year 1944-45 have not been elected as heretofore. The reason, since the two associations have combined it had to be delayed until the District Meeting, at which time a Director is to be named. In former years the Director was nominated prior to this meeting and presented for approval along with the other officers.

Our record shows that during the year we sent out 262 letters and 75 cards; also had two telephone calls. The total expense for all of this, including stationery, was \$15.00.

In conclusion may we say that the work has not had as much attention as in former years. The reason for this is that most people who were asked to serve refused to do so because of the lack of transportation brought on by gasoline and tire rationing. Too, the present Director has had more than he could do. However, we are looking forward to the future when these handicaps will be removed. And, may we all pray for the day when peace shall reign in the hearts of men. Too, pray to know *His* will for our lives. Then to do as He directs and our Baptist Training Union work will go forward.

Respectfully submitted,
CHARLIE HERBERT
Associational Director

Harvey T. Gibson, new State Training Union Secretary, spoke to the report, emphasizing the importance of Adult work in the Training Union. At the close of his message he called on Rev. W. S. Caudle, Haphzibah, to bring brief report on a recently made study of Training Union work over the state. Training Union report was adopted by the Association.

12. Rev. Fon H. Scofield, Rolesville, Sunday School Superintendent of the former Central Association, gave the following report of Sunday School work:

REPORT OF SUNDAY SCHOOL WORK

Acts 5:27-32

In the early days of the Jerusalem Church the spread of the new faith astounded the leaders of the established religion. They were at a loss as to how the faith was being propagated. The scriptures we have read is most illuminating. The church had been forbidden to teach; but teaching was a divine injunction and in Peter's words, "We must obey God rather than men." The apostles spoke from their hearts when they told the Jewish council, "We are witnesses of these things." They had no choice, no alternative; their mission was to preach and teach the Gospel of Christ. They did. Therein lies a part of the secret of the success of the early church; and much of the power and vitality of the modern church will depend upon our commitment to the same mission.

During the year just past our associational organization has sponsored three general meetings for Sunday School workers. Each of them was well attended and each was so planned that every phase of our Sunday School work was spotlighted and each worker participating was helped. During the week of October 8 to 13 a Sunday School clinic was held in the First Baptist Church in Raleigh for all the Sunday School workers in our association. Nearly 300 different people participated in the clinic and far reaching results can be anticipated. A staff of expert advisers led the conferences and our association is grateful to them for their efforts.

In the year ahead our two associations will no longer be hampered in their plans by a divided county. We look forward to new accomplishments now that our resources are combined. It is the hope of Superintendents L. L. Morgan and Fon H. Scofield, that a new Sunday School associational organization will come into being.

The most significant project now before us is the Centennial Evangelistic Crusade. The goal of one million baptisms has been set for 1945 and the Sunday School is the primary promotional agency. Each pastor and each superintendent has been mailed a package of literature concerning this crusade. The acceptance of this report will constitute a hearty endorsement of the Crusade.

As this report is written the prospects are good that we will have a missionary working in our association in the near future. We, of the Sunday Schools are looking forward to his direction and guidance and would assure him of our best cooperation.

Respectfully submitted,

FON H. SCOFIELD, JR.

Sunday School report was adopted.

13. Dr. A. C. Reid, Wake Forest, brought a message on Christian Education in which he emphasized the peril of moral disruption, the threat of subversive tendencies, the prevalence of a dangerous culture, and the lack of faith in our generation. These he said were some of the dangers we face. As ways to cope with these dangers he suggested (a) We must recognize the Fatherhood of God, the Lordship of Christ, and principals of Righteousness, (b) We must cultivate and exercise Christian Statesmanship, (c) We must support the Christian ministry, and (d) We must provide adequate Christian Colleges.

14. The new ministers and visitors were recognized at this time.

15. Rev. C. H. Norris, Wake Forest, suggested that the Association stand in silent honor to the boys in service, and breathe a prayer for them. The suggestion was complied with and all felt a sense of deep humility in the face of the sad reality that made such an action appropriate.

16. Dr. F. Orion Mixon, Tabernacle, Raleigh, host pastor, made announcement concerning the government requirements that a minimum price of 35 cents must be charged for all plates served. He deeply regretted the need for such, stating that any who wished their money back could get it at the exit door. He stated further that all proceeds would go to associational missions.

17. Dr. Mixon brought the annual sermon. Before bringing the message he asked C. G. Mumford, Pullen Memorial, Raleigh, to read the Scripture. Dr. Mixon's message closed the morning session.

AFTERNOON SESSION

18. Ryburn T. Stancil, Garner, brought a brief devotional message to open the afternoon session.

19. Dr. John A. McMillan brought the orphanage report but did not submit a copy to the clerk, so it is not included in the minutes.

20. The report on Religious Literature was presented by Dr. L. L. Carpenter, editor, Biblical Recorder, Raleigh. His report follows:

RELIGIOUS LITERATURE

Paul wrote to Timothy, "Till I come, give heed to reading, to exhortation, to teaching." There is significance in the order of these words. Unless we give heed to reading, our exhortation and teaching will be weak and powerless. This is a reading age. The thinking of our people is shaped largely by reading. Baptists of all people cannot neglect religious education and religious literature. Our people must be informed. "My people are destroyed for lack of knowledge" (Hosea 4:6). "Reading maketh a full man," and knowledge is power.

There is much literature abroad which not only does no good but actually does lots of harm. But there is an abundance of good religious literature, and we must get it into the hands of the people. First of all, the Bible, the Book of Books, must be read, studied, and taught. To this end, the Baptist Sunday School Board publishes many quarterlies, papers, and books, as aids to good Bible study. The Bible will make missionaries of us, and we have magazines for inspiration and instruction along this line: *Southern Baptist Home Missions*, *The Commission* (Foreign Missions), and the W. M. U. and Brotherhood publications. In North Carolina, *Charity and Children* has been the loved and honored paper of the Orphanage for many years; and the *Biblical Recorder* has been the organ of the Baptist State Convention for 110 years. These papers should be read by all our people. We would urge especially that the *Recorder* be placed in every Baptist home in North Carolina. It will help to inform, teach, enlist, unify, and inspire our people along all the lines of Christian endeavor in which Baptists are interested and to which they are committed. The subscription price is \$2.00 per year for individual subscriptions; \$1.50 in church clubs; and only \$1.20 in the Every-Family Plan. These two combined associations have a total of 46 churches with clubs out of a total of 68 churches. Certainly every church in this association ought to have at least a club, if not the Every-Family Plan. Our people are reading a great deal these days, and they must be informed. Pastors and leaders in the churches must help them to get Christian literature in the home and encourage them to read and study it. "Ye shall know the truth, and the truth shall make you free."

Respectfully submitted,

L. L. CARPENTER

He spoke to his report. Upon the motion of Dr. Carpenter and the second of Fon H. Scofield, his report was adopted by the Association.

21. Rev. C. E. Parker, pastor of Baptist Hospital, Winston-Salem, gave the report on the hospital. He stated that the hospital at that time was training 165 student nurses and about 200 medical students. He emphasized the positive Christian atmosphere of the institution and reported that they were doing \$100,000 a year charity work, or more than any other hospital in the entire south.

22. W. S. Caudle, Hephzibah, presented the following report on time, place, and preacher. It follows:

TIME, PLACE, AND PREACHER COMMITTEE REPORT

We recommend:

- (a) That the Association meet Friday following the fourth Sunday in October.
- (b) That, there being no invitation received, the place be left to the decision of the Executive Committee.
- (c) That the preacher be Dr. Carl M. Townsend, with Rev. Dennis M. Larkin, alternate.

Respectfully submitted,

W. S. CAUDLE, *Chairman*

MRS. D. R. JACKSON

The report was adopted.

23. Rev. John L. Coley, North Street, Raleigh, gave the Obituaries Report as follows:

OBITUARY COMMITTEE REPORT

David said on one occasion, "There is only one step betwixt me and death." In our busy lives we must remember to set our houses in order, for we shall die and not live.

During the past year the grim reaper has reaped a great harvest in our Association. 159 were reported to have passed on to their reward. One of those who died was a beloved pastor, Rev. G. T. Mills. Then there was the passing of that great and noble woman, Mrs. W. N. Jones. We wish we might mention all by name, but space will not permit. We request silent prayer at this time in grateful appreciation for their noble and efficient service, and for their consecrated lives, that we might give ourselves more fully to the task which they have left us.

"Blessed are the dead which die in the Lord, from henceforth, yea saith the Spirit: for they shall rest from their labours."

Respectfully submitted,

JOHN L. COLEY

L. J. MORRIS

A. W. ICARD

The report was followed by prayer, and adopted upon the motion of Rev. Mr. Coley, and the second of Rev. J. Gray Murray, Ephesus.

24. Rev. Dennis M. Larkin, Knightdale, presented the report on Resolutions as follows:

REPORT OF RESOLUTION COMMITTEE

First, we thank the Tabernacle Church for its most gracious hospitality. We feel that they have made full provision for the comforts of the delegates and visitors of the Association.

Second, We are profoundly grateful to the officers of our Association for their leadership and splendid work. We appreciate all the messages brought and thank those who have presented reports.

Respectfully submitted,

DENNIS M. LARKIN, *Chairman*

C. W. TEAGUE

R. H. SATTERFIELD

The report was adopted.

25. Rev. Eugene Olive, Wake Forest, made a motion that the minutes be dedicated to Mrs. W. N. Jones and Rev. G. T. Mills. W. S. Caudle, Hephzibah, seconded it. So voted by the body.

26. Dr. F. Orion Mixon, Tabernacle, Raleigh, gave the following report on Associational Missions:

ASSOCIATIONAL MISSIONS

WE RECOMMEND that our Association, with the aid of the Home Mission Board and the State Mission Board, call to a full time ministry among us Rev. H. Fletcher Lambert, pastor of The Front Street Baptist Church of Statesville, N. C. The salary is to be paid by the Home Mission Board and the State Mission Board, and the missionary will serve under a committee from the executive committee of our Association. The treasurer of the Association will handle all funds. The missionary will be an Associational-wide worker.

We Recommend that a \$2,000.00 Associational budget be set up for this work, the money coming from our various churches, who will pledge themselves at each annual meeting.

Respectfully submitted,

F. ORION MIXON, *Chairman*

FON SCOFIELD

The report was unanimously adopted upon the motion of Dr. Mixon and the second of Robin Pearce, and the following discussion: Dr. Mixon gave a full explanation of his report. Mr. R. N. Simms, Raleigh, gave a supporting speech. Rev. Theo B. Davis, Zebulon, asked for information concerning the proposed missionary. Dr. Mixon gave brief introduction, Fon H. Scofield, Rolesville, added a few complimentary statements. W. S. Caudle gave a brief word of deep appreciation for both Mr. and Mrs. Lambert.

27. Dr. F. O. Mixon suggested that the clerk be authorized to notify Mr. Lambert of his election by the Association. Mr. R. N. Simms, Raleigh, expressed the opinion that it would be wiser for the message to be sent from Dr. Mixon, since Dr. Mixon had already been in contact with him about the matter. This was voted.

28. Rev. Theo B. Davis, Zebulon, made a motion that further details of the matter be left in the hands of the Executive Committee. His motion was seconded by W. S. Caudle, Hephzibah. Motion was carried.

29. The treasurer's report was brought by Ryburn T. Stancil, Garner, who had served as clerk and treasurer for the Raleigh Association for the past year. He gave his report and the report of W. L. Royall, Wake Forest, who had served in the same capacity in the Central Association. The report follows:

REPORT OF WOMAN'S MISSIONARY UNION

Central Association for 1944

We have in Central Association 23 Woman's Missionary Societies, and 46 junior organizations, making 69 in all; but this is a small number when we think of the 12 churches we need to enlist in this great work.

The purpose of the Woman's Missionary Union is to enlist the women and young people in definite Christian service, and we try to do this by having 5 chief aims:

First Aim—*Prayer*

Establishing and maintaining family altars.

Daily devotionals.

Use of Prayer Calendar in Royal Service

Observance of Seasons of Prayer.

Home Mission Week of Prayer in Spring.

State Mission Week of Prayer in September.

Foreign Mission Week of Prayer in the Fall.

Second Aim—*Study*

This study includes Bible Study, study of mission books in classes, stewardship books, books on prayer, and many others. Also there are the missionary magazines. We have a subscription list of 431 magazines and 312 subscriptions to the Biblical Recorder. This proves that our ladies and young people have the magazines in their homes, and we hope they read them carefully. Mission study classes and institutes are great factors in creating interest in missions. During the first three quarters of this year 43 classes have already been held with an enrollment of 618. Wake Cross Roads W.M.S. nearly always heads the list in the number of classes held, having had 8 already. They not only read the books and have the classes but take the examinations and get the awards. They are to be commended for such interest in missions, and setting such a splendid example for the rest of us. Only two classes are required, 4 suggested.

Third Aim—*Tithes and Offerings*

The tithe as a minimum basis of contributing, and special offerings as a means of spiritual growth. As it has been said so often, "We can never give a gift until we have first given the tithe, for the tithe already belongs to God."

The women are urged to give through the co-operative program which is the adopted plan for our denominational work. A 5% increase in gifts each year is required to make the points on our Standard of Excellence. Some states require 10% increase.

We have given to the Hundred Thousand Club during the three quarters \$1,387.76. For all contributions we have given \$12,651.99 for

the three quarters of this year. But for 1943 we gave \$19,487.26, which means during this last quarter we must give over \$6,000.00 to give as much as last year, and we need the 5% increase also. I hope we can make the goal.

Stewardship classes are also urged to help us understand better the full meaning of stewards and their responsibilities. Seven classes were reported.

Fourth Aim—*Missionary Education of Young People*

Our Watchword for this year is, "That the generations to come might know." Psalms 78:6.

The boys and girls of today will be the men and women of tomorrow. Unless we train them in religious leadership now, the work of the church will be hindered and the cry for leaders will be heard everywhere as now. Dr. Charles E. Maddry has said, "After the war, doors will be open in all parts of the world for the message of salvation, and thousands of missionaries will be needed." Are we doing our part now in preparing our young people to answer that call? No association has greater opportunity or possibilities for giving to the world many great missionaries than this Raleigh-Central association. Through the 46 Junior organizations we feel we are helping to teach them to pray, to study their Bibles and world needs, to give as stewards their time, talents, and money, and through the activities of community missions learn to serve their fellowman.

Fifth Aim—*Community Missions*

The purpose of Community Missions is to win souls and attain spiritual results in the community in which we live, by enlisting all the women and young people in missionary activities, such as Cottage Prayer Meetings, Mission Sunday Schools, Vacation Bible Schools, visiting indifferent Christians, the sick, and the needy, serving those in military service, cooperative work with the foreigners and Negroes, and answering any need we may find through a careful survey of the community. In other words, be a missionary at home.

All our societies have a goal towards which to work—the Standard of Excellence. Those making all ten points are graded as A-1. Nine points give B grade, and eight points C. If less than eight points are reached no grade is given. Last year there were three W.M.S. and fourteen junior organizations making A-1 in the association, seven W.M.S. and four junior organizations made B, one W.M.S. and five junior organizations made C, making thirty-four societies getting a grade on the Standard.

A full graded union in a church is a Woman's Missionary Society, a Sunbeam Band, a Royal Ambassador Chapter for boys, a Girls Auxiliary and a Young Woman's Auxiliary, taking all ages from four years through adults. We had four of the full graded unions, but only one had the distinction of having A-1 full graded (all organizations

making all points on the Standard). Hayes-Barton church has certainly set us a worthy example, and they were recognized at the W. M. U. Convention in Charlotte along with a *few* others in the state. What they have done, we can do by working together and striving to accomplish the chief aims of Woman's Missionary Union of Praying, Studying, Giving, Serving, and training ourselves and others for greater Christian service.

Respectfully submitted,

MRS. CLAUDE F. GADDY, *Supt.*

At the close of Mrs. Gaddy's report she called Mrs. F. Orion Mixon, Raleigh, to the front and introduced her as the new Superintendent of the combined association.

Mrs. J. S. Farmer seconded the motion for the adoption of the two reports. They were adopted.

36. F. O. Mixon, Raleigh, reported the amended constitution and it was adopted. (This constitution appears in the first pages of these minutes).

37. Mrs. J. S. Farmer, State Woman's Missionary Union President, brought the report on Home Missions. The report follows:

REPORT ON HOME MISSIONS

At Ridgecrest last summer Dr. John Mackay, President of Princeton Theological Seminary, told us that the United States of America will be listed in the roster of nations at the peace table as a *pagan* nation because more than half our population has no affiliation with any religious body—76,000,000 are unchurched. Hon. W. C. Skousen, of the Federal Bureau of Investigation, speaking at the recent meeting of the Southern Woman's Missionary Union in Oklahoma City, brought startling statistics concerning crime and youthful delinquency in our country.

My son and daughter, recently returning from their first venture from the shelter of a Christian home and Christian colleges, brought a sad story of the religious indifference, profanity, smoking and drinking prevalent among young people in university and training camp.

All this is depressing, and the question, "What can I, one individual Christian, do to help such terrifying situations?" comes over and over. Reading the ninety-ninth report of the Home Mission Board is enheartening, and helps the Southern Baptists to answer satisfactorily the question. Through the Home Mission Board which we support with gifts, and, let us hope, with our prayers, a mighty effort is being made to bring our people to the Savior.

A program of diversified activities is being carried on by the Board—a far wider mission than that assigned to it in 1945 when organized as the Board of Domestic Missions to work among "Negroes, Indians, and in the city of New Orleans."

The report made in Atlanta last May is intriguing in the fervor of the writers, in the strength of their courage and youth, in the colorful pictures of the people among whom they work, and in the variety of their endeavors.

Through these missionaries the gospel is being preached to Indians, Negroes, Spanish, French, Chinese, Japanese, Mexicans, Cubans, Jews, down-and-outs in city slums, to dwellers in remote rural areas, to the deaf, to underprivileged children, to soldiers and sailors in camps at home and scattered over the world.

The Board is wisely planning for the unprecedented demands that the post-war period will present. We are encouraged as we read of surveys being made, of money accumulated, of men and women being enlisted and trained to meet the demands. But the most heartening paragraph concerning this forward looking plan is this: "The Home Mission Board, while it is preparing for an enlargement of its work, is, however, trying to give first place to spiritual preparation for the work. The Board knows from experience that it is not by might nor by power but by my Spirit, saith the Lord. We must be prepared to meet any situation that may arise after the war is over, in the wisdom and power of God. The workers of the Home Mission Board are praying daily for the enduement of the Holy Spirit for post-war tasks. We invite all our Christian friends to join us each week-day morning at ten-thirty in prayer for spiritual preparation in the tasks that will be ours in the post-war world."

Long years ago a missionary to the Indians closed his report to the Board with these words, which are a fitting close to this brief report:

"Seeing how the Lord hath prospered us, it behooves us prudently and prayerfully to press forward."

Respectfully submitted,

MRS. J. S. FARMER

38. M. A. Huggins, General Secretary of the State Mission Board, brought a report on State Missions. This report was not submitted to the clerk, so is not included in the minutes.

39. Mr. Huggins introduced A. S. Gillespie, missionary on furlough from China, to bring the final message. Mr. Gillespie asked Lee C. Sheppard, Raleigh, to lead the association in prayer for mission work everywhere. Mr. Gillespie brought a challenging message in which he gave a story of the beginnings of the Baptist missionary movement and something of its present size.

40. Bruce V. Hartsell moved that the association adjourn. The motion was adopted. A. S. Gillespie pronounced the benediction.

Record of Proceedings of the 140th Annual Session of the Raleigh Baptist Association

Held With the

WAKE FOREST BAPTIST CHURCH

Wake Forest, North Carolina

EVENING SESSION

Thursday, November 1, 1945

1. Moderator George G. Griffin, Zebulon, called the Association to order by announcing that the one hundred and fortieth session of the Raleigh Baptist Association was in session. He announced further that no business would be transacted in this evening session, but would await the morning session tomorrow.

Note—This 1945 meeting of the Association was originally scheduled to meet for the morning, afternoon, and evening sessions on Friday, November 2. After these plans were made, announcements were made that the President of the United States would speak in Raleigh on the evening of

November 2. To avoid serious conflict the evening session of the Association was changed to Thursday, November 1.

2. Rev. Eugene Olive, Wake Forest, led the congregation in singing "We Praise Thee, O God, Our Redeemer".

3. Rev. James S. Potter, Apex, read, for devotional thought, the 17th chapter of the Gospel according to John, and followed it with prayer. Oscar Campbell, Wake Forest student, sang a solo to the accompaniment of the organ.

4. The following report on Home and State Missions was brought by Rev. H. Fletcher Lambert, Superintendent of Missions in the Association:

STATE AND HOME MISSIONS

Science has, in some real sense, obliterated time and space. As a result, we live neighbor to all Southern Baptist. While we maintain, and rightly so, a State Mission Board and a Home Mission Board. Our relationships are such that, for all practical purposes, we may treat both in one report.

Missions is the joining of the hearts and hands of the churches in an effort to preach the Gospel to all the people. State Missions, as such, is an effort cooperatively undertaken by the churches to provide a Kingdom Program to meet the needs for all North Carolina Baptists and those who prefer our way of life. On the other hand, Home Missions is an effort on the part of the churches through the Home Mission Board to minister to all the neglected groups and destitute regions in the bounds of the Southern Baptist Territory. Nevertheless, in the main, the problems of both divisions of the work are basically the same.

First, we have to do with a human nature that is totally depraved. Paul tells us that "All have sinned and come short of the glory of God." The Preacher says, "For there is not a just man upon the earth, that doeth good, and sinneth not." Ecc. 7:20. The pall of our sin hangs over us like a black cloud in the night.

Second, We have to do with sin that is exceedingly sinful. "The soul that sinneth, it shall die." For the wages of sin is death."

Third, we have to do with spiritual indifference in vast areas of our Church membership. Some one has stated the case as follows: "5 per cent of the membership do not exist, 10 per cent cannot be found, 20 per cent rarely ever attend, 30 per cent are not enrolled in the Sunday School, 40 per cent give little or nothing for the support of the church, 50 per cent never attend the Sunday evening service of the Church, 60 per cent are not enrolled in the training service of the church.

"Seventy per cent give little or nothing to the Mission program of the Church, 80 per cent rarely, if ever, serve as officers or teachers. 90 per cent never seriously attempt to win another to Christ, 95 per cent rarely if ever attend a church service during the week time." Fourth, there is an appalling lack of missionary vision in our churches.

Basically the challenge of both, State and Home Missions, is the same. First, both of our great Boards seek to preach Christ as the way of life.

Second, To provide an adequate program through which the churches may preach the Gospel in every nook and corner of the Southland.

Thirdly, to create a genuine mission spirit in our people so that they shall give of themselves, their sons and daughters, and of their means that the good news in Christ may be given to all people, even to the uttermost parts.

Respectfully submitted,
H. Fletcher Lambert.

At the close of the report, motion was made for its adoption, but adoption was postponed until tomorrow after the constitution of a quorum.

5. Mr. Lambert introduced Miss Annie Ivey (asking her to stand) as the Superintendent of the newly organized Good Will Center in Raleigh. He stated this to be the first Good Will Center in North Carolina. After introducing Miss Ivey he spoke briefly to his report.

6. Mr. Lambert surrendered a part of his time to M. A. Huggins, General Secretary of the Baptist State Convention, who brought greetings to the Association from the State Convention, and told of gains in the gifts of people over the state, approaching \$2,000,000.00 to all denominational causes for the year. He then announced the forthcoming meeting of the State Convention in Raleigh.

7. Moderator Griffin introduced Dr. Charles E. Maddry, Secretary Emeritus of the Foreign Mission Board of the Southern Baptist Convention, who brought the Foreign Mission Report, which was the closing message of the evening.

The subject of his message was **The Challenge of the Open Door**. The Scriptural text was I Corinthians 16:9.

He gave a brief history of the beginnings of Foreign Mission work by our denomination, stating that "Southern Baptists

have laid a good foundation". Looking back over our good beginnings he presented four challenges:

- (1) The Challenge of an Unfinished Task.
- (2) The Challenge of Open Doors.
- (3) The Specific Challenge to America because of our prestige in the world, and because of the high position held by our missionaries in the esteem of peoples of other nations.
- (4) The Great Challenge of One World.

8. At the close of Dr. Maddry's message, Moderator Griffin asked that Dr. Arthur S. Gillespie, acting pastor of the Wake Forest church, lead in the closing prayer. This prayer ended the Thursday evening session of the Association.

MORNING SESSION

Friday, November 2, 1945

9. Rev. Eugene Olive, Wake Forest, led in the devotional period, which consisted of the singing of "The Lord Is My Shepherd" by the congregation, responsive reading of a selected passage of scripture, and prayer.

10. Moderator Griffin called for a report on registration in order that a quorum for the transaction of business might be constituted. The report on registration was not ready:

11. Rev. W. M. Page, Fuquay Springs, gave the following report of the Executive Committee and moved its adoption:

REPORT OF THE EXECUTIVE COMMITTEE

Pursuant to a motion passed by the Raleigh Association, in regular session, October 26, 1944, relative to the calling to full-time service a Superintendent of Associational Missions, the Executive Committee, who, in that motion was charged with the responsibility of employing a suitable man, secured the services of Rev. H. F. Lambert. He came to the work January 1, 1945.

His salary was set at \$3000.00 per year, half of it to be paid by the State Mission Board and the other half to be paid by the Home Misison Board. The other expenses of this work were allocated among the churches of the Association. The Executive Committee, in accord with this action, agreed to pay Brother Lambert's moving expenses up to \$150.00; his house and office rent up to \$720; his office

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

expenses up to \$300.00 and his traveling expenses up to \$300.00, based on five cents per mile.

In addition to this, the Executive Committee granted Brother Lambert two weeks vacation with pay, agreed to pay his expenses to the State and Southern Baptist Conventions and allowed him the privilege of holding two evangelistic meetings per year outside the Association, the honorarium from these meetings to be used by him as he chooses. All funds collected by him within the Association from supply work and evangelistic meetings are to be turned over to the Treasurer of the Association with a record indicating the source from which they came.

The Home Mission Board stipulated that a Missions Committee be appointed to supervise and direct the work of the Superintendent of Missions. In accord with this stipulation, a committee of five was appointed from the Executive Committee to serve in this capacity. This committee, composed of F. O. Mixon, Chairman, W. M. Page, Secretary, Eugene Olive, Baxter Durham and C. O. Green, has had frequent conferences with Brother Lambert and has worked in harmony and cooperation with him in his work. We bespeak for Brother Lambert the confidence and cooperation of all our pastors and churches.

Respectfully submitted,

W. M. Page, Member Exec. Comm.

Adoption of report was postponed until the constitution of a quorum.

12. Rev. H. Fletcher Lambert, Superintendent of Missions, spoke to the report of the Executive Committee, giving a report of his work in the Association during the past ten months.

13. Moderator Griffin again called for a report on registration. Again, this report was not ready. Back business was accumulating in such proportion that it was deemed wise to pause briefly until the report on registration could be completed. After a brief pause Mrs. Eugene Olive, Wake Forest, brought a report of the number of messengers registered at that time. Rev. Theo. B. Davis, Zebulon, moved that this report be adopted and the messengers present be constituted as a quorum. His motion carried and Moderator Griffin announced that the Association was now ready for the transaction of business.

14. Since the Association was ready for business the report of the Executive Committee, made earlier in the morning, and

the report on Home and State Missions, made the night before, were both adopted upon majority vote.

15. Rev. Fon H. Scofield, Rolesville, gave the following report of the Committee on Committees and moved its adoption:

The report was adopted.

16. C. G. Mumford, Raleigh, presented the printed program and moved its adoption as the order of business for the Association. The motion carried and the program was adopted, except for a slight change made necessary because Dr. C. C. Carpenter, of the Baptist Hospital in Winston-Salem, scheduled to speak in the afternoon was requesting that he be on the morning program because of other afternoon engagements.

17. Rev. Garland A. Hendricks, Olive Chapel Church, Mount Zion Association, brought the message on Social and Moral Problems.

18. A brief period was taken here for recognition of new pastors in the Association, visitors attending the Association from outside its bounds, and Dr. Thurman D. Kitchin, president of the college and termed here by the Moderator as host president.

18. Dr. C. C. Carpenter, Winston-Salem brought the report on the hospital in which he stated they had a school accommodating about 200 medical students, a school for nurses, a school for specialists with about 35 students now. He said the total student body is now about 410. In addition to the school are the hospital, two clinics, and research department. He said they treat about 8,000 patients a year, about 4,500 of whom are non-pay patients.

19. Rev. John L. Coley, North Street Church, Raleigh, brought the following Sunday School Report and moved its adoption:

SUNDAY SCHOOL REPORT

Matthew 28:20

At the 1944 meeting of the Raleigh Association we voted to employ a full time Superintendent of Missions for our Association.

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

January first of this year brought into our midst a man that has lived up to all our expectations. If he has failed in any way it is because, largely, our failure to cooperate with him as we promised. The Sunday Schools of our Association have greatly benefited where he has been invited to come and work.

When we think of the Sunday School, certainly we are thinking of the church, or churches, teaching. It is the teaching ministry of our churches. It is no longer considered separate and apart from the church, as formerly. For this we are indeed grateful to God. Our strongest churches are those that have the strongest Sunday Schools. Go into a church to hold an evangelistic meeting where the Sunday School has been allowed to die, and you will find a dead church, and an impossibility to reach the lost effectively.

During the month of July a meeting was held for Sunday School workers at the New Hope Baptist Church. About seventy-five attended, and the program was most inspiring. Good strong speakers were on the program, and various angles of the Sunday School work were presented in a most effective way.

The record shows that in North Carolina there were 587 awards earned during the month of September for training. On the schedule for the coming year we find the following: State Planning meetings for Associational Sunday School Officers; Associational Simultaneous Sunday School Meetings in Every Association; and Church Planning Meetings for Officers and Teachers . . . in Every Church. Surely this is a most worthy program, and we will endeavor to give it our heartiest cooperation.

Respectfully submitted,
John L. Coley.

The report was adopted, and Rev. H. Fletcher Lambert spoke to this report.

20. Miss Mary Lou Wall, office secretary of the Training Union Department of the Baptist State Convention, brought the following report on Training Union Work, and moved the adoption of the report:

TRAINING UNION REPORT

The Baptist Training Union of the Raleigh Association reporting to the Raleigh District Association, meeting with the Wake Forest Baptist Church November 1, 2, 1945.

The Baptist Training Union of the Raleigh Association has had a rather discouraging year in some respects but in spite of all its difficulties has held its own and has made some progress. At the time of the last District Associational Meeting no officers were presented

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

for approval since the merging of the Raleigh and Central Associations delayed the election, and it was not until February of this year that a director was secured. We felt the waiting was not in vain, however, when Mr. E. W. Price, Jr., of the Tabernacle Church, consented to serve.

During his short reign of leadership two important events occurred which meant a great deal to the association. The first one was the Enlargement Campaign during the week of February 26-March 2. At that time our association was honored to have from the Sunday School Board in Nashville Mr. and Mrs. J. E. Lambdin to conduct and assist in the campaign. Twenty-three outside workers, together with the state Training Union staff, assisted the twelve participating churches. There was an average attendance of 798 for the week with 28 new units organized and 60 new workers enlisted. There were 626 awards requested as a result of the week's study.

And then on the night of April 24 our association cooperated with the Sunday School Board in their plan for a Southwide Simultaneous Associational Training Union Rally Night. The rally for the Raleigh Association was held in the Tabernacle Church in Raleigh with 325 in attendance and a total of 24 churches represented. Conferences were held for the different age groups and the meeting was concluded with a challenging message from Rev. Charles Howard of Buie's Creek. An enthusiastic spirit reigned throughout the meeting and the people went away feeling it was good to have a part in the great training program of our association.

Within a few months after Mr. Price became Training Union director, however, he felt definitely called into the ministry of our Lord and so it became necessary for him in September to resign his work in Raleigh. He and Mrs. Price are now attending the Southwestern Theological Seminary in Fort Worth, Texas. The association greatly appreciates the work Mr. and Mrs. Price have done for the Training Union cause and they shall have our prayers as they prepare for an even larger field of service in the future.

For your information may I leave you with a "bird's eye" view of the Training Union work as we find it in the Raleigh Association at the present time. Out of the 69 churches in the association we find only 28 have a Training Union organization. This means there are 41 churches without a training program of any kind. Only 2,173 members are enrolled in the 118 Training Union units.

Of course this summary of the work is not what we would have it to be and, in conclusion, may I say it is encouraging to know it does not have to remain so, for with the earnest prayers, enthusiasm, cooperation, and just plain hard work on the part of *everyone* there could soon be, and necessarily so, should be, a Training Union organization in all 69 churches of our association. The leaders of our as-

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

sociation of tomorrow need to be trained today — right now — and unless we do something about it the failures of the future can rightly rest partially upon our shoulders. With *all of us* praying and working together a great and worth while training program can be had in the Raleigh Association and we can be assured of God's presence among us in our activities.

Hopefully submitted,

Mary Lou Wall, *Office Secretary*,
State Training Union Dept.

The report was adopted, and Harvey T. Gibson, Training Union Secretary of the Baptist State Convention, spoke to the report.

21. Mrs. F. O. Mixon, Tabernacle Church, Raleigh, gave the following report on Woman's Missionary Union work in the association, and moved the adoption of the report.

REPORT OF RALEIGH ASSOCIATIONAL W. M. U., 1945

To Ernest Warburton Shurtleff, Woman's Missionary Union is indebted for the stirring hymn, "Lead on, O King Eternal", which is the 1945 hymn for our organizations. Ernest Shurtleff graduated from Andover in 1888, the year Woman's Missionary Union was organized. It was at the time of his graduation that he was asked by his fellow students to write the graduation hymn. These students were leaving, journeying life's roads apart, and what could have been more fitting for the young Christian to write than, "Lead On, O King Eternal"? For many years this hymn has been sung as young men and women have marched out into fields of conquest for Christ. It seems to me especially appropriate that this year when peace is uppermost in our hearts and minds that women and young people all over the South have been singing, "Lead On, O King Eternal, Till sin's fierce war shall cease". So I am remembering the phrases of this stirring hymn as I write the Annual Report of Woman's Missionary Union of the Raleigh Association.

We have in the Raleigh Association 45 Missionary Societies, in which were enrolled last year 1970. There were 101 Young People's organizations last year.

"AND HOLINESS SHALL WHISPER

The sweet Amen of peace!" Prayer is our first aim. W. M. U. women and young people are constantly reminded to ask divine guidance not only for themselves but also for others. Our most concerned intercession occurs at three set periods each year—early in March for Home Missions, in September for State Missions, and in December for world-wide Missions. Reminders for daily prayer and family devotionals are found in the Calendar of Prayer as pub-

lished in Royal Service and the magazines for our young people. Regularly, too, young people and women are called to prayer in their missionary program meetings. Last year 33 Missionary Societies observed the three Seasons of Prayer.

"THRU DAYS OF PREPARATION

Thy grace has made us strong!" The second aim of Woman's Missionary Union is *Study*. Even as souls pass from darkness into light through the entrance of God's Word, so are Christian minds enlightened by further study of God's work in His world. This study includes Bible study, the study and reading of mission books, books on stewardship and prayer, and the reading of missionary magazines. Last year 543 subscriptions to Royal Service and 670 subscriptions to the Biblical Recorder were reported, besides many subscriptions to the Commission and the Southern Baptist Home Mission. The Missionary Societies alone reported 96 mission study classes with 1548 enrolled. During the first three quarters this year 59 classes have been reported. Last fall many of our societies cooperated in the Association-wide Church School of Missions, and efforts have been made this year under the leadership of Mrs. D. R. Jackson, our Mission Study Chairman, to establish an Associational Missionary Library. We believe sincerely that people who are informed are the people who are interested.

"LEAD ON, O KING ETERNAL

The day of march has come!" Our third aim is Tithes and Offerings. Woman's Missionary Union seeks to train its members, whether young or old, to tithe and then to give "good measure—running over". Not all of its members are yet tithers, but last year 339 were reported. So far this year 399 have been reported, which is an increase of 60 over last year's report. As one studies the financial record for last year, it is clear that the Missionary Union is making progress toward a more faithful Christian stewardship. Total gifts reported were \$36,711.99. Along with the other organizations of the South our Association adopted as its financial Centennial goal for 1945 a 20% increase in total gifts. This goal is truly a challenge, and no one of us doubts that the day of march will surely come when we recognize our privilege and duty to be faithful stewards.

"THY CROSS IS LIFTED O'ER US

We journey in its light." Just as we have come to the close of a war of horror and world-wide killing, it is reassuring to feel that today's young people will learn to live more righteously and wisely, carrying God's message to all mankind. "It will take much training and wise leadership to convince this coming generation that the Gospel is more effective for world peace than guns, that teaching is more desirable than tanks for changing nations, that preaching is preferred to pillboxes as a channel for bringing freedom, and that

MINUTES OF THE RALEIGH BAPTIST ASSOCIATION

Bibles are more desirable than bullets as presents to lost people."

Because we believe this, the fourth aim of the Woman's Missionary Union is the *Missionary Education of our young people*. Through the Sunbeam Band, the Girls' Auxiliary, the Royal Ambassador Chapter, and the Young Woman's Auxiliary, we seek to teach our youth to pray, to study the Bible and world needs, to give as stewards of their time, talents, and money, and through the activities of Community Missions to learn to serve their fellowman. The goal of this association is a full-graded Woman's Missionary Union in every church. Is it an impossible goal? We believe it is not. Last year three churches in the Raleigh Association were not only full graded, but also A-1: Hayes-Barton, Tabernacle, and Millbrook.

"WITH DEEDS OF LOVE AND MERCY

The heavenly kingdom comes". The fifth aim of Woman's Missionary Union is *Community Missions*, the purpose of which is to win souls and attain other spiritual results within our association through the enlistment of all women and young people of the churches in such definite missionary activities as: cottage prayer meetings, mission Sunday Schools, Vacation Bible Schools; visiting the sick and contact with the indifferent and unaligned Christians; service to those in the army and navy; cooperative work with the foreigner and Negro; working for high standards of speech and conduct; Christian observance of Sunday; total abstinence, child-welfare, etc. Last year 26 societies reported definite and organized Community Missions work.

As this report is concluded there is the fear that we have not done our best, and only our best is worthy. Yet we know that in the missionary enterprise final victory is assured. "The crown awaits the conquest; Lead on, O God of might."

Respectfully submitted,

Mrs. F. Orion Mixon, Supt.

The report was adopted.

22. Rev. Eugene Olive, Wake Forest, led the congregation in singing "O Worship the King".

23. Dr. Carlyle Campbell, President of Meredith College, brought the report on Christian Education. No copy of this report was furnished to the clerk, so it does not appear in the printed minutes.

24. Dr. Arthur S. Gillespie, Wake Forest, acting host pastor, gave a word of welcome to the Association, and asked Professor J. G. Carroll, member of the College faculty and of the Wake

Forest Church, to make announcements about dinner. Professor Carroll made necessary announcements.

25. Rev. C. H. Norris, Wake Forest, suggested that all service men present be recognized, and that a prayer for lasting peace be offered. His suggestions were complied with, and Dr. Broadus E. Jones, First Church, Raleigh, led in the prayer.

26. Dr. Carl M. Townsend, Hayes-Barton, Raleigh, delivered the annual sermon, which closed the morning session of the Association. Dr. Townsend's subject was, "Sources of Strength for Today's Problems." As sources of strength he listed (1) A pure heart, (2) God's Word, (3) The Holy Spirit, (4) God, the Father, and (5) The living Presence of Jesus.

AFTERNOON SESSION

Friday, November 2, 1945

27. Rev. L. J. Morriss, Calvary Church, Raleigh, led the devotional period for the opening of the afternoon session. He led the congregation in singing, "Come Thou Almighty King," and followed the hymn with prayer. He then read a portion of Scripture and brought a few devotional thoughts.

28. W. C. Reid, Superintendent of the Kennedy Home, brought the Orphanage Report.

BAPTIST ORPHANAGE

Wars may come and go, we may sign treaties of peace, and establish world tribunals, but the homeless child is ever with us. Wars have always been hazardous to homes and to childhood. During the past two years, many children have been born in this country who have never seen, and who never will see their fathers. These fathers have given their last full measure of devotion in the service of their country. Others, through dissipation and neglect have shirked their responsibility as parents—and left helpless children dependent on Christian citizens. Shall we be faithful to these children? This condition is nothing new. It gave Christ when He was in the world great concern and caused him to exclaim: "But whoso shall offend one of these little ones . . . it were better for him that a millstone be hanged about his neck . . ." Our orphanage is the most direct channel through which Baptists may render service to dependent children.

During the past year, in spite of the tremendous increased cost of living, we cared for approximately 700 children in the Mills Home

and Kennedy Home, through Mother's Aid and in Boarding homes. In addition to this, orphanage representatives rendered perhaps their best service to more than 300 children, by helping families work out their domestic problems, thus preventing the necessity of having to take these children into the institution. Through these faithful efforts more than a thousand children were aided.

It costs \$675.00 a day to care for the large family now in the orphanage. We cannot build orphanages large enough to care for all needy children. Christian people should in some way stimulate fathers and mothers, and prospective fathers and mothers to rededicate themselves to the task of building good homes. Wrecked homes are the greatest tragedies of the present generation. We win military victories in vain, at the expense of our fine boys and girls, unless we can here at home win moral and spiritual victories that will unshackle the children of tomorrow.

29. Dr. L. L. Carpenter, Editor of the Biblical Recorder, brought the following report on Religious Literature and moved its adoption:

REPORT ON RELIGIOUS LITERATURE

North Carolina Baptists are a great people, with more than 560,000 church members. We have a strong, vital evangelistic appeal, and we are reaching the multitudes for Christ and for our churches; but the greatest single need inside the churches is for a deep spiritual revival and for the training and enlistment of the people. Our people cannot possibly be interested in that which they do not know about. The hope of the world is in regenerated but enlightened people. It is true in our day as it was in the days of Hosea. "My people are destroyed for lack of knowledge." Jesus said, "If ye abide in my word, then are ye truly my disciples; and ye shall know the truth, and the truth shall make you free."

Our people must be informed, inspired, unified, and enlisted in the whole program of Christ in the world. This will come about through more and better teaching, preaching, and making use of the printed page. People learn through what they see, hear, and read. As teachers, preachers, and leaders in the churches we cannot possibly tell the people all they need to know. We must put good literature in their hands and encourage them to read it. This is a reading age; people read a great deal, and much of it is harmful rather than helpful. However, there is an abundance of good books, magazines, and papers. Let us encourage our people in every way possible to buy and read the very best Christian literature.

The Bible comes first, of course, and is central in all our work. The Sunday School Board publishes many books and papers as aids to

better Bible study and teaching. Each organization and agency has its own list of publications, such as the Sunday School, Training Union, W. M. U., and Brotherhood. Two magazines in particular should be in all our homes: *Southern Baptist Home Missions*, and *The Commission* (Foreign Missions).

In North Carolina, *Charity and Children* has been the loved and honored paper of the Orphanage for many years; and the *Biblical Recorder* has been the organ of the Baptist State Convention for 112 years. These papers should be read by all our people. We urge especially that the Recorder be placed in every Baptist home in North Carolina. It will help to inform, teach, enlist, unify, and inspire our people along all the lines of Christian endeavor in which Baptists are interested and to which they are committed. The subscription price is \$2.00 per year for individual subscriptions; \$1.50 in church clubs; and only \$1.20 in the Every-Family Plan. This association has 43 churches with Recorder clubs out of a total of 68 churches. Certainly every church in this association ought to have at least a club, if not the Every-Family Plan. Our people are reading a great deal these days, and they must be informed. Pastors and leaders in the churches must help them to get Christian literature in the home and encourage them to read and study it. "Ye shall know the truth, and the truth shall make you free."

Respectfully submitted,

L. L. Carpenter.

The report was adopted, and Dr. Carpenter spoke to the report.

30. Rev. R. H. Satterfield, Chairman of the Membership Committee, presented to the Association the request of the Forest Hills Baptist Church in Raleigh for membership in the Association. R. N. Simms, Raleigh, moved the reception of the church. The motion was carried by standing vote.

OBITUARY COMMITTEE

Since our Association last convened a goodly number of the soldiers of the cross have laid down their arms and have passed on to their reward. Their mantle has fallen on our shoulders, so we must fight on to win the victory.

We should rededicate our lives to the service of our Master and lay on his altar all that we have and are in order that these shall not have died in vain.

Our loving Heavenly Father makes no mistakes and "All things work together for good to them that love the Lord." We therefore submit to his way and say, "Thy will be done not ours."

RECORD *of* PROCEEDINGS

OF THE

141st Annual Session

OF THE

Raleigh Baptist Association

Held With the

CARY BAPTIST CHURCH, CARY, NORTH CAROLINA

EVENING SESSION

Thursday, October 31, 1946

1. Moderator Fon H. Scofield, Jr., Wake Forest, called the Association to order by announcing that the one hundred and forty-first session of the Raleigh Baptist Association was now in session for the transaction of business.

2. Rev. Robert L. Costner, Knightdale, led the Association in a brief devotional period of Scripture and prayer.

3. Moderator Scofield called for a report on registration. The report showed eighty-five messengers enrolled at this time.

4. Dr. F. Orion Mixon, Tabernacle Church, Raleigh, moved that these eighty-five, plus any messengers registering later, constitute a quorum for the transaction of business. The motion carried.

5. Dr. Lee C. Sheppard, Pullen Memorial Church, Raleigh, presented the printed program, and moved its adoption as the order of business for the session. The motion carried.

6. Moderator Scofield, who is also Secretary of Visual Education, Radio, and Publicity for the North Carolina Baptist State Convention, presented the motion picture, "The American Mission," showing something of the history of Southern Baptist mission work on some of its fields.

7. Moderator Scofield called for special music by the choir of Pullen Memorial Church, Raleigh. While the choir was coming to the choir loft the congregation stood and sang, "Lead On O King Eternal." The choir sang the following selections:

Cherubim Song—Bortniansky; Sanctus—Gounod; God So

Loved The World—Stainer; Praise My Soul The King of Heaven—Andrews.

8. Dr. Sankey L. Blanton, Head of the School of Religion at Wake Forest College, spoke to the Association on the subject, "Christian Moral Convictions." He said, in part:

(1) Human life is more than a brief, transient experience between birth and death. The things that matter most to us are beyond the power of death to destroy. The chief end of man is to know God.

(2) Racialism is a snare and a delusion.

(3) It is better to serve than to be served. Servants are more pleasing to God than masters.

(4) It is part of our moral obligation to love our enemies.

(5) Children are the most important people in the world. Our churches are for the most part **adult** centered.

(6) It is immoral to lay up for ourselves wealth to buy in the future our exemption from the common lot of man.

(7) The lowest and meanest of men are children of the Heavenly Father, whether they recognize that fact or not, and are to be so treated.

9. The session adjourned at nine o'clock, with Dr. O. F. Herring, Wake Forest, leading in the closing prayer.

MORNING SESSION

Friday, November 1, 1946

10. In the absence of Moderator Scofield, Vice-Moderator C. O. Greene, Cary, called the meeting to order.

11. Rev. John U. Garner, Rolesville, led the devotional period. He read the fifth chapter of I John, and followed it with prayer.

12. At the request of the clerk, Vice-Moderator Greene announced that each person bringing a report to the Association should leave a copy of such report with the clerk for publication in the **minutes**.

13. Dr. F. Orion Mixon, Raleigh, Chairman of the Executive Committee, in the absence of C. G. Mumford, Secretary of the Executive Committee, read the following report to the Association:

REPORT OF THE EXECUTIVE COMMITTEE

Four meetings have been held as follows:

1. November 2, 1945: Organization. The following officers were elected: Rev. F. O. Mixon, Chairman; C. G. Mumford, Sec.

The chairman announced that the names of those on the Missions Committee would be provided as soon as possible. The committee as named: F. O. Mixon, James Potter, Baxter Durham, Mrs. Claude Gaddy, and ex officio the following: Fon Scofield, D. M. Larkins, L. J. Morriss, Mrs. F. O. Mixon.

2. January 3, 1946: A recommendation from the Ministerial Conference that there be two associational meetings during the year, one in the Fall, and one in the Spring, was not approved.

The resignation of the Rev. H. F. Lambert as associational missionary was accepted with regrets, and the following committee appointed to draw up suitable resolutions: C. O. Green, J. G. Murray, D. M. Larkins.

The following committee was named to find a successor to Brother Lambert, and report back to the Executive Committee: F. O. Mixon, C. O. Green, W. M. Page.

3. February 15, 1946: The committee on securing a successor to Brother Lambert recommended the appointment of Brother D. M. Larkins. The report of the committee was adopted and the hope was expressed to Brother Larkins that his services would continue for a reasonable length of time rather than be terminated after a brief period.

The budget committee was asked to prepare a budget for 1947 independent of the Home Mission Board, including the work of the associational missionary, and to institute, not later than August 1, 1946, a canvass of the churches in the association looking toward the raising of the budget.

4., 1946: A committee composed of C. O. Green, Ryburn T. Stancil, Fon Scofield was appointed to make a survey of the churches to secure financial support for the associational program.

The following were added to the Missions Committee: C. O. Green, Ryburn T. Stancil.

Respectfully submitted,

C. G. Mumford, Secretary

Dr. Mixon then moved the adoption of the report.

14. Rev. Dennis M. Larkins, Superintendent of Missions in the Raleigh Baptist Association, presented the leaders of the different phases of the work of the Association, to make their reports, as follows:

Miss Annie Ivey, Raleigh, Director of the Good Will Center, gave the following report of her work:

REPORT OF THE BAPTIST GOODWILL CENTER

1. *What is the purpose of the Goodwill Center?*

Winning souls and lifting life is the purpose of the Good Will Center. Its aim is to minister to all the needs of the people it serves, bettering home conditions, providing a wholesome environment for children, winning to Christ, and making the contact between the people and the churches. When individuals attending the Center become Christian, they are led to seek membership in the nearest Baptist church, or the church of their preference. They are encouraged to join the Sunday School and other organizations of the church if possible for them to attend, and if not, these can be organized at the Center. But these societies should not replace the organizations which serve as intake groups for the unevangelized, and which will continue to be needed for both Christians and non-Christians for well rounded spiritual and social development.

2. *What was accomplished from October 1, 1945 to September 30, 1946?*

Mrs. F. Orion Mixon, Raleigh, Superintendent of the Woman's Missionary Union of the Association, read the following report:

REPORT OF WOMAN'S MISSIONARY UNION

Woman's Missionary Union adopted as her watchword for the year 1946 the twenty-second verse of the forty-fifth chapter of Isaiah—"Look unto me and be ye saved, all the ends of the earth, for I am God and there is none else." As members of Woman's Missionary Union have repeated this watchword this year, surely we have been keenly conscious of our world task of leading lost people everywhere to Christ for salvation, in as much as we have this precious, comforting, assuring message because one man allowed God to use his life. At great cost to himself, the prophet sounded forth God's message to the ends of the earth. As we look at the watchword we note at least four things about it. First, it is a *challenging* message. It demands something of the individual—"Look unto me!" We are called to a more serious study of God and His Word and His world. We are forced to our knees in prayer and worship as we contemplate His majesty and holiness. Second, it contains a note of *absolute authority*—"For I am God." God used Cyrus, but he despised the idols of Cyrus and his people. Jehovah is the only God. Third, it is an *inclusive* message. It didn't fit the prejudice and narrow nationalism of Israel, but we too need to remind ourselves today that "all the ends of the earth" are included in this precious proclamation sent by God through His servant. Fourth, it is an unchanging message. Methods and messengers change often with circumstances, but the message remains the same—"For I am God, and there is none else!"

("Look unto me and be ye saved, all the ends of the earth, for I am God, and there is none else.") It seems to me that this watchword, with its missionary message, has stimulated the cause of Missions this year as it has lingered in our hearts. Will you remember it as I review our aims and achievements for 1945?

The Raleigh Association has 46 missionary societies, in which were enrolled last year 2578, an increase over the past year of 608. There were 101 Young Peoples' Organizations.

PRAYER is the first Aim of Woman's Missionary Union. He has said, "Call unto Me and I will answer thee and show thee great and mighty things which thou knowest not"—Jeremiah 33.3. Our women and young people are constantly reminded to step aside each morning for a devotional period to seek God's guidance; to pray for those who are unsaved, or ill, or bereaved or lonely; to remember our missionaries whose names occur on the Calendar of Prayer as published in Royal Service and the magazines for our Young People. Our most concerted intercession occurs at three set periods each year—early in March for Home Missions, in September for State Missions, in December for Foreign Missions. Last year 34 of our societies observed these three seasons of special prayer.

STUDY is our second Aim. Letters home from American men and women in the Armed Forces of our country during the war added many first hand testimonies to the great value of Christian missions. A young soldier from the islands of the Pacific wrote, "If people could only see, they would understand." "Now that I have seen," wrote an American soldier from Arabia, "I am going to be a different Christian." To see and understand this mighty business of missions, Woman's Missionary Union offers rich treasures in missionary books for both study classes and reading. Last year 244 mission study classes were reported with 3733 enrolled, an average of 3 (three) classes for every society. The Raleigh Association led the entire State in Mission Study Classes. 1028 books were read. We had a Mission Study Institute with 90 present from twenty-six of our churches. We have been successful with our Associational Mission Study Library, and there are now available many interesting books for reading and sets of books for classes. These can be secured by any church in the Association, if someone will call for them at the Tabernacle Church.

Our third aim is **TITHES AND OFFERINGS**. Woman's Missionary Union seeks to lead its members, whether young or old, to realize the goal: "*Every member giving every week to every cause, in proportion to her ability, through her church*" for the support of her church and all Kingdom causes fostered by our denomination. Not all of our members are yet tithers, but last year 496 were reported, an increase of 157 over the previous report. Our total gifts from all organizations amounted to \$35,526.78. During recent months one phrase has come so often to the lips of our leaders in government as to be familiar to all of us—"The Good Neighbor Policy." Our government is anxious to assure the rest of the United Nations that it is a "good neighbor." Sharing with others

our highest good—The Gospel of the Son of God—is “The Good Neighbor Policy.” All of us have that privilege of joyous service through our gifts to missions.

Our fourth Aim is *MISSIONARY EDUCATION OF OUR YOUNG PEOPLE*. Someone has said: “Tomorrow’s world will have big problems, big opportunities, and big responsibilities. It will take big people to live in it; men and women big in their knowledge of God and His Word; big in their vision and their love.” It remains for us to see that “too little, too late” is not the cry in Christian work tomorrow. We must prepare now to claim the future for our Master. Wasn’t it Miss Fannie E. S. Heck who wrote from her hospital bed these words, “Plan not for the year, but for the years. Think long thoughts. Train the children now for world wide service.” In our Association we have 26 Sunbeam Bands, 36 Girls Auxiliaries, 22 Royal Ambassador Chapters, and 17 Young Women’s Auxiliaries. Through these organizations we seek to teach our young people to pray, to study the Bible and world needs, to give as good stewards of their time, talents, and money, and through the activities of Community Missions to serve their fellowman. “Young people need missions, and missions need young people.” Let us seek to read them in service today that the light of Christ may shine brighter in tomorrow’s world.

Our fifth Aim is *COMMUNITY MISSIONS*. .. Because we want our community to be one where Christ is known and His commands followed, and because we want our homes Christ-centered, 36 of our missionary societies have been actively engaged in definite organized community missions work. Our women have cooperated with evangelistic efforts, held cottage prayer meetings, established Family Altars, visited the sick and lonely and bereaved, aided in Vacation Bible Schools, visited our institutions, distributed Christian literature and tracts, cultivated the friendship of people of other races, and countless other things in a regular month-by-month program of Christian service.

The Raleigh Association last year was one of four in our State to attain the A-1 grade. Two of our churches maintained full grade A-1 Unions—Hayes Barton and Pleasant Grove.

We are grateful for the achievements of the past year, but it is our earnest prayer that we shall witness more effectively for Christ so that many more people will accept the invitation: “Look unto me and be ye saved, all the ends of the earth, for I am God and there is none else.”

Respectfully submitted,
Mrs. F. Orion Mixon, Supt.

She moved its adoption.

Rev. L. J. Morriss, Calvary Church, Raleigh, Director of Training Union Work in the Association, gave the following report:

TRAINING UNION REPORT

The Baptist Training Union of the Raleigh Association reporting to the Raleigh District Association, meeting with the Cary Baptist Church, October 31 and November 1, 1946.

The Training Union of the Raleigh Association has in many ways had a rather encouraging year, even though it has been faced with many difficulties. Among these difficulties was the loss of several group directors and members of the Executive Committee, who because of change of work or location were forced to sever their connections with our Association.

Turning now to the brighter side of Training Union work, the report shows a definite increase in many of the activities engaged in during the past year. Two Associational mass meetings were held, and each was well attended and received. On December 7, 1945, the first mass meeting was held with the Hayes Barton Baptist Church for the purpose of setting up goals and launching our new program for the year. Following the departmental meetings under the direction of our Associational leaders, an inspiring and challenging address was brought to the Training Unions of various churches by Claude F. Gaddy. The second mass meeting was held with the First Baptist Church of Raleigh on March 17, 1946, with the aim of securing better programs, additional unions, and new unions through the enlistment of the resident church membership of all the churches. At the same time, representative groups from the churches entering the Training Union promotional contests presented themselves, and winners were chosen to represent the Raleigh Association in the Regional meeting held at the Watts Street Baptist Church in Durham April 26-27. Those representing our Association were Miss Bernice Brinkley, Hayes Barton, in Bible Reading; Arnold Smith, Hayes Barton, in the Young People's Better Speaking; Manuella House, Knightdale, Junior Memory Work; and the Calvary Baptist Church Choir in the Hymn Festival.

This second mass meeting served as a climax for probably the most constructive work done by the Training Union in the Association during the past year. In each of the seven districts of our Association, a week of earnest and profitable study was held under the direction of the group leaders and a faculty composed of thirty capable and zealous teachers. The leaders for that week were Rev. Lay Mobley, L. L. Morgan, Mrs. Myra Motley, Louise Paschall, Virginia Norment, Rev. G. W. Bullard, and Rev. C. W. Teague. The entire program was under the direction of our State

Secretary, Harvey Gibson, and your Associational Director. Many of the pastors launched this week of study through special programs and appropriate sermons on the preceding Sunday evening, March 10, 1946. During the week of study that followed, a total of 547 were enrolled in the 7 district groups. For the success of this program, much credit is due to our State Training Union Director, Harvey Gibson, and to the group directors: W. B. Logan, Rev. C. O. Green, Rev. W. M. Page, Rev. Fon Scofield, Rev. R. L. Hughes, Rev. C. W. Teague.

Group meetings were held by two districts during the month of May, namely, Wendell and Raleigh Districts. Constructive ideas were presented in adaptable forms at these two meetings, under the direction of Rev. C. W. Teague and W. B. Logan.

The final efforts of the Associational year were for the promotion of an extension course for Training Union Associational workers to be held at the Tabernacle Baptist Church in October, and demonstration teams from various churches to respond to the Macedonian calls of other churches in the Association for the establishments of Training Unions.

Based upon the Associational reports of twenty three churches, there was approximately a 22 per cent gain in total enrollment with the establishment of 45 new unions and Story Hours.

The Executive Committee of the Training Union is under a deep conviction that there is a great need in our Association for training in church membership. The responsibility to meet this need is placed squarely upon the shoulders of the organizations already existing, and the pastors and leaders within the Association. The task is before us and the resident membership of the 69 churches in the Association is promised land, and we are well able to possess it. Do we dare accept it?

Respectfully submitted,

L. J. Morriss, Associational Dr.

He moved the adoption of the report.

Rev. Dennis M. Larkins read the following report on the Sunday School work. He made this report because he was elected Superintendent of Sunday School work in the Association before being elected Missionary.

REPORT ON SUNDAY SCHOOL ASSOCIATIONAL ORGANIZATION

Activities of the Sunday School Organization during the year:

The first Sunday School Mass meeting of the Raleigh Baptist Association was held in the Hayes Barton Baptist Church on January 28. A total of 27 churches were represented and 135 persons were present. "Launching a New Century With Christ" was the

theme of the meeting, and plans were made for teams of three to visit the churches to present the 1946 Sunday School Program.

In February 12 teams went to 40 of our churches and presented the Sunday School Program.

Our second Mass Meeting for the year was held in the Pullen Memorial Church on March 3.

On April 7, under the leadership of Mrs. Ryburn Stancil, a Daily Vacation Bible School Clinic was held in the Tabernacle church.

31 Daily Vacation Bible Schools were held with an enrollment of 3,026. An increase of 10 schools over last year. 1,034 increase in enrollment.

During the Associational year 23 of our churches have conducted a Training School for their teachers and workers with 363 awards being earned.

The Sunday School enrollment for the Association is 15,396.

Respectfully submitted,
Dennis M. Larkins
Associational Sunday School Superintendent

He moved its adoption.

Superintendent of Missions Larkins brought his report of Associational Missions at this point. He had a digest of the church letters which were passed out to the people in mimeographed form. He discussed this digest. He then asked Dr. Mixon to present a suggested program of work for the Superintendent of Missions. Dr. Mixon read a suggested program, stating that it was included in the first issue of the Associational Bulletin. He then moved the adoption of the program. Dr. Mixon then asked Moderator Scofield to explain why the churches are being asked to give more money to the support of the program of the Superintendent of Missions. Scofield explained that letters had gone out to all churches, asking for this increase of about twice what had been paid last year. The reason for the increase is to let the Association pay one third of the salary of the Superintendent, the State Convention pay one third, and the Home Mission Board one third. Up to now, he explained, the Association had only paid his expenses, while the State Convention and the Home Mission Board had shared equally in his salary. This increase is the first step toward the Superintendent being supported entirely

- (1) As to His Person
- (2) As to His mission in this world
- (3) As to His program
- (4) As to His requirements
- (5) As to the means that He uses
- (6) As to His love
- (7) and as to His power.

23. The morning session adjourned at 12:45 with closing prayer by Rev. Page. The prayer included thanksgiving for the meal to be served immediately.

AFTERNOON SESSION

Friday, November 1, 1946

24. Rev. John McCrimmon, Bethany and Wakefield, led the devotional period. This period was opened with the singing of "Stand Up, Stand Up For Jesus," followed by the reading of Matthew 5: 14-16, and prayer.

25. Rev. Earl Bradley, general missionary for the Baptist State Convention, brought the report of the State-wide agencies, which Mr. M. A. Huggins was scheduled to bring, but could not be here. His message was an appeal to the churches to finish the Relief Offering.

26. W. C. Reid, Superintendent of the Kennedy Home, brought the Orphanage report, but did not submit a report to the clerk for the minutes.

27. Dr. W. K. McGee, of the Baptist Hospital, Winston-Salem, brought the report on hospitals, but did not submit a report to the clerk for publication in the minutes.

28. Dr. L. L. Carpenter, Editor of the Biblical Recorder, brought the report on Religious Literature as follows:

REPORT ON THE BIBLICAL RECORDER

The report on the BIBLICAL RECORDER this year is very encouraging. The circulation of the paper during the past year has shown a good increase. The present circulation is 39,694, which means a net gain for the past twelve months of approximately 6,000. For this increase we are profoundly grateful to God and to the pastors and leaders of North Carolina Baptists who have supported the paper enthusiastically and have done what they could to get it into the homes of the people. We want to express our appreciation to General Secretary M. A. Huggins and all the State workers for the great help which they have rendered.

The RECORDER has three simple subscription plans: \$2.00 a year for individual subscriptions; \$1.50 a year in clubs—a minimum of at least 3 subscriptions is required for every church reporting less than 100 members and 5 subscriptions for every church reporting more than 100 members; \$1.20 a year for the budget or Every-family Plan—one subscription for each resident church family is required. We hope that pastors, superintendents, deacons, Training Union, and W. M. U. leaders will do what they can to encourage a good club in every Baptist church; or better still, to persuade the churches to inaugurate the Every-family Plan. At the present time there are approximately 300 churches which have the RECORDER in every resident family and 855 churches which have RECORDER clubs.

Our aim is to make the BIBLICAL RECORDER both a good, wholesome, attractive family weekly and a solid, substantial denominational journal. We feel, since it is the organ of our Baptist State Convention and because of the service it will render, that it ought to be in every North Carolina Baptist home.

We hope our Baptist people will remember us constantly in prayer and let us hear from them if they have any material or suggestions for the good of the paper, or if we can be of any service to them. One of the great needs of our people is that they be informed, trained, and enlisted in the whole program of the church and the Kingdom of God; and we feel that the BIBLICAL RECORDER is of immense value in this great cause. We want to be a comrade and helper to every Baptist home and church in North Carolina and do what we can for the support of every cause dear to the hearts of our people. We would follow the injunction of Paul to Timothy: "Give diligence to present thyself approved unto God, a workman that needeth not to be ashamed, handling aright the word of truth."

Editor and Business Manager

After reading this report he moved its adoption. It was adopted. He then spoke to the report.

29. Superintendent of Missions Larkins made some final corrections in the digest of letters which he had passed out earlier in the day.

Dr. Mixon moved its adoption.

Rev. Chas. McConnell, Franklinton, made a brief appeal for better support from our churches.

No more discussion. The motion to adopt report carried.

Dr. Mixon moved that the Budget Committee canvas churches until all are supporting the mission program. The motion carried.

32. Ryburn T. Stancil, Green Level, member of Time, Place, and Preacher Committee, reported that the chairman of the committee left the Association before the committee could prepare the report so it seemed impossible for the committee to report during the session of the Association. R. N. Simms, Jr., Raleigh, moved that the Time, Place, and Preacher Committee be empowered to prepare their report and report it to the Executive Committee to pass on for the Association, since the report was not ready while the Association was in session. The motion carried.

33. Rev. Jesse McCarter, Raleigh, moved that we go back to the pre-war two-day sessions of the Association. There was no second, so the motion died. Rev. Theo. B. Davis, Zebulon, moved that the matter be referred to the Executive Committee. Motion carried.

34. At this point the congregation joined in singing, "Jesus Shall Reign."

35. Dr. Ralph E. McClain, Meredith College, Raleigh, brought an address on the subject, "When Is Education Christian?"

35. Moderator Scofield asked Dr. Arthur Gillespie, Wake Forest, to bring a few words since he is soon to return to China. He brought brief words of greeting, and stated that he expects to sail about January 1, 1947.

36. L. Bun Olive, Forest Hills Church, Raleigh, brought the report of the Obituary Committee.

REPORT OF OBITUARY COMMITTEE

It is a glorious thing for a man to live as a Christian, and it is a victorious thing for a man to die as a Christian. "Blessed are the dead that die in the Lord, from henceforth, yea saith the Spirit: for they shall rest from their labors."

The Lord has received unto Himself a number of our beloved brethren and sisters since this association last met. Our hearts go out in sympathy to those who suffer this loss, but we rejoice with those who are with the Lord, for to this end they believed, they lived, and served.

Those who died in the Lord have not lived in vain, but their lives still enrich those among whom they lived and labored while on earth. May we dedicate our lives more completely to our Lord as we try to serve Him here among our fellowmen.

Respectfully submitted,

L. Bun Olive, Chairman

H. E. Cherry

Gilmer Parrish

Report was adopted.

37. Rev. John Coley, North Street Church, Raleigh brought the report of the Committee on Resolutions.

REPORT OF RESOLUTIONS COMMITTEE

We desire to express our sincere appreciation to the Cary Baptist Church and to the other two churches, Ephesus and Salem, and their good pastors, Rev. C. O. Greene, and Rev. J. Grey Murray, for their cordial hospitality, and also to the town of Cary for each and every courtesy.

And to each of those who had a part on program, and those responsible for the program, we are sincerely grateful for its interest and success. Also for the fine leadership throughout the whole year.

Respectfully submitted,

John L. Coley, Chairman.

He moved its adoption. Report was adopted.

38. Rev. Greene reported final registration figures. A total of 477 messengers and visitors were enrolled.

39. Rev. W. S. Caudle gave the following report of the Committee on Nominations:

42. Moderator Greene asked all to stand for the closing prayer, and asked Dr. Carl M. Townsend, Hayes-Barton Church, Raleigh, to lead in this prayer.

DR. CARL M. TOWNSEND

IN MEMORIAM

For fourteen years Dr. Carl M. Townsend was a member of this Association. Having preached in most of its churches, he was more widely known in the Association than any other pastor.

Dr. Townsend had a great passion for the salvation of the souls of people. He was one of our most effective evangelists. The secret of his effectiveness was his unshakeable faith in the transforming power of Christ, and his human but divine way of loving people. The thousands of souls he has led to Christ will rise up in eternity to bless his name.

The uniqueness of Dr. Townsend, however, was not in his preaching; it was in his life. He always seemed so nobly human, and yet so much like unto the Son of God. You were always conscious of his superior goodness, the essential characteristic of which was a spirit of beautiful humility. He was gentle and yet superbly strong; he was patient and yet aggressive; the greatness of his love was demonstrated by his capacity for moral indignation in the presence of wrong and evil. He never sought to possess his friends or use them selfishly. He was a prophet and a priest, faithfully representing God to man and the cause of man to God.

In view of these facts, it is not strange that Dr. Townsend's influence was being felt throughout the Southland. He was chairman of the Board of Directors of the *Biblical Recorder*, a member of the radio commission of the Southern Baptist Convention, a trustee of the Southern Baptist Theological Seminary, and also he was called upon for many services in our State and Southern Baptist Conventions in serving upon committees and delivering addresses and sermons. His brethren recognizing his worth to the Kingdom of God did not hesitate to use his energies and consecrated life for the progress of the Kingdom of God. Through the years he had grown in stature among his brethren and in favor with God.

Whittier, the poet, so truly wrote "Grant but memory to us, and we can lose nothing." We no longer can have Carl Townsend in the flesh but through the magic of memory we may walk with him in the pathway of the yesteryears, and be gently guided and strengthened by his influence to live triumphantly the Christian life. Bless God for the memory and fellowship of such a life.

BROADUS E. JONES, *Chairman Memorial Committee,*
for CARL M. TOWNSEND.

REPORT OF THE EXECUTIVE COMMITTEE

Four meetings have been held as follows:

November 1, 1946. The following officers were elected: Dr. Carl M. Townsend, Chairman; C. G. Mumford, Secretary. It was decided to have in 1947 one night meeting and one day meeting of the Association.

December 2, 1946. The following members were named to the Missions Committee to serve in addition to those who are *ex officio* members of the committee: W. M. Page, Chairman; F. O. Mixon, C. W. Teague, Chas. McConnell, J. Gray Murray. The Budget Committee of the association was empowered to serve in the capacity of

finance committee, with the privilege of adding other members if desired. The time set for the association meeting was Thursday night and Friday after the last Sunday in October. A committee composed of J. Gray Murray, chairman; L. J. Morris, and Robt. L. Costner, was named to bring in a report on meeting places and plans for the annual meetings of the association.

February 10, 1947. A report was made that the Home Mission Board and the State Mission Board were each willing to add one hundred dollars toward the expenses of the Associational Superintendent of Missions, provided that the association add one hundred dollars per year. The offer was accepted and the three hundred dollars applied to office rent and house rent. Rev. W. M. Page was requested to write each church regarding the financial support of the associational work.

October 27, 1947. Appreciation was expressed by rising vote for the splendid work of Rev. Ryburn T. Stancil, the retiring Clerk of the Association. It was decided to recommend to the association that three hundred dollars be provided for visual aid equipment. The report of the committee named on December 2 to recommend a plan for future meetings of the association was heard. The report was approved and comes to the association with the recommendation by the Executive Committee that it be followed. A copy of the recommendation is attached to this report.

Respectfully submitted,

C. G. MUMFORD, Secretary.

He then passed out mimeographed copies of a calendar of activities for the association. This calendar appears in the opening pages of these minutes.

He also gave out mimeographed copies of a digest of the statistical tables found in the back of these minutes. Following the distribution of these different reports, he discussed each briefly, challenging the churches of the association to a forward, co-operative effort. He then presented the three following speakers in the order in which they spoke.

Mrs. D. M. Larkins, Raleigh, read the following report of the Woman's Missionary Union, and moved its adoption.

REPORT OF WOMAN'S MISSIONARY UNION

The women and young people of the Woman's Missionary Union of the Raleigh Baptist Association are very humble and grateful that God has blessed us in our service for Him during the past year. We are mindful of the fact that we can of ourselves do nothing and that the results we see are entirely of God.

There are 48 Missionary societies in our Association with a membership of 2,506. There are 122 Young People's organizations with a total membership of approximately 1,366.

The five aims of Woman's Missionary Union, prayer, study, tithes, and offerings, missionary education of our young people, and community missions continue to increase our desire for greater service in the Master's Kingdom.

Prayer is our first aim. We have been made more conscious, during this past year, of the inevitable results of unceasing prayer. Not only for ourselves, but for others, we must seek Divine guidance. There are three concerted intercessions at three set periods each year: in March for Home Missions, in September for State Missions, in December for Foreign Missions. Last year 40 societies observed the Seasons of Prayer.

Our second aim is study. "Where there is no vision, the people perish." Missions study in many ways gives us a vision, and plants within us the hope or desire to spread the Gospel to the ends of the earth. Through the fine Christian literature which we find at our very finger tips we can be an informed people, and thereby be more wise in our service. Mission study continued to be one of the most outstanding things in our Association last year. There were 226 study classes reported.

Through our *tithes and offerings* we have helped to make possible a more far reaching mission program. We have given through the Co-operative Program \$25,623.89. Through special offerings \$24,-125.52. There are 713 persons giving at least one-tenth of their

financial means for the cause of Christ.

Because we love our young people, and desire for them the very best, Woman's Missionary Union is putting great effort in the program of *Missionary Education of our Young People*. If the young people of today are to be capable leaders of tomorrow, they must be trained. Through the Sunbeam Band, Girl's Auxiliary, Royal Ambassador, and Young Woman's Auxiliary we seek to teach the young people to pray, study, give, and serve their fellowman. The outstanding associational effort this year was a young people's rally with 170 persons present. Let me take this means of laying upon your hearts the great plea that has been sounded in most all of our meetings this year—MORE LEADERS FOR OUR YOUNG PEOPLE.

If we want a Christian leadership for tomorrow, we must be willing to give of ourselves in the training and development of Christian ideals and principles in the minds and hearts of our youth.

"In as much as ye have done it unto one of the least of these, my brethren, ye have done it unto me." 1,405 of our membership have been actively engaged in community missions this year. Many and various things may make up the community missions program, but our *chief aim is the winning of the lost*. There can never be too much emphasis placed upon the responsibility that is ours as an individual to use every opportunity in witnessing for Christ.

The Raleigh Baptist Goodwill Center has been the means of helping many persons. Miss Ivey, the director, reports 336 reached through the various activities which are sponsored at Goodwill Center. There were gifts by members of the center totaling \$38.79. We pray God's richest blessings on Miss Ivey and all those who have a part in this phase of our work.

As this report comes to a close we are reminded again of still an unfinished task. Our prayer and heart's desire for these coming months is that we may be more zealous for the completion of the great work whereunto we are called.

"Take the task He gives you gladly,
Let His work your pleasure be;
Answer quickly when He calleth,
Here am I, send me, send me."

Respectfully submitted,

MRS. DENNIS M. LARKINS.

Rev. Robert L. Costner, Knightdale, Associational Sunday School Superintendent, read the following report of the Sunday School:

REPORT OF THE SUNDAY SCHOOL

On January 21, 1947, the Raleigh Associational Sunday School held a mass meeting with the Calvary Baptist Church. At this time plans for the Sunday School work were discussed. Dr. L. L. Carpenter, Editor of the Biblical Recorder, spoke on the Sunday School theme of the year: "Advancing With Christ." Twenty-six teams had been selected to visit the churches during the month of February. These teams met with gratifying response.

Under the capable leadership of Mrs. Ryburn Stancil of the Green Level Church several group Daily Vacation Bible School Clinics were held. Following these clinics there was an associational-wide clinic held with the Wendell Baptist Church. This meeting was led by Mrs. Stancil and Mr. L. L. Morgan, the latter obtained excellent help for us from the Sunday School Board.

During the summer there were fifty-two Vacation Bible Schools in the Association with a total enrollment of 4676 pupils. The average attendance was 3418 and 101 conversions were manifested. The Missions Offering from the schools amounted to \$817.01. This record shows an increase of 21 schools over last year and 1146 more enrolled. A major part of the credit for this outstanding success must go to Mrs. Ryburn Stancil and Rev. D. M. Larkins, our Superintendent of Missions.

Information at hand discloses that twenty churches had Training courses with 279 awards.

Respectfully submitted,

ROBERT L. COSTNER,
Associational Superintendent.

Rev. L. J. Morriss, Calvary Church, Raleigh, Associational Training Union Director, brought the following Training Union report and moved its adoption:

REPORT OF BAPTIST TRAINING UNION

The Raleigh Baptist Training Union is well aware of its task and conscious of the great purpose for which it was organized: namely, the training in membership of our churches. The Training Union has delved deep into the potential power of all our churches in response to the clear call from the churches for more and better trained workers. Better foundations in the fundamentals of this work have been laid and thus a closer unity and co-operation exists today in the midst of this great task as we all labor side by side "teaching them to observe whatsoever things I have commanded you!" Many of the results of the work of the Training Union cannot be added in columns of figures, however there are others that can be analyzed and set forth in a report of this nature which show that

definite gains and inroads have been made in many phases of Training Union work during the past year.

The Training Union was not without goals or objectives which were focused upon during the past year. At the first meeting of our Training Union executives, the Standard of Excellence was adopted. The next month our Associational Officers' and Leaders' Council met with 62 in attendance. Each quarter this group held its departmental meetings with an average attendance of approximately 50. Mass meetings or group mass meetings were held each quarter and well attended. The Training Union is happy to report that our Association is very close to being Standard. The only factor preventing the receiving of this award is the completion of the prescribed study course by the members of the Executive Committee.

The Executive Committee decided to present a banner at each of the mass meetings during the year to increase attendance. The banner was given on the basis of the percentage of the present enrollment registered for the particular meeting in question, and the banner becoming the permanent property of the church winning it the most times during the year or having the highest total grade for all mass meetings. The Zebulon church won the banner at the December and June meetings, thus receiving it as their permanent property. Knightdale received the banner with the highest grade at March meeting, with honorable mention going to Wakefield, Wendell, Fuquay Springs, and Apex.

Mass meetings for the past year were held with the Tabernacle, Hayes-Barton, and the First Baptist churches of Raleigh acting as hosts. The highlights of these meetings were the messages brought by Mrs. Winston Pearce of Durham, Dr. Carl M. Townsend and the Rev. W. M. Page of our Association. The attendance figures for these meetings respectively were 250, 750, and 115. At the March meeting the contest eliminations were held under the direction of the Associational leaders: Rev. John McCrimmon, Mary V. Gay, Mrs. Margaret Cannady and Helen Knott. Mrs. Dennis Larkins was in charge of the Hymn Festival, the Tabernacle choir representing this Association in regional and State eliminations. The winners in the other departments were Bernice Brinkley, Hayes Barton, Adult Bible Reading; Gordon Kelley (Tabernacle), Ruth Summerlin (Forest Hills), and Carrol Massey (Zebulon) in the Young People's Better Speaking; Jacquelyn Ann Norris (Tabernacle), and Jeannie Lynn (Forest Hills), in the Intermediate Sword Drill; Mary Chester Applewhite (Hayes Barton), Dorothy Branton (Green Level), Jo Ann Bryan (Garner), Ben Allen Rhodes (Wakefield), Artelia Bailey (Zebulon), and Peggy Fulghum (Knightdale) were the finalists in the Junior Memory work. Several of these became State winners for the Raleigh Association, of which we are justly proud.

Our greatest effort in training in the fundamentals of Training Union work was promoted in the month of March. The largest and

best trained faculty ever gathered went into each of the seven districts of our Association and taught for one week. The faculty of 35 members consisted of ministers, lay workers and students from Meredith and Wake Forest. Almost every church co-operated to the fullest in making this our greatest week of study. The final reports showed that over 600 were enrolled for this period with a high percentage receiving the awards needed to keep their individual unions standard. Our study not only for this period but for the entire year has been focused upon our Theme for the year, "The Book of Books."

Our final effort of the year was the group mass meetings held in eight of our churches with splendid worship service presented by the group directors of the Training Union. Over 600 of our church people were in attendance.

In the field of statistics, these gains are noted. Seven churches have organized Training Unions that showed no Training Union last year, thus giving us 34 churches out of the 69 with Training Unions. Four additional adult unions have been added giving us now a total of 23. The young people show a gain of three with a total of 32. Four new Intermediate Unions have been organized, now totaling 32. The Juniors Unions increased from 28 to 32 and the Story Hour organizations stepped up from 15 to 23. The overall picture in enrollment shows an increase of 450, making a grand total enrolled of 2,454 as compared with 2,007 last year.

Over 25,000 members comprise our 69 churches in the Association. This means to date we have enlisted only about one tenth of the available membership. Thirty-five churches are without a union, with every church standing in need of trained leaders. The key to this vast number is in the hands of the pastors in our Association. We earnestly covet not only your prayers but the willingness of every member to put God first in all things, uniting our hearts in meaningful interpretation when we sing, "I'll go where You want me to go, I'll say what You want me to say, and I'll do what You want me to do!" We know what we ought to do: Let's do it!

Prayerfully submitted,

L. J. MORRISS, Director.

Rev. D. M. Larkins moved the adoption of all three reports. The motion carried and the reports were adopted.

10. Rev. F. O. Mixon, Tabernacle Church, Raleigh, moved that the association stand as a body in appreciation for the work of Missionary Larkins during the past year. The response was unanimous.

11. In response to the request of Associational Director L. J. Morriss, Moderator Greene presented the Training Union banner to the Zebulon Church for having had the

best attendance at Training Union mass meetings during the year.

12. M. A. Huggins, Raleigh, General Secretary of the North Carolina Baptist State Convention, brought a verbal report of the State Mission Program as follows:

I. The Present Opportunities

- (1) New headquarters on Hillsboro Street
- (2) Fruitland Assembly
- (3) New Book Store in Charlotte
- (4) Eastern Assembly near Carolina Beach
- (5) Visual Education Department
- (6) Secretary of Evangelism.

II. Why All This Expansion?

- (1) All of these things are a means to an end, World Missions.

13. Mrs. D. R. Jackson, Hayes-Barton, Raleigh, brought an oral Home Missions report, giving a digest of the work of the Board. When the report was completed, Moderator Greene asked Rev. Eugene Olive to lead in the singing of "When I Survey the Wondrous Cross."

14. Rev. L. Bun Olive, Forest Hills Church, Raleigh, brought the following Foreign Missions report and moved its adoption:

FOREIGN MISSION REPORT

The Foreign Mission Board of the Southern Baptist Convention is facing the greatest opportunities ever in the history of the Board. The Board is aiding churches and conventions in twenty-five separate nations or national areas. They have also arranged to enter Guatemala and Honduras, which, for the time being, will be considered a part of the Mexican work. They are also planning to open a field in South Arabia as soon as a medical missionary couple can be found.

There are 642 missionaries now with our Board in active service, of which number 58 were appointed this year. With that large number we still have only one missionary for every ten thousand Southern Baptists. By the end of 1948 our Board should have at least one thousand missionaries on all the fields.

One of the most encouraging aspects of our mission work is the developing and training of native workers, evangelists, pastors, and Christian workers. Very encouraging reports come from all the fields, especially concerning the evangelistic harvests. Rumania is enjoying the greatest religious freedom they have had in many years. Just in recent months the way has been opened for our missionaries to enter Japan after an absence of several years. Japan is one of the most needy, yet fertile fields of the world today.

The appropriations of the Foreign Mission Board for current missionary work this year total \$2,276,000, an increase of approximately \$600,000 over last year. This increase was due largely to inflation in most areas of the Board's work. We must not overlook the fact that the increase of approximately 62 missionaries will require a long-range provision for them and their work, such as salaries, hospital equipment, school equipment, residences, and needed supplies. For this reason our Board is to be commended for its wisdom in providing a reserve fund with which to stabilize our work. Never do we wish to pass through dark days similar to those of the depression of the early thirties, when missionaries were recalled, missionary volunteers well equipped were kept at home and the terrible embarrassing debt of \$1,800,000.

Because the Southern Baptist Convention is providing larger funds for other agencies the Foreign Mission Board is contemplating cutting its current appropriations 10 per cent on all mission fields. There are two ways in which a still further reduction may be averted. One is, enlisting more Southern Baptist tithers and increasing local church gifts through the cooperative program. The second way is through the Lottie Moon Christmas offering which has provided graciously homes for missionaries, school plants, seminary and training school buildings, hospitals and their equipment and many other phases of the work.

Are we satisfied with what we are doing for Foreign Missions? Last year, Southern Baptists gave for all purposes, State and south-wide, the sum of \$115,226,949. Of this amount less than one-fourth was given for all missions and benevolences. Last year, not counting relief and rehabilitation funds, Southern Baptists gave to Foreign Missions the sum of \$3,884,991.41, an average of 64c per capita. Are we satisfied with that? May Southern Baptists become conscious of their stewardship in terms of God's world purpose and the opportunities and needs afforded us right now.

It is nothing but right that our people be commended for their rallying to the appeal made for suffering humanity and the rehabilitation of our work on all the fields. The goal set was \$3,500,000, and the cash receipts amounted to \$4,000,000. From every field come messages of thanks and gratitude for this most timely relief. Relief must be continued or else multitudes in war-devastated areas will perish this coming year. But, oh, may this be done without curtailing the sending of the message of salvation to lost millions. It is heartening to learn, that so far as has been ascertained, not a single church discontinued its work even though, in some areas, the buildings were destroyed. This work has been continued, in most cases, under trying difficulties and hardships.

Two definite appeals we are making to our people. Under no circumstances must we allow further reductions in the appropriations of the Foreign Mission Board to its work on mission fields. To assure

that, we must give ourselves anew to our Lord in sacred consecration of self, property and income. If we are willing to deny ourselves, which we should gladly do, to save the bodies of men, surely we should be willing to sacrifice that all men everywhere should be able to hear the gospel. The second appeal is for our American people to so live that life in Christ that the work of our missionaries out yonder may be strengthened by our brand of Christianity at home. God forbid that any native on any soil may say to any missionary what the Indian pagan said to the missionary in India, "We want your Christ, but we do not want your Christianity." Our living in America has a tremendous influence upon the work of our missionaries in every field. Let us so live and witness here that Christ may be crowned King of Kings and Lord of Lords in every nation on the earth!

Respectfully submitted,

L. BUN OLIVE.

The report was adopted.

17. Following the reading of this report of committees there were several requests by chairmen of committees for meetings of committees at the noon hour.

18. At the time for the Associational Sermon, Rev. John U. Garner, Rolesville, who was to bring the message, called for the singing of "O For A Thousand Tongues." Following the hymn, Mrs. John Holmes, Tabernacle Church, Raleigh, brought a message in song. Brother Garner based his message on Matthew 16:13-27. At the close of the message the association was dismissed, with prayer, for the noon hour.

AFTERNOON SESSION

Friday, October 31, 1947

19. The afternoon session opened with the singing of "Standing on the Promises." Then Rev. Lonnie Woolweaver, Samaria, led the devotional thought upon Acts 11:26.

20. Moderator Greene yielded his position to Vice-Moder-

ator C. H. Norris, Wake Forest, for a part of the afternoon session.

21. Dr. L. L. Carpenter was to have brought a report on the Biblical Recorder at this time. He presented the following typed report to the clerk, and moved its adoption:

REPORT ON THE BIBLICAL RECORDER

The report on the BIBLICAL RECORDER this year is very encouraging. The circulation of the paper during the past year has shown a good increase. The present circulation is around 44,000, which means a net gain for the past twelve months of approximately 7,000. For this increase we are profoundly grateful to God and to the pastors and leaders of North Carolina Baptists who have supported the paper enthusiastically and have done what they could to get it into the homes of the people. We want to express our appreciation to General Secretary M. A. Huggins and all the State workers for the great help which they have rendered.

The RECORDER has three subscription plans: \$2.00 a year for individual subscriptions; \$1.50 a year in clubs—a minimum of at least 3 subscriptions is required for every church reporting less than 100 members, and 5 subscriptions for every church reporting more than 100 members, \$1.20 a year for the Every-Family Plan—one subscription for each resident church family is required. We hope that pastors, superintendents, deacons, Training Union, and W. M. U. leaders will do what they can to encourage a good club in every Baptist church; or better still, to persuade the churches to inaugurate the Every-Family Plan. At the present time there are 302 churches which have the RECORDER in every resident family. There are 876 churches which have RECORDER clubs.

Our aim is to make the BIBLICAL RECORDER both a good wholesome, attractive, family weekly and a solid, substantial denominational journal. We feel, since it is the organ of our Baptist Convention and because of the service it will render, that it ought to be in every North Carolina Baptist home.

The Baptist State Convention of North Carolina, organized in 1830, has as its purpose, according to the Constitution, the promotion of "missions, education, social service, and the distribution of the Bible and *sound religious literature*." We purposely underscore the words "*sound religious literature*."

It was not an accident that the BIBLICAL RECORDER was founded in 1833. The founding fathers realized that the people did not, and could not, advance beyond the information which they had. That was true then and is equally true today. Secretary M. A. Huggins says: "A study of the minutes of the Convention will show that almost without exception there is a direct relationship between the number of RECORDER subscribers in any church and the support

which that church gives to missions, education and benevolence."

In addition to information about Baptist work the RECORDER carries week by week significant articles which deal with the great issues of life, which all our people must face.

We hope our Baptist people will remember us constantly in prayer and let us hear from them if they have any material or suggestions for the good of the paper, or if we can be of service to them. One of the great needs of our people is that they be informed, trained and enlisted in the whole program of the church and the Kingdom of God; and we feel that the BIBLICAL RECORDER is of immense value in this great cause. We want to be a comrade and helper to every Baptist home and church in North Carolina and do what we can for the support of every cause dear to the hearts of our people. We would follow the injunction of Paul to Timothy: "Give diligence to present thyself approved unto God, a workman that needeth not to be ashamed, handling aright the words of truth."

L. L. CARPENTER,

Editor and Business Manager.

Raleigh, North Carolina, June, 1947.

He then made a very few remarks about the Biblical Recorder, and gave the remainder of his time to R. M. Hause, of the Allied Church League, to discuss the Alcoholic problem in our state. After Mr. Hause had completed his message, Dr. F. O. Mixon moved, Dr. L. L. Carpenter seconded, that we, as an association, appoint a Committee on Alcohol Education. The motion carried, and was referred to the Committee on Committees to report back later.

22. At the request of Vice-Moderator Norris the Association passed a motion that the clerk express to the Sheriff of the county our appreciation for the high standards upheld during the recent state fair within the bounds of our county.

23. Dr. W. K. McGee, of the Baptist Hospital, Winston-Salem, brought the hospital report and moved its adoption.

A HOSPITAL REPORT

A mother from one of our Baptist churches was hurried to our Baptist Hospital. Local doctors had done their best and said she could not live unless she got other help right away. She had been sick for a year and had just spent six weeks in another hospital. She had been able to have her five months old baby with her only two weeks since he was born. Her stay in our Hospital was long and expensive, costing over \$1,200 though she was a service patient and there was no charge for all the work of the doctors. But there she was cared for by highly skilled physicians using the latest drugs and the best known methods of medical care.

Her family is almost without means and able to meet only a

portion of this large bill. The churches of this association, through our Mother's Day offerings, helped to provide for her hospital care. Because we gave on Mother's Day she was given a chance and recently went back home and to care for her baby.

What we did for this mother, we are doing in larger or smaller measure for thousands of others throughout North Carolina who are sick and have little money. The past twelve months have been the most crowded year our Baptist Hospital has ever known. Its ministry has gone to more people than ever before.

North Carolina Baptists have voted to enlarge our Hospital. Interested friends have said we are ready to help Baptists do this. Now we are looking forward to a much larger and more modern plant on the beautiful hundred-acre Gray estate in Winston-Salem where this ministry of healing in the name of Christ can be multiplied.

The report was adopted.

24. Dr. I. G. Greer, of the North Carolina Baptist Orphanage, brought an oral report of the Baptist Orphanage.

25. Mr. Claude Gaddy, Raleigh, brought the following report on Christian Education:

CHRISTIAN EDUCATION

Since the morning of the first Monday in February of 1834, the day on which sixteen boys gathered in a small frame dwelling as students of what was then considered the Wake Forest Institute, with Principal Samuel Wait in charge, the Baptists of North Carolina have sponsored a program of Christian education on the college level. It was in 1838, four years after its opening, that the Wake Forest Institute became Wake Forest College. Ten years later, in 1848, Chowan College was founded and located at Murfreesboro, North Carolina. In 1856 Mars Hill College had its beginnings as the first co-educational school opened by the Baptists. It was first known as the French Broad Baptist Institute, which name it retained until 1859, when it was given its present name.

These three schools or colleges comprised the Baptist program in Christian education until 1887, when Campbell College was opened by its founder, Dr. James A. Campbell. It is interesting to note that this school opened on January 5, 1887, with an enrollment of sixteen pupils, the same number as attended on the opening day of Wake Forest College. What is now Wingate Junior College was first opened as Wingate School about 1897. This was followed by the opening of Meredith College in 1899. In 1907 Gardner-Webb had its beginning as a Baptist high school.

Thus we see in the period from 1834 to 1907 the beginnings of the seven Baptist colleges, all of which are now in operation and being supported by the Baptist State Convention, except Chowan College, which has not been in operation for approximately seven years. Time

will not permit a review of the history of these colleges and the contributions which they have made to the life of our people.

Reports from the six colleges now in operation show that each has a record enrollment, with a total as of today of nearly 5,000 young men and young women. But for the limitations of physical facilities, we could have many additional thousands. However, the Baptists of North Carolina cannot expect to provide college facilities for all the young men and young women who are going to college—not even all our Baptist young men and young women. It is reasonable to assume that there are from 15,000 to 20,000 Baptist young men and young women in North Carolina now enrolled in Colleges. When we consider this question of what our denomination should do and can do in the matter of Christian education in the colleges, we must recognize definite limitations.

College education is expensive, in fact so very expensive that there has been a general tendency on the part of denominations to relinquish the privilege of providing any kind of education to the State and to private philanthropy. Already the Baptists of North Carolina and all other Christian denominations, with one exception, have about completely withdrawn from the field of elementary and high school education, and today we must face not the question of how many colleges shall Baptists operate, but rather, how much money will Baptists contribute for Christian education? The number of students, and the number of colleges to be operated, must definitely be measured in terms of dollars and cents. It is not a question of competing with the State and private philanthropy, for we would be losers in such a competition.

When Wake Forest College was opened in 1834 an un-named person who had resided only four months in the Southern States, in writing about general conditions existing in North Carolina at that time, referred to the efforts of the Baptists in this sentence: "They have kindled a light in The Wake Forest Institute that, I trust will soon shed its beams over the whole state." The question which you and I face today is this: How brightly shall that light kindled in 1834 shine through these six Baptist colleges? Unless this light shall be equal in its brilliance, in intellectual and scholastic standards to any other that shines, we shall have little opportunity for its spiritual rays to penetrate the life of our state and nation. Mediocrity in intellectual standards spells doom to the Baptist colleges of North Carolina. When these colleges were opened they provided the finest training available in their day and time, not only in Christian living but in intellectual thought. At that time our State school and big universities offered no competition. In 1840 there were only two colleges in the state, the university and Wake Forest, and they had a combined enrollment of 158 pupils. Today there are perhaps more than 40,000 young men and young women enrolled in colleges and universities in North Carolina.

In this economic age in which we are now living, Baptists must measure the scope of their undertakings in terms of the dollars and cents they are willing to provide. We must determine first what it will cost us to educate in the truest sense a young man or a young woman, and our figure will not vary a great deal from that arrived at in all other colleges. We must then recognize that the charge to a student in a Baptist college must be as low, if not below, that of other colleges. We must then be willing, from our contributions and Baptist funds available, to pay the difference for an educational program as good or better than that in other colleges.

It is the job of Baptists to awaken all our people to the need of Christian education in this state and throughout the world today to such an extent that adequate support will be made available to keep these Christian colleges in operation. We like to think that the great challenge that has been brought to Wake Forest College in particular and to Christian Education in general through the gift of the income from the Z. Smith Reynolds Foundation is indicative of the recognition of the need for Christian education in these Baptist colleges, and unless we can make these colleges such as to attract other substantial contributions we cannot expect to enhance the brilliance of that light kindled more than 100 years ago. These colleges have a glorious history, they are alive today, and their future is in our hands.

Your Council on Christian Education has no purpose except that of trying to guide all of us in planning for and promoting Christian education for the Baptists of North Carolina.

After his report he asked Rev. Eugene Olive to say a few words about Wake Forest, and Dr. Charles W. Burts to say a few words for Meredith. Both complied with the request. The report on Christian Education was then adopted.

26. Rev. Eugene Olive led us in singing a hymn.

27. Dr. Broadus E. Jones read a memorial to Dr. Carl M. Townsend, and moved its incorporation, with a picture of Dr. Townsend, in the minutes. The motion carried.

28. Rev. J. Grey Murray, Cary, gave the following report of the Committee on Time, Place, and Preacher:

Rev. C. O. Green, Moderator

4. C. W. Teague, of Wendell gave the following report of the Executive Committee, and moved its adoption.

REPORT OF THE EXECUTIVE COMMITTEE

On October 31, 1947 the Executive Committee was called to order by the Moderator for the purpose of organizing. C. O. Green, the Moderator was elected as chairman of the Executive Board, and C. W. Tea-

gue was elected as secretary. This board was to meet every three months; but in the meeting of January 5, 1948, it was decided that the business of the Association would require meeting at least once a month. At this time the meeting was set to follow the Pastors conference which met on Monday evening after each second Sunday.

In the meeting of January 5, '48, M. A. Huggins asked the board to approve a resolution of the State board in giving \$1200 each to Wake Forest and Chapel Hill Churches in supplementing the salaries of those two pastors in connection with our Baptist Work.

On January 22, C. O. Green called a meeting of the board, for the purpose of planning a program in connection with the Wake Forest movement. Dr. F. O. Mixon was requested to form a bureau of speakers and get the matter before the people, and urge them to get behind the movement. Also in this meeting, the salary of our Missionary was discussed. M. A. Huggins promised to double the amount he was giving which would make his part \$2400. At this same meeting the board gave Brother Larkins the assurance of a 100 per cent cooperation in supporting him in the work, and asked the secretary to convey such message to Brother Larkins.

On account of the big snows we did not meet in February.

In our meeting of March 15, Miss Elizabeth Murray resigned as clerk, and C. W. Teague was elected to fill out the year. Also at this meeting summer workers were approved to assist our Associational Missionary in Bible School work.

On April 12, Rev. D. M. Larkins made a report on the expense of the Associational work as follows: The Association owed for Minutes \$503.00 and the Baptist Book Store for Visual Aid \$200.00. At this meeting the Executive Committee was asked to contact the churches by districts and raise the money needed to cover the indebtedness.

On May the 10, the committee discussed the salary of the clerk and decided if C. W. Teague would keep the clerks place, the Association would pay him, \$125.00 to which he agreed.

In our June meeting Rev. Carlton Mitchell of Zebulon was selected (to fill the vacancy, made by Ryburn T. Stancil leaving our Association) as alternate to Dr. Broadus E. Jones in preaching the Associational Sermon.

Owing to revivals in July and August we did not have those two meetings. But on September 14, we had our last meeting of the year. At this time it was moved that we proceed as the year before in regards to the Superintendent of Missions, and ask Dr. F. O. Mixon Chairman of the Missions Committee to prepare the report for the Association.

Respectfully submitted,
C. W. Teague, Secretary.

5. Mrs. D. W. Merritt Supt. of the WMU read the following report of the Woman's Missionary Union, and moved its adoption.

REPORT OF WOMAN'S MISSIONARY UNION

"For God, and Home, and Every Land" the Woman's Missionary Union stands, ready to serve her denomination, her churches, and the Missionary causes around the world. Woman's Missionary Union stands for moral standards in the home; the community; the state; the nations.

Woman's Missionary Union opens wide her heart to the cry of the helpless in other lands. Her arms embrace with tenderest love every child of the "King". Her prayers follow each needy soul to the uttermost parts of the earth.

The fundamentals of Woman's Missionary Union are: Prayer, Study, Community Missions, Tithes and Offerings, and the Missionary Education of the Young People.

Through individual and United Prayer, Family worship and prayer leagues have been established—Three seasons of prayer for State, Home, and Foreign Missions give every member a vital part in carrying the gospel to each field of our Missionary endeavor. During the year, 130 organizations observed these seasons of prayer, with worthy offerings.

Mission study has awakened a keen desire for knowledge concerning the work and the workers on Mission Fields—Each year a Mission Study Institute is held in the Association for the purpose of training Mission Study teachers, and the Association has met the Standard of Excellence for Mission Study. Three hundred and 12 classes were held by the women and young people during the year.

As tithes and offerings have been brought into the storehouse, \$27,238 have been given through the Cooperative Program, and \$22,600 have been given to special offerings by both women and young people.

That we might foster and instill into the minds and hearts of the young people the fundamentals of Woman's Missionary Union is an unfinished task; a worthy cause; a deep need and a challenge. As Woman's Missionary Union endeavors to foster, may she lead in the paths of righteousness, may she be a light along their path, and a lamp unto their feet. Young people alone gave \$3,000 to Mission causes during the year. Let us encourage these forward steps that Jesus may truly reign in their lives.

In the Raleigh Association the following number of organizations have reported to the Superintendent and the Young People's Leader: 51 Missionary Societies, 18 Young Woman's Auxiliaries, 53 Girl's Auxiliaries, 32 Royal Ambassador Chapters, and 45 Sunbeam Bands—The membership is approximately 2600 in the WMS, 150 in YWA, 500 in GA, 275 in RA and 700 in SB.

The Annual Meeting of the W.M.S. was held in the Apex Baptist Church in May with 31 churches represented.

A Business Woman's Federation was organized in November 1947. Quarterly Meetings are held of which two are devoted to Mission Study

and two to inspirational Missionary Messages. This federation was well represented at the State B. W.'s Camp at Seaside Assembly during the summer.

May we not forget the true aim of Missions—"The plan of salvation, the winning of the lost." At home more than 100 organizations are engaged in Community Missions. Let us labor together with God, that at the Name of Jesus every knee shall bow and Jesus may reign and rule in the hearts and lives of people everywhere.

6. Rev. Henry Morgan, of Wake Forest, pastor of Hopkins Chapel Church, read the following report on State Missions, and moved its adoption.

STATE MISSIONS REPORT

Raleigh Baptist Association—1948

The subject is: "State Missions". The motto or slogan is: "North Carolina for Christ". The Scriptural authority is Acts 1:8, ". . . Ye shall be my witnesses . . . in all Judea . . ." May I take the liberty of paraphrasing the words of Jesus to read: "Ye shall be my witnesses . . . in all North Carolina . . . "?

The Need is great, the Time is now, the Challenge is inspiring and the Command is inescapable, to "take North Carolina for Christ"!

Briefly and more or less in outline form, let us ask some questions and make some statements about State Missions. First of all, what are the claims of State Missions for itself; what does it do? Here, according to Mr. Huggins and the Raleigh office are the things that State Missions is doing—some eighteen (18) different ministries:

State Missions provides grants of money to: (1) Purchase new church lots, (2) To aid missionary pastors, (3) To assist the Negro Baptist Convention of North Carolina, and (4) To support the Allied Church League in its fight against the evils of alcohol.

Listed as Special Ministries of State Missions are: (5) The two Summer assemblies, one at Fruitland and one at Seaside, (6) The two Baptist Book Stores, one at Raleigh and one at Charlotte, (7) The work among the silent or deaf mute people of our state, (8) The work in hospitals and other institutions such as the Corrective institutions, (9) and assistance to the Indian Association in Robeson County.

State Missions ministers directly or indirectly to the churches through: (10) The Dept. of Sunday School, (11) The dept. of Training Union work, (12) The dept. of Student Work, (13) The dept. of Visual Aids and Radio, (14) The Summer Student Program, (15) The dept. of Evangelism headed by Bro. J. C. Canipe, (16) The dept. of Rural Church work, (17) The Baptist Brotherhood, and (18) Schools for pastors and deacons.

Now, in order to do all these things State Missions must have money. Where does it come from? Well, out of each dollar given through the Co-operative Program State Missions receives thirteen (13) cents. That, of course, is not enough to do the tremendous task assigned to State Missions. So, the days of October 24th and October 31st have been set apart for Special State Missions offerings in the churches. One of these days has already passed. A statewide goal of \$200,000 has been set for these offerings. Each church is being asked to give to State Missions an amount equal to 10 per cent of last year's total mission gifts.

Another question we may well ask is: "What are the needs which face State Missions other than those already being met? Bro. Huggins says that a home for our aged people is a must, and that if our offerings equal \$200,000 we will then be ready to make this step.

Then, possibly the greatest challenge to North Carolina Baptists is to seek out and evangelize the underprivileged groups and the unchurched areas in our state—and even here in our own association. We won't have to go far from this place to find communities that are virtually unchurched.

If we Baptists let down in our efforts to "take North Carolina for Christ", other groups will do the job that logically should be ours. If we fail to preach Salvation by Grace to the unchurched and underprivileged of our State, some other group or groups will preach Salvation by works or Salvation through a Church or Salvation through Super-emotionalism and will win them to something if not to Christ. And that's exactly what is happening in some places not too far from here.

State Missions, like all of our mission objects, operates on the theory that "I am my brother's keeper". It thrives on the premise that "It is more blessed to give than to receive". It is based upon the fact that men are in need: physically—because of sickness and poverty; Mentally—because of mental deficiency or illness; and Spiritually—because of Sin.

As North Carolina Baptists, having recognized that all men are sinners but that we have the remedy for Sin and Sinners—even "the Blood of Jesus Christ His Son" which "cleanseth us from all sin—can we do less than be His witnesses in all North Carolina?

State Missions requires our Best—in preaching—in living—in praying—and in giving; if we're to take North Carolina for Christ.

Respectfully submitted,
Henry A. Morgan

7. Rev. W. M. Page made an interesting report on Home Missions and urged us to support missions by our prayers and gifts to missions through the cooperative program. He moved its adoption.

HOME MISSION REPORT

Since this report is to deal with the facts and figures in regard to our Home Mission Program, I beg leave to quote from the 1948 Southern Baptist Handbook, pages 77 and 78.

"The Home Mission Board work stretches from the Atlantic to the Pacific. This vast territory, together with the four western provinces of Cuba, the Canal Zone, Panama and Costa Rica, contains more than sixty-five million people, thirty million of whom are unchurched. In our own homeland there are twenty-five million of these people who are unchurched.

"There are several groups who need the services of Southern Baptists. There are 1,500,000 Mexicans and Spanish-Americans, 700,000 French-speaking Americans, 600,000 Italians, 250,000 Indians, 600,000 Jews, eleven million Negroes, and in Cuba, Panama, and Costa Rica at least six million, all in need of the Gospel.

"In the Southern Baptist Convention territory there are sixty cities with a population of more than 75,000 each. In these sixty cities there are an estimated 15,000,000 people, and 8,000,000 of these are unchurched.

"Throughout the South new industrial centers are springing up—rayon, woolen, and cotton mills, blanket, hosiery and paper mills, automobile and airplane factories, smelters and foundries—these open up new mission fields.

"All along the entire Gulf coast there are rapidly developing trucking industries where one may find Germans, Italians, Swedes, Assyrians, Hungarians, Japanese, Dutch, Bohemians and a dozen other nationalities raising vegetables for our tables.

"Two great tragedies today in our American life are the migrant worker and the sharecropper. These are the most underprivileged of the underprivileged and they are being neglected.

"The vast labor masses are all but untouched by Christian forces. Heretofore the South has not been seriously affected by labor organizations, but with the industrial development we will come tomorrow to know what the labor conflicts are.

"Add to these things the vast region of the western states, which is practically virgin territory for Home Missions today and you get some idea of the vast field of service in which the Home Mission Board is now working. We have in this field now something over seven hundred missionaries. We should double and treble our work for the Negroes, vastly enlarge our work for the Indians, double our work for the foreign-speaking people, double our work for the foreigners in our midst and everywhere intensify our program if we would begin to meet the opportunities which now are ours in Home Missions."

Much of the task outlined above is being done by our Home Mission Board in cooperation with the various State Mission Boards but

the most of it is the responsibility of our Home Mission Board. Success in achieving this task will depend in no small measure on the consecrated support that Southern Baptists give to this work.

Respectfully submitted,
W. M. Page

8. Mrs. G. K. Middletor read the following report on Foreign Missions and moved its adoption.

REPORT ON SOUTHERN BAPTIST FOREIGN MISSIONS

We are told by the Holy Spirit that "He hangeth the world on nothing", and "He upholdeth all things by the word of His power". But also we are told that the world "lieth in wickedness". Someone has said that this phrase is the picture of the world lying asleep, cradled in the arms of the wicked one.

"But God so loved the world that He gave His only begotten Son . . . As we meditate upon what this combination of facts means, we begin to sense the meaning of the heartbreak of our Saviour as He yearned over Jerusalem: "I would . . . ye would not." The willingness of our Lord meant the death for sinners on the Cross. Can we get it into our hearts that He died for all these who are asleep in the arms of the evil one, every one of them . . . each one of the millions. He went down under the weight of their sins, paid the price and won their salvation. He has done all that an almighty God can do to save them. Have we done the part that He has left to us to do?

Does the love of Christ constrain us to "Look at the harvest fields?" and pray that the Father shall thrust us forth?

For the next few minutes we shall endeavor to obey the command to look. May God quicken our imaginations to see what He sees. May He break through the hardness and unlove of our hearts to feel the heartbreak of the Saviour. Oswald Chambers says that the call of the need of the lost is not sufficient as a compelling force. Certainly, looking at the work of our own hands has not proven strong enough to do enough thrusting to man the fields already entered. It is only the compelling love of Jesus, as we let it take hold of us, that can "thrust." Let us pray in submission, that is, in a spirit of active obedience, that we shall be possessed by that love.

In this vast earth we have 119 centers in 25 countries, 625 missionaries. (These are 1947 figures).

But what are they among so many?

This is the picture, so far as Southern Baptists are concerned: Nigeria, 20 million, 106 missionaries. Gold Coast, 3.5 million, 1 couple. Europe all of it, 26 missionaries. China, 163 million, some of the land closed by communists, and other portions closing—136 missionaries. Manchuria, 43 million, closed. Japan, about half the population of the United States, 20 missionaries. Hawaii, 1-2 million, 18 missionaries.

Mexico, 20 million, 21 missionaries. Latin America, 95 million, 268 missionaries. In Africa, we have work in Nigeria, and Gold Coast. In Europe, we have work in Italy, Spain, Roumania, Yugoslavia, Hungary and the Near East (Palestine, Lebanon, South Arabia). In Asia, we have four missions, with Manchuria to the north, Japan. In South America, we have Columbia, Chile, River Plate, Uruguay, Paraguay, North and South Brazil. Next door on the south, Mexico and in the west, Hawaii.

Europe

When one thinks of Europe, such words as "death" and "destruction" and "decadence" come to mind. There are crosses "row on row," and there is devastation on an inconceivable scale, but there is also life. This life is expressing itself through two principal channels: Communism and the Roman Catholic Church. The former makes it impossible for us to send missionaries to Hungary, Romania and Yugoslavia; the latter makes the work of our representatives difficult in Italy and Spain.

In Spain the Catholic opposition is so strong that "The church in Albacete has been raided twice recently. One time the invaders attempted to burn down the building with gasoline. " . . . The church in Denia has been closed for a couple of months, and that of Valencia has been closed for about six weeks."

The bright spots in the Spanish situation are these: Scores of persons have recently followed Christ in baptism; more than seventy young men are taking a correspondence course under the direction of Missionary J. D. Hughey, Jr.; Dr. and Mrs. George Jennings have been permitted to enter Spain.

Latin America

Everett Gill, Jr., Secretary for Latin America

The opportunities for advance in Latin America are seemingly unlimited. Southern Baptists now serve through foreign missionaries and national workers in ten of the twenty republics of these areas: Mexico, Guatemala, Honduras, Colombia, Venezuela, Chile, Argentina, Uruguay, Paraguay, and Brazil; the other half among the Spanish-speaking nations.

Since the war, there has been no difficulty in securing passports, although there is intermittent trouble in securing entrance visas, depending on the part in power. There is an immediate need for 130 additional missionaries to meet the urgent requirements of the Missions already established.

Significant developments during the year include the sending of medical missionaries to Latin America. Among our pioneers in this field were Dr. (Mrs.) C. L. Neal in Mexico, and Dr. J. L. Downing in

Brazil. Dr. E. Lamar Cole now serves in Mexico, Dr. Roy C. McGlamery in Colombia, and Dr. Franklin T. Fowler in Paraguay.

The Lottie Moone Christmas Offering gifts have enabled our institutions to go forward in building operations, and the furnishing of cars for field missionaries has multiplied their usefulness immeasurably.

Respectfully submitted,
Mrs. G. K. Middleton

9. The Wendell Choir sang a special which was enjoyed by all. Brother Chaplain at our Baptist Hospital Winston-Salem brought a very interesting report of the work, which created a desire in many to do more for this worthy cause.

10. Dr. Hugh A Ellis introduced the speaker, Dr. Charles A Leonard of Manchuria China and Hawaii. Dr. Leonard, who has served many years as a missionary gave an inspiring message about his work and experiences, which made us feel "that Christ is the Answer to our age." He portrayed a vivid picture of present conditions in China and illustrated how Christ met the needs of the people in this stricken land. At the conclusion of this message Dr. Leonard pronounced the benediction.

MORNING SESSION

12. Rev. Denis M. Larkins, Superintendent of Missions for the Association, brought a very interesting report of the work he had done and the great amount of work yet to be done. Brother Larkins said he was grateful for the opportunity to give an account of his stewardship and record some of the things the Lord had accomplished through his efforts during the year. He moved the adoption of the report.

13. Rev. R. L. Costner Associational Sunday School Superintendent brought the following report and moved its adoption.

REPORT OF THE SUNDAY SCHOOL

"Expect great things from God, attempt great things for God" has been the theme for our Sunday School during 1948. Many of our schools have reported larger attendance this year, and along with an enlarged attendance, there has been a strengthened interest in Bible study. There is still an unparalleled opportunity and responsibility for enlisting more of our people for serious study of the Bible.

During the past summer there were 40 Vacation Bible Schools in the Association. Many scheduled schools were cancelled because of the polio ban. The total enrollment for the schools was 4570 with an average daily attendance of 3577 and 108 conversions were reported. The offerings amounted to \$858.47. Out of eighteen Standard Vacation Bible Schools in the state our association had four. These were: Garner, North Street, Tabernacle, and Wendell.

One outstanding reason for our improved Vacation Bible Schools is the Associational-wide clinic under the leadership of Rev. D. M. Larkins, our Superintendent of Missions. This year the clinic was held at the First Baptist Church of Raleigh. Miss Ruby Flowers of Wake Forest made an outstanding contribution to the life of our association in assisting with Vacation Bible Schools in many of our smaller churches.

Respectfully submitted,
 Robert L. Costner
 Associational Superintendent.

14. Rev. L. J. Morriss, Associational Baptist Training Union Director, brought the following report, and moved its adoption. **After**

which he spoke to the report, telling of the need of trained leaders in our church work and the training the Baptist Training Union could give our people.

TRAINING UNION REPORT 1947-48

The progress of the Training Union during the past year is indicated by the fact that the Association is standard. This goal was attained only by the co-operation of every member of the Executive Committee of the Training Union and the churches of our Association. The Standard of Excellence was adopted by the Committee in its first meeting of the year and all points were kept constantly before our people.

The program for the past year was presented to the Association at the Hayes Barton church on December 5, with the highlight of the Mass Meeting being the message by Dr. Sankey L. Blanton on the theme: "Forward With Christ". Departmental leaders with the goals for their respective departments were presented and adopted. Twenty-one churches participated in this meeting with excellent attendance. The Attendance Banner was won by the Wakefield church with honorable mention going to Green Level and Forestville and Zebulon.

The Training Conference week of March 22-26 was promoted by the Committee with a large percentage of our churches participating. The Executive Committee provided faculty members for all churches desiring additional leaders. Again this year we wish to express our thanks to the Department of Religion of Meredith and Wake Forest for making these people available for this distinctive service to our Association. The Contests which were held at the Tabernacle church on March 26 were among the best our Association has ever sponsored. The interest was at a high pitch and every department well attended. The Associational winners were Elaine Gaddy and Donnie Denning in Junior memory work, of Hayes Barton and Calvary respectively; Betty Phillips in the Intermediate Sword Drill from Zebulon; Polly Anna Gibbs in the Young People's Better Speaking from Forest Hills; and R. B. Liles from Hayes Barton in Adult Bible Reading. Our Association gave to us one State winner in Donnie Denning in Junior memory work.

On May 11, at the Memorial Auditorium in Raleigh a Mass Meeting was held featuring Hymn singing by an Associational choir under the able direction of A. L. Poole, our Association chorister. A large number of the churches sent representatives to participate. The purpose of this group was to encourage within our Association better hymn singing on the part of the existing choirs. An inspiring address was brought by Dr. J. Glenn Blackburn of Wake Forest. The Attendance Banner was won again by the Wakefield church and became their permanent property.

At the close of the year, we find that 34 churches have Training Unions with 35 churches without an organization for the purpose of making available trained leadership for the churches throughout the Association. There are 18 churches with Story Hour groups, with

Junior Unions numbering 33; Intermediate 34; Young People 34; and Adults 23. This report is in no wise a complete picture of the needs among our churches for trained leadership. We, therefore, urge each church that has not organized a unit for this purpose to do so at once, since out of the entire church membership of our Association numbering over 21 thousand, there are enrolled in the Training Union only 2459. The basic reason for the cry for more leaders and the disappointment in finding a number not sufficient may be answered in terms of the question, "Does your church have a Training Union?" The church that can answer yes will have more and better leaders to assume places of responsibility when the needs arise. Training Unions are organized only where pastors believe that it is an integral part of the church program and believes that his membership needs training in fulfilling the privileges and responsibilities of the Kingdom of Christ.

Respectfully submitted,

L. J. Morriss,

Training Union Director.

15. At this time Mr. and Mrs. John Holmes of Tabernacle Baptist brought a special message in song, which was enjoyed by all. Then Mr. Holmes led the congregation in singing, "Blessed Assurance."

Rev. J. C. Canipe, Superintendent of State Evangelism, brought a challenging message on the subject, "Christ is the Answer in North Carolina".

At this time the visitors were recognized; also the new pastors of the Association. Six new pastors were present.

16. Rev. John Garner of the Rolesville Church gave the report on Christian Education and moved its adoption.

REPORT ON CHRISTIAN EDUCATION

In the minutes of this Association for last year, 1947, Mr. Claude Gaddy gave a brief history of our Baptist colleges. I wish you would read that report again in order that it may serve as a foundation for the present report.

May we now look back of these institutions to another phase of Christian Education. I refer to the influence of the home and the church. Most students will become Christians before they enter college. All should be won to Christ before the college age. This is a responsibility and obligation of the home and church. Then Christian Education should and will start long before students enter college. This training should be such that these students will be able to stand firm in their faith during college days.

It is my sincere belief that the home and the church, in a large measure, have failed in Christian Education. Our Church leaders are largely responsible for this deplorable condition. To remedy this situa-

tion, we need more dependable fathers and mothers; we need preachers always aware that they are on a mission for God. We need teachers who will not only teach the truth but will practice the same every day.

The Christian school must realize that its excuse for being is that it offers education plus. Its program must include more than the three R's. It is to train the hand to serve, the head to think, and the heart to love. Christian Education must include these three H's. No educational institution can rise higher than the ideals of its faculty and student body.

Dr. Kenneth Scott Latourette, in the Commencement address at Wake Forest last May, said, "The difference between a Christian college or university and one which does not aspire to be Christian is not primarily in subject matter or in the outline of the curriculum, but in purpose and atmosphere. The distinctive purpose of a Christian college or university is the growth of Christian character. To this every feature of its life is to be directed, the curriculum and all extra-curricular activities." He goes on to say that in order to keep our colleges Christian we must insist that a large majority of their students be convinced and earnest Christians.

Again I quote from the same address: "Also of very great importance is the faculty. If a college or university is to be really Christian, all of its teaching staff must be intelligently and earnestly Christian. They must be Christian in faith and in life. They must have thought through their Christian faith sufficiently to be able to give a reason for it. This is because they are dealing with the questioning age. Even though students may be genuinely Christian when they come to college, in the process of maturing a large proportion will pass through a stage of doubting their inherited beliefs. Their teachers must be in a position to help them—teachers who meet these standards are not easily obtained."

Never has there been a greater need for Christian Education than now. The work of the Kingdom demands trained men and women as never before. The problems that confront our country call for Christian leadership. Our Christian schools must furnish the greater part of these leaders and workers. During the past college year the total enrollment of our Baptist colleges in North Carolina exceeded more than 5000 students, about 10 per cent of these having dedicated themselves to full-time Christian service.

There are two things which we must do concerning our Christian schools. First, we must insist that they be Christian, creating a Christian atmosphere, and holding up Christian ideals. Second, if we are to accomplish this aim, we must give them better financial support. They are our schools and the best that we have. They ought to be on our hearts.

Respectfully submitted,

John U. Garner

19. The afternoon session was called to order by the Vice Moderator W. M. Page. After singing of the hymn, "Standing on the Promises"; Rev. Carlton Mitchell of the Zebulon church read the Scripture and led the opening prayer. The Moderator recognized Brother M. A. Huggins, who spoke on the distribution of the dollar through the Co-operative Program.

20. The Moderator recognized Rev. R. M. Hauss, Executive Director of the Allied Church League, who spoke on the subject, Christ is the Answer in meeting Alcohol Problem. He said some astonishing things that the distributors of alcohol are doing in our State and Nation.

21. Rev. John Coley, pastor of North Street Church, Raleigh, presented the report on Baptist Literature and moved its adoption. Dr. L. L. Carpenter, Editor of the Biblical Recorder spoke to this report.

REPORT ON BAPTIST LITERATURE

By the term, "Baptist Literature", we think of that body of writings which adhere to the principles, tenets, and beliefs, which Baptist have held as the fundamentals of our historic faith. The Apostle Paul wrote in II Corinthians, 4:13, "We believe, therefore we speak". It is only the man who believes something, that has something to say. Baptists have always believed something, and therefore they have always had something to say that the world needs to hear.

As Baptist, we believe that the Bible, the whole Bible, and nothing but the Bible, is the INSPIRED WORD OF GOD. We believe that it is God's message to man, and that what it says is absolute, infallible, and final. We believe that Heaven and earth shall pass away, but the Bible, God's Holy Word, shall stand forever. We believe that Jesus Christ was born of a virgin, and that he lived a sinless and perfect life, and by his sinless and perfect life and sufferings and death on the cross on which He poured out His precious blood, He satisfied every demand of the just and holy law of God His Father. By this satisfaction, He made it possible for all who come to God by faith in HIM shall re-

ceive eternal redemption. We believe that Salvation is wholly by faith in the crucified, buried, risen, and living Saviour, Jesus Christ the Son of the living God, without any mixture of works whatever. We also believe that all who refuse to accept Him will die in their sins, and will spend eternity in hell which blazes with fire and brimstone. We believe that Jesus Christ is coming back to judge the world in righteousness on that day which is appointed by God His Father. This is not intended as a re-statement of our faith, but just as a reminder of some of the cardinal things that we hold dear, and which in some quarters, and even among us as Baptist, are being questioned.

As Baptist, we should see to it that all periodicals, publications, books and tracts which are labeled—BAPTIST adhere strictly to our faith. The things that we have been holding to as the fundamentals of our faith have been the true foundation on which our denomination has grown and become great. Those who advocate our mixing up with others and getting us to UNIONIZE are paving the way for us to lose our birthright. If we have been right in our beliefs and doctrines all through the stormy centuries of the gospel age we are still right, and need not make any compromises at this late hour. If we have been right, and are still right, as we believe we are, then let others come to us. We refuse to be swallowed up by Latitudinarians, those who believe everything and at the same time believe nothing. Any writings that are not true and loyal to our doctrines should not be supported out of funds given by true Baptist.

Now, here in North Carolina, we have two of the finest papers that can be found—The Biblical Recorder, and Charity and Children. Every Baptist Home ought to be receiving these publications. Churches that have the Recorder in their budget always realize a healthy growth in spirituality and finances. It pays for itself. Charity and Children will make one love the Orphanage better. Our South-wide papers are of the highest type, and let's support them. Our Sunday School literature is still of the highest quality, and our children will be marvelously blest if kept in Sunday School and Training Union. Let's support all these, and see to it that we will always have literature that is worthy of being called—BAPTIST LITERATURE.

Respectfully submitted,
John L. Coley

22. Rev. Ross Cadle of Apex gave the report on the Baptist Hospital and moved its adoption.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our North Carolina Baptist Hospital at Winston-Salem ministers to the sick from all parts of our state. It is our Good Samaritan, in the name of the Great Physician, to those who suffer and do not have sufficient money to pay the large cost of the best medical care.

From among those of limited means 26,000 visits were made to the Out-Patient Department for examination, diagnosis and treatment last year. There will be 35,000 visits this year. This is one of the most important services of our Hospital and it is being enlarged as rapidly as possible.

Of this large number coming to the Out-Patient Department, there is room for only about one-fourth of them to be treated in the Hospital as bed patients. Money is now being raised from friends and businesses to build a new enlarged hospital. This will be located on a beautiful 100 acre tract in Winston-Salem which has been given for this purpose. It is hoped that the money needed for the enlargement will come speedily so that space may be provided for many sick people for whom there is not room now.

As the services of our Hospital have grown, the Mother's Day offerings from our churches likewise have grown. Those offerings are all used to help pay the cost of caring for those who receive this ministry and do not have the money to pay the total cost themselves. In order to provide such help for as many as possible, our Hospital adds to the Mother's Day offerings all the funds it can get for this purpose from the welfare agencies of the state and counties, the Duke Endowment, contributions from individuals, and any other available sources. The calls for help are far beyond the means of our Hospital to supply, however. We hope the Mother's Day offerings will continue to grow in our churches in order that our Hospital may provide more service for more people.

Our Baptist Hospital and Bowman Gray School of Medicine of Wake Forest College provide training for young women and young men who are called into the fields of nursing and medicine. With all the facilities available in a great hospital and medical school such as we have, there is offered a quality of training which is not generally available. A number of those now in training there are preparing for medical mission work. We urge fine young men and women from our Baptist churches who are interested in these important fields of service to consider going there for their training.

Our Baptist Hospital maintains a Department of Religion. This provides a chaplain service for the patients, especially for those with particular spiritual needs. It provides a religious program among the

students, seeking to help establish Christian faith and promote spiritual growth. It offers courses in pastoral counselling for pastors and ministerial students designed to prepare the pastor better to minister to his people in their personal needs and problems. This department serves as a link between our hospital and our churches and people when we have needs and problems in relation to the hospital.

North Carolina Baptists have developed an outstanding medical center. It is for its ministry to those with little money that we appeal to the churches of our Association to give generously on Mother's Day.

REPORT OF THE BAPTIST ORPHANAGE

North Carolina Baptists have found it necessary to support orphanages and other child caring agencies by reason of the poverty, poor health, illiteracy and instability in the home as well as an abedience to the teaching of Jesus.

The Baptist Orphanage was founded with the first superintendent, J. H. Mills, in 1885. There are now two branches: Mills Home, Thomasville, Dr. Zeno Wall, General Superintendent, W. C. Reed, Superintendent, Kennedy Home, Kinston, Miss Sarah E. Elmore, Superintendent, Thomasville.

The purpose of this organization is the care for orphan and homeless children, though one of the chief concerns is the wrecked home. There are over one thousand children in the orphanages of North Carolina who have both parents living.

One of the greatest services that the orphanage renders is making it possible for parents and children to help themselves, and trying to preserve and improve homes that are in danger of breaking down. Through case work last year, this service helped to make adjustment for more than seven hundred and forty-nine children. Last year 608 children were cared for in both of our homes and 80 children were given mothers aid, making a total of 1520 children served in one year.

Foster Homes Program is still in its initial stage. It is rendering a timely and worth while service to the 83 children being cared for in these homes which would require more than three cottages. The cost per day for care of the children runs approximately \$700.00.

Charity and Children is published weekly to keep friends of the orphanage informed as to its activities. There is in Thomasville a commercial print shop operated by the boys of Mills Home under the management of the Orphanage.

One asset that means much to the children is the library. Here the

children are guided to better reading under the direction of a skilled librarian.

Every Baptist would see the need of a larger Thanksgiving offering should he visit any branch of the orphanage and observe the skill of the staff that is dedicated to making, from the lives they touch, strong, clean, Christian men and women out of boys and girls who would not otherwise have the opportunity.

There would be spiritual enrichment in each church that put forth great effort to make monthly gifts as well as the Thanksgiving offering worthy of the name of the Master, who said, as often as you have done it unto the least of my little one's. You have done it unto Me.

Respectfully submitted,

Connor Jeffreys

FOREWORD

Associational minutes comprise the official statistical record of Southern Baptist churches. The work of churches today is helped by a study of the record of the past. It has been wisely written that those who do not study the lesson of history are doomed to repeat it. These records are invaluable to us in determining the direction of certain trends in the work of our churches. A basis of reasonable comparison is afforded and a general picture of our denominational service is drawn.

The accuracy of these minutes depends largely upon the clerk in the local church. Careless and inaccurate work in drawing up the annual letter to the association results in unreliable records for future generations to study. The faithfulness of the church clerks in presenting accurate and legible records for the associational clerk is attested to by the good records of the past.

It is inevitable that many will see room for improvement in the editing of the minutes. Doubtless some will not be pleased at the new arrangement of the tables and the listing of local church officers. This has been changed at the suggestion of those who have to use these tables and these rosters of officers most often. Constructive criticism and suggestions are invited and these will be filed to assist those who edit the minutes of the future. The co-operation of all local church officers is needed to make our associational annual and minutes more useful for our own purposes and for posterity.

One would hope that these minutes may not be read as cold detached statistics. These figures represent human personalities, each of whom is of inestimable worth in the sight of God. They represent hours of faithful service and sacrifice. Each pastor and church leader could point to particular records and tell story after story of the faithfulness and dedication to the service of God's Kingdom which is represented by cold statistics. This annual is edited with the hope that many may be warmed by the stirring Christian message of consecration to service contained in these pages.

6. The Rev. W. M. Page of Fuquay Springs presented the following report on world missions and moved its adoption:

REPORT ON WORLD MISSIONS

To us the word missions means our responsibility for and our efforts in carrying the gospel to the needy sections of the world, both at home and abroad. For convenience and for effectiveness in performing the task, we divide our missionary responsibility into four parts, Associational, State, Home and Foreign. That does not mean that we can rightly choose between the four and accept responsibility for one part and reject the others. It represents a combined task divided into four parts with one part just as important and imperative as the others. It is four phases or aspects of the one Commission Jesus gave his disciples before He left them. This report embraces all four aspects of our missionary endeavor.

Associational Missions

Realizing that there was work that needed to be done in our Association in addition to the work that our various churches were doing, about five years ago we employed an Associational Missionary. His duties are to undergird and promote every phase of the work that we are doing in our Association. In addition to his efforts to foster and stimulate our various organizations such as Sunday Schools, Training Unions, Brotherhoods and Woman's Missionary Society, he serves as supply for pastorless churches and for pastors when they need him. He assists churches in forming fields and in locating pastors. He promotes evangelism and Schools of Missions. Last but not least, he leads in discovering areas in our Association where new Baptist churches are needed and leads in the organization of such churches. As a result of this co-operative effort, led by the man we now call Executive Secretary, we have a greater spirit of cooperation among our churches and two new churches have been organized. Our work in general has been lifted to a higher level. We believe that this program

merits the wholehearted support of all our pastors and churches and we earnestly solicit that support.

State Missions

Just as there is work within the bounds of our association that cannot be done by the churches working independently, there is likewise work within our state that calls for the cooperative effort of all our churches. That work is termed State Missions and is fostered and promoted by our State Mission Board. According to a statement recently published in the Biblical Recorder that program includes nineteen activities carried on for the purpose of evangelizing, training and developing the people of North Carolina. These activities are as follows: Aid to Missionary Pastors, Aid on Lots for New Churches, Division of Sunday School, Division of Training Union, Division of Baptist Student Work, A Ministry to Other Races, A Ministry to The Sick, Pastors' Schools and Conferences, Allied Church League, Evangelism, Summer Student Program, Department of Radio and Visual Education, Department of Rural Church Work, Work Among the Silent People, Schools for Deacons, The Baptist Brotherhood, The Baptist Foundation, Summer Assemblies, and The Baptist Book Stores. This program is eminently worthy of our best efforts and cooperation. Two methods are used to finance this work, the Cooperative Program and special offerings. Thirteen per cent of the money raised through the Cooperative Program goes to State Missions. When we consider the fact that North Carolina is one of the Baptist strongholds of the nation, more than half of all the church members in the State belonging to our Baptist churches, we realize that this program has borne abundant fruit through the years.

Home Missions

There is work within the confines of the Southern Baptist Convention and in Central America that cannot be done by any of the agencies thus far mentioned in this report, work that is outside the scope of Associational or State Missions. That work is being carried on by our Home Mission Board by means of the support given by the churches of our Southern Baptist Convention. This work stretches from the Atlantic to the Pacific and includes four western provinces of Cuba, the Canal Zone, Panama, Costa Rica, and Alaska. In 1948 our Home Mission Board had 1028 missionaries, including 297 summer workers. These workers are distributed among the ten departments of the work which are as follows: 1. Direct Missions done in Cuba, in Canal Zone, Panama, Costa Rica, among the Indians, Spanish Mexicans, Cubans in the States, French, Italians, Chinese, Japanese, other language groups, in Mission Centers and Rescue Missions. 2. Student Summer Mission Program and Migrant Work. 3. Cooperative Missions, including City Missions, Rural Church Program, Western Mission Program and

Mountain Missions. 4. Department of Evangelism. 5. Department of Jewish Work. 6. Department of Education and Publicity. 7. Work Among The Negroes. 8. General Field Work. 9. Southern Baptist Chaplains. 10. Church Building Loan Fund. The Home Mission Board receives 16.5 per cent of the Cooperative Program Funds with which to carry on this work. Although much has been accomplished, there is much more that needs to be done, but the Board does not have sufficient funds to enter all the doors that are open.

Foreign Missions

Our responsibility does not stop at the borders of our home land and areas adjacent to it, but extends to the uttermost parts of the earth. Our Foreign Mission Board is charged with the task of carrying on this phase of the work. According to the last available report, we have 662 missionaries in the various fields, including seven contract workers. In the more than 100 years of the existence of the Foreign Mission Board a total of 1,511 missionaries have been sent out. At the present time work is being carried on in the following countries: Africa, including the Gold Coast and Nigeria; Europe, including Italy, Spain and Switzerland; the Near East, including Arabia, Palestine and Lebanon; Latin America, including Argentina, Brazil, Chile, Colombia, Guatemala, Paraguay, Uruguay, and Mexico; The Orient, including China, Japan and Hawaii. During the recent war much property was destroyed that has to be replaced and many people were left in destitute circumstances who must be rehabilitated. In spite of the fact that the onward sweep of communism seems to have restricted and handicapped the work in some areas, in other areas they tell us that doors are open to the gospel as they have never been before. Now is the time to enter those doors and reap fields that are already white unto the harvest. If that is to be done, Southern Baptists must contribute more liberally to this enterprise. We can do this by giving more generously through the Cooperative Program, fifty per cent of which goes to Foreign Missions, and by giving more generously through special offerings.

When we consider the fact that less than three hundred thousand Seventh Day Adventists have more than twice as many missionaries on the foreign fields than six and one half million Southern Baptists and that it takes almost ten thousand Southern Baptists to send one missionary, all boasting is excluded and we must need hang our head in shame. To let this condition continue means that we are pauperizing our own souls, we are failing in our responsibility to a lost and needy world and we are unfaithful to our Lord and Saviour.

We will either spend more of our money now to evangelize the godless nations of the earth or we will spend more of our money, more blood, more heartache and more tears to protect ourselves

and our way of life from them in coming years. Our greatest hope of averting another war and of stemming the tide of Communism and other alien ideologies is to maintain and promote a virile Christian faith and life in our own country and to evangelize the world. May God help us to wake up before it is too late.

Respectfully submitted

7. Mrs. D. W. Merritt of Raleigh read the following W. M. U. report on world missions and moved its adoption:

W. M. U. REPORT ON WORLD MISSIONS

During the Associational year 1948-49 the Woman's Missionary Union of the Raleigh Association has endeavored to carry out its objectives through Prayer, Study, Tithes and Offerings, Community Missions, and the Missionary Education of the Young People. The number of organizations includes 51 Woman's Missionary Societies, 17 Young Woman's Auxiliaries, 59 Girls' Auxiliaries, 38 Royal Ambassador Chapters, and 41 Sunbeam Bands. Total number of organizations 206—2,703 women, and 1,916 young people are enlisted in this great work of "Laboring to-gether with God: To make known to the sons of men His Mighty Acts and the Glory of the Majesty of His Kingdom."

The women have observed 113 Sessions of Prayer for State, Home, and Foreign Missions, while the young people have observed 144.

Mission Study Classes consist of 76 by the women, and 78 by the young people with 1,453 women reading approved books. 39 Stewardship Classes have been held, and 9 Missionary Round Tables have been reported during the year. The Raleigh Association has reached the Standard of Excellence in Mission Study for the 3rd consecutive year.

Community Missions have been participated in by 40 Missionary Societies, and 74 Young People's Organizations, with 1,402 individuals rendering service to the needy in hospitals, institutions, and prisons.

Through tithes and offerings \$24,335.35 have been given through the Cooperative Program; \$12,691.10 to the Lottie Moon Christmas Offering; \$4,176.22 to the Annie Armstrong Offering; \$2,216.20 to State Missions; and other special offerings make a total of \$48,877.11, however the financial goal for the Association was not reached in 1948. The White Cross contribution in gifts and money amounted to over \$400.00.

The Missionary Education of the Young People is manifested by the interest and participation in the above report. Many young people attended camps and assemblies during the summer.

On January 27, The Annual Leadership Conference for all of-

ficers and chairmen was held at the Tabernacle Church with 29 societies represented.

The Annual Meeting of the W. M. U. was held at Hayes Barton Church on April 19, with 43 churches represented, Miss Minnie Berry of The Home Mission Board was guest speaker. This meeting was also highlighted with the presence of all State W. M. U. workers, and the Divisional Superintendent.

The work of the business women has been greatly strengthened through the "Baptist Business Woman's Federation." Ten churches are affiliated with this organization. Each quarter dinner meetings are held with special programs. Two of these are Mission Study.

The Annual Mission Study Institute was held on October 13, at the First Baptist Church under the leadership of Mrs. D. R. Jackson—27 churches were represented.

Those churches without a Missionary Society or Young People's Organization challenge the best that is within us to do more for kingdom building in the Raleigh Association.

The 17 new organizations during the year encourage our efforts, and inspire us to go forward with greater zeal in doing the work our Master left for us to do.

T. Mitchell and F. O. Mixon as

members and the following ex-officio members: R. L. Costner, Charlie Herbert and Mrs. D. W. Merritt.

The Missions Committee was instructed to recommend a successor to Mr. Larkins to the Executive Committee. Following this meeting the Executive Committee met in joint session with the Raleigh Baptist Council.

February 7, 1949: The Missions Committee requested that the churches be contacted regarding the continuance of an associational missions program. October 10, 1949: The report of the committee on resolutions for changing the constitution was read, corrected and adopted. The association would be presented with a recommendation providing for the election of trustees who could hold property and arrange for the purchase of property under the direction of the Executive Committee, and providing that the Executive Committee should direct and supervise a program of expansion, that the doors of the churches be opened for presentation of associational mat-

12. Recommendations from the Executive Committee regarding an expansion program in the Raleigh Association were read by Carlton T. Mitchell. Action on these recommendations was not taken until the following day. These recommendations may be found under item 37 of the proceedings.

13. The Moderator recognized the Rev. Lee Pridgen, Executive Secretary of the Association, who brought to the attention of the body the following:

REPORT OF THE EXECUTIVE SECRETARY

A. Our Rural Church situation.

1. Lack of adequate buildings.

2. Lack of Pastoral care. We have erred in believing that churches make progress without resident pastors. People need a Pastor in the midst to visit the sick, perfect plans of growth, and work with the lost.

a. The need for the formation of fields.

b. The need for homes for our Ministers.

3. A better teaching and training program.

B. Our challenge in the city of Raleigh.

1. Whole areas with large population unchurched.

We must "go to them not wait for them to come to us."

We must admit that they are hard, difficult to reach.

They need Our Saviour, and He needs them.

2. Proposed church sites:

County Home area

Western Boulevard

These are musts in the year ahead. Others for the future:

Country Club Hills

Longview Gardens

Cameron Village Section.

C. WE MUST BEGIN NOW.

1. Binding the options on lots.

Purchase of tent and equipment for promotion of work.

2. Church gifts toward our expansion program.

14. Envelopes were distributed to those who wished to assist personally in the expansion program of the association.

15. Mr. Vinson led in the singing of the hymn, "Blest Be the Tie," after which Mr. Pridgen pronounced the benediction.

FRIDAY MORNING, OCTOBER 28, 1949

Franklinton Baptist Church

16. Moderator Carey C. Mumford called the meeting to order. Mr. Vinson led the singing of the hymn, "Blessed Assurance." Mrs. J. O. Newell, Jr. was organist.

17. The Rev. Earle J. Rogers of Wendell read from the Scriptures, Phil: 2:5-11, and led the opening prayer.

18. The report on the Baptist Hospital was read by Richard K. Young and adopted on the motion made by the Rev. L. Bun Olive.

REPORT ON THE BAPTIST HOSPITAL

Teaching and healing, two of the principal precepts of Christ's ministry, are the main objectives of our Baptist Hospital, which, together with the Bowman Gray School of Medicine of Wake Forest College, forms the only Baptist-owned hospital and medical school combined in the world.

The purpose of the hospital is to provide medical service under Christian influence, (in so far as the resources of the hospital permits), for the people of North Carolina, including those with little or no money.

Last year 75,000 visits were made to the two clinics and 8,000 bed patients were cared for in the hospital. About one-half of these were service patients.

Some interesting facts reveal that an average of 12 operations are performed each day or 4,416 each year; An average of 3 babies per day or over a thousand new citizens each year; 20 X-ray treatments per day or 6,849 each year; 1,531 meals are served each day or 551,136 each year at a cost of \$555.55 per day. Too, we are told that it takes 500 employees to keep the work of the hospital going each day. So it will take every Baptist in North Carolina giving liberally (on Mother's Day) each year to keep this institution functioning in our State. "Heal the sick, cleanse the lepers—freely ye have received, freely give."

Respectfully submitted

Ross A. Cadle

The Rev. Richard K. Young, chaplain of the Baptist Hospital, discussed the report under the topic, "Let Christ's Will Be My Will in Healing the Sick."

19. The Franklinton High School Choir, under the direction of Mrs. J. O. Newell, Jr., sang the anthem, "Fairest Lord Jesus."

20. The Rev. Sam A. High of Garner read the following report on evangelism and moved its adoption:

REPORT ON EVANGELISM

The fruit of an apple tree is an apple. The fruit of a peach tree is a peach. The fruit of a Christian is another Christian. Therefore the fruit of a New Testament Church is a New Testament Christian.

Last year 12 churches reported no baptisms. The remaining 57 churches reported a total of 737 baptisms, a loss of 295 over the previous year. As of last year we had 26,030 members with 737 professions. This means that it took 36 Christians an entire year to win one person to Christ. Obviously we are not very productive.

According to reliable estimates, two-thirds of the world's population is unsaved. Approximately one-half of the people in our beloved state of North Carolina are spiritual orphans. If this percentage holds for our Association and no one is born or no one dies in the next 70 years we will reach all for Christ at our present rate of reaching them. A comparison between vital and church statistics indicate that more children reach the age of accountability than we win to Christ in any given year. There are not only multitudes lost in North Carolina, but an increasing number are becoming lost each year.

The only answer is a great heaven-sent, earth prepared-for revival. Special soul-winning efforts, accompanied by earnest, fervent prayer and gospel preaching, have always produced results. A better method has never been found than the New Testament method. Jesus sent them out two by two. The early church prayed ten days and one sermon was preached and 3,000 souls were saved.

The experience of Southern Baptists during the last few years indicates that some form of united effort is most fruitful. Thus the intense preparation for a simultaneous revival in 1951 in every Baptist Church east of the Mississippi River. The Home Mission Board is heading this effort with Dr. C. E. Matthews as the head. The North Carolina Baptist State Convention has a Department of Evangelism with Dr. J. C. Canipe as the head. Horace Hammett of Durham is State Chairman of Evangelism and each association has a chairman.

Let us join hands with these leaders and may God hear our prayers and may a revival come that will bring this old world back to God!

21. Dr. John W. Kincheloe, Jr. of Raleigh delivered the following report on Christian literature and moved its adoption:

REPORT ON CHRISTIAN LITERATURE

Television and radio are becoming increasingly commonplace today — but they will never become a substitute for the printed page. Printer's ink, printing paper and the printing press were invented at about the same time in history, and this triple providence made possible a type of communication which has long been recognized as essential in human society. There is a power in the printed page, and any organization or institution that desires to increase its influence or extend its doctrines does well to consider the amazing possibilities of the printed page.

Today we live in an age far-separated from the time when printing was so scarce that there was only one Bible in the community — and that was chained to the pulpit of the village church. Few homes in our communities today are without at least one copy of the Holy Scriptures. In the providence of God, the distribution of the Bible has been one of the greatest miracles in history. But though the Bible is easily accessible to the average person today, it often is an unopened and unread book. Any report on Christian literature should urge a serious and more widespread study of the Holy Bible, the authoritative Word of God and the bed-rock of Christian literature.

There are also supplementary forms of literature that should find their way into our homes. These should include our Sunday School and Training Union publications; our missionary magazines such as *The Commission* and *Home Missions*; our N. C. Orphanage publication, *Charity and Children*; and our state Baptist paper, *The Biblical Recorder*. We note with Christian concern that there was a slight decrease this year in the total number of subscribers to the *Recorder*. The present circulation is approximately 42,315. In our Raleigh Association, 15 churches take the *Recorder* on the "Every Family" basis. It would be possible for many of our other churches to adopt this plan if pastors and laymen will earnestly purpose to see this done. The spiritual dividends to the churches would be enormous. This report would urge every pastor in our Association to promote either the Club Plan or the Every Family plan in getting subscriptions to the *Recorder* in our churches.

Respectfully submitted,
John W. Kincheloe, Jr

Dr. L. L. Carpenter, Editor of the BIBLICAL RECORDER,

commented briefly on the report and spoke of the mission of the RECORDER.

22. Mr. C. D. Matheny of Rolesville presented the following report on Christian education and moved its adoption:

REPORT ON CHRISTIAN EDUCATION

Before giving statistical information on our Baptist schools and colleges it seems advisable to give certain general information on the subject of Christian Education at this particular time.

The first observation to be made is that higher education, that is, education on the college level, has grown in popularity in recent years. One of the chief causes for this has been the assistance given through the G. I. program by the federal government. The fact that college attendance has almost doubled in the past five years is the result of both the recognition of the need for higher education and this unusual stimulus which the federal government has given by providing money. In our Baptist colleges and seminaries during the past year almost one third of the students were veterans. It is likely that we have reached the peak in the number of veterans to be enrolled in our schools and colleges, but the prediction is that the number of young people going to colleges will continue to increase.

The large financial appropriations which are being made at this time for state colleges and universities create greater and more difficult problems for our Baptist Schools. We cannot escape the necessity for meeting the standards in equipment and plant facilities provided in these state colleges. The state found it necessary this year to make a large increase in the tuition charges to students in order to provide the necessary funds. Most of our Baptist Colleges have found it necessary to increase their charges for tuition and fees and it will be necessary to make further increases in the charges to students unless we are able to make necessary funds available through more generous contributions to our schools and colleges.

Southern Baptists continue to operate three seminaries and one training school. In the recent meeting of the Southern Baptist Convention approval was given to the establishment of two additional seminaries to meet the needs on the eastern seaboard and in the western states. A special committee has been named to study and bring recommendations on the location of the new seminaries and the methods of financing them.

In the territory of the Southern Baptist Convention there are now in operation thirty-one senior colleges, twenty-four junior colleges and eight academies. In all of these we have a total enrollment of 54,979. Of this number 6571 are ministerial students, 2197 volunteers for full time Christian service. It is interesting

and encouraging to note that in recent years there has been an increase in the number of ministerial students and volunteers for special religious work.

In the six Baptist colleges in North Carolina this year we had a total enrollment of 5481 or almost exactly 10 per cent of all Southern Baptist students enrolled in Baptist institutions. If we omit the seminaries and training schools, North Carolina will have more than 10 per cent of the number of students.

The hour has arrived when we are challenged to put forth more efforts in securing more funds for our Christian Education. In order that we might cope with the state institutions on a quality basis.

With the complexity of our modern times, with the increase in inventions and with a greater scientific knowledge than ever before, linked with spiritual maladjustments on every hand, makes the demand for Christian Education intensified. More education might place in man's hands powerful inventions of science, but Christian Education must direct the proper use of them. Our civilization may end itself by misuse of powerful instruments unless we bring them under spiritual control. Science invents, Christ directs! Education is the means to an end; Christianity is that end realized. The need for an education that is Christian is great. Christian Education will meet the great need.

Respectfully submitted,

C. D. Matheny

Mr. Matheny recognized the following representatives from the colleges who spoke briefly about the work of their respective schools: Meredith, Dr. Carlyle Campbell; Wake Forest, Eugene Olive and B. E. Morris; Campbell, Leslie E. Campbell; Chowan, Mr. Leon Spencer; Mars Hill, C. G. Mumford. Mr. Claude Gaddy concluded the discussion of the report with a few general remarks about the Baptist Council on Christian Education.

23 The Rev William B. Pittard, pastor of the Franklinton Church, was introduced to make announcements concerning arrangements for the noon meal. Other general announcements were also heard at this time.

24. Miss Harriet Harris of Franklinton sang "I Heard the Voice of Jesus." She was accompanied by Mrs. J. O. Newell, organist.

25. Mr. Vinson led in the singing of the hymn, "More Love to Thee, O Christ."

26. Dr. Samuel Johnson, pastor of the Green Level

Church, delivered the annual sermon, using as his topic, "Life and the Crown of Life."

Introduction: Jesus' emphasis on the importance of life—He stated that His purpose in Coming was that we might have life and have it abundantly. He emphasized the distinction between life and the things used in living.

I. Entering the way of life.

The entrance to the way of life is by a narrow gate as contrasted with the wide gate that leads to destruction. This is illustrated by the "Rich Young Ruler" who sought the way of life.

II. Following the way of life.

The way of life is a straitened way as contrasted with the way of destruction which is a broad way illustrated by Jesus' direction to the Young Ruler to sell his possessions, and give to the poor: "and come follow me." Illustrated also by Paul's charge to Timothy to "Lay hold on the Life Eternal" by following after righteousness, godliness, faith, love, patience, meekness; and to charge those who have riches not to set their hope on material things, but on God and to be rich in good works, "That they may lay hold on the life which is life indeed."

III. The "Crown" of Life.

The Crown of life is an incorruptible Crown composed of eternal material. It is "a Crown of Beauty." It is "A Crown of Glory." It is "a Crown of Righteousness." James 1:12 "Blessed is the man that endureth temptation; For when he hath been approved, he shall receive the Crown of life, which The Lord promised to them that love him."

Dr. Johnson led the closing prayer.

27. Moderator C. G. Mumford called the meeting to order. Mr. Vinson led in the singing of the hymn, "Love Divine."

28. The Rev. L. Bland Taylor of Raleigh read from the Psalms and led in prayer.

29. The report on the Baptist Orphanage was read by the clerk in the enforced absence of Mr. Combs and was adopted.

REPORT ON BAPTIST ORPHANAGE

Since the establishment of the Baptist Orphanage on August 5th, 1885, thousands of boys and girls have benefitted from its care and ministry.

Originally, its purpose was to care for orphan and homeless

children. Today, the child from the unstable, and the broken home, is of equal concern. By careful and patient case work many adjustments have been made and many problems solved. This past year 793 children from 353 families were cared for in the following manner: 238 were taken into the homes of relatives; 186 were placed under other agencies; 44 were withdrawn for one reason or another; 37 were placed in boarding homes; 31 were allotted Mother's Aid; 26 were transferred to another type of care; 91 were taken into the two Homes; and 274 are now pending disposition.

The Foster Homes Program has shown steady and satisfactory growth: 83 children were cared for in 1948, and 136 in 1949.

A program of improvement in physical facilities is being steadily carried out. Many buildings have been repaired. The new Columbus Cannon Cottage at Kennedy Home, housing 24 children, was dedicated October 24th, 1949. Freezer lockers are now in use at both Homes, thus conserving valuable food, a portion of which is contributed by various Associations of the State. Excellent libraries are in constant use at both Homes.

The Orphanage Superintendents are: Dr. Zeno Wall, General Superintendent, Miss Sarah E. Elmore, Superintendent of Mills Home, Thomasville, and Dr. W. C. Reed, Superintendent of Kennedy Home, Kinston.

In spite of the many economies that are being practiced it has been found necessary to use a portion of our reserve funds. If the hundreds of homeless children who depend upon us are to continue to be served it is essential that more adequate support be given to the orphanage program. Those Churches now giving through their budget should increase the percentage of their gift. Other churches should now include a gift to this worthy cause as they make their new budget for the coming year. Still other churches must continue their generous monthly offerings, and all of us should make a very special effort at Thanksgiving. With this increased support will come manifold blessings — physical blessings to these children who are so entirely dependent upon us for all that they have and are, and spiritual enrichment to those of us who therein carry out the injunction to practice religion pure and undefiled by visiting the fatherless and widows in their affliction.

Respectfully submitted,
Kermit S. Combs

Mr. W. C. Reed, Superintendent of Kennedy Home, led a discussion on the report under the topic, "Let Christ's Will Be My Will Toward Homeless Children."

30. The Rev. Robert L. Costner of Knightdale read the

following report on Sunday School work and moved its adoption:

REPORT ON SUNDAY SCHOOL WORK

During the Spring a Vacation Bible School Clinic was held at the First Baptist Church of Raleigh. There were one hundred and one representatives from the churches of our association to plan for better Vacation Bible Schools this year. Forty-six of our sixty-nine churches reported having schools this summer, and it is known that other churches had the schools but no report was made. Every effort is being put forth to encourage all of our churches to have a Vacation Bible School during 1950.

There have been 347 book awards issued to our Sunday school workers through the training courses offered during the past year. As a result of these studies our teachers and officers are doing a more effective work of Bible ministry. A greater emphasis will be made this year on the individual method of completing Sunday school training courses.

"Take Your Family To Sunday School" is the slogan for our Sunday school this year. The Raleigh Associational Planning Meeting was held at the First Baptist Church in Raleigh on October 17th. Fifty four Sunday school leaders from twenty-four of our churches were present to launch the 1950 program in our Association. There have been thirty-nine church planning meetings promoted by the Sunday school organizations of our association. We expect to have a total of at least fifty of these meetings by the middle of November.

Respectfully submitted,
Robert L. Costner

Mr. Costner spoke briefly about the work of the American Bible Society, reporting its work today.

31. Mr. Charlie Herbert of Garner presented the following report on the work of the training union and moved its adoption:

REPORT ON BAPTIST TRAINING UNION

The Raleigh Baptist Training Union Association reporting to The Raleigh Baptist District Association in session at Franklinton, N. C., Oct. 28, 1949.

The Training Union has had a fairly successful year since it got started Jan. 1st, 1949. The director was elected in October 1948, but could not assume his duties until the first of the year. So, there was a regretable loss of three months. However, since we got going everything has moved according to schedule. All meetings have been according to standard and have been well attended. There has been held within the nine months three Executive Meet-

ings: three Officers and Leaders' Meetings and three Mass Meetings. At the March Mass Meeting the elimination contests were held for contestants entering the Junior Memory Drill; Intermediate Sword Drill; Better Speakers and Adult Bible Readers. Winners were declared in each of these and they represented The Raleigh Associational Training Union at Sanford April 22-23.

There are now within our association seventy churches and a little over fifty per cent of them have a Training Union or some part of it. The enrollment of these Training Unions is about twenty-five hundred people. We are referring you to the statistical report found elsewhere in the minutes for the detail report on the Training Union.

As to our work for the year ahead, it has been planned and a copy of that will be printed in the minutes for reference. Too, a list of the Officers and Leaders will be printed. Our plans if carried through as planned will bring us to the end of this associational year with a standard association. The first meeting of major importance will be "M" Night, December 5th, in The Tabernacle Baptist Church Raleigh. At this meeting we will launch our program for 1950. The next outstanding part of our program will be March 26-31. That will be Missionary Emphasis Week, during which time we hope to reach every church in the entire association with a Missionary Study Course and follow it each evening with a message by a Missionary. We are urging each church now to start planning for that week. We would like for you to leave that date clear so there will not be any conflicts. Too, notify us how many teachers you will need. The books for this week of study will be announced at an early date. The elimination contests will be held on April 7th, to determine the winners in the various contests. Our association will promote attendance during Training Union Week at Fort Caswell and we hope to have many of our leaders attend Ridgecrest during one of the three Training Union Weeks.

In addition to the above plans, we covet the prayers and cooperation of every Baptist in the Raleigh Association. The task is huge and the job is ours. We can do all things through Him.

Respectfully submitted,

Charlie Herbert

32. Mr. Vinson led in the singing of the hymn, "O Worship the King."

33. The Rev. Earle J. Rogers of Wendell presented the following report of the Committee on Resolutions and moved its adoption:

34. Mr. Vinson led in the singing of the hymn, "Holy, Holy, Holy."

35. Mrs. Richard Whitfield, soprano, of Franklinton sang, "To A Hilltop." She was accompanied by Mrs. William B. Pittard, organist.

36. Dr. E. McNeill Poteat of Raleigh delivered an address on the topic, "Let Christ's Will Be My Will in Social Service."

37. The Moderator then called for the reports of the committees. The Rev. Carlton T. Mitchell, secretary, presented the following recommendations from the Executive Committee:

RECOMMENDATIONS

That the Raleigh Baptist Association recognizing the pressing need for an active and aggressive missionary program has launched such a program within the association and now employs a full time Executive Secretary; that there is urgent need for expansion to be brought about by fostering and promoting new churches in areas, where in the wisdom of the association, their establishment is desirable. In order to further this program it is recommended:

1. That the constitution be amended to include among the officers of this association three trustees to take and hold in trust for the association title to any real property within the association area suitable as building sites for Baptist churches.

2. That the three trustees, when authorized by the Executive

Committee of the Raleigh Baptist Association, may execute installment purchase money notes secured by mortgages or deeds of trusts, in the purchase of church sites. The three trustees in all acts with respect to any property purchased as new church sites shall be controlled and directed by the Raleigh Baptist Association through its Executive Committee.

It is therefore recommended that the constitution be amended by adding in line two of Section 1 in Article 2 following the word "treasurer" the words, "three trustees" so that Section 1 of Article 2 will hereafter read as follows:

ARTICLE II

Section 1. The officers of the Association shall be a Moderator, Vice Moderator, Clerk, Treasurer, Three Trustees, Training Union Director and Sunday School Superintendent. They shall be elected at the annual session and hold their offices one year or until others are elected to fill their respective offices. The Moderator cannot succeed himself more than one time.

Dr. F. O. Mixon moved the adoption of these recommendations and the motion was passed unanimously.

Mr. Mitchell read the following recommendation from the Executive Committee and it was adopted by the Association on the motion put by J. Grey Murray:

That the Executive Committee be authorized to set in motion and supervise such programs; that it set up an expansion fund to be collected and used exclusively in the purchase of sites for new churches and their promotion; designate a treasurer, provide the necessary safeguards for the fund, and, working with the Executive Secretary actively press an expansion within the association.

The following substitute recommendation was submitted by the Rev. L. Bun Olive to offer better wording of a recommendation from the Executive Committee and was passed on the motion of I. T. Stroud:

It is recommended that we urge every church in the Association to avail itself of the services of our Executive Secretary by inviting him to our churches to present the work and needs of the Association.

The final recommendation from the Executive Committee was read as follows by Mr. Mitchell and adopted by the Association on a motion made by L. Bun Olive:

That the Association have an annual, all day Spring session with emphasis on missions and evangelism, the time and place of meeting to be fixed by the Committee on Time, Place and Preacher; the program to be arranged by the Executive Secretary, the

Chairman of the Program Committee, Chairman of the Committee on Missions and Chairman of the Committee on Evangelism.

REPORT OF COMMITTEE ON TIME, PLACE AND PREACHER

It is recommended that the 1950 annual session be held October 26, 27, 1950, with the Pullen Memorial group of churches, including the following churches: Pullen Memorial, Forest Hills, Samaria. Dr. John Kincheloe, Jr., is invited to preach the associational sermon, with the Rev. Earle J. Rogers as alternate.

42. The Rev. J. Gray Murray then presented the following report of the Committee on Membership which was adopted on his motion:

REPORT OF THE COMMITTEE ON MEMBERSHIP

The Committee on Membership has received applications from two churches for admittance into the association. The first is Temple Baptist Church of Raleigh, organized May 29, 1949. The committee is in possession of all facts regarding origin of the move to organize, the articles of faith, the church covenant and the procedure in organizing.

The committee recommends the reception of Temple Baptist Church into the full fellowship of the Raleigh Baptist Association and that the Moderator extend the right hand of full fellowship to the messengers of the church present.

The other church is Union View Baptist Church of Franklinton.

Since the committee has not had time to get all facts concerning this church, the committee recommends that they be received under watchcare of the association, that their reports be accepted and published in the minutes of the association, and that the moderator extend the right hand of Christian welcome to any messengers present.

SPRING SESSION

The spring session of the Raleigh Baptist Association was called to order by Moderator C. G. Mumford at 2:00 p. m. on Thursday, March 24, 1949, at the Rolesville Baptist Church.

The Rev. John U. Garner, host pastor led the opening hymn "Come Thou Almighty King."

The Rev. Earle Rogers of Wendell read the scriptures passages found in Matthew 28:16-20 and Acts 1:7-8, after which he led the assembly in prayer.

A word of welcome was spoken by the Rev. John Garner, after which he introduced Miss Dorothy Stell of Rolesville who sang, "What Will You Do with Jesus." She was accompanied by Mrs. John U. Garner, organist.

The associational clerk reported the registration of 157 messengers representing 47 churches. The association was declared in session for the transaction of business. The Moderator recognized visitors from other associations. Twenty-six visitors were reported registered.

The Rev. Carlton T. Mitchell, secretary of the Missions Committee, offered the report on the order of business which was adopted and followed.

Dr. L. M. Massey of Zebulon brought an address, "Christian Education and Wake Forest College." He stressed the need for every Baptist to participate in the support of our program of higher education, particularly as related to Wake Forest College.

Mr. Charlie Herbert, Associational Training Union Director, brought a special report regarding the activity of the training union program and distributed information survey forms to be executed and returned by each church.

The Rev. W. M. Page, chairman of the Missions Committee, presented an accurate picture of our missions program in the association as carried on in the past and offered suggestions as to present needs. He announced the resignation of the Rev. Dennis Larkins as Superintendent of Missions and requested the messengers to indicate whether they would offer support

to another Superintendent, if called.

General discussion of the associational missions program followed. The body was enthusiastic in its endorsement of the continuation of the program.

The Rev. John U. Garner led in the singing of a hymn.

The Rev. Carlton T. Mitchell, secretary of the Executive Committee, presented the following recommendation from the Executive Committee which was heartily and unanimously adopted:

It is recommended:

1. That we call the Rev. Lee Pridgen as our Superintendent of Missions at a salary of \$3600.00 per year.

2. That we allow him \$900.00 for house and office rent, \$600.00 traveling expense, \$300.00 for office supplies and \$200.00 for promoting work of Sunday Schools, Training Union and Woman's Missionary work, this fund to be administered by him on the basis of the allocation made to those organizations.

3. That we assume the \$1200.00 reduction the State Missions Board made in its appropriation to this work beginning with this calendar year.

(All of the proposed increases set forth above represent a total increase of \$1605.00 above the budget adopted at the last session of the Association.)

4. That we allow our Superintendent two week's vacation to be used as he deems best.

5. That we allow him to hold two meetings outside of the Association, the honorariums from same to be used by him.

6. That all honorariums received by him from meetings and supply work in our Association be turned in to our Treasurer.

The Association was led in the singing of a hymn.

The Rev. B. E. Morris, Pastor of the West Durham Baptist Church, Durham, delivered the sermon, in which he emphasized the doors of opportunity open to Baptists today.

The Association was led in the singing of the fellowship hymn, "Blest Be the Tie."

The Association was declared adjourned after which the benediction was pronounced by the Rev. W. B. Pittard of Franklinton.

Foreword

Associational minutes comprise the official statistical record of Southern Baptist churches. The work of churches today is helped by a study of the record of the past. It has been wisely written that those who do not study the lesson of history are doomed to repeat it. These records are invaluable to us in determining the direction of certain trends in the work of our churches. A basis of reasonable comparison is afforded and a general picture of our denominational service is drawn.

The accuracy of these minutes depends largely upon the clerk in the local church. Careless and inaccurate work in drawing up the annual letter to the association results in unreliable records for future generations to study. The faithfulness of the church clerks in presenting accurate and legible records for the associational clerk is attested to by the good records of the past.

It is inevitable that many will see room for improvement in the editing of the minutes. Constructive criticism and suggestions are invited and these will be filed to assist those who edit the minutes of the future. The cooperation of all local church officers is needed to make our associational annual and minutes more useful for our own purposes and for posterity.

One would hope that these minutes may not be read as cold detached statistics. These figures represent human personalities, each of whom is of inestimable worth in the sight of God. They represent hours of faithful service and sacrifice. Each pastor and church leader could point to particular records and tell story after story of the faithfulness and dedication to the service of God's Kingdom which is represented by these statistics. This annual is edited with the hope that many may be warmed by the stirring Christian message of consecration to service contained in these pages.

8. The Rev. G. Woodrow Bullard presented the hospital report which was adopted as follows on his motion:

REPORT ON THE BAPTIST HOSPITAL

The North Carolina Baptist Hospital was incorporated in 1922 and received its first patient on May 28, 1923. It is located on an eleven acre site in the Ardmore Section of Winston-Salem, and is dedicated to a teaching and healing ministry in the name of Christ.

Originally planned as a 100-bed institution, the hospital was enlarged in 1942 to a capacity of 260 beds and 55 bassinets. A Nurses' Home, Outpatient Building, new West Wing and laundry building have been added to the original plant. The medical school was built adjoining the hospital in 1941.

Last year 9,700 patients were cared for in the Hospital and 90,000 visits were made to the clinics for examinations and treatments. About half of these were persons with little or no money; they were provided free professional care by doctors, and were given additional financial assistance with the cost of the service they received. This free service was provided largely by our Mother's Day offerings. Thus we see that the Hospital serves as the agent through which North Carolina Baptists seek to minister to the poor by giving them the medical services required. Other assistance came from various health and welfare agencies, the Duke Endowment, and individual gifts. These sources of income made it possible for the Hospital to provide free service amounting to \$312,500. in addition to the work of the doctors.

The Mother's Day offerings last year amounted to \$128,900. Already this year the Hospital has received \$134,909.18 from the churches to be used to provide free service to those unable to pay. This increase is encouraging, especially in view of the efforts to raise money for the expansion program. 56 of the churches in the Raleigh Association gave \$4,996.81 as compared with \$6,415.13 in 1949.

On April 27, the Convention voted in special session to raise \$700,000. to make possible the construction of a new wing to the Hospital. Through October 22, \$301,821.76 had been received in the office of the treasurer of the Baptist State Convention toward this goal of \$700,000. Other churches have accepted quotas and the money is being received daily.

The School of Nursing graduated its first class in 1926, and since that time a total of 447 students have graduated. This year it is admitting one of the largest classes in the history of the school. Normal enrollment is about 150.

The Department of Religion is growing more effective as a

part of the life and work of the Hospital. Through the generous support of a friend another Chaplain is being added to the staff. The Department of Religion seeks through its ministry to help make the Baptist Hospital a genuinely Christian institution of healing and teaching.

Respectfully submitted,
G. W. Bullard

Dr. W. K. McGee, representing the Baptist Hospital, spoke briefly about the work of the hospital.

The Rev. Winston Pearce of Durham delivered an address on the North Carolina Baptist Hospital Campaign.

9. Appreciation was then expressed to Meredith College for the use of the college auditorium and for the beautiful music provided by the college choir.

10. The Meredith College Choir led the Association in singing of the hymn, "Awake, My Soul."

11. Mr. Fred Fletcher of Wake Forest presented the report of Christian Education in the absence of Dr. Blackburn and the following report was adopted on his motion:

REPORT ON CHRISTIAN EDUCATION

These are difficult and significant days for Christian education. Many interests are competing for the time and energies of our youth. To enlist and teach the young people of our churches, the program of education must be the best the most capable leadership can provide.

The responsibility is increasingly heavy on our church-supported colleges and seminaries. They are being called upon to do more than ever before and are meeting the challenge admirably. The general economic situation causes them to face constantly financial crises. The present military program of the nation has serious implications for the colleges and promises to reduce greatly the number of male students. Also, the unusually large grants being received by state-supported schools tend to increase the pressure on our schools and confront us with the alternative of supporting these schools as we have not yet done or retreat from the field. Certainly it is no time to think of reducing our support. A reasonable acquaintance with the needs and requirements will eliminate any suggestion of less support and prove the imperative necessity of renewed interest and effort. Unless we help our schools meet the challenge we shall lose them and suffer a loss in all our work from which we shall not soon recover.

Last year 10,133 people graduated from Southern Baptist schools, colleges and seminaries. There is no way of measuring the worth

to our nation and the world of these citizens who were taught in the context of the Christian faith and by Christian men and women. Those who are truly missionary will be sincerely grateful for the faithful and sacrificial service of those who teach and will ask God's blessings upon these schools.

At present, the seven Baptist colleges in our state have capacity enrollments amounting to approximately 5,000. In our own Association, Meredith College, under the leadership of President Carlyle Campbell, is making solid progress with an increasingly strong faculty and additional physical equipment. Wake Forest College is responding enthusiastically to the leadership of President Harold W. Tribble. Interest in its expansion program is at a new high. If the State Convention approves, it is planned that the construction of the buildings on the new campus will begin sometime in 1951. With the accomplishment of this move, we anticipate a greater interest in all of our colleges and a greater service by them to the people of the state.

Of special interest to us is the establishment of the new Southeastern Seminary at Wake Forest by the Southern Baptist Convention. The Board of Trustees of the Seminary is now seeking a president in the hope that an announcement can be made by the end of this calendar year. It is expected that a faculty will be ready and the Seminary opened in the Fall of 1951. Already there are enough applications to assure a student body as large as can be accommodated the first year.

Thus, with our increased opportunities we are being challenged to plan, pray, and work with unity and courage. It is imperative that every church give its fullest support to those institutions and that every individual be accurately informed about this work, that we may prove what we say with our lips and believe with our hearts.

The average per student given for our colleges by the churches in the state was \$52 in 1949. It is estimated that the churches of the Raleigh Association gave in the neighborhood of \$15,000 for these schools. With a proportionately larger number of students from our churches in these schools, our per student gifts would seem to be lower than that for the state as a whole. Hence, we have little to boast about and much to stimulate us to new efforts. Let us respond to the need and opportunity of our day with a greatness that will make our descendants proud of their ancestors.

Respectfully submitted,
J. Glenn Blackburn

12. Dr. Ed Preston of Raleigh then spoke briefly about the work of the Baptist schools and introduced representatives from the various Baptist colleges. Leroy Martin spoke briefly

about the work of Campbell College, Dr. Carlyle Campbell represented Meredith College and Dr. C. G. Mumford described progress made at Mars Hill College.

13. The Rev. Eugene Olive introduced Dr. Harold W. Tribble, President of Wake Forest College, who delivered an address on Christian Education.

14. The Meredith College Choir led in the singing of "Lead On, O King Eternal."

15. The benediction was pronounced by the Rev. Robert H. Herring of Zebulon.

The session was adjourned until the following morning.

Friday Morning, October 27, 1950

16. Moderator Carey G. Mumford called the session to order. The Rev. William Vinson, chorister, and Mr. Norman Acker, organist, led in singing "O Worship the King."

17. The Rev. Homer I. Nichols of Neuse read from the Scriptures and led the opening prayer.

18. Dr. E. F. Canaday read the report on Baptist Literature which was adopted as follows on his motion:

REPORT ON BAPTIST LITERATURE

"Informed Baptists are Better Baptists," and may we add, "Uninformed Baptists are Dangerous Baptists."

The Baptist State Convention of North Carolina, organized in 1830, has as its purpose, according to the constitution, the promotion of "missions, education, social service, and the distribution of the Bible and sound religious literature." In its one hundred twenty years history it has steadfastly adhered to these fundamental aims.

The following facts are taken from the 1950 minutes of the Southern Baptist Convention.

The circulation of all periodicals of the Convention for the past year totaled nearly thirty eight million copies, an increase of two million over the preceding year. The largest circulation was that of the Sunday Schol Adult Quarterly with five and one half million. Second was Home Life with nearly four million. Among the B. T. U. literature the largest was the Adult Quarterly with 483,000 in the last quarter alone, an increase of 17% over the preceding year.

Attention is called to the addition to the family of periodicals, namely "The Church Musician." In addition to general articles on church music, it furnishes choir music for each Sunday of the year.

Concerning the state papers we quote from the minutes, "We believe the work of our Convention will increase in proportion to the circulation of our papers."

In 1940 the circulation of all our state papers was 190,000. In 1949 it was over 700,000 and the goal for 1950 is one million.

"We believe that every Baptist should have the state papers because: 1. With one exception the papers belong to the Baptists of the various states. Every Baptist is a one share stockholder in his own state paper. We should support our own business; 2. We should support our state papers because they indoctrinate the people. So far as we know, not one faithful reader of a state paper has gone off after any ism or cult. They are grounded in Baptist doctrines and know what they believe, and why they believe it; 3. Our state papers make the pastor's task easier. Whatever plan or program he presents, the people have been reading about it; 4. Our state papers promote unity. Our people know what other Baptists are doing and why; 5. Our state papers prevent erroneous ideas about the work. State paper readers know what is being done and why. Unfounded charges do not come from faithful readers of our state papers. They are informed."

In North Carolina our two papers, rather than competing, supplement each other. The present circulation of the Biblical Recorder is near 42,000. For this large circulation we are grateful to the pastors and other leaders who have supported the paper enthusiastically and have done what they could to get it into the home of our people. Last August the size of the paper was increased from sixteen to twenty-four pages and a wider news coverage is now possible. Pastors and leaders should encourage a good club in every church or better still inaugurate the every family plan as three hundred churches have done. Pastors of these churches will testify that it pays for itself.

Our other paper, Charity and Children, reports a record subscription list of over 40,000 and a goal of 50,000 for the near future. The editor states that it is the practice to send the paper free of charge to each pastor and Sunday School superintendent and requests that all churches send in these two names so that the mailing list may be complete.

The outlook for the future is encouraging.

Respectfully submitted,

E. F. Canaday

Dr. L. L. Carpenter spoke briefly about the work of the BIBLICAL RECORDER. He introduced his new associate, the Rev. C. W. Bazemore, who spoke briefly on the importance of Christian literature today.

19. Mr. W. C. Reed of the Orphanage delivered a verbal

report on the work of the orphanage which was accepted by the Association

20. Mrs. W. M. Page of Fuquay Springs read the W. M. U. report which was adopted as follows on her motion:

REPORT OF WOMEN'S MISSIONARY UNION

Should we dare to try to report the work of the Woman's Missionary Union? How can we measure the tireless efforts of the 3,049 women, and the 4,951 young people who have labored together in trying to send the gospel to *them that sit in darkness and the shadow of death*? Who can count the time spent in prayer and meditation and study? Who can count the deeds of service to the sick, and lonely, and needy through Community Missions? Who knows the minutes and hours of purposeful planning used to present programs of interest, and mission studies of information and inspiration? Can we realize the sacrifices made in the giving of our tithes and offerings? Who would dare minimize the faithfulness of those who came, and went, and listened? How can we ever know the fruits of the careful training and guidance of our young people? Who has the time to think of the steady stream of letters and reports that go hither and yon during a year's time?

However, through these same letters and reports we get a glimpse of our work as a whole. During the fourth quarter of 1949 through the third quarter of 1950 we have had a very definite part in 254 "Seasons of Prayer" for state, home, and foreign missions. Through these observances our special offerings have totaled \$25,-710.13, including some lesser gifts to the Heck-Jones Memorial and World Relief.

Approximately 390 organizations with an average of 2,200 of our members have participated in *Community Missions* each quarter. More than 200 women and Y. W. A. girls have given themselves a definite soul-winning.

Through the efforts of the *Mission Study* chairman 394 classes have been conducted with an average of 1,150 members per quarter reading 3,168 approved books during the year. We recognize the Woman's Missionary Societies with every member of the society reading a missionary book as follows: New Bethel, Salem, Reedy Creek, New Hill and Bethany. We also recognize the Woman's Missionary Unions with every member reading an approved book as follows: Collin's Grove, Garner, Ephesus, Forest Hills, Apex, Mount Vernon and Temple. The following churches had a mission study or classes every quarter in the year: Collin's Grove, Ephesus, Garner, Green Level, New Hill, New Hope, Pearce, Perry's Chapel, Tabernacle, Reedy Creek and Zebulon.

For the fourth consecutive year the Standard of Excellence

in Mission Study has been reached by the Association, which means at least one class in each society.

We find an average of 930 tithers per quarter or 20 per cent of our membership. The goal for the Cooperative Program for 1950 is \$26,899.55. Thus far, for the 3 quarters 2-3 of this goal has been reached. Cooperative Program gifts since October 1, 1949 have reached \$24,290.95. This, plus the special gifts make a total of \$50,001.08.

Throughout the year there have been losses and gains in organizations. At the present there are 54 Missionary Societies, 19 Young Woman's Auxiliaries, 58 Girls' Auxiliaries, 33 Royal Ambassador Chapters, and 38 Sunbeam Bands, 13 new organizations were reported.

At the close of 1949 the literary periodicals included 1128 Biblical Recorders, 896 Royal Services, 59 Windows of Y. W. A. and 87 of Ambassador Life.

Important meetings of the year include:

1. The Annual Leadership Conference at Calvary on January 26. Forty-six societies and one visiting society were represented with 300 members present.

2. The Annual Meeting of the W. M. U. at Rolesville April 5, with 43 churches represented. Several visitors including State officers, pastors and young people were present. The guest Missionary speaker was Miss Pearle Johnson of Apex and China. Beautiful music added to the worshipfulness of the entire program.

3. The Annual Mission Study Institute at First Church October 12. Thirty-two churches were represented and 103 officers and teachers attended. Mrs. D. R. Jackson, chairman, presided.

Activities in which the Association has participated include:

1. A part in sending gifts to the Margaret Fund students through the Burney Fund.

2. White Cross gifts in *linens and money* to the Baptist hospital.

3. The attendance of several women and young people at the State and Divisional Camps. It is urgent that we give more thought and time to these wonderful opportunities provided for our spiritual help.

The Business Woman's Circle Federation is functioning successfully with Dr. Mary Yarborough as chairman.

Several members of the W. M. U. attended the Interracial Institute at Shaw University in July. No better place can be found to help us realize, "In Christ there is no east and west. What e'er your race may be, Who serves my Father as a son, Is surely kin to me."

An effort has been made to organize the seven regions of the Associational Churches into W. M. U. groups with a chairman of each to supplement the work of the Superintendent. So far the

following groups are organized and will hold their first group meetings on October 29, which will be along the line of Missionary Education. Namely: Group No. 2: Mrs. J. Samuel Johnson, Chairman; Group No. 3: Mrs. W. M. Page, Chairman; and Group No. 4: Mrs. J. R. Nipper, Chairman.

Our strength cometh from the Lord, then let us hasten to thank Him for the opportunities of service and the blessings they have afforded us. The world to Christ belongs, so may we strive to cause His light "To shine upon them that sit in darkness and the shadow of death: to guide our feet into the way of peace." Luke 1: 79.

Respectfully submitted,
Mrs. D. W. Merritt, Supt. W. M. U.

21. Mr. Vinson and Mr. Acker led in singing the missionary hymn, "From Greenland's Icy Mountains."

22. The Rev. Clarence E. Godwin of Cary submitted the report on the Cooperative Program which was adopted as follows on his motion:

REPORT ON COOPERATIVE PROGRAM

Someone reminded us that this is a generation of important birthdays. "In August 1945 at Hiroshima the Atomic Age was born. That same year with the jet plane already practical, man knew that some day he would fly faster than sound. Other marvels that have startled us are television in 1925, penicillin in 1932, and insulin for diabetics in 1923. It is truly an age of beginnings."

But so far as we Southern Baptists are concerned there is another most important date, one almost as important as our union together at Augusta, Georgia, in 1845. That date is the year 1925, the year we decided to pool mission offerings to be distributed according to need. These who conceived of this plan reasoned that it would do at least five things of greatest import. "It would 1) save the mission causes, 2) give the churches a satisfactory world outlet, 3) give Baptists more mission work for their money, 4) provide outward expression for their New Testament unity, and 5) give the message of Christ a vigorous world-wide program." The plan was adopted. It was named the "Cooperative Program."

During this quarter of a century since 1925, the Cooperative Program has grown to maturity and has been the means of accomplishing perhaps even more for the cause of Christ around the world than those who conceived it imagined. The secret of the success was recently summed up by Dr. Duke K. McCall: "In the Cooperative Program everybody gives to everything." Yes, the Cooperative Program is our Baptist plan for supporting all the work of the Kingdom as undertaken by Baptists. The humblest member in the smallest

church in the remotest section of the country has an important part in the greatest work in the world—when he gives *through*, not to the Cooperative Program. For this Program, through State Missions, Home Missions and Foreign Missions, is truly co-extensive with the Great Commission: “Go ye therefore, and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit: teaching them to observe all things whatsoever I have commanded you . . .” (Matthew 28:19-20. So it follows that when a person gives a part of his earnings through the Cooperative Program he is giving a part of himself to the world in the name of Christ.

The Foreign Mission Board now has 750 missionaries laboring in 125 mission centers in 25 separate national areas as follows: Arabia, Argentina, Brazil, Chile, China, Colombia, Costa Rica, the Gold Coast, Hawaii, Honduras, Hungary, Israel, Italy, Japan, Lebanon, Manchuria, Mexico, Paraguay, Rumania, Spain, Uruguay, Venezuela, and Yugoslavia. The Advance Program calls for 1,700 missionaries on the field and an annual budget of \$10,000,000.

The Home Mission Board has 1,030 missionaries including 251 summer workers. It witnesses among the Indians, Negroes, Jews, the deaf, foreign language groups, the underprivileged in congested industrial areas, the unchurched in large cities and in mountain and rural sections, and in Cuba, Panama, and the Canal Zone.

Our State Mission Board which has as its overall objective, “North Carolina for Christ,” has 17 varied activities including: the purchase of lots for new churches; assistance to pastors of new churches in new and strategic places; the maintenance of the Departments of Sunday Schools, Training Union, and Rural Church; a ministry to the sick and maladjusted in hospitals; schools for ministers and deacons; assembly programs; mission schools and conferences. Dr. M. A. Huggins reminds us that State Missions must have \$300,000.00 this year if we are to carry on this program which is in keeping with Baptist opportunities and resources. This amount can be raised and must be!

We can best celebrate this twenty-fifth year of the Cooperative Program and best witness to the love of our Christ “in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost parts of the earth,” by giving as generously as possible through the Cooperative Program. Send your check each month to Dr. M. A. Huggins.

Respectfully submitted,
Clarence E. Godwin.

Dr. M. A. Huggins, Executive Secretary of the State Convention, spoke briefly about the work in the state at present and introduced Mr. Earl Bradley, statewide missions worker, who

delivered an address on the topic, "North Carolina for Christ."

23. The Rev. Joe F. Roach of Hephzibah Church offered the Report on Evangelism which was adopted as follows on his motion:

REPORT ON EVANGELISM

All of us agree that evangelism needs to be emphasized. Evangelism is a ministry to bring to Jesus Christ by preaching to the unsaved then to become members of the church active in kingdom work. A good program of evangelism can accomplish some five things:

- 1—Win the lost to Christ.
- 2—Increase our spiritual fervor.
- 3—Minimize differences and difficulties that would destroy Christian unity and disrupt effective service.
- 4—Lay a foundation for growth in every phase of denominational life and work.
- 5—Stimulating the giving of life and material resources for kingdom advancement.

Only we who live today can win this generation. "Our Generation for Christ" is a real imperative. Special emphasis will be given in this campaign—March 25—April 8, 1951, to the simultaneous evangelistic crusade in our Association and east of the Mississippi River. By reaching a ten per cent each year upon profession of faith, we can win more than 2,000,000 baptisms in five years. What a challenge we have in this southland and in our own churches.

The fact that a large per cent of our churches is reporting baptisms in the Association is even more encouraging. Two years ago 12 reported no baptisms. Last year only eight did not report any. So from such a report we can see signs of more work being done. Our joy will be to see every church reporting baptisms this year.

Southern Baptists reported more baptisms last year than ever before in their history. Undoubtedly the program of evangelism is one of the means for this. Realizing that people are lost and they need to be saved will have no little weight on one's heart. When once such a burden gets on our hearts we will then want to go out to win the lost for Christ.

Not only are we winning more people, but we are winning more in proportion to our membership. Our Sunday Schools, Training Unions, Woman's Missionary Unions and Brotherhoods are co-operating and thus more people are engaged in soul winning.

The program of evangelism will work through planning, praying, preaching, witnessing, winning and working.

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wick-

ed ways; then will I hear from heaven, and will forgive their sins, and will heal their land." 2 Chron. 7: 14.

Respectfully submitted,
Joe F. Roach

42. Mr. Charlie Herbert presented the Training Union report which was adopted as follows on his motion:

REPORT ON THE TRAINING UNION

The Raleigh Associational Baptist Training Union is happy to submit the following report to the District Association in session at Pullen Memorial Baptist Church October 27th, 1950. This report is for the associational year.

At the outset we are very pleased to state that the work has been most successful this year. Our theme for this year has been, "In Christ is God's Everlasting 'Yes'".

In our report for 1949, we set out to become a standard Associational Training Union during the year. However, we did not reach that as planned. We failed to reach the standard in a few minor details, such as: three-fourths of our officers did not receive credit for the Associational Manual. Too, we were not able to have a full corps of officers and they did not make quarterly reports as required. There were some resignations during the year that hindered our work. We did not have a secretary during part of the year so that will

account for our records being incomplete. Although we did not have everything necessary, the work went well. We held all the meetings suggested by the Training Union Department of the Sunday School Board and were standard on that point. The following meetings were held: four Executive Meetings; three Officers and Leaders Meetings; seven Group Meetings; two Mass Meetings; and one combination Officers and Leaders' Meeting and Mass Meeting. While we do not have the total attendance figures for these meetings, we do know that we had the best attendance ever. A partial report by the officers shows that they participated in eighty-seven different meetings; traveled 1406 miles; wrote 438 letters and cards and made 20 telephone calls. It is known that these officers were in more meetings, traveled more miles, wrote more letters and cards, and made many more telephone calls than reported.

There were five new Training Unions organized during the year. The officers promoted the following tournaments: Junior Memory Drill; Intermediate Sword Drill; Better Speakers; Adult Bible Readers and Song Festival. On April 7th at Hayes Barton the elimination contests were held. There were contestants entering each as follows: Juniors, fifteen; Intermediates, five; Young People, one; Adults, six; and three choirs. We had representatives in each to represent our association at Burlington April 21-22. We promoted attendance at Caswell Baptist Assembly and Ridgecrest. There were many who went to Caswell and several who went to Ridgecrest. Too, we promoted prayer meeting attendance, Bible Reading and Youth Week.

There were 38 churches with some part of Training Union at the close of last year and there are now 43; there were 190 units last year with 2925 enrolled and there are now 3487 enrolled. There were 1182 study course awards given during the year to Training Union members.

Our work for 1951 has been planned and a calendar of activities will be printed in the minutes for reference. Also, the names and addresses of the officers and leaders. Our goals for next year will be set on Dec. 4th, at the "M" night meeting at Hayes Barton Baptist Church. Too, we will launch our whole program for the coming year. The speaker for the occasion will be Rev. James Camack of Smithfield, N. C. Our plans are to promote the entire program as set forth by the Training Union department of the Sunday School Board. There has been planned a Central Training School for this association during the week of September 24-28, 1951.

May we hasten to bring our report to a close by suggesting some things the people can do to help with the work in the coming year: Our churches can provide teachers; promote attendance on the part of its membership whether or not it has a Training Union; help establish and maintain Training Unions; pray for the associational

officers; help with extension work; help plan study courses and Training Union work and contact the officers and leaders whenever there is a need.

In closing, our heart's desire is that you will organize a training program for your church if you do not have one and that you will try to strengthen the one that you have if already organized. May we repeat our closing statement for 1949: The task is huge and the job is ours. We can do all things through Him.

Respectfully submitted,

Charlie Herbert

Training Union Director

43. Mr. Herbert then introduced four pastors who spoke briefly as follows:

Dr. J. Samuel Johnson, What the Training Union Means to the Rural Church;

Rev. Kermit Combs, What the Training Union Means to the Village Church;

Rev. Sam A. High, What the Training Union Means to the Town Church;

Rev. G. Woodrow Bullard, What the Training Union Means to the City Church.

44. The Rev. Robert L. Costner of Knightdale presented the report on the Sunday School which was adopted as follows on his motion:

REPORT ON THE SUNDAY SCHOOL

The second week in April 1950 a Vacation Bible School Clinic was promoted by the Raleigh Association. The meeting was held at the First Baptist Church, Raleigh, and a splendid group of leaders were present to lead each departmental conference. There were 34 churches represented with an attendance of 151. During the summer months thirty-four of our churches in the association reported having Vacation Bible Schools.

More than 400 book awards have been issued to our Sunday school workers in training for a more effective Bible ministry. The individual method of completing Sunday school training courses has been emphasized again this year.

For another year the theme of our Sunday school work has been "Take Your Family to Sunday School." On October 9 the Raleigh Associational Planning Meeting was held at the Calvary Baptist Church. Twenty of our churches were represented at this meeting with an attendance of thirty-five. There have been forty Church Planning Meetings promoted by the Associational Sunday school organization. The purpose of these meetings was to plan the program of Bible study to reach more people and to enrich the experiences of personal soul winning.

Respectfully submitted,

* Robert L. Costner

45 The Rev. Carlton T. Mitchell of Zebulon presented the report of the Executive Committee which was adopted as follows on his motion:

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee of the Raleigh Baptist Association has met fifteen times during the year. The following report of its activities is submitted:

November 7, 1949 — The committee was organized with C. G. Mumford chairman; Earle J. Rogers, vice chairman; Carlton T. Mitchell, secretary. It was agreed that the Missions Committee should be composed of the officers of the Association including the Moderator, Vice Moderator, Clerk, Sunday School Superintendent, Training Union Director and W. M. U. President. The Expansion Program was discussed.

December 12, 1949 — Mr. C. L. Lawrence of Raleigh was elected Treasurer of the Expansion Fund. The Expansion Program was discussed and the purchase of property in Longview Gardens and

on Western Boulevard was authorized. Investigation of sites in Country Club Hills, Cameron Village, Whitaker Mill Road and Sunset Hills was continued. The permanent Lots Committee was appointed, members being F. O. Mixon, E. F. Canaday, L. H. Beck, and Lee Pridgen. A request to the North Carolina State Baptist Convention for aid on the purchase of lots was approved.

January 9, 1950 — The Committee voiced its objection to the acceptance of Federal funds by the Baptist Hospital at Winston-Salem. It was reported that negotiations were proceeding for the purchase of property in Longview Gardens and on Western Boulevard.

January 20, 1950 — The meeting was called for the purpose of clarifying the matter of credit to be used in the purchase of property in the Expansion Program. It was agreed that the Executive Committee did not have the right to pledge the credit of the Raleigh Association, but property could be purchased on credit where the property was pledged as security.

February 6, 1950 — It was reported that the property on Western Boulevard could not be purchased because of a clause in the deed which would prohibit the erection of a church building. It was announced that property in Longview Gardens would be purchased at once. The Executive Committee approved the terms, \$2,000 down and \$1,000 a year until the total of \$4,000 was paid. Development of the Hi-Mount area was discussed and it was agreed that our Expansion Program devote its attention to that area next. The Committee on Time, Place and Preacher announced arrangements for the spring session and the Executive Committee voted to accept the invitation of Tabernacle Church to meet with them. The Committee voted to add \$75.00 to the Training Union Fund at the request of the Director.

March 13, 1950 — The Clerk was instructed to write to each of the churches indicating the need for funds in the Operating Budget of the Association. It was announced that the Franklinton Baptist Church had withdrawn from the Raleigh Association to join the Flat River Association. The Committee voted to divide the expense of publishing the Associational bulletin between the budgets of the Expansion Fund and the Operating Budget.

April 13, 1950 — A question was raised about the purchase of the property in Longview Gardens. It was revealed that purchase would include also the matter of paying one-half the cost of grading, hard-surfacing and installing water and sewer lines when such improvements should be made. The Trustees were authorized to approve the contract with full knowledge of these items. Discussion following related to the policy of organizing new churches. It was agreed that the present policy of organizing churches under the sponsorship of the Association rather than through individ-

ual churches should be continued.

May 15, 1950 — The Committee was informed of the possibility of a purchase of a church site near the County Home. The Committee authorized the Lots Committee to negotiate for the purchase of this site at a figure not to exceed \$2,500. It was agreed to proceed with the purchase of a Quonset hut to be erected on the Longview Gardens property.

June 12, 1950—It was announced that the property in the County Home area had been purchased at a cost of \$2,000, \$500 having been paid down and terms arranged for the balance. The action was approved. Plans for the organization of a church in this area were discussed. It was agreed that the churches organized on property purchased by the Association should consult the Association's Executive Committee before extending calls to pastors for the first five years; and further that property purchased by the Association should revert to the Association if said churches should cease to be affiliated with the Association.

July 10, 1950 — The Committee requested that the Rev. Woodrow Bullard be requested to serve in an advisory capacity to the Missions Committee. Funds amounting to \$200 were appropriated to support the ministry of the Rev. T. L. Newton in the Carolina Pines area, looking toward the organization of a church in that area. The Executive Committee approved the request for funds made to the General Board of the State Convention for the support of the ministry directed toward the organization of a new church in the Rex Hospital area and to express its thanks to the General Board for the granting of such funds. It was agreed that Mr. Jimmie Morriss should be invited to begin work in this area on September 1, looking toward the organization of a new church. An amount of \$100.00 was granted as expense funds for advertising and miscellaneous purposes in this project.

July 18, 1950 — It was agreed that a monthly statement should be sent to each church indicating total receipts and disbursements for the preceding month. The report of the Lots Committee was accepted and approval was granted for the purchase of property on Oberlin Road and Chester Road with terms listed at \$2,000 down and \$1,000 per year until the total of \$7,000 is paid.

September 11, 1950 — Discussion relative to the property purchased on Oberlin Road involved the hitherto unknown fact that a small strip of the property on the Chester Road side could not be purchased with a clear title because of uncertain ownership. The entire matter of the location was discussed, some opinions being held that the property was too near other Baptist churches and others indicating the strong desire of some people living in that area for the location of a church on that site. It was decided that the Trustees should go ahead with the purchase.

September 15, 1950 — The called meeting was held for the purpose of hearing further discussion relative to the matter of locating a church on the property on Oberlin Road. The Baptist pastors of Raleigh presented a request that the organization of the church be postponed and the matter of location be re-considered. It was agreed that the organization should proceed as scheduled on September 17, but it was further agreed that the matter of location be opened for re-consideration. The matter was referred to the Missions Committee.

September 27, 1950 — The Committee agreed to purchase property located on Highway 15-A south of Raleigh for the location of a church in the Carolina Pines area. Terms were listed at \$1,000 down, \$1,000 to be paid one year from date and \$900 to be paid two years hence, the remainder of the \$5,900 to be financed through low monthly payments financed already through the First Federal Building and Loan Association. A personal loan of \$500 by Mr. L. H. Beck brought the Expansion Fund to a point where it could make the down payment. It was further agreed that Mr. Fowler be consulted relative to the possible purchase of a corner lot next to the property in Carolina Pines area.

October 9, 1950 — Requests for the support of the ministry in both the Carolina Pines and County Home areas by the State Convention were approved. It was agreed that Mr. Beck should be given a third mortgage on the Carolina Pines property to cover his \$500 loan. The committee voted to defer action relative to the matter of assuming responsibility for the Goodwill Center in Raleigh with the suggestion that the present plan be followed until a more complete study of the matter could be made. It was agreed to purchase the tent which the Association had been using in its Expansion Program, over half the purchase price having already been paid in rentals to be applied on the purchase.

The final meeting was then adjoined with prayer.

Respectfully submitted,

Carlton T. Mitchell, Secretary

46. The Rev. Lee Pridgen then presented the report of the Executive Secretary which was adopted as follows on his motion:

REPORT OF THE EXECUTIVE SECRETARY

Forward

Having come upon the Baptist scene in The Raleigh Association only some eighteen (18) months ago we would not presume to have all knowledge pertaining to Baptist life in this section of North Carolina. We do, however, claim *some* knowledge of our Baptist Work, and it is with this, about which we know, we shall deal in this paper. Not only for the information of the present membership of

our churches should a clear, concise, and, as far as possible, complete picture of the work of this group of Christians be recorded, but also for the benefit of those who will come after us.

Numerical Strength

The Raleigh Baptist Association is the largest District Association in point of membership affiliated with the State Convention. May High Heaven forgive us for succumbing, like so many of the brethren over the south, to the temptation to "number the people"! Verily, tis distressing to think of the leaders we would lose if the Almighty One dealt with those who are guilty here!

On the basis of reports and surveys Baptists are distributed in this area as follows: In the city of Raleigh—9,500 who are members of the local churches and approximately 7,000 whose membership is elsewhere; in towns—4,300 churched and approximately 2,000 whose membership is elsewhere; in villages and open country—14,000 churched and approximately 2,500 whose membership is elsewhere. Figuring thusly, there are around 27,800 in the Association's 74 churches, with more than 11,000 others who reside in the bounds of the Association, but are not members with us. Herein is a challenge!

The congregations range in membership from 40 to beyond 3,000. Some of the largest and best rural churches are in this area. For example, Flat Rock Church, located in open country, reports over 700 on its roll.

Church Buildings and Equipment

Only a few of the churches have adequate space and equipment. When possibilities are pointed out to them they readily counter with "We cannot care for the ones we have now, so why go after others?" This brings forth a clear problem: Shall these churches build larger buildings or shall new churches be organized? Three (3) congregations in Raleigh are worshipping in schools; the new church at Carolina Pines is using the Association's Tent; and Immanuel has winterized the small "fresh air" hut we erected for only temporary use during the summer, and is using it to advantage. With a great sense of joy we watch the passing of the old one-room church building in the open country and replacing them are modern, well planned and splendidly equipped plants. Mt. Zion, located on 15A North of Raleigh, is an illustration of what a small group with vision, faith and courage can do!

More than two and a quarter million dollars are invested in buildings and equipment dedicated to Christian Worship and Service. Twenty-two churches provide a home for their pastor.

Stewardship of Money

On each Lord's Day, while the Lord Himself looked on the people of our 74 churches cast into the treasuries over \$14,000. The total

amount for the year is approximately \$255,720. Each congregation determines the division of its receipts. Last year our Baptist people elected to keep for themselves \$590,359. For Mission work in their Association they contributed \$14,000, and to all Missions they gave \$165,361.

Pastoral Care

A few years ago infrequently did we have acquaintance with ministers who were attempting to serve six or seven churches scattered over a wide area. Gratefully let us record the passing of this! Only in a few instances now are there as many as three (3) churches served by the same minister. Congregations are content no more with one or two Sunday Sermons each month, but rather are requiring—and offering to pay for, pastoral care. Ministerial students in many instances are now living upon the church field and commuting to college rather than the reverse. Resident pastors are essential in the open country to the same degree as in the city. Too long have Baptists in rural areas gone without a shepherd's care.

In our towns it appears that the average pastor is receiving round \$3,600 annually; in the country area he receives from \$500 to \$600 for what is known as "quarter time" and \$900 to \$1,200 for "half time"; while in the city of Raleigh the salary range is from \$3,600 to beyond \$6,000.

Teaching and Training

(A comprehensive account of the efforts in these fields is presented under SUNDAY SCHOOL and BAPTIST TRAINING UNION.)

The Work of the Women

(A comprehensive account of this phase of our Baptist Life is presented under WOMAN'S MISSIONARY UNION.)

Relation to Negro Baptists

So far as we have been able to determine our attitude toward our negro brethren has been one of "you go your way and we will go ours". In all probability our Association has not intended that such be the relationship, rather most likely the situation is due to leadership failing to work out some definite plans of fellowship and cooperation in Kingdom work. Herein is a challenge!

Home Life

The family Altar still lives in many homes despite the deadly blasts of materialism. Grace is said gratefully rather than habitually in countless hundreds of our homes over the Association. By no means have all "bowed their knees to Baal". There is "saving salt" left—and it can be found in Baptist Homes in The Raleigh Association.

Spirit of Expansion

The 144th Annual Session of our Association launched an aggres-

sive Program of Expansion. That was only twelve months ago. It could have been reported at that meeting, "Brethren, we have organized three (3) churches during the last twenty-five (25) years". Since the beginning of the Expansion program one year ago, we can joyfully announce the organization of four (4) churches. Charged with the responsibility of carrying forward the Program during the year, the Executive Committee is able to look back over a year of glorious progress. In all probability the year will go down in history as our greatest in advancement.

The spirit of conquest and expansion is aflame among us, and it must not be put out. It took "blood, sweat and tears" and prayers to light the fire. Not all fields have been entered. Brethren of other denominations have inquired concerning our aims—"How many more churches do you Baptists intend to organize? Where? How soon? etc. etc." Confidentially we say that we have rejoiced to see in two instances our Program of Expansion awakening slumbering saints.

Approximately \$8,000 has been spent in this effort so far. There is urgent need for \$6,000 in the year ahead. Congregations and individuals should invest heavily in this Kingdom Task.

The Policy of the Executive Committee is to found churches *only* in sections where they are needed. We do not want to "over-church" our area—if this be possible, but we do desire to have as many as are needed for Kingdom effectiveness. Under study and survey now are the following areas: Country Club Hills, Western Boulevard, Neuse (between Raleigh and Wake Forest), the new settlement about midway between Raleigh and Garner.

"Lead on, O, King Eternal, The Day of March has come."

Supreme Mission

Whether is is Cary or Collins Grove, Forest Hills or Forestville, Wake Union or Wake Forest, Pilot or Pullen Memorial, if as Baptists they follow their Lord, their supreme mission is the salvation of the lost. Every phase of Baptist work is supposed to be built around this one main objective. Our churches keep spiritually awake through the personal soul winning work of the members. When none of this is done the church manifests it through its coldness. However the church lives it shows on its face. Dr. James Stalker sums it up when he says: "The deeper any disciple's sympathy with the aims of the Saviour, the heavier is his cross; because the sight of a perishing world will torture him, the aspects of abounding iniquity will distress him, the slow progress of goodness will madden him, the failure of his own attempts to do good will haunt him, and he will often be driven in desperation to cast his burden on the Lord in prayer." (The Ethic of Jesus—p225).

The final word for thought: It took all our churches, all our members, twelve long months to reach 851 souls for Christ! The

average Baptist in the Raleigh Association failed to win anyone to the Saviour.

Respectfully submitted,
Lee Pridgen, Executive Secretary

St. Johns Baptist Church

Minutes of the Organizing Council

September 17, 1950

The meeting of the Organizing Council was called to order by Dr. C. G. Mumford, Moderator. Organization of the Council was completed with the election of L. Bun Olive, Moderator and Carlton T. Mitchell, Clerk.

Mrs. T. M. Langord, Jr., read a history of the movement to organize as follows:

"An intensive survey to ascertain the need for a new Baptist Church in North West Raleigh began August 1, 1950. The visitation being done by the Reverend L. J. Morris as authorized and encouraged by the Executive Committee of the Baptist Association. The supervision of the work and the formulating of plans under the direction of the Reverend Lee Pridgen, Executive Secretary of the Baptist Association.

"The survey which is not complete since every home in the surveyed territory was not visited, but the survey at the present time covering Wayland Heights, Country Club Homes and the Churchill, Lewis Farm Road area has revealed that in these sections alone there are 90 Baptist families who are not churched in the city of Raleigh but were vitally interested in the organization of a new church in their community. Approximately 22 families were found partially churched with our denomination with practically none of these two groups actively engaged in definite leadership in the city churches. In every case those families desired a new Baptist Church in their community.

"On September 3, a series of meetings were held in the tent at 1615 Oberlin Road to ascertain if these families definitely desired a church and would be willing to commit themselves in service and membership in the organization. Reverend L. J. Morris began meetings with only 11 present the first night but increased until over 50 were present in the final service. On Wednesday evening, September 13, a planning meeting was held at which time the cost of of Kingdom's Work in time, service and possessions was outlined clearly to the group. A vote was taken as to whether the group desired a new Baptist church, and 42 people stood committing to the task of accepting the responsibilities and privilege of a new church. At which time the lot which had been approved twice by the Executive Committee was also unanimously approved by our group assembled together.

"The entire period of meetings was characterized by one of the finest of zeal and enthusiasm as could be found anywhere in any group. The work and result of the meetings are still found in the

zealous efforts of the families connected, who are earnestly seeking and enlisting new families day by day.

"On Friday evening, September 15, the group met at the tent to hear the report of the Missions Committee who felt that the lot at 1615 Oberlin Road should be abandoned." "After the presentation of all objections and a period of open discussion the group voted unanimously to postpone their discussion of obtaining a lot until Sunday afternoon, September 17, at which time they hope to be a duly constituted Baptist Church. Mr. Pridgen presented the facts and led the discussion.

"We therefore submit the above brief history of this movement and all facts therein as proof of the need and desire for a new Baptist church in this community. Therefore we do hereby request that the Organizing Council of the Raleigh Baptist Association grant the privilege and organize said group into a duly constituted Baptist Church."

On the motion of Mr. Bullard it was unanimously agreed that the Council should proceed with the organization of a new Baptist Church. A program was adopted and it was agreed that it would not be necessary to read the Church Covenant or the Articles of Faith.

Organization of St. Johns Baptist Church

The Reverend L. Bun Olive called the meeting to order. The "doxology" was sung and L. B. Olive led the invocation. The congregation sang "All Hail the Power of Jesus' Name." Mr. L. H. Beck of Fuquay Springs led in prayer. The congregation sang "Stand Up For Jesus." Mr. Olive then offered the statement of purpose for the meeting. Mr. Arthur Poole sang a solo. Dr. E. F. Cannady read the Scripture passage, Matthew 16:13-20. Dr. F. O. Mixon delivered the sermon. The congregation joined in the singing of "Onward Christian Soldiers."

New members with their church letters were received. The New Hampshire Articles of Faith and the Church Covenant printed in the New Baptist Hymnal were unanimously accepted by the body. The congregation sang "Where He Leads Me." It was agreed that Miss Faye Winstead should be received in absentia because of her health. Members were then received by watchcare and statement and baptism.

It was agreed that 50% of the offering of the day should be given to Associational Missions and 50% should go into the local church treasury.

The election of officers followed. Mr. Arthur Poole was elected Moderator. Mrs. T. M. Langford was elected Clerk and Mr. E. C. Beck was elected Treasurer.

On the motion of Mr. Arthur Poole it was unanimously agreed

that charter membership in the church should be held open until the last Sunday in October.

Mr. Pridgen then offered his best wishes to the church and spoke briefly on the work of the Association.

The Reverend Theo. B. Davis of Zebulon pronounced the benediction after the singing of the hymn "Blest Be the Tie."

Longview Baptist Church

Minutes of the Organizing Council

September 3, 1950

The meeting of the Organizing Council was called to order at 2:40 p.m. Sunday, September 3, by Vice-Moderator Earle J. Rogers in the temporary building erected by the Raleigh Association and prospective members of the new Baptist Church in Longview Gardens for the purpose of considering the organization of a new Baptist church.

The Rev. G. W. Bullard of Raleigh was elected Moderator of the Council and the Reverend Carlton T. Mitchell of Zebulon was elected Secretary.

Mr. C. D. McDuffy of the Longview Gardens area reported the history of the movement to organize the new church as follows:

History of Church

For some time the people in the Longview Section have felt the need of a Church, believing that where there were homes there must also be a Church home for a Christian Community. The first step in the fulfillment of this desire was the purchase of the four-acre lot on Sycamore Circle by the Raleigh Baptist Association. For a week after this, tent meetings were held under the leadership of Mr. Lee Pridgen. At the conclusion of these meetings it was decided to call the people together June 4th, at 3:00 o'clock in the afternoon to make definite plans and to appoint temporary committees.

In order to hold the interest of the people until a place of worship could be erected it was decided to hold weekly meetings on Friday night in the homes of the community. Some of these meetings were in the form of fellowship suppers which enabled us to get acquainted. In the meantime the Quonset, which was purchased by the Raleigh Baptist Association, was delivered to the lot, and the men of the Church worked on it at nights in their spare time. While the men worked on the Church some of the women made visits into the homes using census cards from the previous religious survey. To further stimulate interest, letters stat-

ing our purpose and inviting their cooperation in the organization were delivered to each home. Realizing from this survey that there would be a need for more space for Sunday School departments, an extra wing was added to the Quonset. Due to unfavorable building conditions and scarcity of materials the progress was slow. Individual donations were contributed to meet financial needs. As work progressed and the church building neared completion everything was in readiness to organize a Church the first Sunday in September, 1950.

With this humble beginning we earnestly hope that with God's help we will be able to grow into a strong Church to serve the 500 families of this community.

Following favorable discussion of the movement for the organization of a new church, Dr. F. O. Mixon of Raleigh made a motion that the group proceed with the organization of the new church. The motion carried unanimously.

The New Hampshire Confession of Faith and the church covenant found in the New Baptist Hymnal were recommended for adoption by the new church.

Rev. Lee Pridgen presented a suggested program for the organizational meeting and it was adopted. The program included the Doxology led by Mr. John Holmes, the invocation, the hymn "All Hail the Power," the responsive reading, the prayer by Rev. John Coley, the hymn "The Church's One Foundation," the reading of the Scriptures by Rev. L. Bun Olive, the sermon by Dr. E. McNeill Poteat, the hymn "When I Survey the Wondrous Cross."

The meeting of the Organizing Council then adjourned for the organizational meeting and program.

Respectfully submitted.

Carlton T. Mitchell, Sec'y.

The Organizational Meeting—Longview Baptist Church

September 3, 1950

The Reverend G. Woodrow Bullard, Moderator of the Organizing Council, called the organization meeting to order at approximately four o'clock Sunday afternoon, September 3, 1950, in the temporary quarters erected in Longview Gardens on the site purchased by the Raleigh Baptist Association for the organization and construction of a new Baptist Church.

Mr. Ollie Faison moved that the church be called the Longview Baptist Church. The motion passed unanimously.

The following temporary officers of the new church were elected by acclamation:

Mr. Gerald Maynard, Moderator

Mr. C. D. McDuffy, Clerk

Mr. George Swicegood, Treasurer

An offering was taken after unanimous agreement on the motion of Mr. Ollie Faison that twenty-five percent of the offering should be given to the Cooperative Program of the Southern Baptist Convention.

Unanimous agreement was held on the motion of Mr. Oscar Taylor that charter membership of the church should be held open through the month of September, 1950.

The Reverend Earle J. Rogers of Wendell read the New Hampshire Confession of Faith and the Covenant found in the New Baptist Hymnal.

It was announced that the Reverend L. Bun Olive of Raleigh had been elected pastor advisor of the church. Mr. Olive then recognized those charter members who had letters of recommendation for membership to the new church, Mrs. George Swicegood reading the names of those for whom letters had been received. Members of the Organizing Council greeted these members with handshakes.

An invitation was extended to others who did not have their church letters but who wished to affiliate with the church under watchcare pending receipt of their letters.

Mr. Pridgen then presented a charge to the church and the meeting was adjourned after singing of the hymn "Blest Be the Tie."

Respectfully submitted,

Emmanuel Baptist Church

Minutes of the Organizing Council

September 10, 1950

The Organizing Council called by the Moderator of the Association at the request of a group of people in North Raleigh to consider the organization of a new Baptist Church was called to order by Earle J. Rogers of Wendell, Vice Moderator of the Raleigh Baptist Association. Organization of the Council was completed with the election of G. Woodrow Bullard as Moderator and Carlton T. Mitchell as Clerk.

A report of this history of the movement to date was read as follows by Mrs. H. D. Glisson:

The need of a Church in the new development near the County Home was recognized by the Raleigh Council of Baptist Churches

some time ago when this section was designated as one of the six in which a Baptist Church should be organized as soon as possible. The need has become more urgent as hundreds of houses have gone up.

Mr. Pridgen has led the Raleigh Association in making possible the formation of this as well as other Churches needed in Raleigh and elsewhere in the Association. He called for a meeting of those interested in the possibility of a Church in this area to be held June 18 at 3:00 p. m. in the Chapel of the County Home. About forty attended the meeting, some of whom wished to encourage the work, most of whom planned to be members of the Church when organized.

Mr. Pridgen briefly explained the situation and its possibilities, and told of the purchase of this lot on which a Church could be located.

Then he threw the meeting open for discussion. One after another spoke until time demanded that the meeting close, each convinced of the need of a Church, each willing and eager to do his part.

Words soon become deeds, for hands and hearts went into the work. Under the tireless leadership of Mr. Pridgen the lot was cleared and a tent was put up which was used until two weeks ago, when it was needed elsewhere; and the structure was built in its place.

That first gathering was followed shortly by services held nightly for a week, led by Mr. Pridgen with the help of other ministers. These services drew us together spiritually and brought new people into our group, as have the services held each Sunday and Wednesday evening.

Two outdoor suppers have given us opportunity for happy fellowship together.

At the end of the service all who, unless providentially hindered, planned to join the Church when it should be organized came forward for a prayer of dedication. To the number who then signified their intention of joining, others have been added from time to time. A committee has already brought building plans for the group to consider and it is hoped that soon the beginning of a permanent building can be made.

During the past week revival services have been led by Mr. Lonnie Woolweaver, Pastor of Bethlehem and Samaria Churches. He has made a forceful appeal to the unsaved to give their hearts to Christ and for Christians to rededicate their lives to God's service.

In every step that has been taken Mr. Pridgen's counsel and leadership have been of untold value. Like Paul he has labored with his own hands as the men of the group who worked with him

can testify. Individually and as a group we are deeply indebted to him in many ways.

Recognizing the difficulties any new Church faces, grateful to God for divine guidance, relying on his guidance in the future, our small group will welcome the opportunities for service in His Kingdom which we believe the organization of a Church will bring."

On the motion of the Reverend John Coley it was agreed unanimously that the group proceed with organization of the church. The group agreed upon the program for the organizational service and recommended the acceptance of the New Hampshire Articles of Faith and the Church Covenant found in the New Baptist Hymnal.

Organizational Meeting of Emmanuel Baptist Church

The organizational meeting was called to order by G. Woodrow Bullard, Moderator. The congregation joined in the singing of the hymn "All Hail the Power of Jesus' Name" and the invocation was offered by Mr. Bullard. The congregation sang "O Zion, Haste." Mr. Bullard then stated the purpose for the meeting. John Coley read the Scriptures and J. Gray Murray led the prayer. Dr. J. Glenn Blackburn delivered the sermon and the congregation sang "Where He Leads Me."

The Church Covenant and the Articles of Faith were read by Earle J. Rogers. The invitation was extended and thirty individuals with their letters were received by the Rev. Lonnie Woolweaver. These were declared to constitute the membership of the church.

After considerable discussion regarding the name for the church it was agreed unanimously on the motion of Mr. James T. Byrd, Sr., that the church postpone selection of its name.

The election of church officers followed. Alfonzo Jordan was elected Moderator, Mrs. Louise Gisson was elected Clerk and Mr. James T. Byrd, Sr., was elected Treasurer.

An offering was taken and it was agreed that the offering should be given to Associational Missions.

On the motion of Mr. Alton L. Strickland, it was agreed that charter membership in the church should be left open for six weeks.

The doors of the church were then opened to those who wished to come by baptism or under watchcare pending receipt of their church letters. Fourteen were received.

The group then heard statements from Mr. Lee Pridgen and Mr. Jimmy Morris.

Adjournment followed the singing of the hymn, "Blest Be the Tie."

Respectfully submitted,

Carolina Pines Baptist Church

October 8, 1950

A meeting was held on the above date for the purpose of organizing a Baptist church at Carolina Pines on 15A just outside of Raleigh. Preceding the general meeting, a preliminary meeting was held to form a council. Rev. J. Gray Murray was elected Moderator and Rev. W. M. Page was elected Clerk Protem. Rev. T. L. Newton made a statement on the progress of the work in this area and the desire of the people for an organization. Consequently a motion was made and adopted that the organization of a church be approved and the Council proceeded with the organization.

Rev. L. B. Taylor was appointed to lead the prayer and Rev. W. M. Page was appointed to read the Scripture. The sermon was preached by Rev. L. Bun Olive on the subject, "The Church of the Living Christ."

Rev. Lee Pridgen made a statement concerning the Church Covenant and Articles of Faith. He stated that he had gone over these matters with the group planning to enter into this organization. The Moderaor invited all who would accept this Covenant and the Article of Faith previously explained to them to present themselves as charter members of this new organization. Fourteen came by letter or pending their letters, fourteen came by baptism, and two came on statement, making thirty in all.

This group constituted the new church and selected "Carolina Pines Baptist Church" as the name of the new church, and the group immediately extended a call to Rev. T. L. Newton as Pastor, elected Carl Reeves as Clerk, and Mrs. I. J. Currin as Treasurer. An offering was taken to be divided between the Raleigh Baptist Association and the new church.

The meeting was adjourned with prayer.

L. BUN OLIVE

To Whom This 1951 Annual Is Dedicated

The Reverend L. Bun Olive was born in the Olive Chapel community of Wake County, North Carolina, March 2, 1890, the son of Mr. and Mrs. A. T. Olive.

Upon the completion of public school education in the schools of Wake County, he entered Wake Forest College, graduating in the year 1912 with the A.B. degree. Several years were spent in teaching before enrolling in the Southern Baptist Theological Seminary where he pursued the ministerial course graduating in the year 1920. This same year he was married to Miss Nell Fowler of Statesville, a Meredith College graduate, class of 1916. During a furlough from Mission Fields in China both he and Mrs. Olive completed work for their Master's degree at Peabody College.

More than twenty years were spent in service with the Foreign Mission Board, Southern Baptist Convention, the greater part of which time was in China. The three children, Howard, Emily, Bruce, who survive were born on the mission fields.

Returning from China in 1942 he located in Raleigh giving most of his time to Missionary Promotion through teaching in Schools of Missions, Missionary messages and sermons in churches and conferences.

Possessing the Missionary's mind and heart, he saw clearly the need for a new church in West Raleigh, leading the movement which resulted in the organization of the present Forest Hills Baptist Church. Called as its first pastor he spent his last years in sacrificial service in this challenging situation.

His death came suddenly December 7, 1950, in an automobile wreck while he and Mrs. Olive were on a trip to Wilmington.

Mrs. Olive survives and lives in Raleigh.

Committee on Order of Business

5. The Zebulon Baptist Choir sang two anthems, "To Thee We Sing" by Tkach and "Thy Kingdom Come" by Evans.

6. The report of the B. T. U. was postponed and Mrs. W. M. Page presented the report of the W. M. U. which was adopted on her motion as follows:

Report of the Woman's Missionary Union

"Not by might nor by power but My Spirit saith the Lord." With these words the superintendent of Woman's Missionary Union, accepted the challenge, the responsibility and the privilege of leading the women of this association. Whatever success has been achieved has been due to the foundation stones which were laid in other years by those who have served so nobly and unselfishly. Much credit should go to the Young People's leader, Counselors of Young People and other officers of the Associational W. M. U. — Along with individuals back in the organization in the local churches and those women who have worked behind the scenes typing and helping the superintendent compile records. To all of these I wish to express my gratitude for their helpfulness and encouragement.

In bringing a resume of the work of Woman's Missionary Union, I realize that it is not easy to make an accurate appraisal of the year's work. The motto for the year, "Ye shall be My Witnesses," has led us to major on enlistment. The Lord has blessed in this phase of the work as four missionary societies and two organizations for young people have been organized. Seven groups of churches are being organized with a leader and young people's leader in an effort to enlist the unenlisted, discover much needed leaders, and help the churches to work together in carrying out the great commission. In the seventy-four churches of the Association there are fifty-eight missionary societies and one hundred fifty-nine organizations for young people, with a total membership of 5,161 members.

During the fourth quarter of 1950 through the third quarter of 1951 we have had a definite part in 221 "Seasons of Prayer" for state, home and foreign missions. Our special offerings have totaled \$25,053.53, which does not include some lesser offerings to World Relief and White Cross. As we have prayed we have studied because one cannot pray intelligently for missions unless one is informed about the needs of the world. Through the efforts of the Mission Study chairman 350 classes have been conducted with a total of 4041 approved missionary books read. We are happy to report that the following societies had 100 percent of their members reading a book: Collins Grove, Emmanuel, Ephesus, Leesville, New Hill, Perry's Chapel, Reedy Creek, Rolesville, St. Johns and Wake Cross Roads.

We note much good work on the part of many societies but four societies are recognized as having done excellent work during the year and thus will receive the A-1 award. These are: Hayes Barton, Millbrook, Wake Cross Roads and Fuquay Springs.

With the words of the Master in mind when he said, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto Me," 3544 women and young people have engaged in Community Missions. More than 642 women and Y. W.

A.s have made definite efforts in soul winning. At the close of the nine month W. M. U. year of 1951 subscriptions to Biblical Recorder were 1329, Royal Service 930, Window of Y. W. A. 529 and Ambassador Life 114.

Important meetings of the year include:

1. Annual Leadership Conference at First Baptist Church in Raleigh with the largest enrollment in the history of Raleigh Association.

2. The annual meeting at the Fuquay Springs Baptist Church.

3. The Divisional meeting of the Raleigh Division was held in Tabernacle Church in Raleigh at which time the Raleigh Associational W. M. U. was hostess to the women of ten Associations.

4. Three Executive meetings have been held.

5. Interracial Institute was held at Shaw University with a number of people attending.

The Business Women's Circle Federation is functioning successfully with Dr. Mary Yarborough as Chairman.

The change of the W. M. U. year to run from October to October has caused some confusion but will make it easier to have our year run with that of the Raleigh Association.

As we come to the close of the year there is much joy for the great work attempted in the Master's Name and gratitude for the blessings of God. We have failed in many instances but we do praise the Lord for the gains we have made and ask for forgiveness for our failures and pray for His guidance during a new year as we seek to "Behold the Lamb of God which taketh away the sin of the world," and lead others to behold Him, accept Him and serve Him.

As this report comes to a close we are reminded of a great unfinished task ahead. Let us be more zealous for souls that, "Every kindred, every tribe, on this terrestrial ball shall to Him all majesty ascribe and crown Him Lord of all."

Respectfully submitted,

Mrs. W. M. Page

7. Training Union Director Charlie Herbert requested permission to devote his time to present Training Union speakers. On the motion of Dr. Carey Mumford it was agreed that Mr. Herbert should submit a resume of his report. The Training Union report was adopted on the motion of Charlie Herbert, after which two deacons, Mr. James Thompson of the St. Johns Church and Mr. Bennett Straughn of the Hayes Barton Church gave short talks on the Training Union Summer Assemblies.

Report of the Training Union

The Raleigh Associational Baptist Training Union is very glad to submit the following report to the District Association in session

at the Zebulon Baptist Church, October 25 and 26, 1951:

This report is for the Associational year. We are happy to report that at the very beginning our last year's work has been the best ever recorded. Our theme for the year has been: "Choose ye this day . . ."

In our report for 1949 we set out to become a standard Associational Training Union. However, we did not accomplish our goal during that year, and we were not able to reach a standard Association during 1951. The points lacking in becoming standard were: each group did not have a group director, the Associational Officers did not turn in quarterly written reports, and three-fourths of our Officers did not receive credit for the Association Manual during the year. Other than those points, we were a standard Association. We further set forth as goals for 1951: Five additional churches with Training Union work; increase in Training Union enrollment; two thousand study course awards; one Association-wide Study Course; thirty-five churches reporting study courses; thirty-five churches in a crusade to enlist all members in Daily Bible Reading; thirty-five Training Unions committed to putting on a crusade to increase Prayer Meeting attendance; and our goal for the "M" Night Mass Meeting, December 10, 1951, was set at seven hundred; and ten churches observing Youth Week. We were able to accomplish the following with reference to our goals: six additional churches with Training Unions; — awards; one Central Training School, held September 24-27; approximately thirty-five churches reporting study courses; and as to those churches in the crusade to enlist members in Daily Bible Reading and putting on a crusade to increase Prayer Meeting attendance, and observing Youth Week, we do not have any definite way of knowing the total. However, we do know those three things were promoted and we shall strive to reach our goal of 700 in our meeting on December 10. A partial report of our Officers and Leaders for the year (the reason this is a partial report all Officers and Leaders have not turned in their reports) reveal that they participated in ninety-six different meetings; visited twenty-three churches; taught in nine Training Schools; organized one Training Union with four unions; made one hundred and fifty-six telephone calls; traveled one thousand, five hundred and seventy-nine miles; and sent out three thousand, two hundred and forty-seven letters and cards. In addition to the meetings promoted by the Association which were: four Executive, four Officers' and Leaders' Council; three Mass Meetings; one Central Training School; seven Group Meetings, we conducted a Youth Rally at Cary on March 19. Then on March 16 we held our elimination contest to determine the winners in the Association for the following: Junior Memory Work Drill: Dorothy Casey, Janie Bozart, Mary Russell Casey, Janet Kelly, and Anne Rowe (Garner Baptist Church, Garner, N. C.); Susie Bowers, Carroll Edwards, Faye Lewis (Knightsdale Baptist Church, Knightsdale,

N. C.); Dan Jones, Dorothy Horton, and Susan Stephens (Temple Baptist Church, Raleigh); Joyce Adams, Goldie Penny, Doris Mustin (Calvary Baptist Church, Raleigh); Bettie Hutchins and Barbara Randolph (Tabernacle Baptist, Raleigh); Betty Parker (Hayes Barton Baptist, Raleigh); and Betty Jean Matheny (Rolesville Baptist Church, Rolesville); Intermediate Sword Drill: James Thelbert Pollard (Mt. Olivet Baptist Church); Better Speakers': John McAllister (Hayes Barton Baptist Church); Bible Readers: Joe Caldwell (Hayes Barton Baptist Church); Hymn Festival: Hayes Barton Junior Choir, Garner Girls' Choir; Zebulon Girls' Choir; Calvary Training Union Choir; and the Zebulon Junior Choir. The attendance at all of these meetings was three thousand, seven hundred and forty-seven.

We promoted attendance at our Regional Convention held at the Tabernacle Baptist Church, Raleigh, on April 20 and 21. We also promoted attendance at Caswell Baptist Assembly and at Ridgecrest. We had many people from our Association attending Caswell, July 2-7 and August 13-18.

There were forty-two churches with Training Unions at the beginning of this Associational year. There are now 47. There were two hundred and thirty-four unions at the beginning of the year. There are now more. Our work for 1952 has been planned and a Calendar of Activities will be printed in the minutes for reference; also, the names and addresses of Officers and Leaders will be given. Our goal for next year will be set forth at the "M" Night Mass Meeting. Too, we will launch our whole program for the coming year. Our plans are to promote the entire program as set forth by the Training Union Department of the Sunday School Board. We are planning a one night's clinic during the coming year in addition to the regular meetings and, if possible, are going to have an Associational Banquet during the spring. And in addition to these plans, we plan to promote attendance on the part of the deacons in all of the meetings during the year. It has been said by one of our pastors that the deacons are the "bottle-neck" in his church. It is entirely possible that this condition may exist in many of our churches. This ought not to be true. However, we are going to do all that we can to inform our deacons about some of their duties, some of their opportunities, and some of their privileges.

May we offer at this time a few suggestions by which the churches in this Association can help with the work that is being promoted. First, provide teachers for study courses; second, attend all Associational meetings; third, help establish and maintain Training Unions in all churches; fourth, pray for the Associational Officers; fifth, help plan study courses in each church; sixth, contact Associational Officers when you are in need of materials, seventh, explain the purpose of the work to the people and cooperate with the Associational Officers.

Finally, our heart's desire is that you will organize a Training Program for your church if you do not have one and that you will try to strengthen the one you have. And may we repeat our closing statement for the past two years, "the task is huge and the job is ours." We can do all things through Him.

Respectfully submitted,
Charlie Herbert
Training Union Director

8. The clerk read the report of the Executive Committee which was adopted on his motion.

Report of the Executive Committee

The Executive Committee has met eight times during the year. The following report of its activities is submitted:

December 11, 1950 — Organization of the committee was completed with the election of the Rev. Earle J. Rogers, chairman; Mr. J. Everett Hunter, vice chairman; Rev. Carlton T. Mitchell, secretary. Committees were appointed to make nominations to the missions committee, the offices of Sunday School Superintendent and Associational Budget Committee Chairman. A plan was drawn for participation in the Simultaneous Evangelistic Crusade. It was voted to present a Christmas to the Executive Secretary.

January 29, 1951 — The report of the Nominating Committee was heard and Mr. Hugh Sloan was elected Budget Chairman and Mr. Clarence Godwin was elected Sunday School Superintendent. The Missions Committee elected included Mr. John L. Coley, Mr. L. H. Beck, Mr. A. C. Dawson, Mr. A. L. Aycock and Mrs. E. R. Perry. The following were elected to the Social Service Committee, W. M. Page, E. M. Poteat, J. G. Blackburn, Robert L. Newton and Ross Cadle. The financial status was described as critical and the clerk was instructed to advise the churches. It was agreed to sell the tent owned by the Association. A complete statement of liabilities and assets was requested.

April 23, 1951 — The situation at Carolina Pines Church was discussed and a statement was presented by Mr. Newton, pastor. A committee was appointed to make recommendations to the Committee regarding the situation. The possible location of a church on Western Boulevard was discussed.

May 28, 1951 — The report of the committee appointed to study the situation at Carolina Pines was heard. It was agreed to recommend to the Carolina Pines Church that it extend a call to the Rev. Bennie Pledger, retiring assistant pastor of the Wendell Baptist Church, requesting also that the State Convention continue its support to this Church. Reports from the treasurers of the Expansion Fund and the Operating Fund were heard and the need for funds stressed.

June 25, 1951 — It was agreed that money received from the

sale of the tent should be applied on a debt on the Carolina Pines property. The Resolutions Committee was elected to consist of Mr. W. M. Page, Mr. Charles E. Stevens and Mr. Edley Wilder.

August 27, 1951 — Discussion centered about a proposed budget and the enlargement of the Executive Committee to include all pastors and a lay member from each congregation. A committee was appointed to draft a recommendation.

September 10, 1951 — The Committee voted to present a recommendation to the annual meeting of the Association which would call for an Associational Executive Council consisting of each pastor and one other member from each church, said Council to replace the existing Executive Committee and act for the Association when not in session.

September 24, 1951 — The Committee authorized the transfer of property from the trustees of the Association to the trustees of the Emmanuel Baptist Church. A proposal for adjusting the payments on the property at Carolina Pines was accepted and purchase of the Fowler property adjoining the Carolina Pines property was authorized.

The final meeting was adjourned with prayer as were the other meetings.

Respectfully submitted,
Carlton T. Mitchell
Secretary

9. The Report of the Executive Secretary was then presented by the Rev. Lee Pridgen who showed slides depicting the work of the Raleigh Association.

Report of the Executive Secretary

I. COMPLETION OF ASSOCIATIONAL ORGANIZATION.

1. The Executive Council efficiently organized will function toward a greater association.

II. THE DEPARTMENT OF SUNDAY SCHOOLS ORGANIZED FULLY.

1. Assistance to new churches until they are able to "walk alone."

2. Surveys to be continued and Evangelistic services held in early summer in Western Boulevard section and Garner Road Section to determine need for founding new churches.

3. Beginning of a Baptist Mission under direction of Missions Committee in a greatly neglected section of Raleigh.

III. SPECIAL CONFERENCES, SCHOOLS AND CAMPAIGNS.

1. School for Deacons. Under leadership of Earle Bradley, E. L. Spivey, and J. C. Pipes this will be held over the association April 15, 16, 17, 1952.

2. A cooperative campaign "MARCH TO CHURCH IN MARCH"

next March with the aim of reclaiming and re-enlisting many cold, indifferent church members.

3. Major emphasis on enlargement and development of the Sunday School Program under the new Superintendent, with an all out effort in a Sunday School Enlargement Campaign next fall. This will be under the direction of L. L. Morgan and his staff.

4. The appointment of a committee from the Executive Council to promote an intensive campaign throughout the association in the placement of signs or bulletin boards in front of all churches.

IV. HOMES FOR OUR MINISTERS.

To press with all vigor and earnestness the necessity of "a minister in the midst" of every community, and to make this possible by having a parsonage. To set a goal toward ten (10) new homes for ministers in the association during the next 5 years.

V. CONTINUATION OF SUPPORTING T. U. PROGRAM

Mr. Herbert has done and is doing a splendid job in leading the Training Union forces over the association. His program must have our loyal support.

VI. TO UNIFY AND INFORM US:

1. Our own associational paper published twice each month carrying news of our churches and individuals . . . No other means can be more effective in helping promote the missionary program than this paper. Two issues have already been published. Lots of work but the Executive Secretary feels the need of it so much in the program.

2. A Radio Program each Sunday afternoon. With Mr. Jimmie Morris in our association we have a leader who could carry this effort forward in a matchless way. Churches will be informed about the possibilities of this effort.

VII. CARRYING THE ANNUAL SESSION INTO OUR CHURCHES

The Annual Session is being held in only our larger churches. This should be changed. Two days are needed for effectively presenting the work of our denomination. One day should be in a church in one section of the association, the next day in another.

VIII. DENOMINATIONAL LOYALTY AND COOPERATION

Supporting the whole world wide program of our denomination, and urging our churches to support and give through the Cooperative Program.

II. EXECUTIVE SECRETARY'S REPORT

offerings in churches	\$3150.00

(These were special offerings and went direct to churches and not through Treasurer. The figure is approximate—may vary a few dollars)

10. After singing the hymn, "Faith of Our Fathers," the Association was led in prayer by Carlton T. Mitchell. An offering for associational missions was received.

11. Mr. Pridgen introduced the Rev. Louis Gaines of Fayetteville who delivered an address on associational missions. The evening session was adjourned with prayer.

Friday Morning, October 26, 1951

12. Moderator Earle J. Rogers called the session to order. Miss Salmon led in singing the hymn, "Holy, Holy, Holy."

13. The Rev. Douglas Aldrich of Raleigh read from the Scriptures and led the opening prayer.

14. The Rev. W. M. Page of Fuquay Springs read the report of the committee on Social Service which was adopted as follows on his motion:

Report of the Committee on Social Service

In the first analysis Christianity is an individual matter, having to do with one's personal salvation and his relationship to God. But it does not stop there. It also has to do with his relationship to his fellowmen and his responsibility to society. The Christian not only has the responsibility of maintaining his own moral and spiritual integrity, but he also has the responsibility of helping to guard the weak and unfortunate against the predatory forces and influences that would prey upon them and blight their lives. This report has to do with several things that vitally affect the lives of people and therefore claim our attention as Christians.

Gambling

Among the many evils that confront us in this country, gambling is one of the worst and one of the most subtle. Until recently we had known gambling in our state only on a small scale and in an unorganized form, but in recent months big-scale, organized gambling has invaded our state under the cloak of legal sanction. We deplore the action our recent legislature in legalizing gambling in some of our Eastern counties, but we wish to commend a minority of our legislators and many of the citizens in those counties who vigorously opposed this action. We would call upon all of our Baptist people to be on the alert against this deadly blight and to oppose it with every means at their disposal, political and otherwise.

Religious Liberty

For generations we, in this country, have prided ourselves in our religious liberty and we have been all too complacent in our feeling that we were secure in it, but we need to awake to the

fact that our cherished liberty is being seriously threatened.

In the last half of the 18th century Baptists were the foremost defenders of religious liberty in the colonies and it was largely through their leadership that provisions guaranteeing the right to think, assemble, and worship according to the dictates of one's conscience were written into the First Amendment. This fixed the relationship of Church and State as separate in nature and function.

Today the wisdom and intention of that amendment is being challenged by those who believe that Church and State should be united at least at the point where public funds are made available to private and religious institutions. We call upon all Baptists to be alert to discover violations of our historic stand in our own denomination and to stand strongly against the efforts of any other religious groups to break down the wall of separation between Church and State.

Peace

As we face the unsettled, chaotic, dangerous condition of the world today we are all deeply concerned about world peace lest we be plunged anew into a global war that bids fair to wreck the world.

In the Preamble of the Constitution of the United Nations Economic Social Council are words which should give every Christian pause. They read: "The governments of the states parties to this constitution on behalf of their peoples declare that since wars begin in the minds of men, it is in the minds of men that the defenses of peace must be constructed." We would like to add that wars also have their origin in the hearts of men as well as in their minds. Wars grow out of envy, hatred and greed and the defenses of peace must be constructed in the hearts of men as well as in their minds. It is to be urged that we seek the mind of Christ and that we shall be motivated by His spirit in our quest for lasting peace in our troubled world. Since peace begins with the individual, but must find support and expression in our homes, our schools, our churches and in all other human relationships, we would urge our Baptist people to give their fullest support to all efforts for peace on the local level and to give whatever encouragement and help they can give to all other groups who are striving for peace, such as United Nations and World Federalist Movement. We feel that the recent Japanese Peace Treaty was a step in the right direction and we hope for its speedy and enthusiastic ratification. Above all let us do our utmost to get people of every race, nation and clime to enthrone the Prince of Peace who is the source and hope of lasting peace.

Race Relations

There is evidence of genuine progress among our people in the field of race relations. Increasingly there are experiences indicating a healthy attitude toward interracial understanding and

good will.

Three of our Southern Baptist seminaries have opened their doors to Negroes who wish to prepare themselves for the Christian ministry. Elsewhere in the South more Baptist colleges have admitted Negroes. Our Southern Baptist people are showing commendable interest in providing better educational opportunities for our fellow Christians of other races.

In our state there have been many instances in which our people have shown courage and a new awareness of responsibility. In one community the mistreatment of a Negro lawyer by an officer of the law was apparently checked and somewhat offset by the attitude and action of white citizens. We rejoice in these and all evidences of a growing concern and a wholesome Christian interest.

We call attention, however, to multiplied needs and the great responsibilities of our Baptist people. It is ours not only to proclaim the New Testament teaching of brotherhood, but ours also to obey the teaching and demonstrate in every opportunity the sincerity of our faith. We must provide better churches, better schools, better employment opportunities and adequate social privileges for our Negro brethren and all minority groups. We recognize the great need for a general acceptance of the Biblical teaching of brotherhood and the inconsistency of race prejudice or the restriction of human rights. We urge our people to a renewed devotion in sharing the privileges and responsibilities of Christian democracy with all people.

Alcohol

The number one problem and evil facing our country today is alcohol. According to the American Business Men's Research Foundation, official data released by the Bureau of Census and the Department of Commerce reveal the following facts:

1. Alcoholic beverage consumption increased from 8.27 gallons per capita in 1934 to 21.25 gallons per capita in 1950, an increase of 154%.

2. Expenditures for alcoholic beverage increased from \$2,-030,000,000 in 1934 to \$8,550,000,000 in 1949, an increase of 323%.

3. There was an increase of 32% in the violent crime rate according to the Federal Bureau of Investigation reports.

4. The same period shows an increase of 52% in the number of women sentenced to federal prisons.

5. According to Uniform Crime Reports published by the Federal Bureau of Investigation, arrests for drunken driving increased from 153.5% per 100,000 population in 1948 to 164.8% per 100,000 population in 1950. Drunken driving is definitely on the increase in North Carolina. According to figures released by the Department of Motor Vehicles, 30% more people were convicted for drunken driving in June 1950 than in June 1949. During the month of August four and one half millions of dollars were spent in the A. B. C. stores of North Carolina. That does not take into account the ever increasing volume of business done by the bootlegger. Recent statistics show that the bootlegger is doing more business now than before repeal of the Eighteenth Amendment. Yet a State-wide Referendum seems as remote as it did in 1935 when our legislature granted the legal sale of liquor without a vote of the people. King alcohol marches on in arrogant and increasing strides. It is time for Christian people to become aroused and alerted to this growing menace. We would urge all of our churches to teach, preach and promote total abstinence among their members and to put forth every effort possible and to use every means at their disposal to outlaw and eradicate the nefarious liquor traffic. We can not afford to compromise on this issue or to treat it with indifference.

Dr. W. R. Cullom of Wake Forest observed that this report should be placed in the hands of as many people as possible.

15. Dr. E. McNeill Poteat delivered an address on religious liberty.

16. There followed the singing of the hymn, "The Church's One Foundation."

17. The Rev. Robert L. Newton submitted the following association report on institutions and activities which was adopted on his motion:

Associational Report

Our Baptist Orphanages

Again the time has come for your Orphanage to submit its annual report to the District Associations. We are happy to do

this because you are the ones who support this host of homeless children with your love, your prayers, and your money.

In your child care program you make available three channels through which dependent children are aided. At Mills Home and Kennedy Home we cared for 606 last year. Then through Mothers' Aid we helped support 100. In addition to this we supported 58 children in Boarding Homes. This makes a grand total of 764 children who were given support through your Orphanage Program.

Through the generous bequest of the late Mr. Robert M. Idol of Winston-Salem, we received last year the greatest single gift that has ever come to the Orphanage. This gift, together with a similar one from his sister, the late Miss Lelia M. Idol, totaled more than seven hundred thousand dollars. The donors designated in their wills that it should be used to build a Church, an Infirmary, and a Print Shop. These buildings and one cottage are now under contract.

North Carolina Baptist Home for the Aged

This is one of our new institutions and is located in Winston-Salem. We are interested to learn that the response toward this Home on the part of both churches and individuals over North Carolina has been most encouraging to our Superintendent, in spite of the fact that they were not included this year in the Cooperative Program of North Carolina Baptist.

Although it has been operating but a short time, the home now has assets approximating \$60,000, most of which have come through gifts.

This is a great work we are doing for our aged.

Report of North Carolina Baptist Hospital

For twenty-eight years our Baptist Hospital has sought to provide a Christian ministry of healing. The highest good of the individual who is sick has been at the heart of the motive and effort of this work. Thousands of sick persons have been blessed by it. Without it, many of these could not have received the care they needed.

Last year 9,700 patients were cared for in the Hospital and 95,000 visits were made to the clinics for examinations and treatments. About half of these were persons with little or no money. They were provided free professional care by our doctors, and were given additional financial assistance with the cost of the service they received.

This free service was made possible by our Mother's Day offerings which amounted to \$140,000.00. Other assistance came from various health and welfare agencies, the Duke Endowment, and individual gifts. All this added together enabled the Hospital to spend \$337,000.00 in free service. When the free services of the doctors are added to this, it means that our hospital provided three-fourths of a million dollars in free services to these sick persons:

who have little money. In other word, every time we gave one dollar in our Mother's Day offerings, it enabled our hospital to give five dollars in free service to sick persons who are poor in this world's goods.

The contract has been let for the new SOUTH WING.

Report on Christian Education

In these days of world tension, unrest, and uncertainty our Baptist Colleges and Seminaries, and Christian Education in general are being subjected to one of their severest tests. Our young people are confused, and need as urgently as at any time in our history the guiding hand of the Church or Church related school. With the press of the world condition upon us it is easy to neglect, and fail properly to support our Baptist Institutions of learning.

It is a fact of major significance that we have about 5000 young people in our Baptist Colleges of North Carolina this year. This is a mighty army, and the opportunity for teaching in the light of Christianity offers one of our brightest hopes today. Last year Wake Forest alone conferred almost 500 degrees. This year we have some 400 training for the Baptist Ministry in our schools. Hundreds of others are preparing to teach, to heal, to conduct business, and to interpret the law in the light of Christian training and influence.

The anticipated removal of Wake Forest to Winston Salem has brought mingled emotions of joy and sadness to our hearts. However, we can all rejoice in the greater opportunities that Wake Forest faces, and we can thank God for His wisdom and good providence in placing the new Southeastern Baptist Seminary in our midst. Our North Carolina Baptist Family of Colleges now includes: Wake Forest, Meredith, Mars Hill, Gardner-Webb, Campbell, Wingate, and Chowan. These, along with our entire program of Christian Education and Theological Training in our Convention urgently need and deserve our continued and ever increasing support.

Report on Christian Literature

The Master said, "Ye shall know the truth, and the truth shall make you free." Our nation is today engaged in a campaign to spread the truth of our American concept of freedom to the nations behind the "Iron Curtain." Believing as we do that we have a Divine charge to tell to all the world the message of Christ, upon which every hope of lasting freedom is based, we ought to spare no effort to inform our own Baptist people concerning the work of His Kingdom. In a time in which our homes are being bombarded with endless supplies of evil influences, we must look to our own Religious Literature to keep the causes of our Denomination, and the call of Christ before us.

In addition to the literature that is published by our Sunday School Board, and by the other agencies of the Southern Baptist Convention, we have two North Carolina Baptist weekly publica-

tions: the *Biblical Recorder*, and *Charity and Children*. These two mediums of Baptist information and inspiration in our state, it has been fittingly stated, "Supplement each other, rather than competing." The *Biblical Recorder* alone has a circulation of nearly 46,000, an increase of more than 5,000 during the past year. However, we urge our Pastors and Leaders of this Association not to be satisfied until the Message of North Carolina Baptists can be read in every home in our territory.

18. The following representatives of institutions were recognized:

Baptist Hospital—Dr. Richard Young

Meredith College—Carlyle Campbell

Baptist Orphanage—E. C. Wilkie

Baptist Home for the Aged—James Hayes and
Hubert Tomlinson.

19. The Rev. G. W. Bullard brought a message on the Baptist Cooperative Program in North Carolina.

20. The clerk read a letter from the leaders of the Mount Olivet (Cent) Church. It was stated that the Mount Olivet Church was only fifteen miles from Oxford and thirty-five miles from Raleigh and therefore it seemed to the best interest of the church in its denominational association to join the Flat River Association. On the motion of Carlton T. Mitchell the Association voted to grant a letter of dismissal from the Raleigh Association to the Flat River Association as requested by the Mount Olivet (Cent) Church.

21. The Moderator then recognized twelve pastors who had assumed pastorates in the Association during the past year.

22. The offertory prayer was led by the Moderator and an offering was received for association missions. Mrs. L. M. Massey of Zebulon sang.

23. The Association then proceeded into the worship period. The Rev. Clarence Godwin of Cary read from the nineteenth chapter of John. The Annual Sermon was preached by the Rev. Ross Cadle of Apex and the benediction was pronounced.

24. The Association gathered on the church lawn for a picnic dinner served by the Zebulon, Wakefield, Pearce, Hopkins Chapel, and Union Chapel Churches following the prayer of

thanksgiving offered by the Rev. Fred Crisp, pastor of the Hopkins Chapel Church.

Friday Afternoon, October 26, 1951

25. Moderator Earle J. Rogers called the session to order after the singing of a hymn. Mr. Garner offered a motion for a brief period of miscellaneous business at the present and the motion passed. Mr. Page presented a resolution which would be offered later regarding the appointment of a representative from this country to the Vatican.

26. The Rev. Charles B. Summey of Knightdale read from the Scriptures and led in prayer.

27. Mrs. R. L. Squires then led an impressive memorial service which included mention of the ministers, deacons, and other leaders who have passed on during the year. The list is as follows:

Pastors

The Rev. L. Bun Olive of Raleigh

Deacons and Others

Bethlehem (R), Mr. N. A. Knott; Central Baptist, Mr. A. E. Glover; Ephesus, Mr. E. M. Britt; Calvary, Mr. W. I. Sawyer; Raleigh, First, Mr. T. S. Johnson, Miss Emma Dowell, Dr. Rufus Hunter; Hayes Barton, Mr. H. J. Rhodes; Tabernacle, Mr. G. T. Roberts, Mr. W. I. Sanderford; Swift Creek, Mr. R. R. Jones; Union View, Mr. Clem Williams.

To this list the following names were added in loving reference: Mrs. O. L. Stringfield, Miss Maude Reid, Mrs. Nannie Chamblee.

Mrs. Frank Kemp of Zebulon sang the hymn, "It Singeth Low in Every Heart," to conclude the Memorial Service.

28. The Rev. Carlton T. Mitchell moved that the Associational Annual be dedicated to the memory of the Rev. L. Bun Olive and the motion was passed unanimously.

29. The report of the Expansion Fund Treasurer was read and adopted as follows:

35. The Report of the Committee on Membership was read by the Rev. Gray Murray and adopted as follows on his motion:

Report of the Committee on Membership

Your Committee on Membership has received two applications for membership into the Raleigh Baptist Association.

The first is from Union View Baptist Church of Franklinton, N. C. This church was received under watch care at the session of the Association held in Franklinton in 1949. The Membership Committee investigated the application at that time, and found everything regular and in order.

The second application comes from Wakeminster Baptist Church, R. 6, Raleigh, N. C. Their application is in the hands of the Committee. The reasons for organizing the Church and the record of its organization have been examined by the Committee.

Therefore your Committee on Membership recommends that Union View Baptist Church of Franklinton and Wakeminster Baptist Church of R. 6, Raleigh be received into the Raleigh Baptist Association and that the Moderator extend the Right Hand of Full Fellowship to the delegations present from these churches.

Respectfully submitted,
Dr. L. E. M. Freeman
Dr. Broadus E. Jones
J. Gray Murray

Report of the Committee on Resolutions

Your committee feels that this unusual meeting of the Raleigh Baptist Association has been a most helpful and inspiring meeting and we wish to extend our most sincere appreciation and thanks to all who have helped in any way to make it possible. We are indebted:

1. To Zebulon, Hopkins Chapel, Pearces, Wakefield and Union Chapel, our host churches, for their gracious and generous hospitality.

2. To our program committee and all who took part for the splendid program rendered.

3. To Rev. Lee Pridgen, our Executive Secretary, for his untiring and effective labors among us. We bespeak for him and the work he is trying to do more wholehearted and generous support from all our churches.

Respectfully submitted

W. M. Page

Chas. M. Page

Edley Wilder, Committee

The Association then adopted the following resolution of protest regarding the possible appointment of official representation from this country to the Vatican, the word "regret" being substituted for "dismay" on an amendment offered by R. N. Simms, Sr., of Raleigh:

Resolution

Whereas the Baptists have, since the beginnings of their life in this country, pioneered in the struggle to keep church and state separate in function and authority and given heroic and self-sacrificing leadership to the cause of religious liberty; and

Whereas the proposal of the president to appoint an official Ambassador to the Roman Catholic Church-State is a reversal of a great American tradition, a violation of the principle for which Baptists have always stood, and a repudiation of the religious clause in the First Amendment to the Constitution of the U. S.,

Be it resolved:

That the Raleigh Baptist Association, meeting in the Zebulon

Baptist Church, October 26, 1951, expresses its deep regret at the announcement of the proposal to establish official diplomatic relations with the Vatican, and calls on the President to abandon the proposal and give the support of his office to the maintenance of national unity by strongly resisting all efforts to subvert the Constitution by any groups, whether political or clerical.

Further be it resolved

That a copy of this resolution be sent to the President of the U. S., to each of our representatives in the U. S. Senate, and to each of the Raleigh newspapers.

The clerk was requested to indicate the number of churches in the Raleigh Association and to state its membership when writing to the President and the Senators.

38. Dr. Glenn Blackburn moved that an extension of time for business purposes be granted and the Association agreed by vote.

39. The Rev. John Garner offered a motion instructing the Executive Committee to arrange to buy or build a house for the Executive Secretary at their discretion. A substitute motion by Dr. Samuel Johnson was passed authorizing the Executive Committee to make a thorough study of the situation and if circumstances were found favorable to buy or build a house for the Executive Secretary, to proceed as seemed wise.

40. Professor Aycock of Wake Forest then offered a motion that the Constitution of the Association be changed. An amendment was agreed upon stating that members shall serve until their successors are appointed and the amended motion of Mr. Aycock was passed as follows:

Article II

Section 2. The Executive Council shall consist of the pastor of each church, and one member from each Church, the member to be nominated by the church and elected by the Association to serve until a new member is nominated by the church. In addition the moderator, vice-moderator, clerk, three trustees, Training Union Director, Sunday School Superintendent, Women's Missionary Union president and the Executive Secretary shall be ex-officio members. The Council shall have the right to elect its own officers and appoint times and places for its meetings. One third of the total membership shall be considered a quorum. It shall be the duty of this council to carry on the work of the Association between its annual sessions, and to make reports and recommendations to the Association.

41. On the motion of Mr. Aycock it was agreed that those members already nominated through the church minutes and those to be nominated by the churches be accepted.

42. On the motion of W. M. Page of Fuquay Springs it was agreed that the matter of a Radio Committee and Program should be referred to the Executive Council for action as deemed wise.

43. The Committee on Nomination submitted its report and the following officers were elected by acclamation on the motion of the Rev. Jimmy Morris of Raleigh:

44. The Association sang one stanza of the hymn, "Love Divine" and Mrs. Frank Kemp of Zebulon presented special music.

45. The Rev. Robert L. Newton presented the report on Home and Foreign Missions which was adopted on his motion.

Report on Foreign Missions

The Foreign Mission Board has expanded its work in all parts of the world during the past year. Funds for Foreign Mission Advance have enabled the Board to establish new stations in almost every country in which it has work, and in Ecuador, Peru, Southern Rhodesia, and Malaya where Southern Baptists have not been represented before . . . The largest number of missionaries

ever appointed by the Board in one year (111) were appointed in 1950, giving a total force of 803 active missionaries to which 30 more have been added in the first four months of 1951. A total of 15,620 baptisms reported on the foreign field increase Baptist influence in those lands. Four new hospitals, two strong international theological schools located strategically in Switzerland and Argentina, and the inauguration of agricultural missionary leadership in interior Brazil and at a co-operative Hebrew settlement in Israel will strengthen our work for years to come. The Board's total receipts for 1950 were \$6,014,909.49 an advance of \$695,644.45 over the preceding year.

Report on Home Missions

The Home Mission Board at the end of 106 years of significant labors are seeking out even larger areas of service. In recent years the Convention has added 988,642 square miles of territory to the home mission field and 22,000,000 people. In the western states, the four western provinces of Cuba, the Canal Zone, Panama, and Alaska there are 75,000,000 people with 25,000,000 of them unchurched. . . The Five-Year Crusade in Home Missions, which is now in its second year, seeks to double the number of Good Will Centers, to add 500,000 unaffiliated Baptists to our church membership, to double the number of churches in the outposts of the Board's mission field, to have every church in the Convention winning souls, to establish 181 missions in the language-group field and to carry out a greatly intensified program of education through the Schools of Mission Department. For this, it needs an annual operating budget of \$2,000,000.00 and an annual capital needs fund of \$4,000,000.00. The work of last year indicates that this effort will mean much for the kingdom.

Report on State Missions

The goal and objective of State Missions may be stated thus: "NORTH CAROLINA MUST BE CHRISTIAN." In order to accomplish this overall purpose and to forestall the "Coldness within and iniquity without" paralyzing the moral nerve of so much of our nation even now, the State Mission program embraces many activities. These include Sunday School work, Training Union work, Assemblies, Visual Education, Radio, Evangelism through city and Association-wide revivals, help for new and needy churches, work among the Indians, Schools for Ministers, work among Silent People, Interracial activities, support of the Allied Church League, a renewed emphasis on work among the rural churches "the life blood of our denomination," purchase of lots for the establishments of new churches in neglected areas, and student work among 15,000 Baptist Students. Let it be remembered that State Missions is not just *one object*, but is a program of some eighteen activities. A special offering during October of

\$150,000 is perhaps the greatest need of our North Carolina Baptist Program.

46. A missionary address was delivered by Dr. Staley, President of the Southeastern Baptist Theological Seminary.

47. The benediction was pronounced by Dr. W. R. Cullom of Wake Forest and the 146 annual session of the Raleigh Baptist Association was adjourned.

Minutes of the Organizing Council

On the evening of June 13, 1951, and for the purpose of considering the request for the organization of a new church, a council consisting of the following pastors and laymen met in the home of Mr. Coit Ray:

Dr. Owen F. Herring, Wake Forest Church
The Reverend J. Gray Murray, Ephesus Church, Cary
The Reverend Charles Stevens, Emanuel Church, Raleigh
The Reverend Lee Pridgen, First Church, Raleigh
Professor A. L. Aycock, Wake Forest Church
Dr. Gerald G. Grubb, Wake Forest Church

Brother Pridgen led in a prayer asking divine guidance as the council proceeded with the matter under consideration. The council elected Dr. Herring as its chairman and Professor Aycock as its secretary.

After the formation of the council, Mrs. Albert Ray read the following prepared statement giving the reasons for a new church:

Reasons for a New Church

Mr. Moderator and Brethren of the Council:

I have been asked by the persons assembled before you to state briefly our reasons for desiring the formation of a new church in this immediate community. Our reasons are fivefold:

First, since the establishment of New Bethel Baptist Church, from which we all hold letters of dismission, two great highways have been built through this community, and the population center has shifted to correspond roughly with the intersection of these highways. For about twenty years the trend has been away from the parent church so that at present the church building stands on one edge of the territory that a church in this community should serve. There is no foreseeable element in the social life of the community or industrial development that can possibly change that trend; rather, it appears now that in the future the intersection of highways No. 64 and No. 15-A will become more and more the center of an ever-growing community.

Second, the physical plant of New Bethel Baptist Church has been inadequate to the demands of the community for the last thirty-five years, consisting as it does of an one-room auditorium without Sunday School rooms, heating plant, rest rooms, or water supply of any type. This physical inadequacy has been one of the most serious handicaps to the growth of the church through the years. The present building of our parent church has been pronounced by every qualified workman who has examined it as beyond any economical repair.

Third, a large element of New Bethel Baptist Church has

steadily opposed every movement for (1) repairing as well as possible the present building, or (2) the addition of Sunday School rooms, installation of central heat, and the development of an adequate water supply, or (3) the building of a new church on the old site with the desired modern features, or (4) the removal of the church to a new building in the center of community population.

Fourth, the majority of the active membership of New Beth-el Baptist Church has for several years felt the urging of the Holy Spirit to arise to the challenge of the youth of this community and to organize and build a new church with modern facilities in the population center of the community — that is, near the intersection of the two highways already mentioned.

Fifth, the fifty-three persons before you who hold their letters of dismission feel that the time, the opportunity, and the proper leadership have at long last met for the establishment of this new church under the directing wisdom of the Holy Spirit. We, therefore, request you to hear and sanction our resolution for the immediate formation of such a church.

Following the reading it was moved and seconded that the formation of the new church be authorized. After discussion and further amplification, the formation of the new church was authorized by a unanimous vote of the council.

A motion carried that Dr. Herring and Professor Aycock continue as chairman and secretary until the organization should be completed and appropriate officers be elected for the new church. The minutes of the organization follow:

1. Song *Onward Christian Soldiers*
2. Devotional by Brother Stevens
 - a. Reading from the Psalms
 - b. A brief discussion of the foundation of a church
 - c. Prayer
3. Reading of the minutes of the action of the council, including the rereading of the "Reasons for a New Church"
4. Reading of *Resolutions for the Formation of a New Church* and of the *Church Covenant*. Both were adopted unanimously.
5. The council voted unanimously to recognize the group as a Baptist Church.
6. The council gave the right hand of fellowship to all present.
7. The following officers were elected:
Pastor: Dr. Gerald G. Grubb
Clerk and Treasurer: Ruth Ray
Deacons: Coit Ray, Alton Coley, Henry Arnold
Sunday School Supt. J. K. Ray, Jr.
Pianist: Ruth Ray; assistant pianist, Cora Benfield
Choir Director: Robert Benfield; assistant, Mrs. J. K. Ray, Jr.
Sunday School Secretary: Mrs. Rachel Goldston

Sunday School Teachers: Adult Class, Coit Ray; Young People and Intermediate, Mrs. Mary Lee Goldston; Junior, Mrs. Pauline Coley; Primary, Mrs. Ruth Ray; Beginners, Mrs. Helen Ray.

Following the election of officers, Dr. Grubb took charge.

Council Chairman, Owen F. Herring

Council Secretary, A. L. Aycok

With the completion of the organization by the election of the above-mentioned officers, the moderator pro tem recognized Gerald G. Grubb as permanent moderator, by virtue of his election as pastor. Dr. Grubb assumed the chair and thanked the congregation for the call as pastor and agreed to serve in that capacity.

When the moderator called for further business, Coit Ray moved that Alton P. Coley, Albert Ray, J. K. Ray, Jr., Charles Carter and their successors be elected trustees. The motion was unanimously adopted.

It was moved by Mrs. Mary Lee Goldston and seconded by Mrs. Carrie Arnold that we give our church the name of Wakeminster Baptist Church. The motion was unanimously adopted.

Moved by J. K. Ray, Jr., and seconded by Coit Ray that the charter membership period be held open through the first Sunday in August to include all members received even those who might be baptized later.

Moved by Mrs. Helen Ray and seconded by Mrs. Mary Lee Goldston that we have service each Sunday morning at 11:00. Motion unanimously adopted.

Mrs. Geraldine Elliott made motion and Alton P. Coley seconded the motion that we adopt a standard budget plan. Motion was carried by unanimous vote.

Albert Ray made motion that we accept the invitation of C. M. Keith to meet in his house until first of August or until such time as we can secure and erect a temporary place of worship, and that we extend our thanks to Mr. Keith. The motion was seconded by Alton P. Coley and unanimously carried.

The moderator opened the doors of the church for reception of new members, but no one responded.

Upon motion and vote, an offering was taken for missions which resulted in the collection of \$8.51.

A move to adjourn was carried, and Dr. Owen F. Herring dismissed with prayer.

Gerald G. Grubb, Moderator

Ruth Ray, Clerk

IN MEMORIAM

Bessie Farmer Davis

Mrs. Bessie Farmer Davis was born at Mount Airy in Pittsylvania County, Virginia, on September 9, 1881. She attended public and private schools in Virginia and graduated from the Bethel Hill Institute. She taught school in Virginia, at the Orange Grove Academy in Orange County, North Carolina, and the Bethel Hill Institute. She was serving as assistant principal of the Orange Grove Academy in 1904 when she married the Reverend Theo. B. Davis. She served by her husband's side in pastorates at Newton, Morehead City, Zebulon and in rural churches of Wake and Har-

nett County. During Mr. Davis' years as Superintendent of the Kennedy Home she, as head matron, gave sympathetic understanding and help to both matrons and children there. Their family includes five children, Mrs. Crystal Potter of Raleigh; Eric, who was killed on Luzon in World War II; Theo., Jr., of Kinston; and Ferd and Barrie of Zebulon. Mr. Davis is pastor emeritus of the Zebulon Church.

Mrs. Davis was active in church, community and denominational affairs. She taught a Sunday School class until two weeks before her death and was a deaconess emeritus. Her interest in learning was reflected in her activities as chairman of the Book Selection Committee of her church library. A resident of Zebulon since 1914, except for a short interval, she was known as one of its leading citizens. Her activities in the Woman's Club, the Garden Club, the school and other community affairs attested to her zeal for community progress. She served the Raleigh Association in many capacities and was a recognized leader in the Associational W. M. U. For many years she read proof for the Raleigh Association minutes and those of other associations across the state.

Bessie Farmer Davis revealed her deeper understanding of the Christian faith in all her ways. The Raleigh Baptist Association is stronger in its Christian witness because of her service. The Association voted unanimously to dedicate its 1952 Annual to her in loving memory.

These words were written by her and were sung to the tune of the Londonderry Air by Mrs. L. M. Massey at her funeral:

When comes the time that days on earth are ended
And swift the soul to realms afar must go,
No fear should with the last farewells be blended;
No hearts need break; no bitter tears need flow.
For One there is who trod the way before us;
Laid down his life in more than mortal pain;
Who conquered death and reigns in heaven victorious.
Because he died and rose we, too, shall live again.

Beyond the darkness shines the Light Eternal;
Beyond the night a day that shall not cease;
No pain is there, but bliss that is supernal;
No strife is there, but everlasting peace.
Eye hath not seen, nor hath it entered ever
Into man's heart the glories there in store;
But this we know: that naught His love can sever;
And that His own shall be with Him forevermore.

8. The Rev. Carlton T. Mitchell of Zebulon submitted the report on Christian Education which was adopted on his motion.

Report of Committee on Christian Education

Christian Education is distinctive in that it seeks to establish the atmosphere of the Christian faith as necessary for all quests after knowledge. It relies on the interpretation of Christ that "Ye shall know the truth and the truth shall make you free." Christian Education is education with a plus. Facts plus meaning! Scientific facts are valuable only as they are presented in a context of genuine meaning. "Get wisdom, and with all thy getting get understanding" is sage advice for modern education.

Our Baptist schools are seeking to provide this distinctive kind of education set in a context of eternal meaning. The motto of one of our Baptist schools, "Making men not money," is a worthy statement of purpose. Our communities need Christian leadership and it is a well-established fact that our denominational schools supply this in the largest proportions. Our denominational leadership is provided by these schools as revealed in figures showing that 97% of our missionaries and five out of six of our pastors are trained in our Baptist schools. A study of our lay leadership would doubtless reveal further the nature of our reliance on Baptist schools.

Enrolments in our Baptist Schools were down last year in about the same proportion as the national average. Each year approximately 15,000 Baptist boys and girls graduate from high school. Only 4,000 of these attend college and only one in four of these will go to a Baptist school. If we believe in Christian education, we see here an opportunity to direct our young people to schools where we know they will find encouragement in the Christian life.

We are making our greatest efforts in the history of the denomination to support our schools more adequately. We cannot expect to compete with state-supported institutions of higher learning in

the development of technical education, but the highest standards in those fields which we do enter should not be compromised. There is an important place for Wake Forest, Meredith, Campbell, Mars Hill, Wingate, Chowan and Gardner-Webb in our educational program. Our colleges have weaknesses — these can be corrected. They have needs — these can be met. They have nothing, though, until we give them our own to minister unto.

9. Mr. Claude Gaddy delivered an address on Christian education and recognized the following representatives from our schools:

Dr. C. G. Mumford—Mars Hill

Mrs. B. Y. Tyner—Wingate

Mr. B. Y. Tyner—Campbell

Dr. F. O. Mixon—Chowan

Dr. Roger Crook—Meredith

Dr. O. W. Herirng—Wake Forest

10. Visitors were recognized. Miss Vivian Nowell of Wendell and Nigeria, Africa, was among those present.

11. Three speakers addressed the Association regarding the inter-relationship between the new Southeastern Seminary at Wake Forest and the Association. Dr. L. M. Massey of Zebulon, Dr. Olin T. Binkley of the Seminary, and Dr. McNeill Poteat of Raleigh spoke.

On the motion of Dr. Poteat the Association adopted the following resolution, "Whereas the importance of the organized direction of the field work of the students of the Southeastern Theological Seminary touches vitally the program of the State Convention of North Carolina Baptists, be it resolved that a committee of the Raleigh Baptist Association be appointed to request the N. C. Convention to appropriate funds sufficient for the maintenance of a Director of Field Work as a member of the staff of the Southeastern Baptist Theological Seminary at Wake Forest."

12. The Rev. Bennie Pledger led in singing the hymn, "The Church's One Foundation."

13. Dr. John W. Kincheloe, Jr., of the Hayes Barton Baptist Church delivered an address on Christian Education in the Home and the Church.

14. The session was adjourned with the prayer led by the Rev. John U. Garner of Rolesville.

Tuesday Evening, October 30, 1952

15. Mr. Horace Easom led the group in several hymns.
16. The Rev. Albert S. Lamm of Pearce Church read from the Scriptures and led in prayer.
17. The Sanctuary Choir of the Zebulon Baptist Church sang Bortniansky's CHERUBIM SONG.
18. The Training Union report was delivered by Mr. Charlie Herbert of Garner and adopted on his motion. He presented the new Training Union Officers of the Association.

Report of the Training Union

The Raleigh Associational Baptist Training Union is very glad to submit the following report to the District Association in session at the First Baptist Church, Raleigh, October 30, and the Green Level Baptist Church, October 31, 1952:

This report is for the Associational year. We are very pleased to report that our year's activities have been most gratifying. Our accomplishments have not been as great as we had hoped for. In our report for 1951 we set forth some goals for 1952 and they were as follows:

1. 5 additional churches with Training Union.
 - 1-a. Additional units: Children's Work: Nursery, 10; Beginners, 10; Primary, 10. Junior Unions, 10. Intermediate Unions, 10. Young People's Unions, 10. Adult Unions, 15.
2. 500 Increase in Training Union Enrollment.
3. 2000 Study Course Awards: a. 100 Administration; b. 500 Adult; c. 400 Young People; d. 500 Intermediate; e. 500 Junior.
4. 52 Churches reporting at least one study course.
5. 25 Churches in the Crusade to Enlist All of Their Members in Daily Bible Reading and Prayer, Following the Training Union Daily Bible Reader's Course.
6. 25 Training Unions Committed to Putting on a Crusade to Increase Prayer Meeting Attendance in Their Churches.
7. 1,000 the Goal for Attendance at the "M" Night Program December 8, 1952.
8. 25 Churches Observing Youth Week.
9. 3 Additional Churches with Standard Training Union.

We have not had the advantage of the church letters in order to determine how nearly we have reached these goals. However, we do know that much of it has been done. We hope that before this report goes to press to be able to insert some numbers to show the actual accomplishments during the year. Our Associational Training Union is not standard as yet. We did not have all of the Group Directors, all officers did not turn in quarterly reports, and three-fourths of our officers did not receive credit for the Associational

Manual during the year.

We hope to be able to set our goals for another year's work and have those presented to the churches in the Association on or before our December meeting. At the time of the writing of this report we have not attempted to set any definite goals in the work for 1953. There is one goal that we have set forth in our 1952 program which was 1,000 in attendance at our "M" Night meeting. We hope to more than double that this year, since we are meeting in the Raleigh Memorial Auditorium, having for our speaker Dr. E. Norfleet Gardner of Henderson, N. C. As to our meetings for the year, they have been as follows: four Executive Committee meetings, four Leaders' and Officers' Council meetings, 3 Mass Meetings, 8 Group Meetings, 1 Associational Banquet, a Regional Meeting in Durham, N. C., 3 weeks at Caswell Baptist Assembly, 3 weeks at Ridgecrest Baptist Assembly, and an Associational Officers' Meeting at Goldsboro, N. C. The total attendance for our Leaders' and Officers' meetings, Mass meetings, and group meetings, banquet, and the clinic was 2,245.

Speaking more specifically about some of the meetings held during the year, the first we would mention was the Mass Meeting held at the First Baptist Church, Raleigh, on December 10, 1951. It was well attended. Our goal was 700. Our actual attendance was 511. Our next meeting that we should like to call attention to was the Mass Meeting on March 25, 1952, at the Hayes Barton Baptist Church, Raleigh. It was a meeting conducted to determine the winners in the tournaments sponsored by the Training Union Department. The winners in the Junior Memory Drill were: Loretta Hardy and Ann Caudle, Tabernacle; Jane Glasco, Goldie Penny, Calvary; Joyce Adams, St. Johns; Dan Jones, Judy Bullard, Karen Hopkins, Temple; Dorothy Casey, Garner; Susie Bowers, Linda Lewis, Knightdale; Betty Parker, Hayes Barton. Intermediate Sword Drill: J. T. Pollard (winner), Mt. Olivet (R), and Patrick Leonard (alternate), Zebulon. Speaker's Tournament: James Walker (winner), Tabernacle, and Harold Newman (alternate), Hayes Barton. Bible Reader's Tournament: Mrs. Moody Womble (winner), and Allen Brown (alternate). Hymn Festival: the following churches rated "C" or above, Calvary, Tabernacle, Hayes Barton, Knightdale, and Zebulon. All of these were eligible to participate in the Regional Meeting held in Durham, N. C., on May 2 and 3, 1952. The next most outstanding meeting of the year was the one held on April 4 in the Garner School Cafeteria which was our Associational Banquet. We had an attendance of 181. It was the most colorful and enjoyable event of the year. During the three weeks at Caswell there were something like 200 of our people attending from the Raleigh Association. Some of our folks also attended the meetings at Ridgecrest during the summer.

There were 47 churches with Training Unions at the beginning of this associational year. There are now 51. There were 56 Nursery,

Beginner, and Primary units and 202 unions at the beginning of the year. Units and Unions now total 258. Our 1953 Calendar of Activities has been planned and will be printed in the minutes for reference. Also, the names and addresses of the Officers and Leaders will be given. Our goal for 1953 will be set forth on December 8. Too, we will launch our entire program on that night. Our plans are to promote the whole program as set forth by the Training Union Department of the Sunday School Board. We hope to have during the coming year an enlargement campaign, the date to be set later. We are setting the date for our Associational Banquet as April 3, 1953.

Quoting from our report for 1951 it will be noted that one pastor said "that the deacons are the 'bottle-neck' in his church." We have attempted during this entire year to recognize our deacons and to promote attendance on their part in our meetings. They have cooperated and we feel that some progress has been made. However, we still need to encourage our deacons to a more thorough participation in the entire church program. Until such time as our deacons become Training Union conscious, our program cannot go forward as it ought.

May we attempt to make a few suggestions through this report that may help with the work during the year. First, our churches can provide teachers for study courses, attend all associational meetings, help to establish and maintain Training Unions in all churches, pray for associational officers, plan study courses in each church, contact associational officers for needed material or help, explain the purpose of the work to the people and cooperate with the associational officers.

Finally, our heart's desire is that you will organize a Training Union in your church, if you do not have one, or that you will try to strengthen and encourage the one that you do have. Also, try to make your church and its people conscious of the need for trained workers. We have the organization, now we need the people. May we repeat our closing statement for the past three years—"the task is huge and the job is ours."

Respectfully submitted,

Charlie Herbert

Report of the Executive Secretary

Foreword—This is our fourth annual report to The Raleigh Association. Before coming to this association we served three and one half years in another association. Thus we find that this is our Seventh Annual Report as a Missionary or Secretary in a district association. This year finds us realizing a desire seven years old, that is, to have an accurate large lighted map of the association. We present it to this session of The Raleigh Association with grateful appreciation to those who have helped in preparing it.

1. AS WE SEE OUR CHURCHES.

1. There are places for Divine Worship. Scattered over our association all these 75 churches should call in the people each Lord's Day for Worship. Buildings must be suitable and well kept because we worship God therein. More and more we are advancing in the construction of church buildings! More and more is much thought being given to the Sanctuary — the place where we worship our God.

2. There are Spiritual Centers. We pass the school building and point to it as the Educational Center of the community. The church is The Spiritual Center of the community. Newly developed areas

are noted by the Board of Education, and schools built for the youth. The Executive Council of the Association must keep alert to the planting of new churches in these areas, thus establishing Spiritual Centers. Also we must recognize the great need for a minister, the spiritual leader, to reside in the church community. Great progress has been made in the last three years in the construction of parsonages over the Association. The trend continues and in the course of a few years all our churches will have a minister on the field.

3. They are Bases:

a. For Teaching and Training. This calls for adequate class rooms and equipment. The day of the one-room church plant is gone. Our churches are realizing their obligation to provide suitable educational facilities in the church plant.

b. For Christian Service. In these plants our people meet, lay plans and go out into the community — yea into all parts of the earth doing Christian Service.

c. For Soul Winning. Even though the value of life has dropped to a low level in many nations and countries, Christians must gaze with Christ, their Lord, at human life. Much more the Souls of Men. Our 75 churches should not forget this truth! Our obligation begins there in the local church community, extends out into the Association, into the State, into the Southland and on to the last person in the farthest-away place.

4. They are Agencies in the Kingdom of God for the Promotion of the Kingdom of God on earth.

II. AS WE SEE OUR ASSOCIATION

1. In point of Membership it is the largest in the state.

2. The association has a right to expect certain things of the churches.

The church asked for membership.

3. We are carrying forward an aggressive Missionary Program. It merits the whole support of every church.

4. Associational Missions is Primary.

5. Our 150 Anniversary in 1955 should be celebrated with many achieved goals.

Concerning the Expansion Program

1. Launched by the Association at the 1949 Annual Session. Constitution so amended as to include Trustees to hold property for the Association, and to give authority to The Executive Committee of the Association to purchase church sites and press the Expansion Program.

2. Further progress came last year (1951 Annual Session) when through an amendment to the Constitution, the Executive Committee of the Association was changed to The Executive Council of the Association with all pastors and 1 member from each church included in the Council Membership. The Council is a representa-

tive body meeting quarterly, and functioning through the following Committees: Program, Finance, Missions, and Executive.

3. The Expansion Program is *An Associational Program*. Some associations promote new churches through a "Builders Club." Individuals contribute to this monthly or annually. We believe the organization and promotion of churches and missions is not for just a few individuals, but rather a task for our churches, all of them, and all the individuals in the churches! The Program of the Raleigh Association is backed by 75 churches with 28,541 members. It is all the churches cooperating through the Association in the "mothering" of missions and new churches!

4. Procedure in a new development or needy situation: The field is studied by the Missions Committee along with the Executive Secretary. It is discussed in the Council. A site is acquired either through purchase or gift. Preliminary services are held in available building, tent, or erected "hut." Interest is studied during these services. If the Council decides to go ahead with the organization of a new church it so votes and plans for the organization are made. The Church is organized by special called Council. The new church is aided as much as possible in getting started by the Council. All expenses in this procedure is borne by the Expansion Fund. The Expansion Fund comes from the churches.

5. Since the launching of the Program at the 1949 Session 6 new churches have been organized. Nearly 1500 people are enrolled in Sunday School in these churches! Thousands upon thousands of dollars come into the Kingdom Treasury from these new churches! Countless hundreds are being reached and developed through these new arms! We have records which lead us to believe that more than two hundred people have been won to our Christ in these new congregations who possibly would not have been reached otherwise!

6. A DOLLAR GIVEN TO ASSOCIATIONAL MISSIONS DOES A BIG WORK

7. We have entered every field scheduled except Western Boulevard. That is now before the Council. Ridge Road development is now to receive attention!

8. EXPENDITURES THIS PAST YEAR.

\$1900 2nd mortgage on Carolina Pines Church. \$404 paid on 1st mortgage of \$3000 on Carolina Pines. \$250 paid on added lot costing \$1200 for Carolina Pines.

On Neuse Church: So far \$138.40 has been spent. Property was given.

Western Boulevard: Options \$200; Sign, surveys, miscellaneous \$111.20.

10. OBLIGATIONS: Carolina Pines — \$950 balance on lot adjoining original site. The church is assuming balance of \$2500 1st mortgage.

"HITHERTO HATH THE LORD HELPED US—"

22. The Rev. G. W. Bullard presented the report of the Executive Council which was adopted on his motion.

Report of the Executive Council

The Executive Council met nine times during the year. The first meeting was held November 1, 1951, for the purpose of organizing the Council in keeping with provisions of the new constitution. The following officers were elected: E. F. Cannady, President, John U. Garner, Vice President, and G. W. Bullard, Secretary. These officers were charged with the responsibility of nominating members for the necessary committees.

The Council met again November 19, 1951, to hear a report from the Nominating Committee. The following standing committees were established: Executive Committee, Finance Committee, Program Committee, Missions Committee. The Council also appointed a special Radio Committee and a special Parsonage Committee, to function in keeping with action of the Association in its last annual meeting. At this meeting, the Council voted to schedule regular meetings for Monday night following the second Sunday of January, April, July and October. The Council appointed a committee to work with POAU in whatever way best to bring Paul Blanchard to Raleigh for a rally in opposition to the Vatican appointment. Reports of progress were heard from the Wakeminsters and Emmanuel Churches. Requests of the Carolina Pines and the Emmanuel Churches for aid from State Missions of \$50 per month each for pastor's salary were approved.

The regular meeting of the Council was held January 14, 1952, at the Calvary Baptist Church. Dr. C. G. Mumford reported for the Parsonage Committee suggesting that no definite action be taken at the present but that the committee be continued and empowered to act when in its judgment, a home can be bought at a fair price. Dr. Poteat reported that a rally had been arranged for Monday, February 4, at the Pullen Church with Paul Blanchard as guest speaker. The Council supported the Radio Committee in its report that the Association not undertake a regular program at this time. Reports of progress were heard from the Longview Gardens, Carolina Pines and Emmanuel Churches. A request from the Longview Church for \$100 per month State Mission aid for the pastor's salary was approved.

A special session of the Council was called for March 3, 1952, to hear a report of the Missions Committee concerning property in the Western Boulevard section. The Council voted to accept as a gift, property owned by a Mr. Henderson if it could be had without restrictions which would handicap the future of the church.

The regular meeting of the Council was held April 14, 1952, at the Emmanuel Baptist Church. Reports of the work of the Association were approved. The committee reported that the proper-

ty in the Western Boulevard section would become the property of the Raleigh Association without restrictions provided a church was erected within 12 months. The Council voted to accept the property with this provision in the deed. Lee Pridgen reported that progress was being made toward the establishment of a church near Neuse.

The Council met in session June 13 to consider proposed new churches in Boylan Heights and in the Western Boulevard section. The delegations from Boylan Heights were asked to report back to the Council at the next regular meeting with more facts concerning the possibilities. The matter was referred to the Missions Committee for investigation. It was discovered that the lot in the Western Boulevard section would not be suitable for a church and the Missions Committee recommended the purchase of property on Western Boulevard and Garland Avenue for the price of \$10,000. The committee was authorized to take option on this property and proceed with the effort to raise \$5,000 for the first payment.

The regular session of the Council was held July 14, 1952, at Meredith College. Lee Pridgen reported that some progress had been made toward raising funds to purchase the Western Boulevard property. The Council voted to authorize the purchase of this property as soon as proper arrangements could be made. Upon the recommendation of the Missions Committee, the Council voted not to sponsor the organization of a church in the Boylan Heights area at this time. The Council also voted to accept property on Highway No. 1 near Neuse as a gift from Mrs. Lucy C. Allen.

A special meeting of the Council was held October 3, for the purpose of discussing the Neuse and the Western Boulevard situations. The Missions Committee was authorized to proceed with the plans for the organization of a church at Neuse. After learning that the property on Western Boulevard was designated in the deed for residences only, the Council asked Mr. Pridgen to proceed with the task of contacting the other property owners in that development in an effort to secure releases.

The final meeting of the Council was held at the First Baptist Church, October 28. L. G. Bullard reported a balance in the general fund of \$1759.76. The Council voted to transfer \$1250.00 to the Expansion fund. It was announced that the Carolina Pines Church is taking over payments on the first mortgage of \$3,000 held by the Building and Loan on their church property. The Association now owes a balance of \$950.00 on this property. The Boylan Heights situation was brought to the Council again by Mr. Pridgen. Following the action of the Council in July, the group in Boylan Heights proceeded to organize a church without our assistance. It was suggested that the group has met with some problems and is now in need of assistance. The matter was referred again to the Missions Committee of the Council with the suggestion that in co-operation with the Executive Secretary, another report be made at

the next regular or special meeting. The organizational meeting of the Council was set for November 18.

The following recommendations come to you from the Council:

1. That the Association elect only one treasurer and that this treasurer handle both the Expansion Fund and the Regular Fund.

2. That the matter of raising funds for a down payment on an associational parsonage be deferred until a more opportune time.

3. We recommend the elimination of the Budget Commission elected by the Association and place the responsibility of drafting a budget upon the Finance Committee of the Executive Council.

4. In view of the fact that we will come to the 150th annual session in 1955, we recommend that a special committee be appointed to begin plans and set goals for a worthy celebration.

5. We recommend the continuance of the program to encourage churches in the construction of parsonages.

6. We recommend a change in the constitution as follows: In Article II Section 2, dealing with the Executive Council, we recommend that the statement "1-3 of the total membership shall be considered a quorum" be eliminated and in its place, insert the following statement "25 members attending any regular or duly called special meeting shall be considered a quorum."

Respectfully submitted,

E. F. Canaday, President

G. W. Bullard, Secretary

Report of the Woman's Missionary Union

Woman's Missionary Union adopted as her Watchword for the Year 1952 these words from John 1:29; "Behold the Lamb of God, which taketh away the sin of the world." As the women in the Raleigh Association have repeated this watchword during the past year, we have been so inspired by John's introduction of Jesus to people in need of a Savior, that it has been our sincere desire to help our women and young people to be aware of, and behold the presence and power of the Sin-bearer of the world. This Watchword has called us to our supreme task — The redemption of lost souls. We have failed in many ways but as we look at the records we do see signs of progress and feel that the Watchword has stimulated the cause of missions, sent us to our knees to behold the Christ, hear his commands and helped us to rise and face our tasks with a sense of our stewardship of all of life.

In the 74 churches of the Raleigh Association there are 61 Missionary Societies, an increase of four over last year. These societies have an enrollment of 3,460 women. Twenty-one churches had a full graded W. M. U. The five churches attaining the A-1 standard for Woman's Missionary Societies were: Hayes-Barton, Temple, Wake Cross Roads, Collins Grove and Flat Rock.

Realizing the need and power of prayer our Women and Young People have come together for three special seasons of prayer — Foreign Mission Season of Prayer was observed by 122 organizations, Home Missions Season of Prayer observed by 136 organizations and the Season of Prayer for State Missions was observed by 113 organizations with the offerings for Home, State and Foreign Missions amounting to \$25,935.52. The Women and Young People are reminded to observe the nine o'clock prayer time every morning and to pray daily for the Missionaries whose names appear on the prayer calendar as published in Royal Service and magazines for the young people.

Believing that "Where there is no vision the people perish," study becomes another aim of Woman's Missionary Union. Last year 320 mission study classes were held and 3,921 women and young people enrolled in these classes. Missionary reading has been encouraged resulting in 3,346 members reading mission books with 5,516 books read. A Mission Study Institute was held at First Baptist Church Raleigh with around 500 people in attendance.

Through our tithes and offerings we have helped to make possible a more far reaching mission program. 4,464 women and young people have contributed to the cooperative program, 519 new tithers were enlisted, making a total of 1,585 tothers, 96 stewardship classes were taught, 13 churches observed the church night of stewardship, 7 societies observed stewardship emphasis week.

Of great importance has been the interest shown in the mis-

sionary education of the young people. Jesus said, "A little child shall lead them," and we have found our young people leading out in W. M. U. work. Under the leadership of Mrs. R. A. Cotten and the Associational Counselors 25 new organizations were reported for the year. There are 29 Young Women's Auxiliaries, 72 Girls Auxiliaries, 46 Royal Ambassador Chapters and 47 Sunbeam Bands. Young people's Rallies were held in the four groups in the Association under the direction of the Young People's group leaders. Between seven and eight hundred young people attended these rallies. Some one has said, "Plan not for the year but for the years. Think long thoughts, train the children now for World Wide Missions." The crying need in our Association is for consecrated Christians to lead the Young People.

Another and very important aim of Woman's Missionary Union is that of Community Missions. As Jesus beheld the multitudes we are told that He had compassion on them. Definite efforts in soul winning have been made. 108 organizations engaged in Community Missions and 3,701 members have cooperated in evangelistic efforts, established family altars, held cottage prayer meetings, visited in institutions and held services, distributed Christian literature and cultivated the friendship of people of other lands.

Through the efforts of our White Cross Chairman approximately \$500.00 was given to Baptist Hospital as White Cross gifts.

Business Women's Federation report a good year with Mrs. E. H. Simpson as Chairman and 19 Business Women's Circles in the Federation. They have had a meeting each quarter with inspirational programs.

Four Leadership Conferences were held in the four groups. These meetings were planned by the leaders of the groups. To date 300 people have been reported in attendance.

Minutes of the Annual W. M. U. meeting will be found in the minutes of the Raleigh Association.

The Woman's Missionary Union of the Raleigh Association attained the A-1 grade the past year. This was made possible because back in the churches the women and young people had "A mind to work." As we close the year's work we submit this report with grateful hearts for all that has been accomplished in the name of our Lord for it has been by and through the power and leadership of the Holy Spirit that we have been led thus far. It is "Now by faith in holy dream, we glimpse tomorrow's grander dream" As we pray:

"Oh Thou who dost the vision send and gives to each his task,
And with the task sufficient strength,
Show us thy will we ask;
Give us a conscience bold and good,
Give us a purpose true,

That it may be our highest joy,
Our Father's Work to do."

Respectfully submitted,
Mrs. W. M. Page, Supt.

30. The Rev. Carlton T. Mitchell presented the Associational Report which was adopted on his motion. He presented the following representatives of our state institutions who spoke briefly on their work:

Associational Report

Our Baptist Orphanage

Child care is a major responsibility in any society. This care should meet the highest standards as recognized by competent specialists in the field. Our Baptist Orphanage under the leadership of General Superintendent W. C. Reid and Superintendents W. A. Smith of Kennedy Home and C. A. Kearns of Mills Home is the venture of our denomination into this area of service.

The Idol wills have made possible some significant improvements in the physical equipment of the Orphanage. The print shop has been completed, the Infirmary is nearing completion and the Church is under contract. Also an endowment fund of \$100,000 has been established to maintain these memorial buildings in good repair. A new cottage has been completed at Mills Home and three of our oldest cottages have been remodeled. The I. G. Greer Recreational Center is being developed at Mills Home and the Physical Education Building should be completed before Christmas.

During the past year the Orphanage cared for 725 children. The Social Service staff investigated the applications of 684 other children and in many instances helped to find them a home where they could be cared for.

Our Orphanage needs trained personnel. Our Baptist Hospital would not think of engaging the services of doctors who were not adequately trained, nor would our colleges compromise the standards for its teachers. Likewise our Orphanage needs to enlarge its staff of trained personnel to give these children the benefit of the finest child care service available. This can be done only as the Baptists of North Carolina open their hearts to meet the ever increasing demands of the needy children who look to us for their opportunities.

North Carolina Baptist Home for the Aged

Our infant institution at Winston-Salem is warming up to its

response to a great challenge. This year no resident has voluntarily withdrawn. Just over \$5,000 has been received from the State Convention this year and another \$7,500 is expected for capital improvements at the end of the year. We need a home for at least 200 residents now. By adopting the unit plan of expansion, this dream may be realized. As the span of life increases the need for this institution will grow and Baptists as forward-looking people will want to be prepared.

Report of North Carolina Baptist Hospital

"And he healed many that were sick" (Mark 1:34). This statement refers to the ministry of Jesus when he was here in the flesh. Also, it describes the ministry of our Baptist Hospital today, where hundreds of sick people go each week in search of relief from disease and sickness of almost every nature. In many cases they go as a last resort when hope has all but failed.

"And a certain woman, which . . . had spent all that she had, and was nothing bettered, but rather grew worse . . . came" (Mark 5:25). Here, again, this statement concerning the woman who made her way to Jesus is the oft repeated story to those who work at our Baptist Hospital. They come saying, "We have spent all our money and we are still sick. Can our Baptist Hospital help us?"

It is the business of our Hospital to do all in its power to say, "Yes," to these pleas which come out of sickness and poverty. It is our opportunity through our Mother's Day Offerings to make it possible for our Hospital to answer these calls for help from those who have little or no money. Last year, more than 10,000 people were cared for as bed patients in our Hospital. There were 95,000 visits made to the clinics for examinations and treatments. A large number of these were people who could not pay for the care they received. Much of this service could not have been provided without the help of our Mother's Day Offerings.

The construction of the new wing to the Hospital is now well advanced. This will greatly enlarge our ministry to the sick, adding 150 new beds and many other badly needed facilities. It is hoped that before this year closes every one of our churches will have done its part in helping with the cost of this building.

Our Baptist State Convention will meet in Winston-Salem, November 11-13. This will be an excellent opportunity for many of us to visit our Hospital. We shall be interested in seeing the new building, as well as the entire hospital. Arrangements will be made for visitors to get from the meetings of the Convention to the Hospital and for guided tours through the Hospital. Plan to attend the convention and visit our Baptist Hospital if at all possible.

Jesus said, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" (Matt. 25:40). Let us give our best in the name of our Lord in meeting the opportunity

to help sick people who need the service of our Baptist Hospital.

Report on Christian Literature

The immense volume of literature produced by Southern Baptists covers the fields of Bible study, Sunday school and Training Union work, W. M. U., Brotherhood, Home and Foreign Missions and many others. Added to this list is our own BIBLICAL RECORDER with a circulation of more than 50,000. This is an increase of more than 5,000 over last year.

The Baptist State Convention of North Carolina has in its statement of purpose the promotion of "missions, education, social service, and the distribution of the Bible and SOUND RELIGIOUS LITERATURE." The *Biblical Recorder* along with *Charity and Children* contribute toward the fulfillment of this purpose.

The vast range of our denominational literature is an important phase of our program. Continued improvement of content value and the use of the best journalistic and publishing procedures enable our denomination to discharge its responsibility to the Kingdom task as expressed through Christian literature.

Report on Foreign Missions

Southern Baptists have at the beginning of the year a total of 832 missionaries who are serving in 30 countries of the world. They are associated with 3,000 national Baptist workers in 1,900 organized churches which have a total of 189,225 members. These churches operate 3,660 mission points which have an enrolment of 17,700. During the year, 18,372 members were added to the churches by baptism. The object is to develop indigenous churches which will become evangelizing agencies of their own people. Thus they have 2,600 Sunday schools, 1,200 training unions, 900 W. M. S.'s and 1,300 auxiliaries.

Where Christians are small minority groups Christian schools are imperative for the training of Christian leadership. The churches associate themselves to support these 400 schools. To meet publication needs five publishing houses published 688,000 copies of magazines and periodicals, 412,000 books and 5,700,000 tracts. Five hospitals, 10 dispensaries and 5 clinics ministered to 43,000 people.

Achievement today is made despite the obstructions of confused and unstable world conditions. In many places uncertainty is the only form of certainty. Yet our responsibility to the world is upon us.

Report on Home Missions

The Home Mission Board continues to carry on an extensive program of evangelism. Work has been started recently among isolated ranchers and others in the west. Work in the outposts—Alaska, Cuba, Panama, and the Canal Zone—has shown progress. Interest in Negro work has increased as evidenced by the 18 Negro centers where co-operation in constructive programs is found. The Department of Jewish Evangelism meets with encouraging response.

Southern Baptists now have 402 active chaplains. The Student Mission Program enlisted 305 students during the summer months.

A total of 1,170 missionaries (including 305 students) served the Home Mission Board last year. The Board has work among the Chinese, the deaf, French, Indians, Italians, Japanese, Spanish-speaking, and the service of Good Will Centers, Rescue Homes, and the Emergency Home in the field of direct missions. In other departments the Board has ministry among the Jews, the Negroes, ranchers, and migrants. Through the Department of Co-operative Missions the Board serves in mountain missions, the rural church program, and city missions. Through its Departments of Evangelism, Education, Schools of Missions, and the Outposts various types of service are rendered in many avenues; while ten general workers spread their services over the whole convention territory. The Chaplains Commission, the Board's radio ministry, and its Church Building Loan Funds all minister to the spiritual needs of our people.

We recommend that the churches consider the budget plan of subscribing for the magazine, Southern Baptist Home Missions, and send it to all church families.

We further recommend full co-operation with the Convention plans for enlisting unaffiliated Baptists.

We recommend also that in 1953 we join with the Home Mission Board in its Five-Year Crusade emphases upon ministering to minority groups,

Report on State Missions

North Carolina must be Christian. In many places a fifty-year-old prediction, "Coldness within and iniquity without," has come to pass. State missions will seek to keep this from happening in North Carolina.

In order to perform the task eighteen activities are pursued through state missions. Sunday School and Training Union work, assemblies, teaching activities through visual education and radio, evangelism, new and needy churches, work among the Indians, schools for ministers, work among silent people, interracial activities, the allied church league, rural church programs, lots for new churches in neglected areas and student work among 15,000 students represent a part of our program.

Renewed emphasis on work among rural churches is being given. One of our most pressing needs is some \$50,000 to purchase lots for new churches plus another \$50,000 for pastoral support. North Carolina is one of the leaders in the organization of new churches. The need continues and the future is bright.

This is our task and over \$400,000 is needed for its fulfillment.

Respectfully submitted,

Carlton T. Mitchell

Friday Afternoon, October 31

38. The afternoon session was opened with the singing of two hymns.

39. The Rev. John Poe of Caraleigh Church read from the Scriptures, led a devotional thought and led in prayer.

40. Mrs. Ralph McLain of the Pullen Memorial Church read the report of the Committee on Social Service which was adopted on her motion.

Report of Committee on Social Service

"Disregard of the basic standards of honesty and integrity and the loss of a clear distinction between right and wrong, has come because many citizens of our country, although nominally believing in God, actually do not have a sufficient sense of God's reality to affect their lives." This statement, quoted in a recent article in the *Biblical Recorder*, points out the responsibility of the Church in connection with prevalence of crime and social problems

in our country. The article referred to goes on to say that "the Church has a tremendous responsibility in this matter."

It is in this belief that the committee on social service wishes to point out the responsibility that the Christians in this Association have, both for maintaining our own moral and spiritual integrity, but also in doing what we can to help others less fortunate in coping with the problems and temptations surrounding them.

The Problem of Gambling

Gambling is one of the many evils of our country and in our state seems to be growing worse instead of better. We deplore the increase of this evil in some of our eastern North Carolina counties. We need to be reminded that some of this gambling was legalized by our state legislature; that some of the operators have criminal records in other states, and evidence connects them with gamblers and racketeers in Chicago. We would call on the Baptist people to oppose this evil in our state with every means at their disposal.

Religious Liberty

For generations, as Americans we have prided ourselves on our religious liberty, and in our pride have been too complacent about it. Baptists especially, because of their historic stand on this principle have been proud of it. We need to be awakened to the fact, however, that this liberty is being seriously threatened. We feel it wise to remind ourselves of the general statement on religious liberty presented to the North Carolina Convention by the Committee of twenty-one which met in Charlotte concerning this basic law:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof." (From the First Amendment, United States Constitution), and

"All men have a natural and unalienable right to worship Almighty God according to the dictates of their own consciences, and no human authority should, in any case whatever, control or interfere with the rights of conscience." (Article 1, Sec. 26 North Carolina Constitution).

The above provisions in the fundamental laws of the United States and of North Carolina respectively, are simply the expressions of the principle of complete independence of the church from the state or civil government, a principle to which Baptists have held from the beginning of the denomination.

We call upon all Baptists to be alert to uphold this cherished principle and to try to discover any violations of this historic law.

Peace

Probably the greatest problem before the human race today is the problem of nationalism and war. No nation in the world can avoid some involvement and no great nation such as our own can avoid participation.

What can Christians and churches do? The following suggestions were recommended at the North Carolina Baptist Convention. We commend them to you.

1. We must not slacken our prayers for peace. Prayer will not only keep our nerves steady and our hatreds in hand, but will clarify our minds to God's will and bring his power into the affairs of men.

2. We must resist the notion that war is inevitable. Such a resignation to fate is not worthy of a follower of Christ in whom all things can be done.

3. We must use our influence in every possible way to strengthen the United Nations.

4. We must contend for the loyalties of the Christian people in the face of high taxes and high living costs . . . The Missionary enterprise must not be weakened nor must the church make its witness less effective because of the high taxes our people must pay.

5. The increased number of the men in service must not be forgotten by our churches.

The Problem of Race Relations

There is evidence of continued progress being made in the field of race relations and minority groups. Increasingly, there is being displayed throughout our State a healthier attitude toward interracial understanding, good will and cooperation.

We call attention to the needs and great responsibility of the Baptist people. We must not only proclaim the New Testament teaching of brotherhood, but obey the teaching and demonstrate in every opportunity the sincerity of our faith.

The Problem of Alcoholic Beverages

The indifference of society at large toward alcohol is alarming. Per capita drinking is increasing rapidly each year. The use of alcoholic beverages increased 154% from the years 1934-1950, while expenditures for these beverages increased from \$2,030,000,000 to \$8,550,000,000 over the same period — an increase of 323%.

For the Christian, the problem of alcohol is first an individual problem, but it is also a *very* serious social problem and a public evil which must be attacked by law, by education and other means at our disposal. In a report to the recent Yale Summer Session on Alcoholic Control it was pointed out that an increasingly large number of church groups are making total abstinence a condition of membership. Such churches now represent a membership of 21,109,000, while churches representing 5,050,000 make it a voluntary matter but urge it.

We are agreed that it is time for Christian people to become aroused and alerted to this growing menace.

What of our own community? In 1951, in Raleigh alone, which represents only part of this Association, 1511 persons were arrested for the crime of assault, manslaughter, rape, robbery, auto theft, and larceny, while 2150 persons were arrested for drunkenness. The number of cases arrested for drunken driving is growing rapidly larger and is one of our major problems according to our police court. Juvenile delinquency is everywhere in our nation, has increased in Wake County also.

What are our churches doing to awaken their members to the problems of evil and crime in our community? There is much that needs to be done!

On the problem of juvenile delinquency, our committee wishes to commend the work of the Baptist Goodwill Center in the Cary St. area of Raleigh, which is one of the worst slum areas in the city. The Goodwill Center, which is the only such Center in the state of North Carolina, is doing excellent work with the young people of that area. Over 200 children, representing about 60 families are actively engaged in the full daily program of Christian activities at this Center. Community leaders point out that there has been a definite decrease in the number of delinquency cases in that area due to the work of the Center.

The Christian faith is the sole hope for man's personal and social problems. "The Church has a tremendous responsibility in this matter."

In each activity there is a time to have a program, a devotional period, a handcraft period, and a time for recreation. Some days only a part of this is carried out and other times there is a little of all the work done. Each person is helped in some way. If they are not a Christian then efforts are made to win them to Christ. If they are then they are led to lead a closer walk with Christ. We set high ideals before them and seek to lead them to a higher plane of living. We feel we have some very fine people attending the Center and we are proud of some of their achievements. Pray with us that we may reach all the people.

Minutes of the Organizing Council

Boylan Heights Baptist Church

On Sunday, August 3, 1952, the Boylan Heights Baptist Church was organized under the guidance of the Rev. E. E. Mayes. The Church Covenant and the 18 Articles of Faith were read and adopted by the Church body. The Church body had finished a season of prayer services prior to the organization on August 3, 1952. The Church as a whole resolved to indulge in constant prayer for the growth and up building of God's Kingdom.

The Church has received many, many blessings and the blessings of our Glorious Master continues to shower upon this Holy Organization.

On August 3, 33 people upon invitation signed the Charter Church Roll and joined the Church. The membership has now increased to 59; 54 people joined by letter or statement and 5 by baptism. We feel that God has shed his richest blessings upon our Church as a whole, and we sincerely covet the prayers and richest blessings for our future spiritual growth. Each Sabbath day since the organization we have been blessed with more new members, not only the Church but all of the organizations are continuously increasing in membership.

On August 24, 1952, the Church held another Church Conference for the purpose of organizing a Sunday School Department, the following officers have been elected to serve for the coming church year:

Mr. C. V. Belvin, General Sunday School Superintendent

Mr. H. P. Averitt, Superintendent of Adult Department

Mr. Jack Taylor, Assistant Superintendent of Adult Dept.

Mrs. Maxine Prince, General Sunday School Secretary

Mrs. John Groff, Pianist

Mrs. C. C. Correll, Superintendent of Young Peoples Department

Mrs. R. F. Snakenburg, Superintendent of Intermediate Dept.

Mrs. Arva Groff, Superintendent of Junior Dept.

Mrs. R. P. Shuffler, Superintendent of Primary Dept.

Mrs. J. L. Street, Superintendent of Beginners Dept.

Mrs. Jack Taylor, Superintendent of Cradle Roll Dept.

We are very happy to say that the enrollment of our Sunday School department is 86.

The Mid-Week Prayer meetings are observed each Wednesday p. m. The average attendance has increased from 15 to approximately 40 in attendance.

The Woman's Missionary Society has been organized and we are very proud to say that we have two active circles, one, Y. W. A., two G. A. units, and we are planning to organize a unit of R. A.'s. A unit of B. T. U. is being organized. We have also adopted

the six point record system and the unified budget system.

On Sunday, August 14, the Boylan Heights Baptist Church held a Conference for the purpose of discussing the possibilities of making application to the Raleigh Baptist Association. We feel that the church as a whole has had many, many blessings shed upon us and our greatest resolve is to keep Christ in the lead and we feel that this organization has been established within God's keeping, we wish to become a member of the Association and to go along with many great advantages and also that we may have the Association share with us our gifts as we grow and that we both may be broader and greater in performing God's great work, we feel that there will be fields of need that we would not be able to reach if we were not a member. We humbly solicit the Association's prayers for our growth and if it is within the regular keeping of the association we ask to be given this consideration.

Respectfully submitted,

Boylan Heights Baptist Church

IN MEMORIAM

Roberta Pearle Johnson

Miss Roberta Pearle Johnson, daughter of consecrated Christian parents, was born at Mt. Vernon Springs, North Carolina. It was the inspiration of home, deeply spiritual and truly missionary, which, more than any other influence, turned her thought to foreign mission work. The call to China came first when she was about ten years old.

A graduate of Meredith College and W. M. U. Training School, Louisville, Kentucky, she did graduate work at Peabody College, Nashville, Tennessee. Appointed by our Foreign Mission Board, she did educational and evangelistic work at North Gate Church and Eliza Yates School in Shanghai, China. The major part of her church work was with the young people. Truly she invested her life in Chinese souls.

She was interned by the Japanese from 1941 until her repatriation in 1943. After the war she continued her work in Shanghai until 1949. Returning home she gave her time to schools of missions and missionary messages in this state and other states.

On December 11, 1952, she went to be with her Master whom she had loved and served with an absorbing love and whole-hearted devotion. 'Twas said of her "The beauty of her Master was reflected in the radiant smile."

5. The Moderator delivered his annual message stressing the matter of majoring upon the important issues of our work.

6. Training Union Director Bennett Straughn presented the Associational Training Union report. The Rev. R. J. Hogan of Perry's Chapel Baptist Church related the values of organizing

a Training Union in his church. The Training Union report was adopted on the motion of Mr. Straughn as follows:

Report of the Training Union

During the past year we have placed special emphasis on the organizing of new Training Unions in churches in which there was no Training Union. We now have 59 churches with Training Unions.

We have had increased interest in all of our meetings this year. An increased interest has been shown in the participation of many of our members in the tournaments promoted by our Training Union. An increased interest has been shown in our summer assemblies by the attendance of many of our folks.

Of special interest again this year was our associational banquet held on April 3 at the Garner School Cafeteria. We had a capacity crowd of 200 for this eventful occasion. This banquet has become an annual affair with our people and it is anticipated that possibly by next year we will have to find a larger place in which to accommodate the number who will come.

Our "M" Night (Mobilization Night) meeting in the Memorial Auditorium, Raleigh, last December brought a crowd of 1400. We were informed by the State Office of our Training Union Department that this was the third highest attendance at any of the "M" Nights in this State.

We have had 19 meetings this year which include the following: Executive Committee, Officers' and Leaders Council, and Mass. The total attendance at these meetings was 4,959. In the way of communications such as cards, letters, and telephone calls, there was a total of 4,332. It is estimated that our associational officers traveled a total of 2,020 miles during this past year. Since all of our officers did not file reports, the figures on communications and mileage, we are sure, would be higher.

Of outstanding interest in December of this year is our "M" Night on Wednesday, December 9 at Meredith College and Thursday, December 10, at Wake Forest College. Our guest speaker will be Rev. Charles Wellborn, pastor of the Seventh and James Baptist Church, Waco, Texas. Since the Raleigh Association spreads out over such a wide area, it was the feeling of the executive committee of the Training Union that having two "M" Nights at two locations would enable more of our people to attend.

We as a Training Union group are looking forward with anticipation to our new associational year for growth in numbers, interest, and participation.

7. Sunday School Superintendent A. C. Roberts presented

the Associational Sunday School report which was adopted on his motion as follows:

Report of the Sunday School

The Sunday Schools of the association have made a good start toward their goal for "A Million More in '54." Some group meetings and a Victory Rally were held, with much interest shown in the coming campaign.

Most of our churches observed Preparation Week during September, with only a few churches having to observe it later. The study course inspired a general check-up of our Sunday Schools and many new classes have been organized. Several class Sunday School have moved up to department schools and several more are investigating the possibility of departmentizing in the near future.

All this is due to renewed effort on the part of the leaders in our churches, but we realize that we will have to double our efforts during the next year if we reach our goal of 4,600.

Reports from 76 churches a year ago, show 56 Vacation Bible Schools, with a total enrollment of 6,780. They reported 22 Extension Departments with an enrollment of 591, and 28 Cradle Roll Departments, with an enrollment of 511. The 76 churches reported an enrollment in the Sunday Schools of 22,253.

This year, 78 churches report 65 Vacation Bible Schools with an enrollment of 8,100, and although records of the Cradle Roll and Extension departments are at this time incomplete, we know from reports coming in that we will go far above a year ago. The 78 churches and one Mission, report a total enrollment in Sunday Schools of 24,169, showing a net gain over the year before of 1,916.

We are gaining all the time, but we can see from these figures what we will have to do during the coming year to reach our goal.

We are hoping during the year to organize at least two new Sunday Schools. The Mission Committee of the association is investigating two areas, which are possible sites for new schools.

The Sunday School department of the association is gradually being organized into a working group and although we have not completed the organization and are still short on workers, we are making some headway. We hope God will send us some good, consecrated men and women who are willing to let Him use them in the greatest work on earth, teaching His word, in our Sunday School department. It will be a selfless work, and plenty of it, but we know that He will lead us to the right people. We are in no hurry, because we want the right ones, but we know that they are here in our association and we will find you in His good time. However, we are open for volunteers.

We have planned four quarterly meetings of all Sunday School officers and teachers, one Vacation Bible Clinic, and our Victory Rally, for the year, but we will be having group meetings in our churches as well as our association officers meeting during the year. We in-

tend to prepare ourselves for enlisting at least 4,600 during the coming year, but we must have the cooperation of all of you we do so.

We must realize that the command, "Go Ye," is very personal. Our Lord is concerned about each of His churches. He gave each one a very personal commission to go where people are; to teach, preach, or make disciples of every person that will listen. The success of the year then evolves into something personal. I think He is asking us if people pull at our hearts. If they do and we heed His command, "Go Ye," we will enlist and enroll far more than 20% during the coming year.

Truly the fields are white unto the harvest and will not wait. The time to begin is now, or much of the harvest may be lost.

Respectfully submitted,

A. C. Roberts

Sunday School Superintendent

8. W. M. U. Superintendent, Mrs. W. M. Page, gave the report of the associational W. M. U. which was adopted on her motion.

Report of the Woman's Missionary Union

Let us "lift up our eyes and look upon the fields" as we try to visualize the work done during the past year and see the "fields white unto harvest" waiting for the laborers who are far too few. We have had a fruitful year in Woman's Missionary Union but we have also failed in many respects. Truly the field is still "white unto harvest" and our hearts grow heavy and our eyes misty as we think of the great difficulty of the nominating committee in finding women to serve in places of responsibility.

In the 76 churches of the Association there are 64 missionary societies with a total membership of 3649. Three of these societies were A-1 and there were 19 full graded unions. Five new organizations during the year led us to see that the five associate superintendents have been busy. The Foy J. Farmer and the Vivian Nowell groups report missionary societies in all of the churches. Leadership conferences were held in the four groups with a total attendance of 400 women.

The missionary education of the young people has been a source of concern because of the resignation of counselors in the association. The same problem confronts the churches in the association. Mrs. Hadley Stancil, Young Peoples Leader, reports 25 Young Women's Auxiliaries, 75 Girls' Auxiliaries, 56 Royal Ambassador chapters and 47 Sunbeam Bands. These organizations have a total membership of 1908. Young Peoples Rallies were held in the four groups under the direction of the group young peoples leaders with an attendance of 535 young people. Let us stress again the need of Christians to dedicate their lives to the important work of leading the children and young people.

Three special seasons of prayer have been observed by a large number of organizations with offerings for Home, State, and For-

eign missions amounting to \$28,133.88. Heck-Jones Memorial offering was \$4,252.33 making a total of \$32,386.21.

Through mission study 4269 members have looked upon the mission fields in the study of 524 books, members reading 2962 books with a total number of 4857 books read.

Our stewardship report shows that 4585 women and young people contributed to the cooperative program. 293 new tithers were enlisted making a total of 1709 tithers, 108 stewardship classes taught and 14 churches observed the church night of stewardship. Our White Cross gifts amounted to \$504.44. Mrs. R. D. Medlin reports this the best offering to Baptist Hospital in the history of the Association.

The words of Jesus, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me," have urged us on in the work of Community Missions. There have been 122 organizations engaged in Community Missions, 5088 members have participated in Community Missions, 1056 individual members have made definite efforts in soul winning and 12 organizations made a community survey.

The Business Women's Federation reports a good year with 20 Business Women's Circles in the Federation.

The annual W. M. U. Meeting was held in the Wake Forest Baptist church with 550 women in attendance. The minutes of this meeting may be found in the minutes of the Raleigh Association.

As we come to the close of this year we would give God the praise and glory for our achievements. As we enter another year of unlimited opportunities it is our desire to give our best that great things may be accomplished for Him who loves us and gave Himself for us.

Respectfully submitted,

Mrs. W. M. Page

Associational W. M. U. Superintendent

9. Mr. Cyrus Jones let the congregation in singing "Onward Christian Soldiers." Mr. Bennett Straughn announced forthcoming Training Union "M" night services, December 9 and 10 at Meredith and Wake Forest Colleges, respectively, with Charles Wellborn as guest speaker.

10. The Moderator recognized visitors from outside the association.

11. The Rev. John U. Garner, president of the Associational Executive Council, presented the report of the Executive Council. The Rev. Fred Crisp moved to amend the report by striking out the words "group from Calvary" from the reference to the Boulevard Baptist Church. The amendment carried and the report was adopted as amended after some discussion. This report included the associational budget for 1953-54, which was submitted by the finance committee.

Report of the Executive Council

The Executive Council of the Raleigh Baptist Association held five regular meetings during the year. The first meeting was held November 18, 1952, for the purpose of organizing the Council. The following officers were elected: John U. Garner, President, J. Gray Murray, Vice-President, and G. W. Bullard, Secretary. These officers were requested to nominate members of the standing committees. The officers were also instructed to draw up suitable By-Laws for the Council. These By-Laws to include the duties of the officers and committees. The Council received and approved reports from the Association's Committee on Time, Place and Preacher, and the Committee on Committees. These reports were passed on to the clerk of the association to be included in the minutes. Requests for pastoral aid from State Missions were approved for the following churches and passed on to the State Convention: Emmanuel, Longview, Wakeminister, Carolina Pines, Neuse and Boylan Heights.

A regular meeting of the Council was held January 12, 1953, at the Hayes-Barton Church. Committee nominations were approved. The committee appointed to audit the the books of former Expansion Fund treasurer, C. L. Lawrence, reported that the books were in good order and all funds accounted for. A balance of \$692.81 was turned over to the new treasurer, L. G. Bullard. Several sections were considered for new work but no definite action taken. It was agreed to abandon efforts to establish work in the Western Boulevard area for the present. Mr. Pridgen was authorized to build a portable tabernacle at a cost not to exceed \$400.00. On motion of C. G. Mumford, the trustees were authorized to deed the Neuse Church property to the Trustees of the Neuse Baptist Church.

The April meeting of the Council was held on the 27, in the Hayes-Barton Church. By-laws submitted by the committee and corrected by the Council were approved as a guide in conducting the work of the Council. Upon the recommendation of the Finance Committee an expenditure of \$30.00 per month was authorized for mission work in the Goodwill Center area. The Missions Committee suggested that the Council decide the advisability of organizing a church in the Wilder's Grove area. After due consideration, the matter was referred back to the Missions Committee for further study and recommendation. Mr. Pridgen reported that progress was being made in the matter of obtaining property from a Mrs. Amons in the Ridge Road section. The matter of starting a new work in the area of Six Forks Road was referred to the Missions Committee.

The July meeting of the Council was held on the 20th, in the Carolina Pines Church. Upon the recommendation of the Missions Committee it was decided to postpone the organization of a church in the Wilder's Grove section until a building site is selected. The Boylan Heights Church submitted a request for aid from the expansion fund to assist with the purchase of the Boylan property for a meeting place. After discussion the request was withdrawn by the pastor. It was

agreed that churches making special contributions to the Western Boulevard projects should be notified that such funds may now be re-designated, the Western Boulevard project having been abandoned. It was also agreed that the Council should not solicit churches for contributions for special projects in the future. All contributions for expansion purposes to be placed in the expansion fund for allocation by the Council. The trustees were authorized to transfer property held for the Carolina Pines Church to the trustees of the Church.

The final meeting of the year was held in the Temple Church, October 12. Upon the recommendation of the Missions Committee the Council voted to proceed with the organization of churches in the Wilder's Grove area and with the group from Calvary now meeting at the Blind School. It was agreed to contribute \$400.00 toward the purchase price of the lot selected for the Wilder's Grove Church. It was voted to discontinue the special work in the Goodwill Center area and investigate the possibility of beginning mission Sunday Schools in the Poole Road and Garner Road areas. At the suggestion of W. M. Page, chairman of committee on membership, the Council voted to recommend a change in the constitution to provide for bringing churches under the watchcare of the association before receiving them into full fellowship. The calendar of events presented by S. A. High, chairman of the program committee, was approved for recommendation to the association. The budget presented by John W. Kincheloe, chairman of the finance committee, was also approved for recommendation to the association. L. G. Bullard presented the annual treasurer's report which reflected a balance in the treasury of \$3,973.67. All but \$500.00 of his balance was transferred to the expansion fund. It was agreed that in the future the finance committee will make regular transfer of monies from the current expense fund to the expansion fund, leaving only a balance sufficient for current operation. The Missions Committee also reported that the Ridge Road project was being delayed pending the selection of a site. It was brought out that some difficulty has been experienced in getting property at a reasonable price.

The following recommendations come to you from the Council:

1. That Article 1, Section 3 of the Constitution be changed to read as follows: "All churches applying for membership in the association shall be received under the watchcare for a period of time sufficient to prove, through practice and attitude, its place as a co-operating Baptist Church. After at least one year under watchcare a church may be admitted into the association upon the recommendation of the committee on membership and a majority vote of the messengers present."
2. That the By-laws of the Council be printed in the minutes of the Association.
3. That the Calendar of Events for the associational year 1953-1954 be approved.

4. That the budget submitted by the finance committee for the year 1953-1954 receive the approval and support of the association.

Respectfully submitted,
John U. Garner, President
G. W. Bullard, Secretary

Report on Baptist Orphanage

Again our orphanage has moved forward in its ministry of Child Care. During the year we served a total of 728 children. In addition to this our Social Service Department helped to adjust 214 children with relatives, and thus prevented them from having to be cared for by the institution. Our program included Mills Home of Thomasville, Kennedy Home of Kinston, Mother's Aid, and Boarding Homes.

We have been particularly pleased with the spiritual development in our two Homes. During the year fifty professed faith in Christ and were baptized. Another thirty accepted Christ, but were not baptized until early in this year.

A new cottage, a new Print Shop, and a new infirmary were completed in 1952. The I. G. Greer Recreational Building was finished early in 1953, and a beautiful new Church that will seat 530 people will be completed this year.

The income for the year was good. It was slightly above last year. Truly we can say, "God is good to us, and through North Carolina Baptists He has lifted the burdens from the shoulders of many of our boys and girls."

North Carolina Baptist Home for the Aged

Our North Carolina Baptist Home for the Aging was operated this year at full capacity, with residents coming from widely scattered sections of our State. There have been only four deaths. No resident has voluntarily withdrawn from the Home. The general attitude of all the residents has been expressed in a statement made by Mr.

Hubert Tomlinson, the first to come: "If I had a million dollars, I would rather spend the rest of my days here than in any place I know."

The trustees of Resthaven report that it is approaching the end of the second year of operation without a deficit. To date \$5,308.78 has been given by the State Convention. It is understood that \$7,500 will be given to this institution from the Nine-Year Program. A special day offering has been requested such as Mother's Day for the Hospital as a practical and effective way of appealing to the churches of our denomination for general and effective support. This, along with the share coming to the home from the Nine-Year Program, plus personal and corporation gifts, will enable the home to finance the building program on the pay-as-you-go-plan.

Report of North Carolina Baptist Hospital

"If Thou wilt, Thou canst make me clean," was the leper's plea that touched the heart of Jesus. A like plea from the sick multitudes who need help has touched the heart of North Carolina Baptists. Our ministry through our Baptist Hospital is our answer to this call.

More than ten thousand patients were cared for in our Hospital last year, while thousands of others were seen in the Clinics. Almost half of these were service patients, unable to pay the full cost of the care they receive. These included old people at the sunset of life and little children at the dawn of life, mothers, fathers and young people. They included persons who had to have help if they were to carry on as mothers and wives in their homes, if they were to work as fathers and husbands to support their families, if as young people they were to be set free from handicaps for life, if as old people they were to be spared for additional years and from much of the suffering which often attends old age. With all the advance of medical science, there is still much that it cannot do; but our Baptist Hospital is making a large contribution toward the saving of life, the relieving of suffering, and the bringing of good health for those who need it most.

From all over North Carolina there is a constant stream of afflicted people coming seeking our help. Our Hospital provides skilled specialists for them in the various fields of medical care. The demand is so great that it is never safe to go without an appointment in advance. The schedules of the Clinics and doctors are almost always completely filled by appointments made days and weeks and often months ahead. If it is an emergency case the family doctor should call the Hospital and talk with a doctor there who will arrange for the patient to come as soon as possible.

One of the most important parts of the program of the Hospital is the spiritual ministry it provides. This is necessary if the full needs of a sick person are to be met. Our Hospital has trained chaplains who render an effective ministry for the sick, guidance for the nursing and medical students, and training for pastors and Christian workers.

Three floors of the New Hospital Wing are nearing completion and should be ready for use this year. This will provide urgently needed space and facilities. If any church in the Association has not contributed its part toward the building of the New Wing, we hope this will be done at once.

"If Thou wilt, Thou canst make me clean." Jesus replied, "I will." You and I answer, "I will," if we give as we should in our Mother's Day Offering. This determines how much help we provide for those who are sick and have little or no money. Let all of us answer with a generous, "I will," next Mother's Day.

Report on Christian Literature

To compete with the endless flow of secular reading matter Christian literature today must be, (1) Attractively printed, (2) Well-illustrated and appealing to the eye, (3) Soundly and courageously edited, and (4) Priced within reach of all.

The Baptist publications meet all these requirements—and then some. For sixty-six years *Charity and Children* has been warmly received in thousands of Baptist homes and churches. Circulation today is at an all-time high—nearly 45,000.

The *Biblical Recorder* covers the entire field of co-operative efforts as Baptists. For 120 years the Recorder has been going into Baptist homes with its weekly message. Present circulation is approximately 55,000.

Perhaps no denomination in America has so fine a selection of Christian literature as Southern Baptists have today. The aim of it all is to inform, enlist, indoctrinate, unify and inspire our people for faithful service in our Lord's name.

Report on Foreign Missions

God spoke to Joshua saying. "Moses my servant is dead; now therefore arise, go over this Jordan, thou, and all the people, unto the land which I do give to them, even to the children of Israel." Our beloved secretary of the Foreign Mission Board is dead, but willing and consecrated hands pick up the torch and carry on, even as did Joshua following the death of Moses.

Southern Baptists have at the beginning of the year a total of 879 missionaries who are serving in 32 countries of the world. The combined membership of the 1,942 churches is 195,067. The churches are served by 1,276 National pastors. Baptisms totaled 18,154. There are 2,219 Sunday Schools with enrolment totaling 205,901, and 4,949 other church organizations, Training Unions, Missionary Societies, and Auxiliaries, with an enrollment of 143,391.

The Foreign Mission Board has missionaries serving in some 15 countries where the work is less than 10 years old—less than 5 years old in most of them. A statistical measurement of the achievements in these areas during the past year would not be particularly inspiring,

but no one can read the reports of what has been done without breathing a prayer of thanks for the privilege of having had some little part in such achievements.

Report on Home Missions

Do we want the earth to be born anew? Then let us bring it to the cross. The cross is the gateway of glory for all the race. It is more than deliverance from sin, it is entrance into the life of God. It is not disaster, it is design. All Nations, kindreds, tribes and tongues are included within the fold of its all-comprehending sufficiency. The ages to come and the ages past are to rejoice in the blessings of pardon which it secures. So the Home Mission Board carries on its program of evangelism.

During the year there was a gain of 104 in missionary personnel. At present there are 1,274 workers, including 362 students. They report 30,565 conversions.

Work in the outposts—Alaska, Cuba, Panama, and the Canal Zone—continues to show progress. In addition to the outposts the Board has work among the Chinese, the Deaf, French, Italians, Japanese, Spanish-speaking, and the service of Good Will Centers, Rescue Homes, and the Emergency Home in the field of direct missions. In other departments the Board has ministry among the Jews, the Negroes, ranchers and migrants. Through the Board's Department of Evangelism, Education, Schools of Missions, and the outposts various types of service are rendered in many avenues.

Last year the committee on our Associational Report recommended that, "in 1953 we join with the Home Mission Board in its Five-Year Crusade emphases upon ministering to minority groups." The committee this year makes the same recommendation.

Report on State Missions

State Missions presents opportunities for making North Carolina Christian through the following ministries:

1. Grants of money for the Allied Church League; Negro Convention; Missionary Pastors; and Church Lots.
2. Special Ministries for Summer Assemblies, Baptist Book Stores, Work among the Deaf, and State Institutions.
3. Ministries to Churches through Sunday School Department, Training Union Department, Student Department, Visual Aid and Radio, Summer Student Program, Evangelism Department, Rural Church Department, Brotherhood Department, Schools for Pastors, and Schools for Deacons.

During the year State Missions is due to receive through the Co-operative Program \$220,000 for current support and \$7,500 for capital needs. In addition the Board counts upon receiving \$125,000 from the offerings of the Woman's Missionary Union and the special offering in the Sunday Schools in October, making a total of \$352,500. Actually

\$400,000 is urgently needed this year to carry on our present State Mission Program.

Respectfully submitted,
Ross A. Cadle

19. Mr. Claude Gaddy, executive secretary of the North Carolina Baptist Council on Christian Education, was recognized to give the report on Christian education. After his report, the Rev. Bennie Pledger moved that a written copy of the report be submitted to the clerk for the records of the minutes. Motion carried. Representatives from two of our colleges were recognized:

Dr. Carlyle Campbell, Meredith; Prof. A. L. Aycock, Wake Forest.

Report on Christian Education

Let us consider our program as North Carolina Baptists in the field of Christian education. We shall omit any reference to our educational facilities within the local church, such as the Sunday School, Training Union, and W. M. U. These will be considered in other reports. North Carolina Baptists have seven colleges, two senior: Wake Forest and Meredith; and five junior: Mars Hill, Gardner-Webb, Campbell, Wingate and Chowan. As of October 15, 1952, the enrollments in these colleges were as follows: Wake Forest, including the schools of law and medicine, 1714; Meredith, 600; Mars Hill, 787; Gardner-Webb, 401; Campbell, 440, including 54 high school students; Wingate, 255, including 63 high students; and Chowan, 192, making a total of 4,389. This enrollment, including summer schools, exceeded 5,000 for the year.

The 422 ministerial students enrolled in these seven colleges represent approximately 10% of the total student body. In addition to this number, there are some 300 student volunteers being trained for full-time Christian service.

These seven colleges have an annual operation budget of approximately \$4,000,000. North Carolina Baptists, through the Cooperative Program, make available \$400,000 to aid these colleges with their operating costs, which is exactly 10% of the total operating expenditures, or a little less than \$100 per student for the year. In addition to this financial aid for operating costs, in its present Nine-Year Advance Program the Convention is providing another \$200,000 to help the college with their capital outlay or building programs.

From a financial standpoint the most significant undertaking in 1953 is the effort to complete the raising of \$1,500,000 in the churches for the removal program of Wake Forest College. This was authorized in 1946, and it is confidently hoped that this total of \$1,500,000 will be raised by January 1, 1954, thereby completing the last authorized special campaign in the churches for any one of our institutions. It is expected that with the completion of this special effort for Wake

Forest and the one for the Baptist Hospital, it will be possible for all our churches to unite in support of the total Cooperative Program and in so doing provide the funds necessary for the promotion of the work in all departments of our Convention endeavors.

Let us observe that the new Southeastern Baptist Theological Seminary now operating on the campus of Wake Forest College is beginning its third year of operation with an enrollment of 320 students, and that because of the crowded conditions on the college campus hundreds of other students have been refused admittance to the seminary. When the new class of approximately 100 students is added next year, the seminary will have reached its maximum size until Wake Forest College is able to move to Winston-Salem, which is planned for 1955. The establishment of the new seminary and the period of transition in building the new Wake Forest College in Winston-Salem progress in an orderly manner in spite of the inevitable difficulties in such a program. This orderly procedure is due to the fine leadership of Presidents Haro'd W. Tribble and S. L. Stealey. Surely these are God's chosen for a crucial hour in both of these great institutions.

Thus far we have thought of ourselves as Southern Baptists and as North Carolina Baptists; now let us conclude this report with a reference to ourselves as Baptists within this particular Association. What do we know about these institutions of learning which we are helping to support? How many of our own Baptist boys and girls are being directed to these Baptist colleges, and what can we as parents, pastors and church leaders do to emphasize the necessity for such a program of Christian education and provide that counseling and guidance that will result in more of our young people taking advantage of such training?

27. The Memorial Service for our beloved dead was conducted by Mr. R. N. Simms, Sr. The report was accepted on Mr. Simms' motion.

Our Departed Members

You will observe that I did *not* say, "our deceased members."

If I had said that I would thereby have referred to them as being dead, and I do not regard them as dead.

I do not believe that Christians ever die. In fact I spoke on this question several years ago at one of our Church services, and it created such interest that our Class of men had the speech published under the title "*Christians Do Not Die.*" There were two printings running to over 7000 copies. I have brought with me a number of copies of the booklet which I will leave here on the platform so that anyone wanting one may come by here and take it.

Our God is the Lord of the living. He said as much: Matthew 22:32, Mark 12:27 and Luke 20:38. He came to bring immortality to light. We are saved for eternal life. And eternity begins while we are here in the flesh.

The word "death" is used in the Scriptures with two different meanings. One refers to the death of the physical body. The other refers to absence from the presence of God. This is spiritual death. Christians never suffer this spiritual death.

There was a time when believers in God passed out of his presence when they died a physical death. That was in Old Testament times. They then went to Paradise, which was sometimes called the bosom of Abraham. But there came a time which marked the Great Divide in history. That was when Jesus had the talk with the sister of Lazarus beside his tomb and he said to her "I am the resurrection and the life. Whosoever liveth and believeth in me shall never die." John 11: 25, 26. That applied to all time then and thereafter. It therefore applies to us now.

Just after that Jesus went and, as he said, prepared a place for his followers, and it is where he is, "at the right hand of God."

Since that time his believers when they close their eyes on this world pass immediately into his presence and therefore never suffer spiritual death, which is absence from the presence of God.

And so we should here and now think of these loved ones who have departed from us as being present with God in Glory.

Let us therefore not sorrow as those who have no hope, but let us rather rejoice in the memory of the good lives they lived and rejoice that they are where there is no sorrow or suffering but where there is happiness forevermore.

May God bless their precious memories and help us so to live that we shall join them in that heavenly home.

Respectfully submitted,

R. N. Simms, Chairman

Biggerstaff of the Allied Church League. Mr. Biggerstaff recognized the Rev. R. M. Hauss, executive secretary of Allied Church League. The report was accepted on Dr. Blackburn's motion.

Report of Committee on Social Service

This is a time of unique opportunities for Christmas everywhere. Responsibility for our fellowmen is an increasing concern of alert Christians. To strengthen and advance the cause of righteousness in our society is the Christian's cross and he must not try to avoid it.

HOME LIFE

The home is the focal point of the Christian witness and for the advance of the Kingdom of God. The committee endorses and commends the following statement adopted by the North Carolina Baptist Convention in 1952: "We believe the churches should recognize the strategic place of the home in the development of the individual Christian and in the propagation of Christianity throughout the world. In so doing each local church shou'd undertake a vigorous program of advance to strengthen home life in at least three areas: 1. Preparation of young people for beginning a home. 2. Relating church and family living so that each may strengthen the other. 3. Influencing the family in its community activities."

RACE RELATIONS

We believe that much progress is being made toward improvement in race relations. This is gratifying and encouraging. Better educational facilities are being provided for all groups; equal opportunity in economic life is increasingly given; the principle of justice and non-discrimination is being followed in many ways by our State and Nation. We rejoice that our Baptist Denomination is giving leadership in creating good will among the races. We commend our Seminaries for accepting on an equal basis members of minority races. We urge that our churches take the lead as champions of human rights and the application of the Christian belief in freedom and brotherhood.

ALCOHOLIC BEVERAGES

The consumption of alcoholic beverages is rapidly increasing. Even more alarming is the growing indifference of individuals and churches to this problem. We regard the sale and consumption of alcoholic beverages as one of our most serious social problems. It is a personal and public evil that should be attacked by every means at our disposal. We urge individuals to abstain from the use of alcoholic beverages and call upon our churches to give alert and vigorous opposition to this growing evil.

RELIGIOUS LIBERTY

About one hundred and sixty years ago the influence of Baptists in North Carolina and Virginia determined the fate of religious freedom in the infant republic. This was a continuation of the influence of Roger Williams under whom the guarantees of religious freedom were established in Rhode Island. Today although the statutes protecting the free exercise of religion are unimpaired, increasing chal'enge has been thrown against them in many sections of our nation. Sometimes this is done in ignorance of the law; sometimes in contempt of it. North Carolina has been spared much of this phase of the continuing conflict. This is no reason however for relaxing our vigilance against those acts of religious groups of all kinds that tend to weaken the constitutional guarantee of the separation of Church and State. We call on all North Carolina Baptists to be alert to detect and resist all movements that threaten this bulwark of religious freedom.

WORLD PEACE

We urge our people to believe in and support the United Nations. We believe it to be a good medium for the expression of our basic beliefs and the great ethical principles on which our way of life is founded. We call upon our ministers to lead the people in a greater consciousness of our world citizenship and our world-wide responsibility. We would encourage men and women of Christian character to participate in local and national politics and request our people to support such leaders as are willing to support the standards of Christian faith at home and work for world peace and cooperation between nations.

It is our belief that the social and personal problems that are paramount today have their only adequate answer in the Christian Faith. It is the responsibility of every church to make this faith known and work for its acceptance by all groups in all the world. It is the privilege of every Christian to share in this ministry.

Report of the Executive Secretary

Foreword—This is our fifth annual report. As in other years so in this year we come with a sense of deep gratitude in our heart for the cooperation of pastors and people in the promotion of the associational missionary program. Total triumph in all efforts through the years seldom is man's lot. In Kingdom matters our goals and aims should be high, challenging us, commanding us, and pulling us. Today the Raleigh Association stands tall among the district associations of North Carolina because it has pressed an aggressive missionary program over a period of years. There must be no let-up. There are still unchurched communities; there are still areas in our church life that must be strengthened, and there are still hundreds, yea thousands, who do not know our Lord! In this report we are presenting for the records a summary of activities or work during the past year. Also we are listing points of progress over the last five years.

Minutes of the Organizing Council Wilder's Grove Baptist Church

The meeting of the Organizing Council was called to order at 2:40 p. m. Sunday, September 18, by Rev. Lee Pridgen, Executive Secretary of The Raleigh Association, in the Concession Stand of the Tower Theatre, for the purpose of considering the organization of a new Baptist Church.

Rev. Parks C. Harris was elected Moderator of the Council and A. C. Roberts was elected Secretary.

The secretary read a history of the movement to organize the new church as follows:

HISTORY OF CHURCH

The need for a church in the Wilder's Grove Section was first brought to the attention of Lee Pridgen, Executive Secretary, of the Raleigh Association during the summer of 1950. New churches were being organized in needy and developing areas and all over the association the spirit of expansion was felt.

A. C. Roberts, active layman in the Samaria church discussed the need for some new work in the area around Wilder's Grove with Mr. Pridgen. Due to the pressure of other sections already entered, nothing was done. The following year, the matter was discussed again by Mr. Roberts and Mr. Pridgen.

With the beginning of the associational year 1952-53, the idea of a new church at Wilder's Grove was sweeping through the whole area. At the January meeting of the Executive Council, Mr. Pridgen brought the matter up for discussion. It was referred to the Missions Committee. At the next meeting of the Missions Committee, authority was given Mr. Pridgen to study and survey the area.

With the help of students from the Seminary at Wake Forest,

the work of survey and visitation was carried forward by Mr. Pridgen. Conferences and councils were held — the movement was discussed in homes and in places of business. Many began to press the idea of going ahead with the organization.

The first assembly of the group was held early in March at the "Scout Hut." This meeting was attended by a good crowd with evident interest and was conducted by Mr. Robert Newton, Pastor of the Millbrook church and a member of the Missions Committee. Mr. Pridgen was absent due to illness. From this gathering, the interest spread. Prayer meetings were started in the homes of the people, with an average attendance of about thirty.

In April the Missions Committee approved the beginning of a Sunday School and worship services in the community. The only available place of meeting was the Concession Stand of the Tower Drive-In Theatre. This was generously offered by Mr. J. F. Hatchel, Manager of the Theatre, and an interested member of the group. The Sunday School was started in the Concession Stand, with worship services following. They were held on Sunday afternoons. From the beginning forty-five to fifty-five people have attended the Sunday School and more for the worship services. The group elected Mr. R. P. Hunt as acting suprintendent and Mr. J. F. Hatchel, secretary-treasurer. Several visiting ministers spoke to the group at the Sunday afternoon worship hours.

Services continued through the summer with the group showing much loyalty and interest. The Executive Council of the association, meeting in July, expressed approval of the organization of the group into a church as soon as a suitable site could be located.

After the Council meeting in July, the group began the search for a church site. Feeling the need for a leader who could give full time to the work, the group in consultation with Mr. Pridgen, called Rev. Proctor A. Smith to the work. Mr. Smith began in earnest his labors in the community. Services were changed from Sunday afternoon to Sunday morning with more and more people showing interest in the establishment of a permanent work in the section.

After weeks of efforts spent in seeking a suitable church home, the group decided on a five acre site of the G. G. Frazier land, one acre of this site being donated by Mr. Frazier. The property is south of highway 64 and on a beautiful hill overlooking the community. This choice was submitted to the Missions Committee. At the Executive Council meeting in October, a recommendation from the Missions Committee that the association pay four hundred dollars toward the purchase of the site and that the Executive Secretary arrange with the group for organization was accepted. Mr. Pridgen announced that the group was unanimous in the choice of Sunday afternoon, October 18th as their Organizational date.

Following the reading of the history, Mr. Roy Smith spoke on, "The Need of a Church in Wilder's Grove Area." Mr. R. P. Wilder spoke on "Youth in the Community Helping Meet the Need of Tomorrow," Mrs. L. C. Allen spoke on "Need for a Community Church

in lives of Small Children," Rev. Proctor Smith spoke on "The Opportunities of Evangelism in the Community," and Dr. John Kincheloe told of interest he had observed when he had preached for them and predicted great things of them.

Rev. Lee Pridgen presented a suggested program for the organizational meeting and it was adopted.

On motion of Dr. John Kincheloe it was agreed unanimously that the group proceed with organization of the church.

Organizational Meeting of the Wilder's Grove Baptist Church

The organizational meeting was called to order by Rev. L. Gray Murray, Moderator, in an outdoor service on the Theatre lawn. Rev. Parks C. Harris led the group in singing "All Hail the Power of Jesus Name" and the invocation was offered by Rev. G. W. Bullard. Mr. Murray then stated the purpose of the meeting. A. C. Roberts read the action of the Council, followed by reading of the church history by Edley W. Wilder. After an inspirational song, Dr. John Kincheloe read the Scripture and Rev. John L. Coley delivered the sermon.

Rev. Gray Murray received the group with letters and Rev. P. C. Harris read the Covenant, followed by a prayer of consecration by Dr. Jack A. Ellis. The members of the Organizing Council greeted these members with handshakes.

Actions of the New Church

Rev. Lee Pridgen moderated for the new church in selection of James F. Hatchel, treasurer, Mrs. John Southall, clerk, followed by an offering which was to go toward the Mission Program of the Raleigh Association.

It was the unanimous choice of the group, that the church be called The Wilder's Grove Baptist Church.

On motion it was agreed that the time of charter membership be held open until November 22, 1953.

Rev. Proctor A. Smith was called as pastor by a unanimous standing vote. Rev. Pridgen then asked him to come forward and take charge, following with an invitation to others who did not have their letters, two coming under the watchcare of the church. Pastor Smith made a brief statement for the church on its intentions to meet the need of the community followed by the singing of "Blest Be the Tie," Dr. Kincheloe offered the benediction.

Robert Hughes Herring

Robert Hughes Herring was born in Surry County near Mount Airy on January 10, 1871. He died on August 20, 1954, in Zebulon, North Carolina. He had a long and beautiful life of service to his fellow man. He lived fully and usefully everyday. From 1895 to 1938, Mr. Herring was in the active ministry of his Church. He served Churches from the Piedmont to the sea. Including the time he was in the active ministry and the time he preached, before and after his active career, Mr. Herring was in the ministry for sixty years or more. Few men in the state have enjoyed as wide an acquaintance as did R. H. Herring. His bearing, as he walked among us, reflected a radiant dignity that made his presence a benediction. When listening to Mr. Herring preach you thought not so much of what he was saying, as you did of the force of the message, the sincerity of purpose, and the inspiration to lift one to higher levels of beautiful thinking. His Godly countenance adorned the pulpit, as truth from his lips prevailed.

"And some tall cliff that lifts its awful form,
Swells from the vale and midway leaves the storm,
Though round its breast rolling clouds are spread,
Eternal sunshine settles on its head."

So it is with Robert Hughes Herring, eternal sunshine has settled on his head.

C. A. Upchurch

The Rev. C. A. Upchurch was born in the Apex community of Wake County, North Carolina, March 18, 1879, the son of Mr. and Mrs. A. B. Upchurch. He entered the ministry at the age of 17, and was an active ordained minister for 55 years, serving churches in North Carolina and other states. He headed the North Carolina Anti-Saloon League for 7 years. He was married to Miss Frances Reynolds of Danville, Va., December 26, 1906. Their children are C. A., Jr., and E. L. of Raleigh, and Mrs. Marion Dowdee of Charlotte, North Carolina. His death came of a heart attack at the Baptist Hospital, Winston-Salem, North Carolina, on July 17, 1954. It was fittingly said at his funeral: "He died with his boots on." Mrs. Upchurch survives and lives in Raleigh, North Carolina.

One of his favorite poems is quoted:

"When I shall have done with the struggle
And shadows are cast from the west,
I want no pretentious inscription
Engraved on the place where I rest.
I've done my best and I know it;
Each failure in memory clings;
But of this I would like to be worthy:
He lived for genuine things."

5. The Moderator delivered his annual message, stressing the theme of "Looking Forward." He suggested a two-fold forward look: 1. The celebration of the 150th anniversary next year, and 2. The Simultaneous Campaign.

6. The Clerk, A. L. Aycock, was then recognized to read the following associational report, which was adopted.

Foreign Missions

The Advance Program launched in 1948 has yielded during only five years a net increase of 283 missionaries and an annual increase in gifts of approximately \$3,000,000. This increase made it possible to appoint seventy missionaries last year and to have available an extra \$750,000 for capital needs.

There are now 908 missionaries, 821 native workers (ordained

327, unordained 821), 2,201 churches, and 2,178 out-stations. Statistics as such, however, cannot reveal the optimism and the challenge presented in the hundred and fourteen page report of the Foreign Mission Board. It invites careful reading and prayerful examination.

Home Missions

"The past year was one of the best in the history of the board." Thus begins the one hundred and ninth Annual Report of the Home Mission Board, which tells of increased personnel, increased conversions and baptisms, and increased opportunities for service.

There were four general goals for 1954:

1. To lead every individual Christian to become a more effective witness for Christ.
2. To encourage every church to include all neglected groups in its sphere of influence and in its ministry.
3. To encourage churches and associations to establish and support mission programs and in other ways enlarge their ministries among the underprivileged and unchurched.
4. To make a special attempt to correlate all these efforts so that the Home Mission Board may reach areas and peoples which have not been included previously in the Baptist ministry.

The special emphasis for 1955 will be on evangelism and church membership. "Efforts are being made to get every church to participate in the simultaneous evangelistic crusade in the spring and to get a large number of the non-resident members to transfer their membership to churches in the community in which they live."

State Missions

Of the more than four million people in the state of North Carolina, fewer than two million above the age of eight are affiliated with any Church. Nearly two million above the age of eight have no church affiliation at all. These facts present a challenge to the 760,000 Baptist church members in North Carolina. They even dare us to give real meaning to our theory that "State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and to teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world."

The State Mission Program challenges our active support of and participation in its varied program of mission activity in the following areas:

1. Teaching and training in Sunday School, Training Union, Vacation Bible School, Rural Church Departments, and the Baptist Assemblies.
2. Helping to build new and to strengthen old churches.
3. Emphasizing the need for and promoting the training of pastors in Pastor's Schools.
4. Promoting a Baptist program among the 20,000 boys and girls

from Baptist homes in the schools and universities in which they are enrolled.

5. Working to a limited degree with Negroes and Indians.

6. Cooperating with and working through the Allied Church League "in helping to produce a sober and saner citizenship in North Carolina."

Brother Spivey makes a strong plea for the continued prayers and financial support of every member of the Association to the end that the Great Commission may be obeyed and that North Carolina and the world may become more truly Christian.

Baptist Orphanage

Superintendent Reed's report is entitled "Another Good Year." The income for 1954 was good, the physical plants at Mills Home and Kennedy Home are both in good physical condition, and the two Homes were able to care for about 700 children. CHARITY AND CHILDREN has an all-time high in circulation, with more than 46,000 copies being distributed each week. At a subscription price of only 60¢ a year in clubs of 10 or more for distribution in the Sunday Schools, it is strongly urged that every Church in the state subscribe to ten or more copies to keep its membership informed about the Orphanage and other phases of Baptist work.

With the completion at Mills Home of the Recreation Center and the new Church Building during 1953, the children have there for the first time adequate places for play and worship. In the words of Mr. Reed, "The Church stands in the very center of the campus with its tall spire pointing heavenward. It is by far the most beautiful building ever erected at your Orphanage. As the children are led in worship by our pastor, there is a spirit of reverence which would thrill the heart of every North Carolina Baptist." A contract has been let for a new Church at Kennedy Home.

The report calls attention to the new plan of support. The Orphanage participates in the Cooperative Program beginning January 1, 1955. Any Church may then send all of its funds except the Thanksgiving offering through the Cooperative Program if it so desires. Others may prefer to continue the special monthly offering. In any case, all churches are urged to continue the monthly plan during the transition period.

Baptist Homes for the Aging

The report from Superintendent Hayes is one of optimism and encouraging progress. The second Special Day Offering, February, 1954, will amount to more than \$65,000. The Homes received from the Nine-Year Program \$21,000. A will probated in 1954 will give an additional \$2,000. Specially designated gifts are providing more facilities and better facilities for accommodating more aging people.

The opening of the Albemarle Home on December 7, 1953, provided room for 35 additional residents, bringing the total capacity of the two Homes to 54. The value of the Albemarle property is es-

timated to be at least \$300,000. The total cost is about \$100,000: \$25,000 as the original cost of land and buildings and \$75,000 for renovation. Much valuable equipment was donated. The Reverend Zeb Caudle was selected to serve as superintendent of the Albemarle Home.

Resthaven, at Winston-Salem, has been filled to capacity since it was opened. Miss Edna L. Heinzerling, first supervisor of Resthaven, has retired. Mrs. Ethel Fulghum, a resident, has been selected as supervisor temporarily. A tract of 34 acres of land just outside of the city limits of Winston-Salem was purchased in 1953 for \$25,000 as a central site for new buildings. It is hoped that the first unit, which will furnish space for additional residents, offices, chapel, infirmary, laundry, refrigeration, and so on, will get under construction within a year.

The general health in both Homes has been remarkably good, and there has been no death in either Home during the past year. Ages of residents range from 67 to 94.

The report concludes with a request that an Associational representative be elected at this session and that his name be sent to Superintendent Hayes, Kentucky Avenue, Winston-Salem, N. C.

North Carolina Baptist Hospital

"Our Baptist Hospital is caring for more people this year than at any other time in its history. This is possible because of the use of the New South Wing, about half of which is now complete and in use. This new building provides many new and enlarged facilities which add a great deal to the service provided for our people. About 14,000 bed patients will receive treatment in the hospital in the course of the year, while many other thousands will be seen in the clinics.

"The enlargement of the hospital has made possible the enlarging of our school of nursing, it being one of the largest in the State. Our hospital offers a superior type of training and its graduates have high rating wherever they go. This means that our nursing school can accept only students of the highest caliber. They especially want those high grade students of fine Christian character from our Baptist homes. A new class enters each September. Prospective students should write to the Director of Nurses in advance and make application early in the year since there are far more applications than can be accepted.

"The Baptist Hospital with the various schools associated with it forms an important educational center in the field of medical care. It trains doctors, nurses, technicians, and pastors and other Christian workers. The center of the entire hospital program is always the sick person, however. Everything else is secondary to and must be in the interest of the patient.

"For the past ten years our Federal and State Governments have assisted in a program of building hospitals in counties and areas where there had been no hospitals. This program increases the importance

of our Baptist Medical Center in relation to the family physician and the local hospital. The majority of the patients who go to our Medical Center are sent by their own local doctors in order that the patient may have the benefit of such facilities and specialists.

"Our Hospital provides this type of service for persons who cannot pay for it, as well as for those who can pay in full. This is where our churches share in this ministry of healing. There are multitudes in our State who cannot receive the care they need unless somebody else helps pay for it. Our Hospital has no money except what the patients pay and what we give. On Mother's Day we have the privilege of sharing with those who are sick and need our help. Unless we give generously some will seek in vain for help at our Hospital. Let this not be true because you and I have failed!"

The churches of the Raleigh Baptist Association contributed \$223.65 less to the Baptist Hospital in 1954 than in 1953.

Sunday School

Reporting for the Associational Sunday School program Brother Bennie Pledger calls attention to the progress made and the enthusiasm generated. In the concluding paragraph he stresses the need for sustained interest and effort when he says:

"We have moved up in Sunday School work. We need to feel the continued pull of the hungry souls. We need to feel the continued burden for the lost. The only way for Sunday Schools to help the churches revive in '55 is to carry out the spirit of the '54 banner: Christ is the answer. The Bible being taught will give that answer. May we visit, work, and pray and win the lost to Christ. The task is not finished but just begun for the program of teaching to lift the burdened and win the lost. May our churches in this association keep the vision and move on."

Training Union

"During this past associational year new Training Unions have been organized in the following churches: Morrisville, Union Chapel, New Hill, Reedy Creek, Central, Highland, Wilders Grove, and Six Forks. Our goal for this coming year is to organize five additional Training Unions.

"We have had increased interest in all of our meetings this year. The attendance has been unusually large in the regularly scheduled meetings. Our meetings included the following: Executive Committee, Officers' and Leaders' Council, and Mass Meetings. In June Mass Meetings are held by groups and in December two "M" Night Mass Meetings were held. We were informed by our State Training Union Secretary that the Raleigh Association was third in attendance at "M" (Mobilization) Night of all associations in the Southern Baptist Convention. We held two "M" Night Meetings this past year; on December 9 at Meredith College and on December 10 at Wake Forest College. The combined attendance was 2,400. This year we are planning to have one "M55" Night Meeting which will be held in the Raleigh Me-

morial Auditorium. The speaker will be Dr. Archie Ellis of Columbia, South Carolina. We are planning to have 3,000 in attendance at this meeting.

"Of special interest this year was the annual associational banquet held on April 9 in the Garner School Cafeteria. As in the past, a large group attended.

"Our people are continuing to support our summer assemblies. Attendance at these assemblies was good. Many of our folks who could not come for the whole week spent one, two, or three days receiving the information and inspiration given to them. The Raleigh Association had the largest registered group at these assemblies.

"Participation in our State and Southwide tournaments was very good again this year. However, we are urging more participation this year.

"We are looking forward for an even better year because we feel that more churches are realizing what the Training Union can mean to a total church program and to the development of the individual Christian in helping him to witness daily for his Master."

Brotherhood

A Brotherhood in a local Baptist Church is defined as "a group of men, preferably all of the men in a Baptist Church, seventeen years old and above, banded together for the purpose of promoting the Kingdom of Christ through the Church and the denomination." In fulfilling its purpose the Brotherhood operates in three areas: the promotion of the New Birth; the promotion of spiritual programs which undergird, support, and promote Christ's Kingdom through the Church and the denomination; and the promotion of special programs on the denominational calendar.

There are six thousand Brotherhoods in the Southern Baptist Convention, eight hundred and seventy-two in North Carolina, and twenty-one in the Raleigh Baptist Association. Eleven were organized in the Association during the past year so that there are now Brotherhoods in the following Churches: Bunn, Carolina Pines, Caraleigh, Ephesus, Forest Hills, Fuquay Springs, Calvary, Garner, Harris Chapel, Hayes Barton, New Bethel, Mt. Olivet, North Street, Pleasant Grove, Raleigh First, St. Johns, Tabernacle, Temple, Youngsville, and Zebulon. Church letters indicate that several others are in the process of organizing.

The Brotherhood in North Carolina is under the effective direction of Brother Horace Easom, State Secretary, Shelby.

Christian Literature

Dr. Carpenter's REPORT ON BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE begins with the following significant paragraphs:

"Christian Literature does not need defending; it needs more distribution and wider reading. Never before have Baptists had such

opportunities as today to magnify and promote the Lord's work through vital Christian literature. The printed page is powerful; its influence is universal. People tend to become like the things they read and absorb in their minds and hearts. The flood of bad literature has spread over our land, with almost every news stand, drug store, bus station, and even grocery stores, selling objectionable comic books, bad magazines, lurid books and periodicals that the U. S. Mails refuse to carry. This bad literature very often finds its way into the Baptist homes, and its pages are filled with the seeds of evil. Wider reading of good Christian literature would soon destroy the thirst for the bad. Baptists have a great opportunity — to provide the best reading matter they can get for their homes.

"Baptists have compelling reasons for securing and reading Christian literature, especially from their own presses. The aim of it all is to promote Bible study, to build Christian character, and to inform, enlist, indoctrinate, inspire, and unify our people in all the great work the Lord has committed to us. Dr. M. E. Dodd said: 'A non-reading Baptist is a non-informed Baptist. A non-informed Baptist is a non-interested Baptist. A non-interested Baptist is a non-cooperative Baptist, and a non-cooperative Baptist is not much of a Baptist.'"

The Baptist Book Store is frequently overlooked when Baptists look for books for gifts or for reading in the home. Yet it has a wide selection of wholesome literature covering every worthwhile field of interest and activity.

The Charity and Children with a circulation of over 46,000 copies a week offers significant information about the Orphanage and other phases of Baptist work.

The Biblical Recorder with a circulation of approximately 57,000 a week covers the entire field of Baptist work in North Carolina. The three subscription plans — individual, church clubs, and every-family — make it possible and desirable for every Baptist in the state to be an informed and therefore interested and cooperative Baptist.

When the writer of *Proverbs* said, "As a man thinketh in his heart, so is he," he was enunciating a truth that is as valid now as it was when it was written; and when we remember that much of the thinking in the heart comes from the reading done, we cannot overestimate the value of providing for all of the members of our churches and homes the very best reading matter that we can get.

Allied Church League

During the year Alamance and Johnston counties voted out ABC stores and joined the list of Dry counties. Valdese, Carthage, and Hope Mills voted out wine and beer by large majorities. Encouraging reports are coming from other areas in which citizens will have a chance to vote to make their towns and counties Dry.

The League has promoted an active program of temperance education in the churchess and in the schools, utilizing films and other

media available. Dr. Carroll, Superintendent of Public Instruction in North Carolina, is cooperating in helping to present properly the subject of alcohol education in the schools.

Recognizing that laws do not make temperance but that temperance can help make desirable laws, the League calls for an active interest in promoting temperance in our homes, in our communities, and in every area in which our influence extends.

Conclusion

As we delight in the accomplishments, survey the needs, and meet the challenges presented in these reports, we can appreciate more fully the significance of the Master's emotions when he said:

"The harvest is plentiful, but the laborers are few; pray therefore the lord of the harvest to send out more laborers into the harvest." Luke 10:2

7. The request of Mr. Horace Easom that the Association elect an associational Brotherhood representatives was approved and referred to the Nominating Committee.

8. The Moderator recognized Dr. Cullom and several other visitors.

9. The association theme, "Looking Forward," was discussed in four areas:

- A. In Training, Bennett Straughn, Training Union Director.
- B. In Teaching, Bennie Pledger, Sunday School Asso. Superintendent.
- C. In Brotherhood, Robert Black.
- D. In W. M. U., Miss Ruth Provence

10. Miss Provence's discussion was in the nature of a report on W. M. U. work in the association, 1953-54, and was adopted as follows:

Report of Woman's Missionary Union

The Lord said unto Zerubbabel, "Not by might, nor by power, but my spirit," which became our challenge in this year of effort in the Woman's Missionary Union of Raleigh Baptist Association. The splendid foundation which was laid by those who served before me has been a challenge to further His cause by striving for more constructive work in the individual society. For whatever record we have made this year we are indebted to the Associational officers plus the united effort of 5784 members in the ranks who have been found faithful and loyal to the work. To any and every one who has

had a part in this record I want to say "Thank you and may the Lord reward you for your unselfish support."

Our watchword for 1954 has been a constant source of inspiration: "Declare His glory among the nations, His marvelous works among all the people." With that challenge we add the powerful words of our hymn, "Jesus Saves," and we go forward in the effort that has resulted in the record which is given below — a record that we are not boasting about, but we are proud of the achievements. Nineteen new organizations loudly proclaim the faithfulness of the enlistment officers. The association was divided into four groups of churches with a leader for each group, and they have been afield in the effort to develop discovered talent, to find new leadership and to help the churches carry out the Lord's great command (as found in our watchword). In the 80 churches in the association there are 68 Woman's Missionary societies and 232 young people's organizations.

Because we believe that "study brings information, information breeds inspiration" we have had 253 mission study classes with 4112 members enrolled in these classes. Through the seasons of prayer the offerings for Foreign, Home, and State Missions have combined to make a total of \$34,743.88. In this effort there were about 150 churches taking part. We rely on prayer to guide in all we do for we do not believe that we can be successful in anything until we can pray intelligently. In promoting stewardship of the whole life, 4542 women have had a part in the contributions for the Cooperative Program with 1733 of these dedicating themselves to the principle of tithing. The 442 new tithers for the year prove that we are growing in that spiritual virtue. The teaching of books on stewardship and soul-winning has greatly contributed to the development of the missionary attitude that we crave for every Christian.

One-half of the societies reported that one-half of their members subscribed to *Royal Service* (34), slightly less than one-half (30) of one-half (of the members) subscribed to *Biblical Recorder*, and the magazines for the young people are rapidly coming to the front. When we become a reading people we will become an informed people, an informed people can turn the world upside down in zeal for the Lord. As a result of this study and work, two societies reported A-1. We recognize these with gratitude for the excellent work done.

"In as much as ye have done it unto one of the least of these, my brethren, ye have done it unto me," said the Master. In heeding that call, 239 societies have been actively engaged in Community Missions, with some over 4000 individuals taking part. Much of this has been done in definite efforts to win the SOUL to Christ.

As a statistical record there are 1464 subscriptions to *Royal Service*, 1474 to *Biblical Recorder*, 88 to *Window of Y. W. A.*, 271 to *Tell*, 194 to *Ambassador Life*, and 221 to *Sunbeam Activities*. Observing the seasons of prayer there were 55 organizations in W. M. S. and 88 in the Young People's societies.

The meetings of the year in which all have had a part are: Departmental Leadership Conference at Cary in January with about 200

present; The Annual Meeting at the Knightdale Baptist Church, held in April with a large crowd present. Inspiration was the order then rather than devoting the time to reporting the year's work. At the four Leadership Conferences each officer made a report on the work done during the year and made definite plans for the promotion of the Cause in the coming year. The divisional meeting in Henderson proved to be a high point in missionary zeal and inspiration, with Mrs. Edwin Dozier as the missionary guest. The Executive Committee met four times during the year. The Interracial Institute held again at Shaw University gave several of our members an opportunity to promote the good will and helpfulness that is so needed between the races. The Federation of Business Women's Circles have had four associational meetings with study, business for promotional causes and inspiration under the leadership of Mrs. Bruce Carter this year.

As we look back over the year's work there is a joy and feeling of gratitude for what has been done, as well as a deep sorrow over much that needs to be done and was not accomplished. God has richly blessed us and we realize that our failures are our own fault—we determine to make them stepping stones to higher and more worthwhile things in the year to come. "Not by might nor by power, but by my spirit" brings to mind another promise of the Lord: "I can do all things through Him who strengtheneth me." The unfinished task of evangelizing challenges us on for this year and we enter with all the dedication of all the talents that we may have to that purpose in the Raleigh Baptist Association.

Respectfully submitted,

Mrs. L. L. Carpenter, Supt.

11. After brief announcements, Director Vinson led in the singing of "O Worship the King."

12. "Expansion in the Raleigh Association" was made the theme of a graphic and stirring appeal by Executive Secretary Lee Pridgen, as he presented the story of advance by "spurts" and "lapses" in the past and challenged his audience to continue and strengthen the vigorous program of expansion now being actively sponsored by the association.

Report of the Executive Secretary

Foreword—This is our sixth annual report. As in other years so in this year we come with deep gratitude in our heart for the cooperation of pastors and people in the promotion of the associational missionary program. Only two churches failed to contribute to the program, Expansion in all areas of the associational work is noted as one studies the reports. As we wish to keep this report brief we only mention a few items or points of progress.

1. More and more our churches are building adequate buildings. This year we have had marked progress just here. This means more

people reached and a better educational program.

2. Pastors are living on the field. No longer do we visualize large areas of the association without a resident minister. If the trend continues in a few years every church will have a resident pastor.

3. Pastoriums are being built for the pastors. A separate sheet is attached showing the phenomenal growth in the number of pastoriums especially in the open country.

4. Churches are adopting a budget or financial program. This past year has been our best year along this line. In every case gifts to all causes results.

5. Churches are organizing a Brotherhood and Training Unions. Watch the next few years, every church will have a Training Union and a Brotherhood.

6. A Vacation Bible School is being promoted by more and more churches. This year only a few churches failed to report a school.

The total program of the association should be noted here. What are some facts we want to know concerning the place of the Raleigh Association in Baptist Life.

1. The association is the largest in point of membership in the state. We have gone beyond the 30,000 mark in church membership.

2. It continues to soar in total gifts. Now beyond the million mark it stands with just a few that have reached that mark in this state.

3. It is recognized now as having the most outstanding and aggressive expansion and missionary program. This program has been carried forward for over five years now.

4. The expenditures last year in the associational program and the budget for next year tops all associations with possible exception of one.

5. The Association is well organized and becoming more so. We are "growing a leadership association" and we have come a long ways in the last five years. One doesn't happen in weeks or months—it must be "grown" over the years.

6. The association has more ministers residing in its area than any other association in the state. Ministers are plentiful.

How far shall we go in our program? By 1975 — do we dare plan ahead? In all the years ahead inward and outward expansion should go together. While we expand our work to new areas through new churches and missions, we must also expand our own churches into a larger world service. In 1955 we must continue to "lengthen the cords," but we want to lay great emphasis on "strengthening the stakes" through *Reviving every church*.

Churches With Pastoriums

We have believed, we believe now, that nothing adds more to the progress of a church and a community than having "a minister living in the midst." A giant step forward has been taken by the churches of the association in the building of homes for their ministers. Ex-

pansion and progress in this has been phenomenal. Nearly a half million dollars is invested in these homes.

How far shall we go? Our churches can and will answer that! As an association we aggressively press forward "lengthening and strengthening."

13. "Come Thou Fount of Every Blessing" was presented as special music by the Rolesville Choir.

14. The Rev. Douglas Aldrich presented the Rev. J. C. Canipe, State Secretary for Evangelism, who spoke on the subject "Looking Forward to the Revival Crusade." The speaker suggested that there are four dominant forces at work in the world: Communism, completely unscrupulous; Roman Catholicism, a totalitarianism that strangles religious liberty when it gets a chance; Secularism, a shutting out of spiritual values; Evangelical Religion, the impelling force that carries Christ to all the world to "Rescue the perishing and care for the dying . . ." The speaker concluded that the moral and spiritual forces of the world must save the world, if it is to be saved; and he challenged all Christians to become more aware of the need for saving souls — and to do something about it.

15. The Reverend J. C. Canipe concluded his appeal with a closing prayer, which closed the session for the evening.

Friday Morning, October 29, 1954

16. The Rev. Charles McMillan, pastor of Highland, read from the Scriptures and led in the opening prayer.

17. Director Vinson led in the singing of "What a Friend We Have in Jesus."

18. The Rev. John Garner, pastor at Rolesville, presented the Report on Christian Education, which contained three recommendations. After it was generally agreed that the first recommendation was only a recommendation and did not bind the committee on order of business, the report and recommendations were adopted as follows:

Report on Christian Education

When the North Carolina Baptist State Convention was organized in 1830, it had a two-fold purpose — Christian Education and Missionary Endeavor. In accord with this purpose, on the first Monday in February, 1834, sixteen boys gathered in a small frame dwelling as students of what was then considered Wake Forest Institute with Principal Samuel Wait in charge. Four years later in 1838 this became Wake Forest College. In the course of the years six other institutions have risen to join hands with Wake Forest.

In addition to our Baptist Colleges we have within our State and our association a Southwide institution, Southeastern Theological Seminary at Wake Forest, for the training of ministers and Christian workers. The influence of this great institution is already being felt

in our association.

Certainly every Baptist is proud of our schools and we should realize the challenge of the present conditions. We had enrolled last year 4471 students in our seven colleges. We must give them better financial support. To do this, we must do a better job of promotion in our association. Realizing this need, therefore, be it resolved:

1. That the committee on order of business for the next session be requested to allow one full hour for Christian Education.

2. That each Church send in with the associational letter a list of all college students and the school they are attending.

3. That we urge our pastors to encourage our boys and girls to go to one of our Baptist Colleges.

Respectfully submitted,

John U. Garner

19. Mr. Claude Gaddy, Executive Secretary of the Council on Christian Education, presented the program for Christian Education and then recognized representatives of the denominational schools: President Mixon of Chowan, The Rev. Mr. Fisher of Southeastern, and Professor Aycock from Wake Forest College. Professor Aycock spoke briefly on "Seeking and Being the Answer in Christian Education."

20. An address on Christian Education by Rev. Ben Fisher of Southeastern Seminary at Wake Forest concluded that portion of the program devoted to the general theme of Christian Education. His theme was that we should make and keep our Baptist schools worth while and then send our children to them to be educated.

21. Director of Music Vinson led in the singing of "O God Our Help in Ages Past."

22. Representatives of Baptist Agencies and Institutions were recognized and spoke briefly in the following order:

a. Dr. Carpenter, speaking for the **Biblical Recorder**, urged that the Recorder be put into every home and insisted that it will pay big dividends if it is.

b. The Rev. Zeb Caudle, Supt. of Albemarle Home, spoke for the Homes. He requested not only financial aid but prayers as well.

c. Dr. McGee brought greetings from the Baptist Hospital as well as a cordial invitation to visit the Hospital to see, among other things, the new chapel being given by Mr. and Mrs. E. L. Davis of Winston-Salem.

d. Mr. Reed said that the Baptist Orphanage is more

than an orphanage. It is also a service institution for Baptist children outside of the orphanage, placing children with relatives or others who will make a Christian home for them.

23. The Moderator recognized the new pastors who have been called to churches in the association. The following were present and were presented to and welcomed by the association:

Calvary -----	Gerald C. Primm, 1020 W. South St., Raleigh
Garner -----	W. C. Adkinson, Garner
Glen Royal ----	Jerry L. Tillman, 105 Elizabeth Ave., Wake Forest

24. Dr. Broadus E. Jones, pastor of the First Church in Raleigh, presented the following Social Service Report, which was adopted upon his motion:

Report on Social Service

Juvenile Delinquency and Divorce

The rapidly increasing crime rate among minors is a matter of grave concern to all Christians. The age of the nation's criminals, particularly those committing serious offenses, such as assault, manslaughter, murder and rape, is rapidly falling.

Juvenile delinquents no longer come alone from underprivileged homes. In our larger cities juvenile gangsterism in well-to-do neighborhoods is appearing. Criminologists express the belief that only a stiffening of the moral fabric of the nation, can halt the steady increase of crime. Our prisons are filled to overflowing.

Many Christians like to shrug this condition off by saying it is the aftermath of the war. That is no doubt a contributing cause. The mad rush for entertainment and pleasure on the part of married couples, leaving their children to shift for themselves is likewise a cause. The steady stream of propaganda to make popular the use of intoxicants crowding movie and television screens, handsome pictures of "the man of distinction," crime stories, "shootum up west-erns," and crime comic books play a much larger part in shaping the thinking and conduct of the growing boy than we suspect.

Our population is increasing at such a rapid rate that it has been difficult for our Churches and Sunday Schools to provide adequate facilities. On the other hand those who provide recreation and amusement facilities, financed often by harmful groups, somehow

manage to provide attractions which lead away from the Church.

Divorces have grown to such an alarming extent that now one marriage out of every four breaks up. Always the dissolution of the marriage reflects itself for no good in the adult life of the children of such marriages. Many married couples consider the breaking of the marriage contract as an event of little or no consequence. Business men pride themselves on keeping their contracts and they keep them, not because they are solvent and can be made to keep them, but because they have given their word. Yet the modern Christian thinks nothing of breaking the most solemn contract of all.

We recommend:

(a) That television programs and reading matters coming into the homes, be rigidly supervised.

(b) That a concerted effort be made by our people to end the use of crime comic books.

(c) That our ministers refuse to remarry divorced persons unless the divorce is in harmony with the spirit of Christ.

Supreme Court Decision

The Southern Baptist Convention in its session at St. Louis last June passed the following resolutions:

1. That we recognize the fact that the Supreme Court decision is in harmony with the constitutional guarantee of equal freedom to all citizens, and with the Christian principles of equal justice and love for all men.

2. That we commend the Supreme Court for deferring the application of the principles both as to time and procedure until the nation shall have had time to work out methods by which transition from the present practice may be effected.

3. That we urge our people and all Christians to conduct themselves in this period of adjustment in the spirit of Christ; that we pray that God may guide us in our thinking and our attitudes to the end that we may help and not hinder the progress of justice and brotherly love; that we may exercise patience and good will in the discussions that must take place, and give a good testimony to the meaning of Christian faith and discipleship.

4. That we express our belief in the public school system of our nation as one of the greatest factors in American history for the maintenance of democracy and our common culture, and we express the hope that in the working out of necessary adjustments, its place in our educational program shall not be impaired.

5. That we urge Christian statesmen and leaders in our churches to use their leadership in positive thought and planning to the end that this crisis in our national history shall not be made the occasion for new and bitter prejudices, but a movement toward a united nation embodying and proclaiming a democracy that will commend freedom to all peoples."

These resolutions were passed by a vote of 10,000 to 50. This association reaffirms its faith in our democratic and Christian principles

of the essential dignity and worth of every individual, and the brotherhood of all men through faith in the Lord Jesus Christ. In the application of these principles to our school system we call upon the Supreme Court to recognize the principle of gradualism, and that such a reform cannot be accomplished effectively and harmoniously apart from the religious and educational processes. Your committee earnestly calls upon our Baptist people to prayerfully seek the wisdom of God and the spirit of Christ in this educational and religious crisis.

Religious Liberty

The doctrine of religious liberty is a fundamental emphasis of Baptists. We insist that every individual should have complete freedom to respond to God, and to God's revelation of Himself, in the ways which are to him most appropriate. Neither the state nor any other institution should be allowed to use any form of coercion to make an individual conform his religious convictions to those of the group. We find this emphasis to be in harmony with the spirit of the New Testament, where we find it recorded that "We must obey God rather than men" (Acts 5:29).

In the early history of Baptists in England and America it was commonplace for Baptists to be arrested and punished for their non-conformity. The first community in America where complete liberty in religious matters was guaranteed was Providence, Rhode Island, founded by Roger Williams. The amendment to our Federal constitution which guarantees religious liberty was in part the result of the activity of Baptists. Religious liberty is a part of our faith, and the struggle to guarantee that liberty for all is a glorious part of our heritage.

Where there is religious liberty, diversity is to be expected. Where all have equal access to the Scripture, and where all are free under God to interpret and apply the Scripture, uniformity is an impossibility. Indeed, diversity is a healthy indication that individuals are exercising their responsibilities as free men before God.

In America today there are some threats to the freedom of the individual created by the "witch-hunting tactics" of certain anti-Communists who, however well-meaning their efforts may be, brand as Communists all whose convictions are out of line with those of the investigators. The gravest threat to religious liberty, however, lies within the churches rather than outside them. And institutions, however democratic may be their form of organization, tend to become rigid and ultimately seek to enforce a uniformity upon their constituency. In our denomination we must be constantly on guard against regimentation. We must not seek to be different, but we must seek to be honest. We must hold firmly to our convictions, but we must also respect the rights of others as they, in honest devotion to God, seek to know and to do His will. Within a fellowship committed to individual liberty diversity may exist, but it need not break the unity.

Race Track Gambling

Our church people heartily concur in the decision of the Supreme Court of our State making race track gambling illegal in North Carolina. The information has come that the race track gambling syndicate will make every possible effort in the next meeting of the State legislature to have a law passed legalizing race track gambling. We condemned this effort and called upon the representatives to defeat it. We urged our people to communicate their views before and during the meeting of the legislature to our representatives and use all available means to keep our State free of this iniquitous evil.

Alcoholism

According to Marty Mann's book, *Primer on Alcoholism*, there are 4,000,000 alcoholics and 4,000,000 near alcoholics in the United States. They live in intimate relationship with 40,000,000 people and affect their lives adversely, blighting the happiness and wrecking the homes of thousands of people who are dearest and nearest to them.

People who indulge in alcohol beverages are also a menace on our highways. 38,000 people are killed annually and 1,350,000 are injured. The total cost of automobile accidents in 1952 was estimated to be \$3,750,000. It has been found by studies made that in certain parts of the country 50 per cent of the fatalities involved alcohol. The automobile in the hands of a drinking person is as deadly as a loaded gun.

The liquor traffic is also a social evil, corrupting office holders and politicians and influencing legislation. It does not promote the welfare of our country. Through false advertising on which millions of dollars are spent annually through magazines and radios, our young people are being influenced to become drinkers.

It is our conviction that the only answer to alcoholism is total abstinence. We, therefore, recommend that our program of education against the evils of alcoholism be greatly accentuated. Sunday School teachers and ministers in season and out of season should strike at this deadly evil. We also recommend that our people send to the State legislature men who are committed to a state-wide referendum on this issue. We believe that the liquor traffic should be outlawed in our State. The time has arrived for us to recognize that alcohol used as a beverage is a relic of an unenlightened and unchristian civilization.

Dr. Broadus E. Jones—First Baptist, Raleigh
T. Lacy Williams—Hayes Barton, Raleigh
Dr. Roger Crook—Mt. Olivet
J. R. McDaniel—Garner
Mrs. Gerald Maynard—Longview, Raleigh

25. Following the presentation of his report, Dr. Broadus Jones moved the appointment of a committee from the Raleigh Association to keep our legislators aware of our attitude con-

cerning legalizing gambling and a statewide referendum on alcoholic beverages. (See item 46 below.)

26. Mr. Biggerstaff of the Allied Church League urged observance of Commitment Sunday.

27. The pastors of the host churches were recognized and presented by the Rev. Mr. Garner, pastor at Rolesville.

28. The Registration Committee reported that 332 messengers and 153 visitors had registered. Many visitors, some out-of-state visitors returning to home churches, were recognized.

29. Following congregational singing, Dr. L. M. Massey of Zebulon conducted a short memorial service for our beloved dead. The Rev. Beverly Asbury of Zebulon led the prayer, and Miss Green, a student from Meredith College, concluded the service with an appropriate vocal solo.

30. The Rev. L. D. Holt, pastor of the Emmanuel Church in Raleigh, read the Scriptures preparatory to the associational sermon.

31. The Rev. L. J. Morris, pastor of St. Johns Church in Raleigh, preached the associational sermon, in which he made a stimulating and challenging plea that a vital and dynamic Christianity be a spiritual reinforcement for the tensions of modern living.

32. Dr. W. R. Cullom pronounced the benediction, which was also a prayer of thanksgiving for the noon meal.

Friday Afternoon, October 29, 1954

33. The afternoon session began with Director Vinson leading in the singing of "Stand Up, Stand Up For Jesus" and "O Jesus Thou Hast Promised."

34. The Rev. Paul Pridgen, Jr., pastor of Swift Creek, led the devotional with reading from the Scriptures and prayer.

35. Moderator Murray introduced Dr. M. A. Huggins, General Secretary and Treasurer of the Baptist State Convention, who presented a report on the Advance Program of North Carolina. Using a graphic comparison between the old township plan and the current state and nationwide plan of roadbuilding, Dr. Huggins declared that we can no more afford to go back to the old plan of distribution of our funds than we can go back to the township plan of roadbuilding. He made an earnest plea that we make greater use of the Cooperative program to channel our offerings to those areas in which they are most needed and

can be most effectively used in the Kingdom program. He deplored the decrease in the part of the dollar going to the Cooperative Program and requested that at least three cents more of each dollar be given through the Program this year.

36. The report of the Executive Council, as given below, was adopted with the exception of the first recommendation:

Report of the Executive Council

The Executive Council of the Raleigh Baptist Association held five regular meetings during the year. The first meeting was held November 16, 1953, for the purpose of organizing the Council. The following officers were elected: Victor S. Dowd, President; W. M. Page, Vice President; John A. Poe, Secretary. These officers were requested to nominate members of the standing committees. Requests for Pastoral Aid from State Missions were approved for the following churches and passed on to the State Convention: Longview Gardens, Wakeminster, Carolina Pines, Wilder's Grove. A motion to grant aid to Boylan Heights was tabled.

A regular meeting of the Council was held February 15, 1954, at Hayes Barton Baptist Church. The following committee nominations were approved:

Executive Committee: Victor Dowd, W. M. Page, J. A. Poe, Ross Cadle, Carey Mumford, John Kincheloe;

Program: Ross Cadle, A. C. Roberts, Bennett Straughn, Mrs. W. M. Page, Mrs. D. W. Merritt, Ray Hodge, C. L. Capps;

Finance: Carey Mumford, A. C. Broughton, Charles Summey, G. W. Bullard, Sam High, O'Neal Sears, D. W. Smith;

Missions: John Kincheloe, L. H. Beck, Don Appleton, Douglas Aldrich, Joe Roach, Parks Harris, John Garner.

The Missions committee was authorized to keep a \$15,000 option taken on the Ridge Road property and to investigate possibilities of paying it off. Dr. Ellis made the motion that the missionary start work as soon as possible on Garner Road situation. A motion was carried granting \$100.00 to be added to the Training Union budget for the year. Our Finance committee was instructed to study the possibility of eliminating the request to the State Board for aid to our Association. The Longview Baptist Church requested the deed for their property to be turned over to their trustees. Request was granted. Boulevard and Wilder's Grove Baptist Churches, now under watchcare of the Association, were invited to send regular representatives to the meeting of the executive council. \$300 was granted for Pastor's aid for Mary's Chapel.

The April meeting of the Council was held April 12 in the Hayes Barton Church. Dr. Kincheloe brought a report from the Missions committee that the school had been secured on Ridge Road for services effective April 25, and also 4 lots of about 500 feet frontage were offered in Home Acres for the low cost of \$500.00 per lot for the Garner

Road situation. Brother Pridgen reported that services had begun in the Garner Road area and some 72 people had indicated they would be interested in becoming charter members. The missions committee was given authority to take option and purchase at their discretion the Garner Road property and to proceed with the organization of a church as soon as wisdom and circumstances would permit. Brother Douglas Aldrich was elected as Evangelistic Representative of the Association.

At the July meeting, Brother Pridgen presented requests from three churches, Highland, Neuse, and Leesville, for supplements to Pastor's salaries. It was unanimously adopted. A motion was carried that the Association not ask help from the State Mission Board for the next fiscal year. A motion carried that the Executive Council continue the practice of purchasing lots for new churches where the missions committee finds the need to be obvious, but that the committee try to anticipate the need and buy new lots at the least possible cost. The membership committee was requested to consider the application of the Six Forks Community Church for membership in the Raleigh Association. A motion carried that the Council look with favor upon a renewal of the request of Boylan Heights Church for financial aid.

The final meeting of the year was held at Hayes Barton Church. A report was given from the Finance Committee concerning the budget which is being increased from \$16,437 to \$19,962. The \$2,000 allocated for the parsonage was removed from the preferred items. Rev. Douglas Aldrich gave a report from the Evangelism committee urging cooperation in the simultaneous crusade in 1955. The Evangelism representative and Executive Secretary were authorized to appoint the Steering Committee.

The following recommendations come from the Executive Council:

1. That Article I, Section 3 as amended, be further amended to read that the one year watchcare need not apply to churches organized by this association.
2. That the minutes of the coming Associational meeting be dedicated to C. A. Upchurch and R. H. Herring.
3. Due to the expanding work of the Association we recommend the establishing of an Associational Office separated from the residence of the Executive Secretary. That the Finance Committee be instructed to appropriate an adequate amount in the budget for such an office. That the Executive Committee of the Council work with the Executive Secretary in selecting a suitable office.
4. The primary Mission work in the bounds of the association is ever increasing. This requires much of the present Executive Secretary's time. The Raleigh Association is now numerically the largest district association in the state. The work of the Association has assumed such large proportions that it is impossible for one person to supervise, plan and promote all phases of the work. Therefore we recommend that the Executive Committee be charged with the re-

sponsibility of studying the situation thoroughly, especially the matter of the employment of another worker. That a report or recommendation be brought to the Executive Committee in time for consideration and presentation to the 1955 Annual Session of the Association for action.

5. The appointment of T. Lacy Williams, R. N. Simms, Jr., and A. L. Aycock as a special committee of the association to revise and bring up to date the constitution, reporting at the next session.

6. The celebration of the year ahead (sesqui-centennial) through major emphasis by all departments of the association of evangelism . . . in line with the planned Revival Crusade.

7. That the association request all churches to cooperate in the celebration of the year by an all out program of evangelism and enlistment.

8. That the association appoint at this annual session a historian to work with the Executive Secretary in the preparation of the story of the aggressive expansion in the association during the last few years and print it in pamphlet form for distribution at the next annual session.

Respectfully submitted,

W. M. Page, Acting President

John A. Poe, Secretary

37. Dr. J. A. Ellis, pastor of Tabernacle in Raleigh, offered the following as a substitute for the first recommendation in the Report of the Executive Council. It was adopted.

Amendment of Article I, section 3, of the Constitution. That the sentence beginning "After at least one year" be deleted and in lieu thereof the following sentence be inserted:

A church, upon organization, may apply for membership through the Executive Committee of the Association. If, in the judgment of the Membership Committee, such church has met the requirements listed above, by the next regular meeting of the Association, it may recommend that such church be received into the Association without further delay.

As amended, Section 3 of Article I now reads:

Section 3. All churches applying for membership in the association shall be received under the watchcare for a period of time sufficient to prove, through practice and attitude, its place as a cooperating Baptist Church. A church, upon organization, may apply for membership through the Executive Committee of the Association. If, in the judgment of the Membership Committee, such church has met the requirements listed above, by the next regular meeting of the Association, it may recommend that such church be received into the Association without further delay.

Note: As a special committee has been appointed to rewrite the Constitution, the rewritten constitution, approved and

amended by the 1955 session, will be printed with the By-laws in the 1955 Sesqui-Centennial Annual.

38. The treasurer's report was approved.

Report of Sesqui-Centennial Committee

The following recommendations are made with reference to the observance of the sesqui-centennial year:

1. That the history of the Raleigh Baptist Association, which is being prepared as a graduate thesis at Southeastern Seminary, under the direction of Dr. Pope Duncan, professor of church history, be published separately from the minutes, instead of being incorporated therein, and that the details for doing this be worked out by the committee as progress on the history is made.

2. That a short resume of the history be published in the minutes.

3. That the meeting of the Association be held at Wake Forest in 1955 with the aid of the associated churches as listed in the minutes under the year 1958, and that the group of churches listed for 1955 be the hosts in 1958.

4. That the Association extend to the Baptist State Convention of North Carolina an invitation to hold its annual meeting in 1955 in Raleigh.

5. That such recommendations, made by the committee last year and approved by the Association, which are in conflict with the above be rescinded.

Respectfully submitted,

C. G. Mumford, Chairman

A. L. Aycock

L. H. Beck

Mary Lynch Johnson

John W. Kincheloe, Jr.

49. The report of the Committee on Resolutions was approved. In the absense of the chairman, the Rev. W. M. Page served.

Report on Resolutions

We wish to express sincere appreciation to the moderator, clerk and other officers of the Association for the splendid way in which they have conducted the sessions of the annual meeting; to all who have taken part on the program; and to the host churches for their generous hospitality in entertaining the 1954 session of the Raleigh Baptist Association.

We also express appreciation for the program carried on by our association; to the several committees for their efficient service; to

the Executive Secretary and the Executive Council for their promotion and direction of the work throughout the year.

Respectfully submitted,

W. M. Page, Chairman

Coit Ray

G. W. Bullard

50. The report of the Committee on Nominations was approved and the following elected as officers for the Association:

Robert N. Simms, Jr., Raleigh ----- Moderator

Lamar J. Brooks, Cary ----- Vice-Moderator

A. L. Aycock, Wake Forest ----- Clerk

L. G. Bullard, 503 E. Jones Street, Raleigh ----- Treasurer

T. Lacy Williams, Hayes-Barton, Raleigh

E. F. Canady, Forest Hills, Raleigh

John M. Simms, Tabernacle, Raleigh ----- Trustees

Paul Nix, Boulevard, Raleigh ----- Homes for the Aging

L. H. Beck, Fuquay Springs ----- Brotherhood Representative

Beverly Asbury, Zebulon ----- Radio and Visual Aids Adviser

51. Upon motion of Mr. Robert Simms, Jr., a resolution by Dr. R. T. Daniel, newly-elected chairman of the Ordination Committee, that the Ordination Committee be allowed to ordain others than pastors called to the ministry was referred to the Executive Council with power to act.

52. Mr. Robert N. Simms, Jr., newly-elected Moderator, was requested to preside during the remainder of the session.

53. Moderator Simms presented Dr. E. McNeill Poteat, pastor of the Pullen Memorial Church in Raleigh, for an address on "Looking Forward in Race Relations." Surveying briefly the origin of slavery in the United States and the subsequent moral and economic complexities of the liberation and education of the Negro, Dr. Poteat suggested that the U. S. Supreme Court decision ending segregation in the public schools is the next logical step in the developing of race relations, abolishing slave trade and abolishing slavery being the first two steps. It is necessary, he continued, to come to grips with the issue religiously as we have already done in certain areas of trade and economy. The Christian formula is clear: Love others. Desire to achieve for them what you actually know is good for them. Emotions must be made over. As we cannot go back to slave trade or slavery, neither can we go back to segregated schools. We have to accept

the abolition of racial discrimination as we have accepted the abolition of slave trade and slavery.

"There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female; for you are all one in Christ Jesus." Gal. 3:28

55. Upon the completion of his address, Dr. Poteat led in the closing prayer.

Minutes of the Organizing Council

Highland Baptist Church

The Highland Baptist Church was organized May 23, 1954. The organizational meeting was held in the new building on the site off Garner Road, under the leadership of the Rev. Lee Pridgen.

An organizing council was made up of ministers and deacons of the Association. There were sixteen members of this council.

The meeting was called to order by Missions Committee chairman, Dr. John Kincheloe, Jr. The Rev. Charles Summey was elected Moderator, and the Rev. Bennie E. Pledger, Secretary.

The council heard from members of the new church group. Mrs. D. W. Merritt spoke about the history of the church. Mr. R. A. Rowe talked on "the spirit of the movement." Several others came before the council showing forth the fine Christian attitude of the people about this church. Dr. John Kincheloe, Jr., Chairman of the Missions Committee, made a motion that we organize a Baptist Church here in accord with Baptist faith and practice. The Rev. Parks Harris seconded the motion. The passing of this motion led the program into the organizational meeting.

The order of business was adopted.

The unanimous action of the church chose the name Highland Baptist Church.

After hearing the history of the church and the nominations of officers for the new church, Dr. E. L. Spivey preached a soul searching message on Christian stewardship. The charter members were received and the Highland Baptist Church became another beacon to guide this world into a better way.

Early Beginning of the Highland Baptist Church

In 1953 the Missions Committee first studied the rapidly developing community of the Home Acres and Cross Link Road section on the Garner Road with the purpose of locating a church site.

Negotiations were carried forward during the rest of the year 1953 and the early part of 1954. The final decision by the Committee was to purchase the present site located on the crest of the hill overlooking Raleigh.

The Rev. Mr. Lee Pridgen, Executive Secretary of the Raleigh Baptist Association, negotiated with Mr. W. C. Vick, the owner of the property and a loyal member of St. John's Baptist Church. After several conferences Mr. Vick offered the property to the Association for \$2,000.00. This site on Hilltop Drive has 400 ft. frontage by an approximate depth of 200 ft.

The first public announcement of the definite plans for the church on Hilltop Drive was made by Mr. Pridgen on March 7, 1954, in the Garner Baptist Church. After the presentation of the needs and the enthusiasm and interest of the people of the Garner Road community, the Garner Baptist Church sanctioned the plans.

Immediately visions of a church on the hill began to formulate in the minds and hearts of the people and the interest grew with increasing momentum. Prayer services were planned to meet in the homes — the first being held on March 25, 1954, in the home of Mr. and Mrs. D. W. Merritt. Other services were held in the homes of Mr. and Mrs. Walter Martin, Mr. and Mrs. W. C. Stephenson, Mr. and Mrs. R. A. Rowe, Mr. and Mrs. John Hall, and Mr. and Mrs. R. R. Denning respectively.

In the following weeks a census was taken to determine the number of persons in the community who were definitely interested in the new church.

Mr. Pridgen presided over most of the prayer service, formulating and explaining plans and steps necessary in organizing a new church. Inspirational messages with themes centering around Christ's great commission and Paul's letters to the churches he had formed prepared and challenged the hearts and minds of the group to go "all out" for the building of a church in the community. Attendance at these meetings ranged from 25 to 50 with an average of 35.

The foundation for the temporary building of the new church was completed on April 24, 1954, on the lot that had, a few days before, been levelled and made ready with the use of a bulldozer operated by Mr. Howard Bettis.

The following week the erection of the building progressed rapidly under the supervision of Mr. George Stockstill from Emanuel Baptist Church and the men of the community who gave unstintingly of their time and talents. After four or five days of work the building was open for the first service on May 2, 1954. On this day Sunday School classes were organized and volunteer teachers took charge, meeting outdoors, in nearby homes and in the church. This was followed by the morning worship and a message by Mr. Pridgen.

A table beside the church was filled with an abundance of food and drinks and many visitors from other churches fellowshiped with the group. The afternoon service brought messages from leading laymen and pastors of the Association.

Through the influence of Mr. A. C. Roberts, Associational Sunday School Superintendent, a Vacation Bible School was planned with Mrs. Lee Prince as principal. She and the chosen workers attended the Vacation Bible School Conference at Hayes Barton Church. Following this, several meetings were held to complete plans for the school to be conducted the first and second weeks in June.

An organizational meeting for a Woman's Missionary Union met with Mrs. D. W. Merritt on May 7, 1954. Mrs. Lee Prince was elected president and all other officers necessary in constituting a full graded Union were chosen.

The average attendance at Sunday School for the first three Sundays was 108 and offerings for both Sunday School and worship services averaged \$136.35.

On the second Sunday night in May Mr. Pridgen began a series of services for each night of the week to follow. He continued his

discussion of the immediate and future plans of the church and gave special emphasis to the doctrines of the Baptist Church by reading and discussing thoroughly the Church Covenant and the Articles of Faith. Visiting ministers were the Rev. Mr. Parks Harris, pastor of Samaria; Dr. J. W. Kincheloe, Jr., pastor of Hayes Barton; and the Rev. Mr. C. W. Bazemore, Associate Editor of the Biblical Recorder.

On Sunday, May 16, 1954, Mr. Charles McMillan, a student at the Southeastern Seminary, brought inspirational messages at both morning and evening services.

During and preceding the series of services, several names for the new church were presented. The final vote was taken on Sunday morning, May 16. By a unanimous vote the name "Highland Baptist Church" was accepted to be made official on May 23, pending the organization of the church.

On the same day, Mr. Pridgen appointed a nominating committee composed of the Sunday School teachers to select officers for the church to hold office until the end of the church year. This committee met on May 18 with Mr. Pridgen presiding. After much deliberation a list of officers was nominated. On the following night at the Prayer Service, Mr. Pridgen presented the report of this committee and asked for nominations from the floor. The vote was unanimous, with the understanding that the official election would take place on Sunday, May 23, after the organization of the church. The following officers were elected:

Sunday School Superintendent	J. V. Dalton
Associate Superintendent	R. A. Rowe
Church Clerk	Mrs. J. V. Dalton
Treasurer	W. H. Barkley
Sunday School Secretary	Mrs. W. C. Stephenson
Training Union Director	W. B. Clark

Building Committee	Lee Prince, Chairman, John Hall, B. T. Royster, H. W. Jackson, L. A. Waters, C. W. Casey, Kerman Martin
Finance Committee	W. C. Stephenson, Chairman, B. W. Smith, V. H. Jordan
Ushers	A. C. Height, Bloice Kornegay, Samuel Austin, Irving Gray
Pianist	Mrs. J. M. Jarrell
Associate Pianist	Miss Betty Lou Rowe
Choir Director	Mrs. D. W. Merritt

On Friday night, May 21, a baptismal service was held at Hayes Barton Baptist Church for seven candidates who came into the church from other denominations in order that they might obtain and present letters with the first group constituting the new church.

The new church wishes to extend gratitude and sincere appreciation to those who have played such an important part in the beginning of the church: to Mr. Pridgen for his untiring efforts, unswerving and spiritual guidance; to Mr. George Stockstill and all of the

men who labored to make the church a reality; to the women who visited, worked, prayed and held meetings; to the young people and children whose enthusiasm knew no bounds and who challenged everyone to greater service; to Mrs. V. H. Jordan who so generously offered her new piano to be used in the church until one could be secured; to the Home Demonstration Club for the plates and forks used for the dinners; to Mr. C. M. Ford for the use of his tables on which to spread the dinners; to Mr. T. H. Layton and Mr. Job P. Wyatt for lending chairs and seats to furnish the church; and to Mrs. W. C. Stephenson who from the first meeting began writing a history of the church in minutest detail, expressing the high hopes and aspirations of the people, describing the work as it progressed, relating the inspiration and fellowship and even the abounding joy of the children as they took part in the realization that a dream was coming true.

Together this church group humbly submits to the will of Him who doeth all things well and careth for His own, assured that His spirit shall abide even until the end of the world, with the hope and prayer that the light of this church on the hill may shine so bright as to reach to the uttermost parts of the earth.

Respectfully submitted,

Mrs. D. W. Merritt

Mrs. W. C. Stephenson

2. The Rev. Roy Keller, pastor of Green Level, read from the Scriptures and led in the opening prayer.

3. Moderator Robert N. Simms, Jr., then called the meeting to order and asked for a report on registration. Upon motion of the clerk, A. L. Aycock, it was agreed that the messengers registered and others to be registered later in the session should constitute the official body of the association for the transaction of business.

4. The Rev. G. W. Bullard, pastor of the Temple Church in Raleigh, reported for the Committee on Order of Business. His report was adopted and became the order of business for the associational meeting. Minor modifications are indicated in the report as printed below.

Adjourn

5. The Report of the Membership Committee was unanimously adopted and Highland, the Rev. Charles McMillan pastor; Ridge Road, the Rev. James Ray Pastor; and Six Forks, the Rev. B. M. Spence pastor, were welcomed into the full membership of the Raleigh Association. (Through an error the Highland pastor and messengers were not called to the front to receive the formal welcome extended Ridge Road and Six Forks.)

6. Moderator Simms in his annual message called attention to the Sesquicentennial celebration and the new history commemorating it. He expressed the desire that the harmony of the session be expressive of our Christian heritage and that it be forward looking as an indication of our desire as individuals and as an association to advance with Christ as our example in winning the world to him.

7. The report of the Sesquicentennial Committee, scheduled to follow the moderator's message, was temporarily deferred. (See item 12 below.)

8. Dr. L. L. Carpenter, editor of **The Biblical Recorder**, spoke of Christian Literature. Calling attention to the vast contrast between the seven percent of the American colonists who were church members and the sixty percent of our population who are **nominally** church members, the speaker wondered whether the increase in the number of church members has been matched by a corresponding increase in the quality of church membership. He stressed the need for a consecrated membership, a membership devoted to the cause of Christ, and suggested that God's workers should teach the people, preach to them, and get them to read the right kind of literature. The speaker noted with approval that fifty million copies of Baptist papers go into the homes of Southern Baptists and that sixty-four churches in the Raleigh Association have either a club or an every family plan for the **Recorder**.

9. In the absence of Dr. Stealey, Chairman, the Social Service report, written by Dr. Olin Binkley, was read by a member of the committee, The Rev. Lamar J. Brooks, who moved its adoption. The report as follows was adopted.

REPORT ON SOCIAL SERVICE

We have to compose our minds and do our work in a world that is divided and frightened. Within our own nation and region there is much that is noble and good, but there is also much that is flatly at variance with the spirit and teaching of Jesus. Ugly demonstrations of hatred and cruelty remind us that the society in which we live is far less Christian in its basic motivation than the numerical strength of the churches might indicate. The crime rates of Southern cities are the highest in the nation.

MORAL EARNESTNESS

One hopeful sign, however, is an awakening of moral earnestness within the churches. This recovery of concern for personal integrity and social righteousness springs out of a resurgence of Christian faith. Men of faith examine human situations in the perspective of the sovereignty of God, and they think through the penetrating question: "How does Jesus Christ expect his disciples to think, speak, and act in the main stream of life in this generation?"

Christians are created in Christ Jesus for good works (Ephesians 2:10). It is our responsibility to stand on the front line of conscience and compassion in our dynamic communities and to bear witness to the validity of Christian moral ideals in daily living.

We have an opportunity to participate affirmatively and effectively in the moral crusade approved by the Southern Baptist Convention in session last May. In January many of our churches will study the Sermon on the Mount. It is hoped that this study will draw us into a deeper knowledge of the mind of Christ and enable us to see more clearly the Christian pattern of life. *The Christian Life Bulletin* published monthly by the Christian Life Commission of the Southern Baptist Convention (161 Eighth Avenue North, Nashville, Tennessee) is a convenient source of information on vital issues confronting the churches in the South today.

CHRISTIAN FAITH AND FAMILY LIFE

The integrity of the family is the foundation of a responsible society, and the home is the place in our culture at which we have the best chance to apply the moral principles of our faith. God is at the center of life in a Christian family. Such a family orders its life by Christian moral standards, treats every individual as a person, and teaches its members the deeper meaning of service.

We think that the churches can improve the quality of life in the home (1) by teaching youth a Christian philosophy of marriage and parenthood, (2) by assisting parents in the religious education of children, and (3) by relating the resources of the Christian community to older people as they live through the complex biological, psychological, and social process of aging.

CHRISTIAN CITIZENSHIP

It is our duty as Christian citizens in a democratic society to participate in the selection of leaders, to clarify the moral aspects of social issues, and to seek Christian solutions of social problems.

The Christian conscience is disturbed by the problem of beverage alcohol in our society. Consumers in the United States expended \$9,885,000,000 for alcoholic beverages in 1953, according to the annual report of the Office of Business Economics of the United States Department of Commerce. This means that the use of alcoholic beverages is widespread and increasing in our technological society, and that we should be alert to every opportunity to teach a non-alcoholic way of life, to set forth the findings of research concerning the nature and effects of alcoholic beverages in a program of education, and to demonstrate a Christian concern for excessive drinkers and for their families.

The Christian conscience is disturbed also by the possibility of war. The Southern Baptist Convention in session at Miami last May expressed the following convictions:

"That, while we recognize the necessity of preparation for national defense, we deplore any effort of the military to establish a continuing policy of universal requirement of military service, believing that the selective service law is sufficient and that the fruits of universal military training would further weaken the principle of freedom and increase the danger of our becoming a military civilization tempted to world domination. . . .

"That we commend the President, the Secretary of State, and other leaders in both parties for their public utterances and patient diplomatic conduct which indicate their purpose to exhaust every possible means toward peace without war."

We know that the prevalence of racial prejudice and hostility is a problem of enormous complexity and grave consequence. The relation of group to group is the central issue in modern society, and no factor in Southern life presents more baffling difficulties nor weighs more heavily on the Christian conscience than the relation between the races. We have an opportunity to create a spiritual climate in which the emerging issues can be faced on the high level of intellectual maturity, moral integrity, and Christian wisdom.

10. Mr. Eason led in the singing of "My Faith Looks Up to Thee."

11. Messengers and visitors from other associations were recognized and welcomed.

12. In the absence of the chairman, A. L. Aycock made the report for the Sesquicentennial Committee. He called attention to the newly published history and indicated that the plan for including a resume had been abandoned, as five copies of the history were to be presented to each church. He expressed for the committee their sincere thanks to Dr. Pope Duncan, Mr. Eaton, and to any others who had contributed to the success of writing and publishing the volume.

13. The Associational Report was presented by A. L. Aycock, Clerk, and was adopted upon his motion. It follows.

ASSOCIATIONAL REPORT

FOREIGN MISSIONS

As we read the new *History of the Raleigh Baptist Association*, we are reminded again of the days when Mathew Yates pioneered in carrying the gospel to "the ends of the earth" and stirred the association to an added interest in and support of foreign missions. From early spasmodic efforts and casual support, Southern Baptists now have 1022 missionaries appointed to serve in thirty-five countries. With about a thousand native workers, these are serving over two thousand Churches, and more than two thousand out-stations. When we consider the millions who still know nothing of "Jesus and his love," however, we appreciate the plentifulness of the harvest and the fewness of the laborers.

Only those who are familiar with the annual report of the Foreign Mission Board can appreciate the staggering task and the unlimited opportunity facing us if we take seriously the admonition of the Master to preach the gospel to all the world.

STATE MISSIONS

Brother Spivey begins his report with a redefining of State Missions, which he calls "the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world." He reminds us that there are 4,225,000 people in North Carolina and that nearly 2,000,000 of these above the age of eight are unchurched. This fact presents an urgent challenge to the 781,777 white Baptist church members in North Carolina, especially when we consider that many of these are nominal rather than active church members.

The report recommends a varied program of mission activity to meet the challenge:

A. A vigorous teaching and training program in every area of work from the Sunday School to the Baptist Assemblies.

B. A vigorous and continuing crusade of evangelism, not only on a State and Association-wide level but in every church by every Christian.

C. Building new churches and strengthening old ones. (Those who have been following the progress of church organization and church strengthening in the Raleigh Baptist Association under the guidance of Brother Pridgen have an opportunity of observing at first hand the importance of this significant work.)

D. Better trained pastors. In addition to the Pastors' schools promoted by State Missions and the training at Fruitland and Caswell, the Raleigh Association is fortunate to have in its midst the South-eastern Seminary, whose students are contributing to the churches in the Association as student pastors.

E. Ministering to the Negroes and Indians within North Carolina, "Not," says Brother Spivey, "because the Catholics are winning them, but because we should. Ours is the major denomination in North Carolina and, therefore, they are our responsibility."

F. Better trained denominational laymen leaders. "Baptist Student Centers near the campuses of our state colleges and other schools are a must," continues the report in suggesting that the 20,000 sons and daughters from our Baptist homes must be trained in cooperation and loyalty *now* for leadership in all the areas of tomorrow's world.

Brother Spivey's report concludes with the plea that "you as an individual and you as a church do your part so that the first part of *The Great Commission* may be obeyed — and that those rich ministries may be continued to the extent that next year North Carolina and the world may be more Christian."

BAPTIST ORPHANAGE

"Probably there has never been a year in the history of the Orphanage when the children's needs were more adequately met." With this optimistic beginning Superintendent Reed makes his report on the 713 children cared for in your Children's Homes and the more than 600 others who received assistance in placement.

Charity and Children, the Orphanage publication, goes into more than forty-seven thousand homes each week and still costs only sixty cents per year in clubs of ten through the Sunday School or Church. Superintendent Reed insists that "Through *Charity and Children* you get so much for so little you just can't afford to miss it."

The new Church building at Kennedy home is almost completed, and during the year the Broyhill Swimming Pool, a gift from the Broyhills of Lenoir, N. C., was constructed at Mills Home.

The report stresses the need for a continuation of the Thanksgiving offering and has the following to say about the new plan of support:

"In 1954 our income from the Churches was at an all-time high. The Baptist State Convention voted for the Orphanage to come into the Cooperative Program beginning January 1, 1955. From the Cooperative Program it is to receive 'That part of its support not otherwise provided

for.' Under this plan the vast majority of the Churches continue to send to the Orphanage the once-a-month offering just as in the past. Some, however, have put the Orphanage in their Cooperative Program budget. It now looks as if about sixty thousand dollars of our income this year will be through the Cooperative Program."

BAPTIST HOMES FOR THE AGING

In their fifth year of operation the Baptist Homes for the Aging report a year of encouraging progress. The construction of the Administration and Residential Building should soon begin and be completed within a year at a cost of \$300,000. It will provide office facilities, dining room, kitchen, chapel, infirmary, recreational and handicraft space, and rooms for forty additional residents, raising the total capacity to ninety-five and reducing the continuing waiting list of applicants. Two-thirds of the cost is in hand and other gifts are being made.

With increased receipts from special day offerings and with their share from the Nine Year Program, the Homes are realizing increasingly the desire to give more aid to more people who need to become residents of the homes but who are able to pay only a small part and sometimes none of the costs of living in one of the Homes. It is specifically stated that "Regardless of financial condition, an applicant is received into the Homes on the basis of need and room available." Between January 1, 1955, and October 1, 1955, the churches of the Raleigh Baptist Association contributed a total of \$1,838.63 to the Homes.

NORTH CAROLINA BAPTIST HOSPITAL

"Our Baptist Hospital fills an important place in the life and work of North Carolina Baptists. It will probably serve 50,000 patients this year, touching every area of our State.

"In addition to this great host of sick people, our hospital provides an educational program for more than 450 young people who are in training to become nurses, doctors, technicians, pastors and other Christian workers.

"The Department of Pastoral Care provides counseling and guidance for the patients, students, hospital staff and personnel, as well as hundreds of others who come to the hospital from over the State for this purpose alone.

"It is not easy to estimate the value of these and other services rendered by our hospital to multiplied thousands of people of all ages in the fields of health, education, and spiritual guidance.

"The cost of carrying on this program for such a multitude of people is tremendous — more than two million dollars a year. One-half million dollars of this is spent in helping to care for sick people who are not able to pay for the service they need. We are grateful to God for the privilege of sharing in such work, and we want to thank the Churches of our Association for their part in it.

"The opportunities for Christian service and witness through our hospital are truly great. We need to give it a much more generous

support through our Mother's Day offerings and the Cooperative Program.'

SUNDAY SCHOOL

Because of certain recommendations and the background for them, I present the report of Sunday School Superintendent Bennie Pledger as he prepared it.

The Sunday School Department of our Association has tried to encourage the churches to become more conscious of the importance of a well organized Associational Program. The gains in the Association for the past year in Sunday School membership and in Church membership have been encouraging.

We have had five Sunday School Workers' Conferences with emphasis upon Sunday School Superintendents and their work. The Sunday School promoted a Sunday School emphasis Sunday during the revival crusade and sponsored an Evangelistic Rally in March. The reports from the churches cooperating in these efforts were inspiring. The Vacation Bible School contributed greatly to the success in Sunday School work in the past year. The organization in our Association for Sunday School promotion is not at all adequate. Because of the endless effort in promoting a Church program the Association must be in the cooperative spirit for bringing about a good end; thus we recommend the following:

- (1) That the Raleigh Baptist Association enlist workers for each Department of work from Cradle Roll through Extension Department.
- (2) That at least quarterly meetings of this group be maintained.
- (3) That the quarterly meeting be in the form of a Sunday School Clinic with a general assembly and then a breakdown into departments for discussion and teaching.
- (4) That the Sunday School workers of the Association be encouraged to attend the Sunday School Leadership Conference at First Baptist Church in Durham in January.

It is with deep concern for a better Associational Sunday School Program that these recommendations are made. Using the past only as a challenge may we look to the future with great anticipation for Christ to unify our churches, to help organize our efforts, and *LET US GO ON TO VICTORY.*

TRAINING UNION

The report from Director Bennett Straughn is given in its entirety because of much information and certain plans.

"We feel that we have had a very good associational year. Interest has continued to grow in the various meetings held during this year. It is estimated that around 5,000 were in attendance for all meetings. These meetings consisted of: Executive Committee, Officers' and Leaders' Conference, and Mass Meetings. The Mass Meeting in June is held by groups with a group director in charge. It has been found to be very helpful and effective to hold these group meetings once each year with members within the group participating in the program.

"Our largest attendance at any one of these meetings was our "M" Night (Mobilization) held in December. It was held in the Memorial Auditorium in Raleigh with 1500 in attendance. This was the largest in the State and near the top in our Southern Baptist Convention. We suffered a drop in attendance from the previous year because of the inclement weather at the time of the meeting — ice and snow having covered the ground. The silver loving cup for highest percentage in attendance was given to the Wakeminster Church. Our "M" Night meeting for this year will be held again in the Memorial Auditorium with Dr. Ralph Herring of Winston Salem being the guest speaker. This year we will conclude our "M" Night meeting with a dedication service.

"During this past year our associational officers participated in a group training school with nine churches participating. The attendance was very good.

"Our attendance at our summer assemblies, both State and South-wide, are continuing to rise. Participation in the tournaments, both State and Southwide, is very encouraging. It leads us to believe that our people are taking seriously the opportunities offered for Christian growth through the Training Union.

"We are looking forward to an even greater year in Training Union for we believe that our pastors and people are realizing and are seeing the fruitful work being done by the Training Union. A large percentage of our full-time Christian workers today give Training Union the credit for having inspired them to dedicate their lives to the Lord. We feel that the Training Union is the greatest agency in the church for preparing our church members for service in the church and throughout the world.

"Our goal for this coming year is a Training Union in every church in the Raleigh Association."

CHRISTIAN LITERATURE

Because they illustrate and emphasize other phases of this total report, I quote the first two paragraphs of Dr. Carpenter's REPORT ON BIBLICAL RECORDER AND OTHER BAPTIST LITERATURE:

"The printed page has great power. Its message can go to many places where the spoken word and sermon cannot be heard. Christian literature is a mighty force for good in promoting the Lord's work and in sowing the seeds of righteousness in the minds of people today. The devil is using the power of the printed word as never before. There is a vast flood of bad literature that promotes paganism, worldliness, and downright evil thoughts and deeds. Some of these bad books, periodicals, magazines, often get into Baptist homes. This should not be. Baptists have compelling reasons to seek out and use the fine Christian literature that is to be had today; and surely they ought to read the excellent variety that comes from Baptist presses.

"Perhaps no body of people in the world has a finer array of wholesome, inspiring literature for all ages than the Baptists. The aim of it all is to inform the people, to unify and enlist them in the Lord's

work, to indoctrinate them in Baptist truths, to uphold the Bible and its teachings, and to point out the great sweep of Baptist work that claims the finest efforts of all who serve God in these days. Christian literature must be promoted, read, and used by our people in our homes and churches, if the whole program of Christ is to be carried out by Baptists working together."

Dr. Carpenter suggests that the *Biblical Recorder* is playing an important part in carrying out the purpose for which the North Carolina Baptist Convention was founded in 1833: "the promotion of missions, education, social service, and the distribution of sound religious literature."

The Baptist Book Store is also helping to carry out that purpose by stocking the best possible selection of wholesome literature covering every worthwhile field of interest and activity, both religious and secular. A visit to one of the stores is most rewarding.

The *Charity and Children*, publication of the Orphanage, offers significant information about the Orphanage and also presents valuable information and observations on all phases of Baptist work.

BROTHERHOOD

A comparison of the statistical tables for the past few years will indicate the remarkable growth in the work of the Brotherhood in the Association. President Beck has plans for a fully organized Associational Brotherhood for the coming year. It would include the following officers: President, Program vice president, Attendance vice president, Promotional vice president, Song leader, and Secretary and treasurer.

The goal for the year is twenty new Brotherhoods, making a total of fifty in the Association. He redefines a Brotherhood in a church as "a group of dedicated men, banded together to promote the cause of Christ our Lord through the church and the denomination" and asks, "Won't you be one of us?"

CONCLUSION

As we participate in our Sesqui-Centennial Celebration, we can take just pride in the tremendous progress made in the Raleigh Baptist Association since its organization, its division from and its merging with other groups. When we consider also, however, how much needs to be done, may we take new resolve to help answer the prayer we pray when we say, "Thy kingdom come, thy will be done, on earth, as it is in heaven."

Respectfully submitted,
A. L. Aycock

14. "Continuing Our Christian Benevolences in North Carolina," was discussed by representatives of three Baptist agencies as follows:

- A. Dean Burgin, speaking for the Baptist Hospital, stressed the value of the Mother's Day offering in making possible

a ministry of healing for those who need it but who cannot pay for it, and then he gave some illustrations of those who have received the kind of aid that a Christian hospital can render, a ministering to the complete person — spiritually as well as physically.

- B. Superintendent J. M. Hayes, speaking for the Homes for the Aging, expressed the appreciation of the residents of the Homes for what the Churches are doing for them. He solicited aid for the construction of the new \$30,000 building and concluded with a hearty, "Come to see us."
- C. Mr. I. G. Greer, former Superintendent of the Baptist Orphanage, presented the business of the Orphanage as "Making men and women out of boys and girls." Deploring what he pointed out as two significant facts: that there are 150,000 children born out of wedlock every year in the United States and that there are more children in orphanages with parents than without them, he insisted that we need to save homes, through the grace and love of God, and keep children in them. "To stop stream pollution," he continued, "go up stream where pollution begins." With an impassioned plea for saving homes — and the children in them, he concluded, "Witness your own immortality as you invest your lives in boys and girls."

15. Dr. L. E. M. Freeman conducted the Memorial Services for Our Beloved Dead. His service, presented from notes, so impressed his hearers that he was requested to make a complete text for inclusion in the record. It is printed below.

MEMORIAL SERVICE

A minister conducting a funeral said, "This is not a funeral; it's a coronation." We are privileged to think thus of our blessed dead. Paul speaks of being absent from the body, present with the Lord; and he looked eagerly forward to his crown of righteousness. Jesus said, "In my Father's house are many mansions," and He promised His disciples that He would return for them that they might be with Him in the place He would prepare. The early Christians welcomed death as the entrance into glory.

And so as we think of the more than two hundred of our members who have entered into the life eternal we may thank God for their lives among us and be grateful for the hope which to them has become a glorious reality.

And now, briefly, we may think of those who through the years

contributed to the life and growth of this body. Some of the names we know. They are the ones who from the beginning were conspicuous for leadership. There were hosts of others whose names are kept imperishably only in the Lamb's Book of Life.

Some persons had great dreams in the day of small things. But their dreams led to the formation of this association. Their aim was to promote understanding and fellowship; and Baptists came from near and far to fraternize together, discuss local church problems, and hear good preaching. Questions vital to them, but seldom raised now, were considered, and the messengers took the decisions back to their churches. Thus many local problems were solved. The day of more complete associational organization and expanding programs was yet to come.

And then came an awakening. News of Carey's work in India kept filtering across the world. Piecemeal accounts of Judson's Burman mission reached home. And Luther Rice ranged from New England to the far South arousing interest in foreign missions. It was sowing time; harvesting came later.

It was in the confines of this association that some great ideas had their rootage and growth. Wake Forest, Meredith, and the *Biblical Recorder* owed their beginnings to these ideas. From this body went Matthew T. Yates whose letters for many years were read at the associational meetings and printed in the minutes. Thus our churches were alerted to the mission enterprise. Truly, "There were giants in those days."

Time would fail us to think adequately of the many pastors, deacons, Sunday School superintendents, young people's workers, and the faithful women of our mission societies. All did their part in developing the organization we have today.

It is an inspiring thought that "we are compassed about with so great a cloud of witnesses", cheering us on in the race that they began. Concerning them a stanza of Henry Alford's hymn is fitting.

*Ten thousand times ten thousand, In sparkling raiment bright,
The armies of the ransomed saints Throng up the steeps of light.
'Tis finished, all is finished, Their fight with death and sin;
Fling open wide the golden gates, And let the victors in.*

A moment of silence and prayer.
Closing prayer and benediction.

16. Following the Memorial Services, the afternoon session was closed with prayer.

Thursday Evening, October 27 Wake Forest College Chapel

17. Mr. Easom led in the singing of "Come Thou Almighty King" and "When I Survey the Wondrous Cross."

18. The Rev. Charles McMillan, Highland pastor, read the Scriptures and led the evening Devotional.

19. In an evening program devoted to Christian Education and the history of the Raleigh Association, the Rev. James Ray, Ridge Road pastor, presented the following report on Christian Education.

REPORT ON CHRISTIAN EDUCATION

Education has been defined as that guided experience in the pursuit of Truth. Religious education has been called that guided experience in the pursuit of Truth under the Lordship of Christ. If these statements are approximately correct we must view Christian education as a total life experience, beginning with the child in the environment created by his home, his elementary school and his early church relationship. We must follow him and guide him through his high school years into college days, graduate schools and into the life experience of vocational adjustment, marriage, and home-building.

Baptists in North Carolina and in the Raleigh Association are rich in the resources for providing this guided experience in the pursuit of Truth under the Lordship of Jesus Christ. Let us take inventory on this 150th year.

175,000 parents	}	Guiding the experience in pursuit of Truth for 700,000 N. C. Baptists in the homes and churches.
3,000 churches		
65,000 Sunday School teachers		
1,700 Training Unions		
2,000 WMU Organizations		
1,000 Brotherhoods		

In the Baptist family of colleges there are 5,277 students being guided by 300 faculty members and administrative personnel. Enrollments by colleges are:

Wake Forest	1749	Campbell	665
Meredith	628	Wingate	478
Mars Hill	1035	Chowan	292
Gardner-Webb	430	Southeastern Seminary	408

Let us see these colleges one by one through some dates and pivotal factors in their beginnings.

Chowan College — founded on October 11, 1848. It was founded by Baptists in Northeastern North Carolina and Southwestern Virginia. The first name was *Chowan Baptist Female Institute*, under which it operated until 1911 when the name was changed to *Chowan College*. The present site was purchased in 1851. Since 1878 this institution has belonged to the Baptist State Convention. Chowan became co-educational in 1931 and in 1937 it became a junior college. Its president is Dr. F. O. Mixon.

Mars Hill — opened in 1856 as the *French Broad Baptist Institute*.

It was named *Mars Hill College* in the charter of 1859. The institution was recognized as a junior college in 1921 and since 1923 the trustees have been elected by the Baptist State Convention. Mars Hill is the largest junior college in the Baptist family with an enrollment of 1035. The president is Dr. Hoyt Blackwell.

Campbell College — The first name given in 1887 to what is now Campbell College was *Buie's Creek Academy, Inc.* By 1911 the Baptists in Little River Association owned some interest in the Academy and was electing 20 trustees. The school became a part of the Baptist State Convention in 1925 when the properties controlled by Little River Association and the property of Dr. J. A. Campbell, president, were deeded to the Baptist State Convention. Buie's Creek Academy was raised to the classification of a junior college in 1926 and its name became *Campbell College*. Its president is Dr. Leslie Campbell, son of the founder.

Wingate. In 1897 Baptists in the Union Association, with support and assistance from adjoining associations, organized and chartered *Wingate College*. It is located on its original site at Wingate, N. C. Wingate College became a member of the Baptist family of colleges in 1923 and was at that time qualified as a junior college. Its president is Dr. Budd Smith.

Gardner-Webb. This is the youngest junior college in the Baptist family. In 1905 Baptists in the Sandy Run and the Kings Mountain Associations started the school under the name of Boiling Springs High School. The name was changed to *Boiling Springs Junior College* in 1942. It joined the Baptist family of colleges in 1946. Dr. Phil Elliot is the president.

Meredith and Wake Forest, our two Baptist senior colleges, were organized within the territory now comprising the Raleigh Baptist Association. These two colleges are the only ones which originated under the direct auspices of the whole Baptist State Convention. Special emphasis in this report is given these two colleges because they are both in the Raleigh Baptist territory and because this is the last year Wake Forest will be in this association. Plans are to hold the 1956 summer session on the new campus at Winston-Salem with the first regular term opening on the new campus in September 1956.

Wake Forest, the older of the two senior colleges, was chartered in 1833, three years after the beginning of the Baptist State Convention of North Carolina. Its first name was *Wake Forest Institute*, but it was rechartered in 1838 as *Wake Forest College*. Wake Forest was a liberal arts college for men until 1894 when the Law School was added. The School of Medicine became a part of the college in 1902. It was still a college for men until World War II when it was made co-educational.

There were four men in the first graduating class in 1839. The 1955 graduating class numbered 393 men and women. Since 1839 Wake Forest has graduated 9,857 students.

The endowment of Wake Forest, not including the Z. Smith Rey-

nold Foundation, is \$4,730,130. The endowments for the other six colleges amount to a combined total of \$1,409,360.

The Presidents of Wake Forest are as follows:

Samuel Wait	1834-45
William Hooper	1845-49
John Brown White	1849-54
Washington Manly Wingate	1854-79
Thomas Henderson Pritchard	1879-82
Charles Elisha Taylor	1884-1905
William Louis Poteat	1905-27
Francis Pendleton Gains	1927-30
Thurman D. Kitchen	1930-50
Harold W. Tribble	1950-

Meredith College was chartered in 1891 by the Baptist State Convention and opened in 1899 under the name of *Baptist Female University*. In 1909 the name was changed to *Meredith College* in honor of Thomas Meredith, an outstanding Baptist leader in North Carolina. The original site in the heart of the city of Raleigh was outgrown and the college moved in 1926 to its present location where the campus is composed of 170 acres. There are now eight permanent buildings and three temporary frame buildings. A new classroom building for liberal arts, costing \$385,000 is now under construction. An expansion program, starting in 1952 through 1960, outlines a series of outstanding improvements in buildings and equipment.

Since 1902, 3630 students have graduated from Meredith College. Sixteen of these are now serving as foreign missionaries. The total number of graduates from our two senior colleges since their organization is 13,487.

Presidents of Meredith College:

J. C. Blasingame	1899-1900
Richard Tillman Vann	1900-1915
Charles Edward Brewer	1915-1939
Carlyle Campbell	1939-

While it does not belong to North Carolina, we feel that the *Southeastern Theological Seminary* is properly located within the Raleigh Baptist Association, and it is one of the five southern Baptist seminaries. Southeastern Seminary, its faculty and student body of over 400 have contributed significantly to the life of the churches in our association and in North Carolina.

Baptists in North Carolina, in considering Christian education, cannot fail to recognize and pay tribute to the Department of Baptist Student Union and the churches in college towns which minister to all Baptist students in all the colleges and universities of the state. There are some 18,000 Baptist students in all the colleges of North Carolina; about one-third of these are in all our Baptist colleges. Over 100 churches are so located in college towns as to give them special opportunity to minister to college students. The Baptist Student Union,

while it is an agency of State Missions, does its work in direct relationship with student bodies and churches in college centers in a program of Christian education. We pay tribute to Dr. Bruce Whitaker, State Secretary of the Student Department, to his staff of 14 seminary-trained associates, and to the 100 ministers and churches who make it possible for us to extend the program of Christian education to all college students in North Carolina. Parents and home churches should acquaint their students with Baptist Student Union and urge them to relate themselves creatively through their college years.

In conclusion may we pay tribute to the Council on Christian Education and the work it does in correlating our seven Baptist colleges and the information made available to the Baptists of the state concerning the program of Christian education. We point you especially to the information contained in two small folders produced by Mr. Claude Gaddy. One is entitled "Thirty Questions and Answers on Seven Baptist Colleges in N. C." and the other is "Learning More About our Southern Baptist Seminaries and Colleges".

From these information sheets we learn: (1) That Southern Baptists have 51 colleges enrolling some 55,000 students — 7,000 of them are students for the ministry. (2) That 750 ministerial students and mission volunteers are in our seven Baptist colleges in North Carolina. (3) That North Carolina Baptists will put \$945,000 into the support of these colleges in 1955. This is about \$189 per student. (4) That the total operating costs for the seven colleges in 1955 will be about \$10,000,000. This means that the Cooperative Program provides about one-tenth of the funds needed to provide for our colleges — the balance comes from endowments and other gifts. (5) That the needs of our colleges will increase each year because census reports indicate that by 1970 our present college enrollment will likely double.

Let us continue and increase our Christian stewardship through the Cooperative Program, and cooperate with and pray for our college students, the faculty and administration, the Baptist Student Union, the college town churches, and the Council on Christian Education.

Respectfully submitted,
James W. Ray

20. Following the report, Mr. Claude Gaddy, Executive Secretary of the Council on Christian Education, introduced Mr. Robert N. Simms, Sr., to "make a gesture of farewell to Wake Forest College," but who preferred, he said, to talk about the influence of Wake Forest College as it has sent its "products" to all parts of the world, and to salute it as it goes to Winston-Salem to continue its work. He called attention to the seminary that will "occupy the space made sacred by Wake Forest College," and concluded with "God's blessings go with you as you leave Wake Forest, and may the College ever remain with God's blessings the Wake Forest College."

21. Mr. Gaddy then presented President Tribble, who responded with a deep sense of appreciation to Mr. Simms and to the Association, and who expressed the wish and the promise that Wake Forest College will carry to Winston-Salem the spirit of Wait and Wingate and that of the other great men who have made Wake Forest what it is. "We have emotions of gratitude and love, of optimism and of confidence," he continued, and later he concluded, "With the other members of the Baptist family of colleges we thank you for your love and support and pledge our continued best."

22. Following President Tribble's response, Professor Thane McDonald, Director of Music in Wake Forest College, directed the College Glee Club in a program of special music.

23. Dr. J. Clyde Turner was presented for a special message on the program of Christian Education. Our Christian schools are engaged in and charged with the responsibility of making whole men and women, he asserted, and "Men and women are **not** whole until they have been properly related to Almighty God, and it is the mission of our church schools to help in that relationship as well as to train their minds." In paying a personal tribute to Wake Forest College, and especially to its Christian teachers, he declared that our ministers, missionaries, and laymen leaders are trained in our Christian colleges and that our colleges have given a good account of their stewardship. "If the future is to be bright," he continued, "the Christian institutions must keep a clear vision of their obligations to train citizens — Christian citizens." In conclusion he reminded his listeners that the Christian schools "must stay in close touch with the denomination and thus receive the sympathy, love, and support of our denomination if they are to fulfill their God-given mission and meet the growing challenge."

24. Following Dr. Turner's address, the total report on Christian Education was unanimously adopted.

25. Professor Thane McDonald directed the Wake Forest College choir in special music.

26. Dr. John A. Ellis, pastor of the Tabernacle Church, presented the Sesquicentennial address, "One Hundred and Fifty Years of Baptist Life in the Raleigh Association." (Containing as it does much material from Mr. Eaton's history and Dr. Ellis' own interpretation and presentation, the address more than justifies the

decision of the Sesquicentennial Committee to omit a resume as such of Mr. Eaton's history.) The address follows.

THE RALEIGH BAPTIST ASSOCIATION, 1805-1955

By Dr. John A. Ellis

For many of the facts contained in this paper, I am indebted to Mr. William Richard Eaton, a recent student at the Southeastern Seminary, who wrote the history of this association as a thesis for his Master's Degree.

It is not an easy assignment for us to transplant ourselves back to 1805, one hundred and fifty years ago, when the Raleigh Association was organized. If, however, we are to understand those days of small beginnings, we must, in our imagination, live with them amidst their limited surroundings, the days of mere paths as roads, the days of candles and oil lamps, the days of slow travel on wagons, or buggies, and long treks on foot; the days of one room churches, and few schools; the days of great limitation as to trained leadership. Yet these were the conditions when this association was organized in 1805. There were four churches that constituted that organization. They were: Wake Cross Roads, Cool Springs, Wake Liberty, and Holly Springs.

We have little on record of the first quarter of a century of the association. The first available information is in 1826 when the minutes carried the news that there were then 27 churches in the association, having increased from four in 21 years. In that year, they reported 1,265 members, or fewer than 50 members per church.

The four years from 1826 to 1830 was a rather stormy period for the churches. There were very serious disagreements and dissensions among the brethren. One of the divisive issues was the Masonic Order. Elder George Nance refused to fellowship Elder Robert T. Daniels because he (Daniels) had united with the Masons. It seems that this Elder Nance was a disturber in Israel, and was at that time "under dealings" with the church of which he was pastor. The Association refused to seat said Elder Nance, and warned the brethren against him and his "insidious and false representations and his baneful influence." At the same meeting of the Association, in which the Nance fight was on, Neal's Creek Church asked the Association for help in handling their pastor.

Many of these early difficulties and differences most likely could have been avoided or settled peacefully, had the brethren had closer contact with each other. They lived apart, they saw each other seldom except at the meeting of the annual associations, they were suspicious of each other, and, as a result, many difficulties arose.

It was at this meeting of the Association, at which Elder Nance was refused a seat with the body, that a number of churches withdrew and formed what they called the "Baptist Reformed Conference." Later this became the Little River Association. Because of these disagreements which engendered bad feeling and several of the churches

withdrew, when the Raleigh Association met in 1830, they reported only 773 members, whereas four years earlier, there were more than 1,200 members.

Not only did these meetings of the Association seek to discipline individuals; they also took a very positive stand with reference to churches and associations. For many years, the Raleigh Association would have no dealing whatsoever with the Little River Association, composed originally of the churches withdrawing from this Association. In 1839, the "Raleigh church was dismissed from the Association for being disorderly."

We do not know when the first Constitution was adopted, but we do know that they had a constitution in 1826. It provided for the election of a moderator and clerk, the only officers for almost a century. Not until 1898 did they elect a treasurer and an Executive Committee.

Under the head of authority, it is stated that "The members thus chosen (delegates) shall have no power to lord it over God's heritage; nor shall they have any 'classical' power over the churches, (This word "classical" remained in the constitution until 1907 when it was changed to "ecclesiastical" which was doubtlessly intended from the first) nor shall they infringe on the rights of any church in the Union." It was originally the rule to allow a messenger to speak as many as three times on any question before the body, but in 1869, they were limited to two speeches on any given subject under discussion. It also provided that, "No member of the Association shall have the privilege of laughing during the sitting (of the association), nor whispering in time of public speech."

The annual meeting of the Association was originally for three days — Saturday, Sunday and Monday. Of course, they had only day sessions, since there were no facilities, or at least the crudest facilities, for lighting their buildings at night. On Sunday of each session, there were three sermons. These sermons began at ten o'clock in the morning and continued until the third brother had delivered his message. In 1826, the brother who came to preach the final sermon for the day took as his text some words from the 23rd Psalm, "Thy rod and Thy staff they comfort me." It is quite probable that the brethren needed comforting by that time.

What proved to be one of the greatest assets in the Association was the establishing of Wake Forest College in 1833. Across the years, the names of members of the faculty appear in the proceedings of the Association. In 1836, upon petition presented to the Association by Samuel Wait and Josiah Brooks, the Wake Forest Church was received into the Association.

For more than a hundred years, the messengers to the Association were confined to men, except for a provision made in 1864, which provided that "if male members were not available the churches could appoint a delegation of sisters." As late as 1907, however, the delegates were restricted to men. For several years, the Constitution was not printed in the minutes, so we find in 1920 women delegates were enrolled without constitutional authority.

The founding of Wake Forest College, would naturally create interest in education. While many of the leaders were fine men, sincere, consecrated Christians, they were, for the most part, untrained. We owe them a debt of gratitude for their devotion and faithfulness. We should never forget these rugged pioneer leaders of our Baptist people.

At the meeting of the Association in 1851, a committee was appointed to look toward the establishing of a school to be owned by the Association, fitting students for college entrance; the college in mind was, of course, Wake Forest. The next year, 1852, Holly Springs Church offered a suitable site for the school, and also \$1,250.00 in money. This offer was accepted. The following year, 1853, the school opened with M. Y. Chappel as teacher, at a salary of \$350.00 per year. Free tuition was granted to ministerial students while other students paid, per semester, as follows: Eight dollars for first class, twelve dollars for second class, and sixteen dollars for third class. The charges were considered too high, so at the beginning of the second semester, they were reduced by 25 per cent. A building 50 by 30 feet had been erected, and this was considered adequate at the time. The school had its ups and downs for a few years, and in 1863 the school was closed and the property offered for sale. Doubtless war conditions at that time contributed to the failure of the school.

After the closing of the Holly Springs school, attention was directed toward the support of our state and southwide institutions, Wake Forest and the Southern Baptist Seminary in particular. In 1854, a resolution was approved establishing a scholarship at Wake Forest College. During the 70's, it was the custom of the Association to take a collection at each annual meeting for the support of the students at the College. In 1859, the Association sent \$350.00 to the Seminary then located at Greenville, S. C. All these efforts on the part of the churches certainly indicate quite an interest in education in those early days of our Baptist people in this section.

As indicated above, the only officers of the Association for almost a century were moderator and clerk. The moderator would appoint, at each session, a treasurer to take over the money that was contributed for the Association and the causes it fostered. This was not a very taxing task. The churches averaged around \$1.25 each per year in their contributions; however, in the 40's, collections and gifts greatly increased.

This increase in contributions was caused largely by the appointment of Matthew T. Yates as a missionary to China. The Association heard, at the 1846 session that the Southern Baptist Convention had been organized and that Matthew T. Yates was one of three missionaries sent out to foreign lands. Since Yates was a graduate of Wake Forest and a son of Wake County, the Association adopted him as "our son." At each session of the Association for a number of years, letters were read from the missionary, and special offerings were taken to support him and his wife. These offerings increased to \$500.00 or more per year.

In 1842, Elder S. Senter was appointed as the first associational missionary. He was "to ride and preach to the churches, composing

the association, that are willing to accept his services and that the surplus in the treasury be paid to him as an outfit." In 1873, Elder Amos Weaver was appointed as a missionary to the Association "to receive such support as might be furnished him by those to whom he ministered."

While on this question of missions, there is an interesting note in the minutes of 1884. It states, "Apex, Hargett Street, Raleigh (now the Tabernacle), Morrisville, Good Hope, Cary, Whitestone, and Shady Grove report active Women's Missionary Societies." Four years later, in 1888, Holly Springs Church recommended to the Association that missionary societies be organized in all the churches. After so long, the women were on the way, and often without too much encouragement from the men.

The years from 1871 to 1894 seem to have been years of steady growth in the Association. This is the period in which Sunday Schools were organized, and a general boost in church and Kingdom interest was in evidence. The members of the churches were not unanimous as to the advisability of joining in the Sunday School movement, but by 1875 the report showed that there were 20 Sunday schools in the churches of the Association, with 1,169 enrolled. The minutes for the 1884 session give this information:

"Bethlehem reports weekly prayer meeting, and three branch Sunday Schools. Smithfield Church has weekly prayer meeting and has built a parsonage for their minister. Whitestone has one branch Sunday School. Ephesus pays its pastor at the end of each quarter. (This was evidently considered worthy of reporting, since most of the churches paid their pastor in the fall of the year when crops were sold.) Good Hope had its house completed. Inwood has preaching two Sundays in each month, and is supplying every member of the Sunday School, and every family in the community around it, with a copy of the Scriptures. (Hurrah for Inwood!) Johnston Liberty has sold its former house of worship and has moved to Clayton, and will erect a house of worship in that town."

This was the beginning of our Baptist work in the splendid town of Clayton.

By the year 1894, the Association numbered 50 churches. During the time from its founding in 1805, some ninety years, there had been 12,762 baptisms, and contributions for all causes amounted to \$162,715.13¼. This does not include the first twenty-five years of which we have no record.

During the years prior to the war between the states, the membership was composed of both white and colored. As already indicated, the messengers were men. So far as we know, Negro men were not elected as messengers, but in the local church, they were allowed to speak and vote when one of their own race was before the church for some infringement of the rules. The matter of slavery did not seem to disturb the churches or the people. But in 1840, when it was

reported that "some of the brethren from the north" had declared non-fellowship with slave owners of the south, the ire of some of the brethren was aroused, and the records show that these northern brethren were described as "busy bodies in other men's matters and had forfeited all claim to fellowship."

In 1904 the Central Association was organized, twenty-eight churches withdrawing from the Raleigh to form the new association. This continued for 40 years when, in 1944, the two associations were re-united. At the end of the first hundred years, the Raleigh Association had 32 churches. This was after the organization of the Central, which took 28 churches. In 1905, there were 4,091 members of these churches, and all churches except one had a Sunday School. Six of these Sunday Schools were opened only nine months in the year, while all others were "ever green" as they called them, open the year round.

During the first half of this century, there has been solid and substantial growth and development among the churches. From a membership of 4,000 at the beginning, and some 30 churches, we now have a membership of more than 30,000, and more than 80 churches. Surely the favor of the Lord has been upon us.

One of the forces contributing to the growth and development of the work in our Association, state, and Southern Baptist Convention territory during the past 50 years has been the Training Union (originally called Baptist Young People's Union). This has become one of the great departments of our work and bids fair to do even a greater work in the years ahead.

One of the most striking periods of growth in the history of the Association has been the past seven years. During this period 1949-1955, inclusive, 12 churches have been organized. These new churches now have a membership of 3,000. They have baptized one person for each eight members, while the average for the Southern Convention is one for more than 20 members. These new churches have contributed, for all causes, some \$300,000.00. One of these churches next year will have \$5,000.00 in its budget for missions. So the work moves on.

I cannot close this brief survey of the 150 years of the Raleigh Association without calling attention to some of the churches and certain leaders who have given time, energy and talent to the work of promoting all the activities of the Association.

The churches that have shown greatest hospitality, in that they have invited the Association to meet with them more than others are as follows: Hephzibah entertained the Association first in 1846 and five times since; Holly Springs in 1841, and five times since; Cary in 1876 and five times since; Green Level in 1893 and four times since.

Among the moderators of the Association, James Dennis served from 1836 to 1847, or 11 years; A. D. Blackwell 1864-1872, or 9 years; D. B. Holland served 1885-1894, or 10 years; J. M. Broughton served 7 years; N. B. Broughton 7 years; A. D. Hunter 9 years; and John D. Berry 10 years. Since 1938, it has been the custom for a moderator to serve only two years.

Many of the clerks have had long periods of service — S. P. Norris 12 years, D. B. Holland 19 years (it was noted that he also served as moderator for 10 years), J. C. Birdsong 14 years. The longest period of service for any elected officer in the history of the Association was by a man whom many of us remember, T. C. Council, who served as clerk from 1910 to 1941, inclusive, or a total of 32 years.

Among the preachers, if we are to judge by the times they were asked to preach the Associational sermon, J. C. Marcum was the most popular. He preached the sermon six times, first in 1850; Johnson Olive five times, first in 1848; James Purefoy four times, first in 1847; and A. D. Hunter three times, first in 1884.

As we think of our work today in comparison with the small way in which it had its beginning, it seems to me that one question should arise in our minds and search our hearts: "Are we doing as well under the conditions in which we live as they did amidst the handicaps of their day? They had one room churches; we have well equipped, comfortable, and sometimes elegant buildings. We have concrete and asphalt roads over which we travel at 50, 60 miles or more an hour; they had rough, winding country roads over which they traveled three or four miles per hour, and over which many of them walked miles to their churches. They lived in a period of scant resources; we live in the most prosperous period of the world's history. They lived apart from the rest of the world with few means of communication; we have our fingers on the pulse of the world, and news moves around the world in a matter of seconds. Little printed matter found its way to their doors; we must have two daily papers, and magazines and books more than we read. They had few, if any, schools, and their ministers were untrained; in our day, the way is open for any man called of God to preach, to get a good education. They did well in their day. What are we doing? In the words of another, "Hats off to the past, coats off to the future." Our God is marching on.

27. "Demonstration of History Developing" was an impressive pageant planned and directed by Mr. Lee Pridgen, Secretary of Missions. As a selected representative from each church in the Association walked across the stage, Miss Faye Arnold, "Miss North Carolina" of 1955, a member of Forest Hills, placed around his neck a cord attached to a placard on which were printed the name and date of organization of his church. Each was presented for his church with five copies of the new **History of the Raleigh Association**, written by W. R. Eaton. As the representatives formed in a long line across the front of the chapel, with hands joined, Mr. Easom led in the singing of "Blest Be the Tie That Binds." The session closed on a high spiritual note as Dr. Huggins pronounced the Benediction.

Friday Morning, October 28

28. The Friday morning session was opened with the singing of "O For A Thousand Tongues" and "What A Friend We Have In Jesus," led by Mr. Easom.

29. The Rev. W. P. Huff, Inwood pastor, read the Scriptures and led the morning Devotionals.

30. The Rev. John L. Coley, pastor of North Street, led in a program welcoming into the Association the following new pastors who were present: Jesse L. Alligood, Leesville; Millard Crumpler, Central; Hayne Rivers, Perry's Chapel; Roy D. Keller, Green Level; James W. Ray, Ridge Road.

31. When a meeting of the Committee on Resolutions was called and it was discovered that there was not a quorum present, the Moderator was authorized to appoint the following to serve as additions to the original committee: Paul Pridgen, W. M. Page, W. C. Adkinson, and Douglas Aldrich.

32. Dr. J. Allen Easley was recognized to bring to the Association the love and greetings of Dr. W. R. Cullom. A motion by R. N. Simms, Sr. that the Association send special love and greetings to Dr. Cullom, who was sick and unable to attend the Association, was carried unanimously and enthusiastically.

33. A motion by the Rev. Lamar Brooks that the Clerk send a special message to the Rev. J. Gray Murray was unanimously carried.

34. A motion by the Rev. John Coley that the Clerk express to the Rev. Cecil Watson, who was to have preached the Association Sermon, special greetings and regret that he cannot be in the meeting carried unanimously.

35. The Rev. W. M. Page, Pastor at Fuquay Springs and President of the Executive Council of the Association, presided at the Associational Missions Hour. He gave the following report of the actions and recommendations of the Council.

REPORT OF THE EXECUTIVE COUNCIL

The Executive Council of the Raleigh Baptist Association met on November 29, 1954, in Hayes Barton Baptist Church for the purpose of organizing the Council. The meeting was presided over by W. M. Page. The election of officers was held, and the following were elected:

President, W. M. Page; Vice President, Preston R. Holmes; Secretary, Bennie E. Pledger. Requests for Pastoral Aid from State Missions were approved for the following churches and passed on to the State Convention: Highland, Neuse, Leesville, Wilder's Grove, Carolina Pines, Wakeminster. The report of the Ordination Committee was read and approved as follows:

STATEMENT OF POLICY THE COMMITTEE ON ORDINATION

Dr. R. T. Daniels, Chairman

The Ordination Committee of The Raleigh Baptist Association will examine for ordination only those candidates as have accepted a call to a cooperating Baptist Church, and to those other Christian vocations as may seem to the committee's discretion to require such ordination.

The Committee requests the pastors not to schedule the service of ordination until the committee has given notification of the fitness of the candidate.

The regular meeting of the Council was held on January 10, 1955, at Hayes Barton Baptist Church. Request for Pastoral Aid was made by Mary's Chapel and approved by the Council and passed on to the State Convention. The application for watchcare into the Raleigh Baptist Association was made by Ridge Road Baptist Church and was approved.

The April meeting of the Council was held on April 11, 1955, in the Hayes Barton Baptist Church. The Council discussed at length a Social Action Committee which would be for the purpose of investigating and reporting the needs of the Association in the areas of race relations, alcoholism, and other moral and social problems.

The July meeting was held at The S & W Cafeteria on July 11, 1955. The Executive Committee recommended to the Council three important reports:

(1) That we obtain a worker to assist in the Raleigh Baptist Association's expanding program. That we pay not to exceed \$250.00 a month, conditioned upon State help of \$100.00 per month. (Retirement and trip expenses additional.) This report was amended to read not to exceed \$3600.00 deleting from the prior report "conditioned upon State help of \$100.00 per month."

(2) That we change the name of the Executive Secretary to the Secretary of Missions, and the new worker be named Assistant to the Secretary of Missions.

(3) That program committee of this Council be changed to calendar committee.

The motion was made that the constitution and by-laws be changed according to the above motion. It was so ordered. A request was made by Highland Baptist Church for the deed of their property on the

Garner road. They will now take up payments on this property. The report of the Social Service Committee was made and the following is that report:

Responsibilities of this committee shall lie in the area of continually surveying opportunities for Christian leadership in areas of moral and social need. Also to offer creative Christian leadership in these areas of need as they appear. However, the Social Service Committee of the Executive Council, Raleigh Baptist Association, shall speak and act only in its own name until its recommended implementation be approved by the Council.

Submitted by the Committee appointed to study the establishment of a Social Service Committee of the Raleigh Baptist Association.

R. L. Newton, Chairman

A motion was made that the constitution of the Council be revised to include Social Service Committee. The recommendation from the Committee on order of business was that the Associational meeting for 1955 begin on the afternoon of October 27 and go through the afternoon of October 28, and it was carried.

A special meeting of the Council was held at the S & W Cafeteria September 12, 1955. The Social Service Committee brought its report and the following recommendations were approved by the Council:

(1) That the Committee on Social Service of the Baptist Council be authorized to assume the responsibilities and functions of the Social Service Committee of the Raleigh Baptist Association.

(2) That it adopt the following areas of life and constituting the scope of interest, study and action: Institutional Work, Home Life, Industrial Life, Race Relations, Beverage Alcohol, Religious Liberty, Christian Citizenship, International Relations.

(3) That this Social Service Committee be given the right to speak and to act in these areas with quarterly reports submitted to the Council.

The report of the Missions Committee brought the Council information concerning the purchase of property on Six Forks Road costing about \$4000 per acre. This matter is still pending. The proposed financial program for the Association for the coming year was presented by the Finance Committee. The budget being increased from \$19,937.00 to \$22,380.00.

The last meeting of the year was held at Hayes Barton Baptist Church. The calendar of activities for 1955-56 was approved with recommendation that in the month of December student night be inserted.

The Treasurer's report was brought by L. G. Bullard. This was a brief statement of the financial receipts and disbursements for the year. It was recommended and approved that the sesquicentennial copy of the minutes be dedicated "To All Those Christian Servants in the churches of the Raleigh Baptist Association who have lifted the Banner

of the Cross high in their living and those who have continued as Noble Saints and taken their places with God".

It was announced that the history would be on sale for \$.50 per copy. It was brought to the attention of the Council that the minutes of our Association do not need dollar per book but that each church should ask for the number that it needs.

The report from Brother Pridgen on the Six Forks situation revealed that there were 115 people in this new situation. Property securing is becoming difficult. It was decided that the next meeting of the Council should be held on November 7, 1955 for the purpose of organizing the Council for the new church year.

36. The STATEMENT OF POLICY of the Ordination Committee was approved.

37. The recommendation to employ a new helper to be called Assistant to the Secretary of Missions was approved.

38. The recommendation to change the name of the Executive Secretary to that of Secretary of Missions was approved.

The substitute motion was adopted.

43. The Calendar of Activities was presented and adopted.

44. A motion by the Rev. Theo. Davis that all recommendations of the Executive Committee be mimeographed and distributed to the Association in adequate time for the messengers to study them before voting on them was carried.

45. Using the theme "Christ Our Conquest in Evangelism," the Rev. Douglas Aldrich, Forest Hills pastor, continued the Missions Hour program. Declaring that the centrality of evangelism is "a positive sharing of the knowledge of Christ with those who know him not," he pointed to a two-fold objective: reaching out for the lost and then measuring and developing converts into active Christians. In meeting the obvious needs, he continued, we should have: 1) a definite concept of the world in which we live, 2) a real concern for lost souls, 3) a positive commitment to Christ, and 4) "a program of evangelism that includes every activity in

the church, but that focuses on one individual reaching another one and leading him to Christ in an evangelism of personal encounter."

46. In concluding the Missions Hour, Dr. Broadus Jones, First Church of Raleigh, called attention to certain significant population shifts and the responsibility of Christian people to see their implications. As machine production has made man less necessary in farming, man has moved to urban and suburban areas for employment and livelihood. If there is to be the Christian mutual concern about those who move, churches must follow the people, or new churches must be built to meet their spiritual needs. Church people going to the city influence the city, which in turn influences the rural areas through the media of entertainment, amusements and so on. Country churches need strengthening; cities need new churches to care for the expanding population and to permeate cities with Christian ideas. Twelve relatively new churches in Raleigh were cited as moral and regenerating centers and as missions investments that are paying and will continue to pay hundred-fold dividends.

47. Dr. L. E. M. Freeman directed attention to what he termed the concerted action of Catholics to win North Carolina as a key state. He then offered the following motion, which was adopted:

That a committee of three be named by the Committee on Committees to cooperate with Secretary of Missions Lee Pridgen as an ex-officio member in gathering information as to the issues involved and the methods used in Roman Catholic expansion and in making such information as they see fit available to our pastors and people; also that the Committee so named consider getting an outstanding person to address a meeting some time during the next year.

48. A resolution concerning the North Rocky Mount Baptist Church and presented by R. N. Simms, Sr. and John L. Coley was referred to the Committee on Resolutions. (See item 68 below.)

49. Mr Easom led in the singing of "I am Thine O Lord."

50. With Vice-Moderator, the Rev. Lamar J. Brooks, presiding, the theme "Let Us Go On In The Raleigh Baptist Association" was discussed in four areas:

- A. In Brotherhood, through the work of dedicated men, by L. H. Beck, Brotherhood representative, who stressed the remarkable growth of the Brotherhood and presented the

program of the Brotherhood for **supporting** and **promoting** the work of the kingdom by men.

- B. Through a trained membership, by Bennett Straughn, Training Union Director, who re-emphasized the goal: a Training Union in every Baptist Church.
- C. Through an adequate teaching program by Bennie Pledger, Sunday School Superintendent, who stressed individuals above organizations and who made a stirring plea for personal acceptance of Christ and for bringing others to him. "If you want to enjoy working for Christ **become** a Christian," he challenged.
- D. Through Mission emphasis by Miss Grace Yow, who read for Mrs. Carpenter the report which is printed below.

REPORT OF THE WOMAN'S MISSIONARY UNION

Our hearts are filled with gratitude as we look back over the years of Woman's Missionary Union growth. To understand any history we must look at the purpose for which it was done through the organization of its creator. When we survey that pattern of organization of the Woman's Missionary Union, we find that it fits well into the purpose and plan of Jesus for carrying on his work in the earth. When he came and projected his plan of work he considered the world as it was, the needs to be met. He must have felt that there was something of an organization ready to seize hold of and, at least, begin his work, even if there must be changes along the way to take care of additional programs as they were needed.

When we survey the beginning and follow the growth through the years, we clearly see how wisely our forefathers *did* plan. The intricate pattern of today can be accounted for in relation to the *needs* of the ages through which we have passed. Somehow we feel that they met the injunction: "Wherever there is a need and the ability to meet that need is present, there is created the opportunity for service."

When we look at the organization of W.M.U. today — made to meet the needs from the cradle to the grave in every phase of our work — we are prone to ask ourselves: "Is it too much to suppose that God was looking forward to the times in which we live when he sent Jesus into our world?" Through Bible Study, Individual and United Prayer, through the missionary education of Young People, through the Stewardship of Possessions, through directed Community Missions (once called Personal Service), we have struggled through many difficult situations — not to victory, but to a glorious achievement towards the desired goal. Patterns have to be changed to suit the needs of the changing eras, but we have come to this Anniversary Year with some satisfaction in achievement, great joy for the landmarks along the way,

and with renewed inspiration and determination to "walk into the future" on the foundation of the past. Our hope in Christ becomes our challenge to press on into a greater future.

We are celebrating this year, along with ours, two other anniversaries which exert influences, dimly visualized, in the lives of every person here today. This is the 10th year after the discovery of the atom bomb, and the number of years of the perfection of the organization of the United Nations. In consequence of the influence of these two ideas on civilization, we stand in fear of the situation summed up by a scientist: "We stand today on the brink of destruction...or on the edge of such a golden future as beggars the imagination. Only we can decide which it shall be." Something for us who are interested in the expansion of the Christian program to think about!

I think we ought to take the challenge of the above statement as our force as we plan to "walk into the golden future for Christ." For five years I have watched the work of the Woman's Missionary Union as we have met the needs discovered in the Association. The five leadership groups that were organized to serve better the individual church have met a great need for discovering and developing the leaders needed in each area. Small churches have grown from little or no framework to work with into full-grown departmental Sunday schools, and into fully graded W.M.U. organizations. Many churches have gone to full-time pastorates, built new churches, or added to old ones. Beautiful homes in the church communities have been provided for the pastor and his family to live on the field. This makes for better service to the church and community. Gifts to missions keep pace with such a program as this. Truthfully and hopefully we can say that we mean to make this "an era for the golden future that it is possible for it to be."

In our Group Leadership Conferences recently completed, I felt strongly that the organization of the years fitted wonderfully into the need of the present hour. The need for training in Bible Study, for training the Young People, the need for enlarging the mission program are all deeply felt needs at this time.

We planned for such classes as we saw were needed. There was a surge of gratitude in my heart that the wisdom of our ancestors was so much heeded and that their program was strong enough to last through the years to my day. "Walking into the future for Christ" means a serving of the poor, the dejected, the oppressed, and the hungry. When I see the most need in other people is the time that I feel most definitely the power of the Spirit in my own life. It is then that I am most hopeful for the actions and the deeds of Christian workers as they move into a deeper concern for "the hungry, the needy, and the oppressed."

We do stand on the verge of a golden future with the help of Christ the All-Powerful. We are the ones who shall vote that it *shall* be. May God give us the grace in these difficult days to choose Jesus and to stand firmly and fervently for him as we "march forward into the

future." Let us make others to know that we believe "that God was looking forward to our day" when he sent Jesus into the world.

Mrs. L. L. Carpenter, Superintendent
Raleigh Association Woman's Missionary Union

51. Moderator Simms recognized all visitors attending the session of the Association.

52. Dr. J. Glenn Blackburn, pastor of the Wake Forest Church, was recognized and indicated the plans that had been made for the noon meal. He extended again a cordial welcome to all and invited them to enjoy the noon meal and the opportunity for fellowship.

53. Mr. Easom led in the singing of "Amazing Grace" and "O How I Love Jesus" as an offering was taken for associational mission work.

54. Moderator Simms then expressed to Mr. Easom the appreciation of the Association for his services in directing the music. He had to leave for another engagement.

55. Preparatory to the associational sermon, the Rev. Lamar J. Brooks, Vice-Moderator, led in the reading of the Scripture and presided during the remainder of the morning session.

56. Because of the illness of the Rev. Cecil Watson, who was to preach the associational sermon, the Rev. Joe Roach, pastor of Hephzibah and the elected alternate, preached. Using the general theme of Christ a plan for our lives, the minister declared that we can praise Christ with what we **do** as well as or better than with what we say. As Christ used the fishes which the boy brought and blessed others with them, so he will bless others with what we bring to him or do for him. If Christ is to use us and bless what we **do**, concluded the speaker, "we must have clean lives, lives that are fit for serving God, lives through which Christ's plan may be fulfilled."

57. With the conclusion of the sermon, the Rev. Mr. Roach pronounced the benediction and returned thanks for the noon meal.

Friday Afternoon, October 28

58. The Rev. William H. Vinson, pastor of the Wendell Church, led in the singing of "Faith of Our Fathers" as the afternoon session convened.

59. The Rev. W. C. Adkinson, pastor of the Garner Church, read the Scriptures and led in the opening prayer.

60. Dr. M. A. Huggins was recognized for a short but stirring address on "Reaching Out to Fields Beyond." Citing Luke 4, in which Christ said, "The spirit of the Lord is upon me," Dr. Huggins declared, "In the mind of Christ there were no iron or bamboo curtains." In the very beginning of his ministry Christ had in mind no local boundaries or limitations. Medical sciences know no racial boundaries; the advances in one area are shared in all. Paul admitted indebtedness to all peoples. In our program, continued the speaker, we are reaching out to fields beyond, but we are still showing a greater concern for local affairs than we are for those fields beyond. We are giving more, but we are sending a smaller percent of the total to extend our reach. "A billion and a half people are not Christian!" he exclaimed; "What is our answer?"

61. Following Dr. Huggins' address, Director Vinson led in the singing of "When I Survey the Wondrous Cross."

62. The new constitution and by-laws were presented for consideration. After they were carefully read, item by item, and after minor revisions were offered and accepted, the constitution and by-laws were approved and ordered to be printed in the **1955 Annual** as a part of the minutes of the Association. They are printed immediately following the Record of Proceedings.

63. The treasurer's report was approved.

64. A recommendation was adopted that the Sesquicentennial Annual be dedicated "To the sacred memory of all those Servants of God, in all the churches comprising the Raleigh Baptist Association, whose lives through the years have contributed to the on-going of God's Kingdom on earth," and that a special In Memoriam page be used as a tribute to Dr. Thurman Delna Kitchin, former Dean of the Wake Forest School of Medicine and for twenty years President of Wake Forest College.

65. The Committee on Time, Place and Preacher presented the following report, which was approved: Place, Apex, with Salem, New Hill, Shady Grove, and Pleasant Plains as co-hostesses; Time, Oct. 25-26; Preacher, the Rev. M. O. Sears of Pleasant Grove, with the Rev. Hugh L. Nichols of Sorrell's Grove as alternate.

66. The report of Committee on Committees was adopted as presented.

67. Chairman Pledger presented the following resolution from the Committee on Resolutions. Upon his motion it was adopted.

"The Committee on Resolutions recommend the following: That we express our sincere thanks to the moderator, clerk, and other officers of the Association for the fine spirit in which the annual meeting has been conducted; to the host churches for the hospitality in entertaining the 1955 session of the Raleigh Baptist Association. We express also appreciation to the Program Committee and the Sesquicentennial Committee for the well-planned and appropriate program. We further express gratitude to Brother Lee Pridgen, our Secretary of Missions. In conclusion, we feel deeply indebted to the whole Association for the fine spirit of co-operation exemplified in this meeting."

68. The Committee on Resolutions presented the following as a substitute resolution for the one presented by R. N. Simms, Sr. and John L. Coley (See item 48 above), concerning the North Rocky Mount Baptist Church. It was adopted.

"We offer the following substitute to the resolution offered by John Coley and Robert N. Simms, Sr. in reference to the North Rocky Mount Church issue. Be it known that it is the conviction of this Association that the local Baptist Church is free and autonomous; that this is a basic and historical Baptist principle; and that the local Baptist Church is the only authoritative body that can implement this principle through its constitution and by-laws.

This resolution is in no wise interpreted as a reflection upon our faith in our denominational leaders or the integrity of their motives, Be it further resolved that for the sake of harmony of Baptist fellowship in North Carolina we refrain from further controversy on the whole subject."

THE BACKGROUND FOR THE ORGANIZATION

For several months previous to the purchase of a site the Missions Committee of the Raleigh Baptist Association had been working on the idea of a new church in the Ridge Road section of West Raleigh. Under the chairmanship of Dr. J. W. Kincheloe, Jr., the Missions Committee purchased a building site of approximately three acres in the early part of 1954. On this building site was a small house which might serve as a chapel and general meeting place. During the summer and early fall several meetings were held on the grounds of the new site attended by up to forty people interested in forming the nucleus membership.

On September 12, 1954 Reverend Lee Pridgen, executive secretary of the Raleigh Baptist Association, presided over a meeting with a group of people who met on the beautiful wooded lot northeast of Frances Lacy School on Ridge Road. Mr. Pridgen explained the plans and steps necessary in organizing a new church. Dr. J. W. Kincheloe, Jr., pastor of Hayes-Barton Church, Dr. Broadus Jones, pastor of First Baptist Church, pledged their support and help in every possible way to further the work of God's Kingdom through this church. Other Raleigh Baptist churches not represented in this meeting had previously expressed their sympathies and cooperation in establishing a new church in this section.

At this meeting a committee of five was appointed to make recommendations concerning the beginning of services. On September 19 this committee, composed of W. J. Hines, chairman; Ralph Rawles, Ralph Greene, Mrs. D. E. Schreffler, Mrs. Fred Fletcher, made the following recommendations: (1) That the first regular Sunday School and worship service be held on October 3, 1954. (2) That these morning services be held in the small chapel of the auditorium building at Meredith College. (3) That James W. Ray be secured as temporary

pastor for the purpose of organizing the church and enlisting prospective members in the neighborhood.

In the meeting on September 19 the following temporary officers were elected: J. S. Kirchheimer, treasurer; Howard Britton, Sunday School superintendent; and Mrs. Fred Fletcher, clerk. The first prayer service was held at the church house on September 22 with James W. Ray conducting the service.

During the following weeks rapid progress was made in all phases of the church activities. On October 3, 1954 the first Sunday School and worship service were held in Meredith College with 57 present in Sunday School and 74 in the worship hour.

During the month of October the Sunday morning services were held at Meredith College and vespers on Sunday evening were conducted in the little chapel in the church house on the building site. The Wednesday evening services were conducted as Family Night meetings which attracted entire families for devotions and social experiences. In the latter part of October the date of November 7 was set for the organization date and arrangements were made with Meredith College to continue using their facilities on Sunday mornings.

In business sessions in the early part of October a Steering Committee was elected to serve until the church was organized. Members of this committee were: W. J. Hines, chairman; J. S. Kirchheimer, Mrs. Fred Fletcher, Mrs. D. E. Schreffler, Howard Britton, and James Ray. Officers temporarily elected were: W. J. Hines, moderator; Howard Britton, Sunday School superintendent; Homer A. Lassiter, Training Union director; Mrs. W. C. Alford, president of Woman's Missionary Union; Mrs. Fred Fletcher, clerk; and J. S. Kirchheimer, treasurer.

Choosing a church name proved to be a very interesting procedure. The name "Ridge Road Baptist Church" was selected out of some twenty names that had been suggested by various members of the group.

An impressive organizational service was held November 7, 1954 at Meredith College with Robert N. Simms, Jr., moderator, presiding. Visiting ministers participating in the ceremony were: Dr. S. L. Stealey, president of Southeastern Theological Seminary; Reverend Douglas Aldrich, pastor of Forest Hills Baptist Church; Reverend Jack Hasty Minister of Education of Hayes-Barton Church; Dr. J. A. Ellis, pastor of Tabernacle Baptist Church. There were 62 constituting members with church letters in hand. In the business session that followed the organization, W. J. Hines presided and eight members were received, three of whom were candidates for baptism. This made a total of 70 members at the end of the day. The temporary officers were elected for one year and Ralph Green, D. E. Schreffler, and Ralph Rawls were elected as trustees.

It was announced that those people uniting with the church up to and including January 2, 1955 would be considered charter members. The first offering received from the new church amounted to \$108.91 which was designated to the Raleigh Baptist Association. A financial

statement from the treasurer showed a total of \$971.91 received during the first month of operation from offerings and gifts.

DEVELOPMENTS THROUGH THE YEAR

On Saturday afternoons in the fall the men of the church from 5 to 50 gathered in true pioneer fashion to clear away undergrowth on the church grounds. These occasions furnished rich experiences in fellowship when at the close of the day other members of the family arrived with baskets overflowing with food to feed the tired and hungry men.

December: The first baptismal service was held on December 19 at the Hayes-Barton Baptist Church with six candidates who were: Mrs. Lawrence Crabtree, Miriam Carolyn Crabtree, Marianne Phillips, Freddie Fletcher, Betty Bunn Hines, and Nancy Hicks. During the rest of the year nine candidates were baptized making a total of 15 during the first twelve months.

The Woman's Missionary Union was organized in December 1954 with two circles and an enrollment of 35 in WMS, twelve in GA's, and fifteen in Sunbeams.

January: The Training Union was organized on the first Sunday in January 1955 with a membership of 39. The enrollment at the end of September 1955 was 57 in five departments.

The charter membership closing on the first Sunday in January was 97. The membership as of September 30, 1955 was 124. In a business meeting following worship services on January 2 the following matters were accepted: (1) The first church budget in the amount of \$17,000. (2) The election of 15 members to the Deacon Board three of which would rotate off the Board each year. (3) It was voted to make application for membership in the Raleigh Baptist Association. The church was received under the watchcare of the Raleigh Baptist Association in the January meeting of the Executive Council of the association. The deacons elected were: Howard Hicks, J. S. Kirchner, M. E. Phillips, Ralph Rawls, Tom Williams, Fred Fletcher, Ray Goodmon, Ira Jones, D. E. Schreffler, Paul West, Sr., Howard Britton, Ralph Greene, W. J. Hines, Homer Lassiter, and Gordon Sinclair. Seventeen standing committees were named in the month of January.

February: The Men's Fellowship held its first meeting on February 8 with 35 members. Membership as of September 30, 1955 was 55. The Men's Fellowship sponsors Cub Pack Troop No. 326 and Boy Scout Troop No. 326 and the Royal Ambassadors.

Nine of the fifteen members of the Deacon Board were ordained on February 20.

The members of the church joined with other churches in the Ridge Road section in making a religious survey during the months of February and March.

On Sunday nights after the evening services during the month of February the minister led the Intermediates and Young People in a series of discussions on love, courtship, and marriage.

March: The first revival meeting was held in the church house the week following March 27 with the Rev. Louis M. Boatclur of Brazil as guest minister. The first temporary office help was Miss Sara Ann Coley who worked as church secretary in March and April.

In March Rev. Paul West gave to the church a small building which was moved by truck to the church property to be used as Scout hut and young people's building.

April: On April 10 the church shared with the Highland Methodist Church, the Moravian Church of Raleigh, and the Wesleyan Methodist Church in a beautiful sunrise service held on the Highland Methodist Church building site across from Frances Lacy School.

May: Christian Home week was observed May 8-15. On Mother's Day 15 families presented themselves and small babies in a beautiful dedication service at which dedication certificates were presented to the babies and red roses to the mothers.

The church employed Miss Rita Harton as full-time church secretary during the summer months, and she continues to serve in this capacity on a part-time basis during her senior year at Meredith College.

June: The first Vacation Bible School was held in the buildings on the church lot the week of June 6-10. There were eighteen faculty members and an enrollment of 56.

The first wedding in the membership took place on June 26 when Mary Evelyn West was married to Thomas Boykin.

July: Through the gifts of many members and friends of the church four air-conditioning units were placed in the chapel in July.

August: On August 27 the church added two adjoining lots to the building site. A total of some \$3,000 was contributed by the membership within a period of sixty days to take title on one of these lots and to secure the other on an option. The present building site includes approximately four acres.

The last week-end in August some thirty young people motored to Caswell Baptist Assembly grounds for a youth retreat. Plans were made for fall activities in the Intermediate and Young People's departments. Students in college from church families are: Bobby Hines, Wake Forest; Rita Harton, Meredith College; David Schreffler, Bob Lassiter, N. C. State College; Carolyn Rawls, Woman's College; and Jerry Jones, University of North Carolina.

September: In the month of September as the inventory of a year was taken and new officers elected for all the church units of activity, it was discovered that a total of \$17,318.92 had been received with expenditures of \$14,110.01. The Sunday School average attendance was 80.

APPRECIATION

The church expresses its appreciation to all the Raleigh churches for their sustained support and friendship. We make special mention of the following gifts: two pianos, \$1,000 check, two pulpit stands, three dozen hymnals; 80 folding chairs, beginner set of International sterling communion service, 200 hymnals; choir vestments, \$100 check;

chairs for beginner and primary departments; approximately \$500 in cash; stove and refrigerator. The church expresses profound gratitude to the administration of Meredith College for the continued use of the facilities in the music building which are used for the Sunday School and morning worship services.

In joining the Raleigh Baptist Association the Ridge Road Baptist Church commits itself to a positive ministry within its own church field and shares with other churches in the association in maintaining those Christian principles which Baptists have so valiantly championed in history.

Respectfully submitted,
Mrs. Fred Fletcher, Clerk

Edwin
McNeill
Poteat

Christian philosopher and teacher; sociologist, preacher and minister; writer of poetry and prose; musician and composer of music; humorist, sportsman and athlete; and friend of man. Thus Dr. Edwin McNeill Poteat is described by a member of the Pullen Memorial Church. He was born in New Haven, Connecticut November 20, 1892. He graduated from Furman University and received his Th. M. degree from the Southern Seminary at Louisville. Following his marriage to Miss Wilda Hardman in 1917 he served as missionary to China until 1926 when he became professor of philosophy and ethics at the University of Shanghai. Thus began the ministry of one of the most versatile men of his generation. He was full of grace and appealed alike to men, women and children. In 1929 he accepted a call to the pastorate of Pullen Memorial Church where he stayed until 1937. After an absence of eleven years he returned at Pullen Church where he served ably until his death on December 17, 1955. Mrs. Poteat; two daughters, Elizabeth (Mrs. James Terry), Birmingham; Haley, New York; and one son, William H., Chapel Hill; survive.

Dr. Poteat led a continued fight for the principle of separation of church and state. He was president of POAU, Protestants and Other Americans United, an organization dedicated to the preservation of separation of church and state. Another of his unrealized dreams was that Christians everywhere, regardless of race or color, would band themselves in the church universal for the purpose of helping to bring the kingdom of Heaven on earth.

The single Scripture most nearly fitting the life and character of the man is the text of his anniversary sermons, "And I, if I be lifted up from the earth, will draw all men unto me." He lived by this and tried valiantly to get others to do likewise.

9. Dean Burgin was recognized and he spoke briefly on the Baptist Hospital. He asserted that the facilities at our Hospital are second to none and that Baptists should take justifiable pride in the significant service being rendered by this great institution.

He urged wholehearted support from our churches by increased financial support through the Mothers' Day offerings so that greater fields of service may be furnished to those less fortunate than we.

10. The Associational Report was presented by Leon P. Spencer, Clerk, and was adopted upon his motion. It follows.

ASSOCIATIONAL REPORT

Foreign Missions

The Foreign Mission Board appointed 13 young people for overseas service at a recent meeting, bringing the total of active Southern Baptist foreign missionaries to 1067. This steady increase in number of missionaries demonstrates that God is at work in the hearts of Southern Baptists moving toward a vastly enlarged world mission undertaking. For the second time in the history of the Board more than one hundred missionaries were appointed during 1955.

It is interesting to note that during the ten-year postwar period, 1946-56, an average of 78 new missionaries have been appointed each year. The losses have been 28 per year, giving an average net gain of 50 missionaries each year. The net gain of 71 for 1955 is most encouraging, but an average net gain of 91 per year is necessary if we

are to reach our minimum goal of 1,750 missionaries by January 1, 1964. In order to do this an average of 120 to 125 new missionaries must be appointed each year.

Treasurer Deane reports that 93.3 cents out of each dollar which reached the Foreign Mission Board in 1955 was used on foreign fields. This statement is evidence of the fact that gifts channelled for foreign missions are effectively handled. Our continuing support of this most challenging phase of our Baptist program is urgently needed and prayerfully solicited.

State Missions

The scope of State Missions varies from year to year, but the part it plays in the Baptist program of this state is vitally important to all of us. State Missions Secretary E. L. Spivey reveals in his report that an urgent challenge confronts the more than 800,000 Baptists in North Carolina when we realize that nearly 2,000,000 of the estimated 4,300,000 persons in North Carolina are unchurched.

A varied program of mission activity is promoted by the State Convention in an attempt to meet this challenge:

A. Teaching and training phases of our work. This area of service includes the departments of Sunday School, Training Union, Rural Church and Music, the latter department having been added during the past year. More than 2,000 Vacation Bible Schools have been reported for 1956 — giving over \$42,000 to the Cooperative Program and designated causes. Over 7,300 of our Baptist people attended Training Union Weeks at Caswell, Fruitland and Ridgecrest during the past summer.

B. A continuing program of evangelism on a State and Association-wide level. North Carolina Baptist churches last year baptized more people than any other state except Texas. To make this phase of our work even more effective it is necessary that every Christian pledge himself to the task of soul-winning.

C. Building new churches and strengthening old ones. A growing population demands new and stronger churches. To supplement the work being done on the Association level the State Convention now has a Department of Church Planning directed by a leader of proven ability whose duty it is to guide church groups in properly designing new construction for more effective uses.

D. Better trained pastors. In addition to the Pastors' Schools promoted by State Missions and the training at Fruitland and Caswell, the Raleigh Association is fortunate to have in its midst the Southeastern Seminary, whose students are contributing to the churches in the Association as student pastors.

E. Ministering to the Negroes and Indians within North Carolina. Although this phase of our work has been limited progress is being made in leading both groups to greater achievements in our denominational life.

F. Other ministries of State Missions include the Allied Church

League; work with the Silent People; POAU; the Assemblies—Fruitland and Caswell—; Student Union work among our students enrolled in colleges, business and medical schools of the state; and in 1957, the work of our Brotherhood and Royal Ambassador work.

Brother Spivey's report concludes with the query, "*Will you as an individual and your Sunday School and church do your part so that the first part of THE GREAT COMMISSION might be obeyed—and that these rich ministries might be continued to the extent that next year North Carolina and the world might have more Christians and be more Christian.*"

Sunday School Report

The Bible-teaching arm of our churches has reached many people during this year. New units of work in many churches, and growth in enrollment and attendance lead our Associational report.

There were outstanding gains in Sunday School work in the Association in 1955, with an additional 1537 enrolled, and 75 churches conducting Vacation Bible Schools. At least two Vacation Bible Schools were held in churches for the first time in the history of the church, with a third School held in a church which had failed to conduct one for several years.

The Vacation Bible School Conference this year was by far the largest ever conducted in the Association. Held at Longview Church, more than 500 persons were in attendance. To insure a profitable clinic it was necessary to provide two conferences for each Department of the Vacation Bible School.

Because of the great need for organized Sunday School work, plans have been completed for a thoroughly organized Sunday School Department of the Association. Leaders and officers have projected plans for the year, majoring upon reaching the needs of the local church through district clinics and conferences.

In the year 1956-'57, each Sunday School is urged to attain new heights of success. Set monthly goals. Set goals for new classes or departments. Get the men for Christ. Seek to lead all members in Junior through Adult Departments to a saving knowledge of Jesus Christ.

"*Jesus Only*" is the theme for 1957. The story of Jesus will be told to people from Nursery through Adult ages. That story clearly stated will change lives. Your Sunday School is your church seeking to reach the people, teach them the Bible, win them to Christ, and develop them for service. May God bless the future of Sunday School work in all the churches of the Raleigh Association.

Training Union

This past associational year has been one full of wider interest in the work and continued growth in attendance at our meetings. Meetings attended by an estimated 6,000 are as follows: Executive

Committee, Officers' and Leaders', and Mass. One each of the above-mentioned meetings is held during each quarter in the year.

Our "M" Night meeting in December is continuing to create more interest and larger attendance. The president of our Southern Baptist Convention, Dr. C. C. Warren of the First Church, Charlotte, will be our speaker for "M" Night this December on Tuesday night the 14th. From past experience we have found it necessary to hold these "M" Night meetings in the Memorial Auditorium in Raleigh.

Another outstanding meeting during the year is "Youth Night" held in April. This year Youth Night was held at the Temple Church in Raleigh. A good program, fine attendance, and excellent participation by our youth in the association made this meeting a success. The program was planned and conducted by young people.

We had our annual associational banquet at the Longview Church with 200 attending. Our people look forward with anticipation each year for this banquet. Attendance is always excellent.

We are continuing to stress study courses in each church in the association. This year we have received the largest number of awards for these study courses. There were 36 churches receiving study course awards.

Our summer assemblies are continuing to hold a high spot with our folks. Interest is continuing to rise with participation in the tournaments, both State and Southwide, increasing each year.

Our goal for the coming year is again "A Training Union in every church in the Raleigh Association," with more church members in Training Union.

Brotherhood Report

1955-1956 has been a year of great advance in Brotherhood work in The Raleigh Association. All over the Association new organizations have been reported month after month. Mr. L. H. Beck, President of the Brotherhood Department has been kept busy going into the churches aiding in the organizations and assisting in other ways. The Association's youngest church, Trinity, was assisted in getting a fine organization started only a few months after the establishment of the church.

One of the high peaks in the Associational work during the year was the Brotherhood Banquet at the S&W Cafeteria with around 175 men attending. Special speaker for the occasion was the State Secretary, Mr. Horace Easom.

Now that the R. A.'s have come under the wings of the Brotherhood new avenues of service open for the men. "Dedicated men, banded together, can effectively promote the work of Christ in the Church and in the Denomination," says our Associational President.

Report of the Department of Church Music

The youngest Department of work having been organized on May 7th of this year, the Department of Church Music has shown encouraging progress since that date. With full approval of the Execu-

tive Council at its August meeting, a complete organization was set up. The officers of the Music Department agreed that the purpose for its existence is to help in bringing to all the churches in the Association a higher level of appreciation, participation, and rendition of the music used as a means to worship.

The first Associational School of Church Music held in September was acclaimed a major accomplishment of the year, and was met with enthusiasm throughout the Association. Classes of interest to every member of the churches were taught to representatives from 39 churches. A total of 312 persons were enrolled in this training program. Class sessions in conducting, hymnology, service playing, theory, and graded choir activities were followed by mass choir rehearsals each of the five evenings. Some of the best-trained music leaders in our area worked tirelessly to make the Schools of Church Music a profitable endeavor.

Plans have been formulated by the officers of the Department to increase its ministry in the new year, to help local churches in any way possible with their music programs, and to encourage the implementing of a music program in every church of the Association.

Its purpose is noble, its opportunities unlimited, and its area of service a vital necessity in the Association. The Department of Church Music will take its place with the other organizations in rendering service to God's people in Raleigh Association.

Baptist Orphanage

"Again we pause and look back over seventy-one years of glorious history and great achievement of your Baptist Orphanage. With her forward look she has led the way for Southern institutions in progressive child care," asserts Superintendent Reed as he reviews the record of this fine children's home.

He reports that the Orphanage served 736 children in 1955—23 more than in 1954. However the same analysis reveals that while 137 new children were admitted 687 were turned away for the reason that "We have no room."

An urgent appeal is made for a generous Thanksgiving Offering for the Orphanage so that the trustees may proceed to expand its present facilities. By agreement with the State Convention a ceiling is placed on the share of the Cooperative Program funds which the Orphanage will receive with the one exception of the Thanksgiving Offering. Only through more generous gifts on this special day can the Orphanage enlarge or expand its services. Sunday School officials are invited to use their influence to encourage and support this special offering.

North Carolina Baptist Homes

"The Homes are in their sixth, and greatest, year of operation," reports Superintendent J. M. Hayes. He observes further that North Carolina Baptists should take justifiable pride in the new Administra-

tion and Residential Building on the new site which should be completed by March 1, 1957.

The added facilities of the new building will make it possible to care for 100 residents — 20 at Resthaven, 36 at Albemarle Home, and 44 in the new building. A greater ministry will be possible for the residents through craft shops, sun parlors, library, infirmary and other features. In addition to the physical comfort being provided the Homes are putting forth their best efforts to render a ministry of security, comfort, congeniality and Christian love to their residents.

Support the Special Day offering held in February of each year. It is specifically stated that "Regardless of financial condition, an applicant is received into the Homes on the basis of need and room available." The Raleigh Baptist Association has made a fine contribution to this most worthy cause.

North Carolina Baptist Hospital

The report from the Hospital states that "1956 finds your hospital rendering an increasing ministry to the sick and sick poor." An estimated 15,000 persons will be admitted as bed patients during the year while approximately 120,000 visits will be made by patients able to walk to the clinics. About 50 per cent of the out-patients are persons unable to pay anything or only a part of their care. The Mothers' Day Offering is the chief source of revenue to support this service.

In addition to serving the sick directly, the Hospital operates the largest diploma School of Nursing in North Carolina and it teaches and trains more than 450 young people in highly specialized fields which include nurses, doctors, technicians, pastors and other related vocations.

Considerable improvements and additions have been made in the hospital facilities, thus enabling better and more efficient service to those who seek treatment.

The Department of Pastoral Counselling, under the guidance of Dr. R. K. Young, has found an important place in the hospital program. This additional service cannot be appraised on a financial plane because it delves into the realm of emotional and related problems of individual personalities. Those more intimately associated with this phase of the hospital services are liberal in their praise of this program.

Only through generous support of the hospital through our Mothers' Day Offering can it continue to render effective service to those unable to pay their way.

American Bible Society

Quoting the bulletin of the American Bible Society: "The Bible is the missionary's chief tool. He uses it in every form of mission work. The Bible itself is a missionary. It can go where the human

missionary cannot go. It can stay on after he must leave — and keep on speaking to a man's heart!"

It is difficult to appraise the real value of the services being rendered by the Society in the distribution of Bibles. The report reveals that 1,397,100 volumes of Scripture were donated for distribution by Chaplains to our Armed Forces, providing a vital link between the home churches and the men in service. The total number of Scriptures distributed throughout the world totalled almost 15 million volumes.

To aid in the cost of this invaluable contribution to the missionary enterprise Southern Baptist churches broke their own record in 1955 by giving \$115,631 to the Bible Society of which \$8,300 represented donations from North Carolina Baptists. Total gifts from all denominations in 1955 totalled \$804,998. Continued support of this worthwhile program of Bible distribution to peoples all over the world who would be deprived of this source of comfort and guidance in their way of life were it not for this agency of Christian service, deserves our prayerful consideration.

Christian Literature

To quote from Dr. Carpenter's report on *Biblical Recorder and Other Baptist Literature*: "Nearly 2,000 years ago the Apostle Paul said, "Give attention to reading." He knew then, as we know today, that God's people must read to strengthen their faith, to increase their knowledge, to open their vision, to inspire their minds. Christian literature must forever be dedicated to the furtherance of the Gospel and the whole work of the Lord through His people and His churches. Like some evil flood today, the swelling tide of bad literature has come to deceive all who will buy, read, and absorb its insidious poison. Much of it is cunningly dressed in fine covers and attractive print as it bedecks every news stand and lures every heedless person to take and read. To stem this ugly tide, is the solid array of well printed, sound Christian periodicals, books, and other good literature to meet every age and interest.

"It is impossible to overestimate the power of the printed page. Words have wings and printed words can get into many places where the spoken word cannot reach. Baptists ought to make much use of Christian literature; much of it comes from Baptist presses. It must be read, promoted, and used widely by our people in their homes and churches, if the whole program of Christ is to be fully carried out in Baptist unity and strength. There is no other means by which so many people can be reached so completely, so constantly, so cheaply and so successfully as through the Baptist State paper. The late Dr. George W. Truett has said, "It is a tragedy for any Baptist family to fail to receive and read regularly the State Baptist paper." For 123 years the RECORDER has borne the message of Baptist life and progress in our State. It ought to be in every Baptist home in North Carolina."

The Baptist Book Store also is helping to make available and to

distribute wholesome literature covering every worthwhile field of interest and activity, both religious and secular. Everyone is invited to visit the stores at every opportunity.

The Charity and Children, publication of the Orphanage, offers significant information about the Orphanage and also presents interesting and valuable articles on all phases of Baptist work. The present circulation of this popular weekly publication is in excess of 51,000 copies.

Conclusion

We can take just pride in the achievements of the Raleigh Baptist Association through these one hundred fifty-one years, but we should not remain satisfied with this record of good stewardship. Growth is essential for continued progress, so all of us should re-dedicate ourselves to the will of God to the end that our denominational program may ever climb to new heights of Christian service.

11. The Rev. W. P. Biggerstaff, Associate Director of the Allied Church League, brought a timely and challenging message on the work of the League and urged everyone to sign the petition being currently circulated in an effort to get the 1957 Legislature to call for a State-wide referendum on the sale of alcoholic beverages. "Every Christian should take a stand on this issue," asserted our speaker.

12. Under the direction of Mrs. Rufus Potts, a special message in song was furnished by the Youngsville Choir.

13. An inspiring and challenging address was brought by Dr. E. L. Spivey, State Secretary of State Missions, on the Cooperative Program. "Missions is the ministry of God to the hearts and minds of man," asserted Dr. Spivey. In developing this theme he called attention to the remarkable growth which Baptists have achieved, yet warned against complacency in our attitudes toward carrying out this great cooperative program. He urged his interested listeners to become better stewards of the trust assigned to their care and He challenged the group to "join hands at the altar of God."

14. Directed by Ray Collins, Minister of Music at the Hayes-Barton Church, the congregation joined in the singing of "O, Zion Haste."

15. Dr. A. Douglas Aldrich, pastor of the Forest Hills Church, was recognized and he presented Rev. Julian S. Hopkins, State Secretary of Evangelism, who brought an impressive message around the central theme of "Personal Witnessing for Christ." Mr. Hop-

kins stated that evangelism must be rooted in the home church and all departments of the local church should have a spirit of evangelism, thus setting forth a program of soul winning on the local level. He recommended an association-wide simultaneous crusade in this all-important task of winning the lost for Christ.

Friday Morning, October 26

16. Directed by W. H. Vinson, pastor of the Wendell Church, the congregation joined in the singing of "Come, Thou Almighty King" and "Amazing Grace."

17. The Rev. J. N. Allen, pastor of the Mt. Vernon Church, read Scripture and led the morning devotionals.

18. Mrs. W. C. Adkinson, Associational President of the Woman's Missionary Union, made her report as follows:

Report of Woman's Missionary Union

A great missions professor once said, "Missions is the greatest work of man, the greatest need of the world, and the greatest aid to civilization, the greatest hope of the future, the greatest desire of God. Make missions a major! Truly, Woman's Missionary Union of the Raleigh Baptist Association wants to do just that.

Our records show that we have W. M. S.s in seventy-one of our eighty-two churches in our association, with a membership of 4,266, an increase of 313 over last year. We had two W. M. S.s A-1: Fuquay, Fuquay Springs; and, Saint John's, Raleigh. Our net gain in all our organizations shows an increase of nine organizations and six hundred, forty-one members in all.

R. Gallimore (eleven churches, with Mrs. C. L. Bowling acting chairman); Johnson Dozier (nineteen churches, with Mrs. L. M. Woolweaver, leader); John Lake (nineteen churches, with Mrs. J. R. Nipper, leader); Vivian Nowell (eleven churches, Mrs. J. R. Hester, leader.)

Each of these five groups had their respective leadership conference to all of our officers in our association. They cooperate with their associational officers and chairmen, thus co-ordinating the work more effectively.

Each of these five groups had their respective leadership conferences in October, 1955, led by the group leaders in conjunction with the associational officers. These conferences proved very helpful to the leaders in the various churches in our association.

January 30, 1956, Mrs. W. M. Page, Director of Missionary Funda-

mentals, planned and carried out a very helpful Departmental Institute at the Emmanuel Baptist Church, with better than 200 present. The Mission Study Chairman, Stewardship Chairman, Prayer Chairman, and Community Mission Chairman worked in conjunction with Mrs. Page in planning and carrying out the plans for this Institute. Mrs. John Wacaster, Field Representative for W. M. U., North Carolina, was our speaker for the day.

On March 20, 1956, Forest Hills Baptist Church, we held our annual associational meeting for our W. M. U., with 220 people registering from forty-two churches in our association. a most helpful program was rendered by our association officers together with our state representative, Miss Beverly Neilson, and our missionary speaker from Indonesia. Mrs. Carpenter, Superintendent, presided at this meeting.

September 27, 1956, brought us to our Mission Study Institute at the First Baptist Church, Raleigh. Mrs. Ottis Hagler, then our Mission Study Chairman, with her teachers: Mrs. Foy Farmer, teaching the Adult book, "Japan Advances;" Mrs. Howard Cooke, teaching our Young People, "Japan's New Baptists;" Mrs. L. D. Holt, teaching the Intermediate book, "The Tarnished Helmet;" Miss Beatrice Adams, teaching the Junior book, "Koji of Japan;" Mrs. Sherwood Jones, teaching the Primary book, "The Lantern and the Song," and Miss Catherine Welborn, teaching the Beginner book, "The Lantern and the Song," conducted a very helpful Mission Study Institute. Dr. Luther Copeland brought the closing message.

Our Woman's Missionary Union of the Raleigh Association has adopted her budget of \$600.00 for promotional work in our association. She has also drawn up and adopted her constitution.

As we look forward to the year ahead, we the women and young people of the Raleigh Association, pledge our best in helping to build for Christian neighborliness by endeavoring to lead our women and young people to 'dedicate themselves to the service of God and humanity both at home and to the ends of the earth. Let us labor together with Him until all shall see him as he is—Lord and Saviour of the world.

Respectfully submitted,

Mrs. W. C. Adkinson, Supt.

19. The Rev. L. D. Holt, pastor of the Emmanuel Church, Raleigh, spoke briefly on Christian Literature. He urged more extensive reading and study of our own Baptist publications so that we might become better informed Baptists. Special copies of the RECORDER were distributed among those present.

20. Dr. Bruce Whitaker, State Baptist Student Union Secretary, brought an interesting and informative report of Student Union work throughout the State. He stated that there are approximately 20,000 Baptist students enrolled in 58 colleges and 32 schools of nursing in our State. Of this number approximately 4,000 Baptists are enrolled in our seven Baptist colleges. The

BSU is a denominationally centered and church centered movement. Its fundamental purpose is Christian education undergirded by an understanding of and loyalty to the denomination and the local church. The major emphasis is church relatedness. On the campus, BSU fills the gap between the secular facts of the classroom and the spiritual needs of the student. The State Convention owns centers at East Carolina, University of North Carolina, Woman's College and N. C. State College. The need for enlarged facilities and increased personnel is great. The program is a challenge to North Carolina Baptists and it is hoped that continuing interest in this important phase of our work will make possible the urgently needed expansion.

21. Dr. Leslie Campbell, President of Campbell College, presented a timely and challenging address on Christian Education. He cited the substantial increase in enrollment at our Baptist colleges and the urgent need for adequate support of these fine Christian schools.

In reviewing the Baptist program Dr. Campbell stated that the three legs of the tripod of denominational progress might be appropriately labeled (1) Missions, (2) Evangelism and (3) Christian Education. In challenging the Messengers he reminded them that there are three policies which can be chosen. There are those who might say the program is "so" big; others may say "Let's stand still;" and still others who have the vision and determination to "Go forward." In view of the demands being made on every phase of the educational process today it is mandatory that Baptists examine their institutions, appraise their value and support them accordingly.

22. Report of the Clerk indicated that approximately 550 persons had registered for the session.

23. C. G. Mumford, Chairman of the Executive Council of the Raleigh Association, presented the report of the Council, the recommendations from the Council and the proposed budget for 1956-57, each of which was unanimously adopted. The report and recommendations are printed below.

REPORT OF THE EXECUTIVE COUNCIL

The Executive Council of the Raleigh Baptist Association held six meetings during the year. The first meeting was held *November 7, 1955*. At said meeting the Council was organized for the new year and the following officers were elected: President, C. G. Mumford; Vice

President, Don Appleton; Secretary, John M. Simms. These officers were requested to appoint members of the standing committees. Requests for pastoral aid from state missions were approved for the following churches and passed on to the State Convention: Neuse, Wakeminster Wilder's Grove.

The meeting also passed a resolution of appreciation to Professor A. L. Aycock for his services as Clerk of the Association. The meeting also received a report from the missions committee of the Executive Council and after discussion of the report, voted to purchase property on Six Forks Road for the organization of a new church in that community. The Council also received a report from the social service committee of the Council.

The next meeting of the Council was held on *January 9, 1956*. The Council first heard a report by Dr. L. E. M. Freeman of the work of the Committee dealing with the problem of separation of Church and State. After Dr. Freeman's report the Executive Council elected Robert Newton to fill the vacancy on this Committee created by Dr. E. M. Poteat's death. The following committee appointments were read and approved:

Executive Committee: C. G. Mumford, Don Appleton, John M. Simms, John W. Kincheloe, W. M. Page, Paul C. Nix, Garland Hendricks.

Missions Committee: John W. Kincheloe, Joe F. Roach, John U. Garner, John L. Coley, L. H. Beck, W. C. Adkinson, E. F. Canaday.

Finance Committee: W. M. Page, Wilbur Debnam, Charlie Marcom, R. V. Liles, Robert L. Newton, C. R. Hester, L. J. Morriss.

Calendar Committee: Paul C. Nix, Charles McMillan, W. M. Vinson, Bennie E. Pledger, Bennett Straughan, L. H. Beck, Mrs. L. L. Carpenter.

Social Service Committee: Garland Hendricks, Beverly Asbury, Mrs. W. T. Hatch, Lamar Brooks, John C. Gill, Carl Holleman, Roger Crook.

The Council next considered two additional requests for pastoral aid from state missions as follows: Mary's Chapel and the new church on Six Forks Road.

The next meeting of the Executive Council was on *February 27*, which was a special meeting to receive a recommendation from the Executive Committee which was as follows:

"That we employ as soon as possible Mrs. Frances Cooke as Assistant to the Secretary, at a starting salary of \$175.00 per month with no expense account for the first few months, but that the Finance Committee be charged with appropriating such expense as is needed for her summer work; that the terms of employment be reviewed at the end of the Associational Year; that her duties be: As assistant to the secretary, the promotion of the whole program of the Association."

After discussion, the recommendation of the Executive Committee of the Executive Council was approved as read.

The next meeting of the Executive Council was a regular meeting held on *April 9, 1956*. The meeting received a report from the Missions

Committee recommending that investigation be made of the advisability of establishing a church in the general area of the Clarence Poe School and that a survey be made of this area to determine the need. These recommendations were adopted. The Council received an application from the new Trinity Church on Six Forks Road for admission into the Raleigh Baptist Association. The Council voted to receive the Trinity Church under watch care of the Association. The Council received a report from Mr. Pridgen of plans about moving the Boulevard Church further out the Avent Ferry Road and the Missions Committee was advised to work with and encourage the Boulevard Church in this move. Mrs. Frances Cooke, the new employee of the Association, was introduced to the Executive Council and she spoke briefly on her plans in connection with her work.

The next meeting of the Executive Council was held on *August 13, 1956*, at the Hayes Barton Church in Raleigh, N. C. At this meeting four new Pastors in the Association were present and were recognized. The Council then considered the recommendation of the Executive Committee that the Annual Session for 1956 be changed from November 1 and 2 to October 25 and 26 and that the Constitution be changed or amended to see that in the future the Annual Session falls on the last Thursday and Friday of October in each year. This recommendation was duly approved by the Council. The Council next considered the request of the Ridge Road Baptist Church that the Association transfer to that church the title to the building site located on Ridge Road which the Association secured, said transfer being requested to take place on or before October 1, 1956. This request was granted by the Council.

The next item of business considered by the Council in the August meeting was a recommendation from various music leaders of the Association that a Department of Church Music be set up on an Association-wide basis and the necessary constitutional amendments be made to provide for this. They also recommended that a one week school of music be held in the Association in September. The Council approved of both of these recommendations from these music leaders.

The next item of business was the presentation of the proposed budget for the new year, 1956-1957, presented by the Chairman of the Finance Committee and calling for a budget of \$13,884.00 for the operational program of the Association and \$16,116.00 for the expansion program, making a total of \$30,000.00 for the year. The proposed budget was unanimously approved and adopted by the Council and recommended to the Association. The Council also approved a list of suggested minimum goals for the various churches in the Association. The Executive Committee was then instructed to appoint a committee to correlate our Associational expansion work with the Southern Baptist Convention five-year program of expansion (this committee was appointed by the Executive Committee immediately following the meeting of the Council and consists of the members of the Mission Committee for the year 1955-1956.)

The final meeting of the Executive Council for the past associational

year was held on *October 15, 1956*, at Hayes Barton Baptist Church. At the opening of the meeting, the President of the Council recognized the new pastors and new church representatives who were attending the Executive Council meeting for the first time. The first item of business considered by the Executive Council was the recommendation of the Executive Committee that the previously pre-arranged schedule of meetings for the Association be abandoned and that the Thursday sessions of the Annual Association Meeting be held in one location and the Friday sessions in another location and that the selection of the place for the Association meeting each year be handled by the Committee on Time, Place and Preacher. These recommendations were adopted by the Council and recommended to the Association. The President of the Executive Council then reported that he had conferred with Dr. Huggins and Mr. Spencer of the staff of the Baptist State Convention concerning a rental figure for space for our Association offices in the new Baptist building. The president reported that Dr. Huggins and Mr. Spencer agreed to recommend to the Committee of the Convention handling the matter that we have a rental basis of \$2.50 per square foot for the space we would need. It was further reported by the President that at such figure the space we need would amount to \$76.00 or \$77.00 per month which is only a little bit more than we are paying in our present cramped office quarters. It was further pointed out that we have been asked by the Building and Loan Association to vacate our present offices as soon as the new Baptist building is completed. The Council voted to accept the proposed rental arrangement above mentioned if the Convention approved it and made it possible.

The Council then heard a general report from the Missions Committee of the Council and the general recommendations of the Missions Committee will be enumerated later in the listing of the recommendations of the Council to the Association. Two specific recommendations of the Missions Committee were approved by the Council and were that the Missions Committee continue work towards securing of church sites in the Poole Road area and the Jones-Franklin Road area looking toward the establishment of churches in these areas and that the Missions Committee study the developing sections along the Durham Highway and the community of Willow Springs with the view of starting work in these communities. The general recommendations of the Missions Committee were also approved and recommended to the Association.

The next business considered by the Council was a recommendation from the Finance Committee that the words "installment purchase money" appearing in Section E of Article 1 of the By-Laws of the Association be deleted in order that the Association might purchase property in its own name. This recommendation was duly passed and approved by the Executive Council and recommended to the Association.

The next business considered by the Council was a report from the Calendar Committee. The Calendar Committee also further specifi-

cally recommended that an Associational Night, with co-ordinated calendars for all Associational organizations be set up and that such night be held on Monday night following the second Sunday of each month. This specific recommendation along with the calendar itself were approved by the Executive Council and recommended to the Association. A copy of the aforesaid Associational calendar for 1956-1957 is attached to this report.

The following recommendations now come from the Executive Council to the Association for action at the Associational Meeting in 1956:

C. G. Mumford, President

25. The Calendar of Activities for 1956-57 was presented and adopted.

26. Rev. J. Gray Murray, Cary, was recognized and he presented the motion that Trinity Baptist Church be accepted into the Association. Copy of the Membership Committee follows.

Report of The Membership Committee

Our Missions Secretary, Rev. Lee Pridgen, in cooperation with the Missions Committee, worked for months securing a site for a new Baptist Church on the Six Forks Road. The property had an abandoned school building on it. The interested people of the community were invited to meet in the building to organize a Sunday School and begin worship services. The deep interest in the movement was manifested by steady and rapid growth in numbers.

On Sunday afternoon, February 5, 1956, our Missions Secretary convened a council to organize the group into a church. After hearing reports from the local group the Council recommended that they be organized into a Missionary Baptist Church. This was done according to recognized Baptist procedure. The church took the name Trinity Baptist Church.

On April 9, 1956, the church presented proper credentials to the Baptist Council and asked to be taken under the watch care of the Raleigh Baptist Association. They were thus received by unanimous vote of the Council.

In light of the above facts the Membership Committee recommends that Trinity Baptist Church be received into The Raleigh Baptist Association and that the moderator extend to the members present the right hand of full fellowship at the close of the morning session.

THE TRINITY BAPTIST CHURCH

The Trinity Baptist Church was organized Feb. 5, 1956. The

organizational meeting was held on the site, on the Six Forks Road under the leadership of the Rev. Lee Pridgen.

An organizing Council was composed of sixteen (16) Deacons and eleven (11) Ministers of the Association.

The Meeting was called to order by the Moderator of the Association, R. N. Simms, Jr. Bro. Simms was elected Moderator for the Council. The Rev. Bennie E. Pledger was elected Secretary.

The Rev. Lee Pridgen Secretary of Missions stated the purpose of the meeting. Bro. C. H. Pritchard of the new group made request for this council of the Raleigh Baptist Association to organize this group into a Baptist Church.

The Council recommended the organizing of the new church to take place. After hearing the History of the Church, and the nominations of officers for the new church, the Rev. Robert L. Newton preached the sermon. The Charter members were then received and the church began her Ministry for Christ.

Dr. Henry E. Walden, Jr. was presented as Pastor for the new church.

THE BEGINNINGS OF TRINITY BAPTIST CHURCH

February 5, 1956

During 1954 the Missions Committee, under the leadership of Rev. Lee Pridgen, Executive Secretary of the Raleigh Baptist Association, saw the need for a Baptist Church to be located on the Six Forks Road to serve the people of the several home developments. It was realized this suburban area north of Raleigh was fast becoming a thickly settled section. After a year's study it was apparent that no church was located near enough to properly minister to the needs of the rapidly increasing number of people. The Missions Committee voted to take necessary steps to secure a suitable location and assist the people of this area in establishing a Church.

Following several inquiries the Missions Committee made tentative arrangements with the developers of the Josiah W. Bailey property for the purchase of a site approximately one mile west of Anderson Drive on the south side of Six Forks Road.

The first, of several home services, was held September 11, 1955, in the home of Mr. and Mrs. Reid Hill. Those present were: Jesse V. Booth, Carroll A. Davis, Mr. and Mrs. Julius F. Greene, Mr. and Mrs. J. Reid Hill, Mr. and Mrs. W. T. Howell, Raymond C. Jones, L. A. Millis, Rev. Robert Lee Newton (Pastor of Millbrook Baptist Church), Jack A. Painter, Rev. Lee Pridgen, Mr. and Mrs. C. H. Pritchard, E. H. Roberts, Jr., Mr. and Mrs. Hugh Shaw, W. T. Thomas, Jr., and William A. Ward. Other services were held in the homes of Mr. and Mrs. Hugh Shaw, Mr. and Mrs. Julius F. Greene, Mr. and Mrs. C. H. Pritchard, Mr. and Mrs. Allen E. Drew and Mr. and Mrs. E. H. Roberts, Jr.

At our second meeting C. H. Pritchard was chosen chairman to lead us in our planning and services prior to organization. Reid Hill was designated secretary. During these meetings Rev. Lee Pridgen explained the procedures followed in organizing a new church and all devotional thoughts served to bring the group closer together.

During this time a census was taken to determine the number of persons in the community who were interested in the new church.

Due to certain difficulties in securing the building site in the Bailey property the Association purchased another site from Mr. H. L. Carter approximately one-half mile further out Six Forks Road. This tract contained approximately two acres of land and a large duplex house which had been used several years before as a school-house known as Oak Grove School. In addition to this, two acres of land in rear of the house were purchased from Mrs. Lizzie Sanders and also a strip of land in front between the old roadbed and the present road from Mr. J. W. Huff. Altogether, a little over four acres with the house was purchased for \$13,800.00.

Under the leadership of E. H. Roberts, Jr. the original auditorium was restored in the building and the first service was held there Sunday, January 8, 1956. There was a total of eighty-nine in Sunday

School with the worship service, conducted by Mr. Pridgen, well attended. Our first offering amounted to \$114.00.

The next week services were held nightly with the following visiting ministers speaking: Rev. Judson Hill from Rolesville; Rev. John Garner from the Rolesville Baptist Church; Dr. Henry E. Walden, Jr., Secretary of Rural Church Work of the North Carolina State Baptist Convention; Rev. John L. Coley, Pastor of North Street Baptist Church; Dr. John W. Kincheloe, Jr., Pastor of Hayes Barton Baptist Church; and Rev. R. L. Newton, Pastor of Millbrook Baptist Church.

On Wednesday evening, January 18, the group voted unanimously to request Dr. Henry E. Walden, Jr. to accept the pastorate of the Church subject to a formal call upon organization to which he consented.

The first Training Union meeting was held Sunday night, January 22, 1956, with a total of thirty-seven present. Bennett Straughn, Associational Training Union Director, presented an inspirational talk of what Training Union means to everyone.

Under the able direction and leadership of W. M. Christian, Jr. and E. H. Roberts, Jr., and with the full cooperation of everyone, the auditorium in the building was enlarged to include the front porch and other remodeling work was done including the installation of a heating system.

During January a budget in the amount of \$7,901.50 was drawn up for the remaining part of the year. Also, a constitution was worked out for adoption. This constitution was read Sunday morning, February 5, and it was voted to postpone the adoption until the first Church business meeting on Wednesday evening following the first Sunday in March. During our January meetings Mr. Pridgen gave special emphasis to the doctrines of the Baptist Church by reading and discussing the Church Covenant and the Articles of Faith.

Wednesday evening, February 1, 1956, the group elected a nominating committee composed of Mrs. W. M. Christian, Jr., Mrs. Joe Hodge, Reid Hill, Nello T. Norris, and Thomas Privette to nominate a Church clerk, treasurer, financial secretary, Sunday School Superintendent, and Training Union Director. Sunday morning, February 5, the following were elected subject to official action following organization:

Church Clerk	Mrs. Nello T. Norris
Church Treasurer	Thomas E. Privette
Financial Secretary	Julius F. Greene
Sunday School Superintendent	Clarence H. Pritchard
Training Union Director	J. Reid Hill

The group also elected a nominating committee composed of the above plus Mrs. Hoyt Whitworth, L. A. Millis, and Hugh Shaw to nominate other officers and committees of the Church.

According to expressed intentions approximately sixty-five individuals are expected to band themselves to form the initial group.

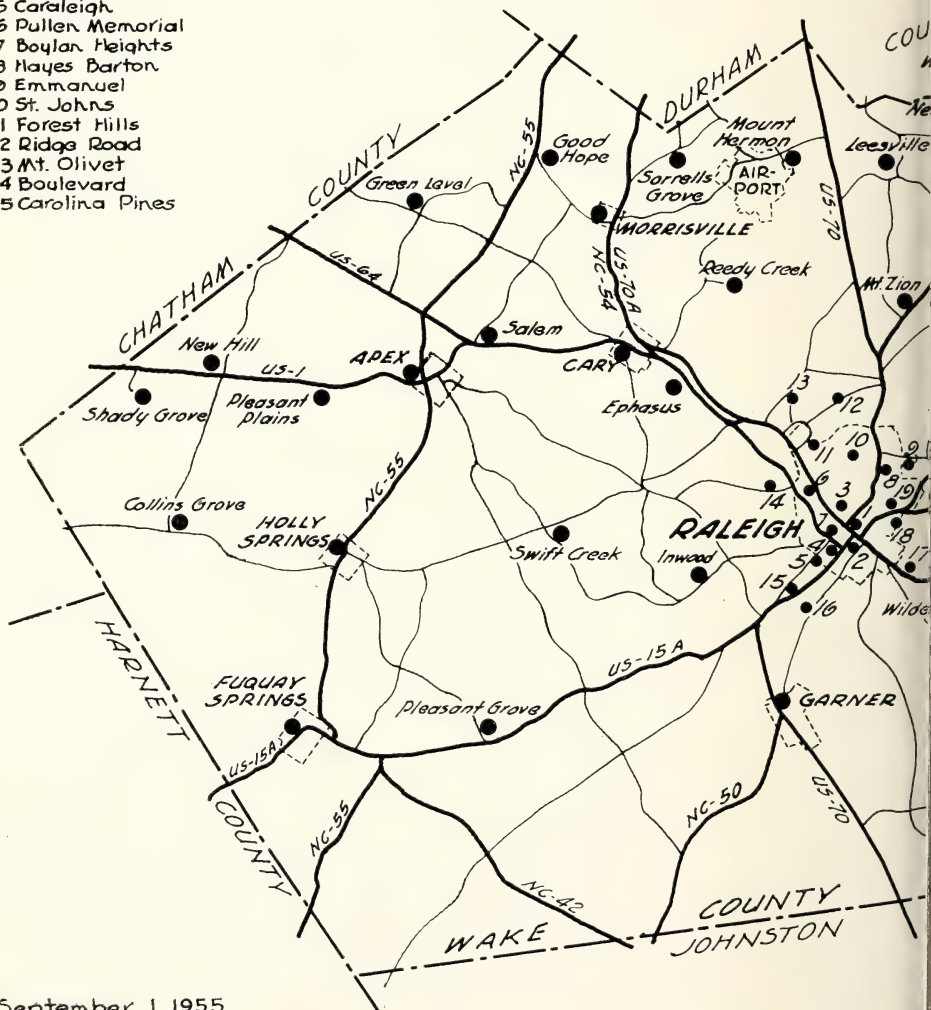

It was decided Sunday morning, February 5, that we were not

In Appreciation

The Church desires to express deep appreciation to the Raleigh Baptist Association for realizing the need and providing ample acreage and building in which to hold services. We are also thankful for the splendid leadership of Rev. Lee Pridgen. The group is grateful to C. H. Pritchard for his able and impartial leadership as chairman of the group during these five months of planning activities. For the counsel and advice from Dr. Henry E. Walden, Jr. we are most appreciative. For all who worked hard, even late at nights and Saturdays, we are indeed grateful. The wonderful spirit and unanimity of the group has made the new church a reality.

Most of all we are thankful for the Divine leadership of God. May each of us submit to His will and ever keep foremost in our thoughts and efforts winning of the lost and the advancement of God's Kingdom.

Report On Our Beloved Dead

We pause a few minutes to commune with our beloved comrades who have gone from our side, and have heard the Master's "Well done." It is a holy moment. For they are not dead, but more alive than when they were with us in the flesh. For all we know, they may be here participating in this service held in their honor. We fancied them dead, but they only passed through the portal into a higher stage of immortal being. "This we believe."

And since we believe it, I wonder if we can use these few minutes in any way more helpful than in trying to dispel the fear of death that so haunts and cripples life for millions, and, second, in trying to reach a truly Christian view of death, and finally in facing the duty we owe our beloved dead.

A young doctor told me recently a thing that deeply touched me. I remarked to him in his office of the sorrow I felt at the recent death of a noble Christian physician, my warm friend for years, and a pillar in his church and the kingdom of God. The young doctor said the pathos of his dying was that in his last years he expressed a horrible fear of death.

Fear of Death Unfounded

First, I would urge that the common fear of death has no basis in solid fact. True, one may reasonably fear the pain that often

precedes and ushers in death. But the pain belongs to the life process, and is apart from death. Dying itself is almost invariably peaceful and painless. And if there has been fear, it ceases when death actually arrives. I say it on the highest authority. The famous Dr. William Osler had his nurse to record the deaths of 500 persons. She reported that only one of them showed signs of fear when death actually arrived.

Dr. Russell L. Dicks of Duke University, chaplain for years of large hospitals, says he has seen hundreds die, and only three showed fear when death came. Dr. Wingate M. Johnson in *The Years after Fifty* says, "Dying is seldom terrifying, or even unpleasant. . . . Almost invariably . . . it is more like going to sleep . . . death bringing its own anesthetic." This should go far to dispel the fear of death.

And for the Christian more can be said. Many saints dying, their minds clear, their faces aglow, have spoken out clearly of seeing loved ones, of hearing exquisite music, calling it all "beautiful." Such testimonies have been too numerous to be brushed aside. Even science has had to take note of it. The dying seemed beyond doubt to be telling of something actually seen and heard through the portal in the heavenly world they were entering.

Funeral Should Proclaim the Christian Faith

My second plea is to make the Christian's funeral conform to this high Christian concept of death and immortality. Lamentation does not befit the funeral of the saint now crowned as an immortal. Before and after the funeral I would even help the bereaved to weep out and talk out his grief — the grief of separation. For it has high therapeutic value. But the public funeral is our precious opportunity to get over to one's community the Christian faith that the death of the Christian is but his passing into the next higher stage of an immortal — even as the lowly caterpillar passes through a torpid state resembling death out into a higher stage of being — and flies away a beautiful butterfly!

I love to think how some of the great saints among us have dramatized this faith that the saint lived on through death. Example, the Poteat brothers, so sure their saintly mother lived on that they chose to conduct her funeral themselves, and to put the ring of triumph into it; and how those brothers each so planned his own funeral service as to put into it the same ring of triumph. I urge that in some way we should see that the funeral of the Christian shall impress on our community our faith that the dead in Christ has but passed into the next higher stage of being, death being actually his coronation.

We can rejoice that in this manner some of the great souls who went from us this year and other years left behind such trails of glory; such were the radiant E. M. Poteat, Jr., the indefatigable scholar and historian G. W. Paschal, and many others you would like to name, and scores who, "humble and nameless," have been crowned

among the immortals by the Master who knows no rank, but delights to reward alike the lowly and the great for sheer faithfulness.

Their Challenge to the Unfinished Task

Finally, these moments of communion with our beloved dead is an imperial challenge to us to seize the torch they carried high, and forget that this is one of the great associations of all the South, built up by a host of noble pioneers, pioneers who struggled "through peril, toil and pain," sowing, often with tears, the seed for the rich harvest which we rejoice in today. They of past generations died with high hopes and bright dreams of conquests for God and his truth that have as yet been but partly realized. We are but derelicts unless we too struggle and sacrifice to make their dreams come true.

Nearly 200 of our comrades fell out of our ranks and went to their reward during the past year. They and a multitude, comrades of other years, compass us about as "a great cloud of witnesses," seeking to cheer us and urge us on to close the ranks with new and more zealous soldiers. And we are never to forget that foes and perils greater than our beloved dead could ever imagine beset us today. Forces truly titanic face us; only Christlike zeal in a dedicated and united church can match the hour before us.

38. A special violin duet was presented by members of the Apex Church.

39. The Rev. Garland Hendricks, Chairman of the Social Service Committee, presented the following report which was unanimously adopted.

SOCIAL SERVICE REPORT

A Local Church And Its Community

Your committee intends for this Social Service Report to bring a different emphasis. It is customary for the Social Service Committee to deal with the application of the gospel of Christ in our society. This we propose to do. But we propose to make the application to life in our local church communities rather than on a broader scale. This year we are talking in terms of the churches of the Raleigh Baptist Association and our social obligations within Wake County.

We have written letters to some of the leaders in Wake County, such as the sheriff, school officials, welfare workers, and county officials, asking them to share with us their opinions about life in Wake County, evils which need to be corrected, and how the churches may serve to help develop a better way of life for all of us.

We do not have a body of factual material to present. We do

have some convictions about how the churches may preach and practice the Christian faith so as to have a cleansing and wholesome influence upon the life of all of our people.

A Position Of Responsibility

First of all, we would observe that the Baptist churches of Wake County are in a position to set the tone of life for Wake County. We have enough Baptist churches and enough members of Baptist churches to have a determining influence upon all that goes on in Wake County. There are far more Baptists in Wake County than there are members of any other denomination. Some of us take great pride in this fact. But we ought to hang our heads in shame when we confront the evils which exist in Wake County. For we have a greater responsibility to God for what goes on in Wake County than any other group.

In 1948 Dr. Selz Mayo of North Carolina State College made a study in which he asked all persons in rural Wake County over ten years of age to list community organizations they participated in. He discovered that religious organizations accounted for three-fourths of the social participation of the people as measured by such factors as membership, attendance, contributions, and service as leaders. School organizations accounted for 5.6 per-cent; fraternal organizations for 3.3 per-cent; farm organizations for less than 10 per-cent; and other organizations 4.4 per-cent. The people of rural Wake County, then, express themselves through church work three times as much as they do through all other community organizations combined. The people of Raleigh are a church-conscious people with the same basic characteristics as the other people in Wake County.

These things being true, the churches of the Raleigh Baptist Association are in a position of grave responsibility for what takes place in Wake County.

A Time Of Radical Change

Life in Wake County is undergoing radical changes.

We are fast becoming an urban county. There are people here today who can remember when Raleigh was a small city with dirt streets and little business activity and practically no industry. Now the population of Raleigh is growing. The city limits of Raleigh reach out in all directions. Housing developments, the establishment of whole new business communities, and the expansion of business and industry, make Raleigh one of the fast growing economic nerve centers of the Southeast. Raleigh is literally pouring over into Wake County and affecting life in every community of Wake County. Thousands of people go into Raleigh from the other communities of Wake County to work each day. The people of Wake County go to Raleigh for amusements, sports, the state fair, and other activities.

Life is changing in rural Wake County. Schools are consolidated and more children are thrown together in one school. Many of these

children ride long distance to get to school, traveling on highways which are infested with irresponsible drivers who threaten the lives of other people. Agriculture is changing, and machines are fast taking the place of domestic animals and human laborers. Family life is changing as more women work away from home, and the members of a family tend to work in different places. Raleigh, being a state capitol, is attracting women for office work. This has an effect on home life in the churches of our Association. We are confronted with the establishment of a county hospital program, a large central hospital in Raleigh and four clinics in the county.

A Multitude Of Problems

It is to be expected that where life is in process of radical change there will arise many problems. Some of these problems are of a spiritual or moral nature so that our churches are involved in them and concerned about them.

The following problems have been suggested to your committee:

1. A general lack of respect for duly constituted law.
2. A lack of personal discipline on the part of both youth and parents.
3. People with idle time do not know how to use that time constructively.
4. Youth do not respect older people, including their parents.
5. Broken homes.
6. Drinking on the part of youth and parents.
7. Parents are indifferent towards the public school program, showing little concern for the education of their children.
8. A lack of coordination between church and welfare agencies in regard to people in need. We have a great many families with low income and persons who are incapable of helping themselves.
9. The advertisement and sale of alcoholic beverages in Wake County has reached alarming proportions.
10. The number of aging persons, retired and disabled, is becoming a major social problem in Wake County. As the life span is increased, this will be more of a problem.
11. More and more pressure is brought upon our people to contribute to worthy and not-so-worthy causes. People are confused as to what constitutes Christian stewardship, when so many of the appeals are made to the churches and through the churches.
12. Venereal diseases are frequent enough to give us concern about the social habits which breed these diseases.
13. Some of our county authorities are concerned about the

lack of respect for public property and the vandalism which occurs so frequently.

14. Gambling is considered a major problem, along with a craze for the "give-away" or "something-for-nothing" projects sponsored by many groups.
15. A threat to our time-honored principle of separation of church and state.

A Challenge To The Churches

Such problems we have with us wherever there are human beings. They constitute a challenge to the churches. What can our churches do?

We can continue to present the great eternal truths of the Bible from pulpits and in the lives of Christian people who are willing to live out those truths.

We can study life in Wake County and get the facts about what is going on. One officer thinks that about 90 percent of the people involved in law violations are affected by the use of alcohol. What are the facts? Churches ought to make a study and get the facts, then fight the liquor traffic with the truth about what alcohol does to people. The pastors, led by the Reverend Gerald Primm, are now making a study of alcohol and alcoholics. How much venereal disease do we have in Wake County? Why? How can we help protect people from these diseases? How much liquor is sold here? How many outlets are there for wine and beer? How many divorces were granted last year, and how many marriages were there? What are the discipline problems in our schools? Why is there a basic disregard for law and property on the part of so many people? We make guesses about such matters. Our church people need to know the facts. It would be fine if we could create some means of getting such information and supplying the churches with it through the pastors.

We can try to do a more effective work in the development of mature Christian men and women, persons who are strong enough in Christ to overcome evil.

We can incorporate into the programs of our local churches plans for dealing with youth and adults so as to help them face the issues of life.

We can learn how to work with welfare, law-enforcement, educational, social service, and health agencies.

This report is not a "how-to-do" report. It is an effort to start all of us thinking about how we can learn more about life in Wake County, and how we may apply our Christian faith. It is our hope that we may be able to discover some effective means of getting the

truth about our problems and applying God's truth to life through mature Christians.

40. Dr. L. E. M. Freeman brought the report of the Committee on Religious Liberty which was adopted. The report follows.

Report of Committee on Religious Liberty

Your committee wishes to note our great loss in the death of one of its members, Dr. E. McNeil Poteat. At the request of the remaining members Rev. Robt. Newton has served in his stead.

We had numerous planning meetings during the year, and several things were accomplished. One was the distribution of some thousands of pamphlets. Another was the sponsoring of a mass meeting at the Pullen Memorial Church in cooperation with the Raleigh Ministerial Association and the national organization of POAU (Protestants and other Americans United for Separation of Church and State), of which Dr. Poteat was President till his death. Dr. Glenn Archer, Executive Secretary of the national body, was the speaker. In the weeks following this meeting, largely through the influence of your committee, a local chapter was organized and a charter delivered to its President, Dr. James Sprunt, pastor of the First Presbyterian Church of Raleigh, by Dr. John A. Mackey of Princeton Theological Seminary, at a special meeting at Meredith College. The local membership of this group is now about one hundred. Your committee strongly urges that our people join it as individuals and that its support be provided for in our church budgets.

This organization leads in the fight to preserve separation of church and state and to prevent the breaking down or weakening of the wall of separation by appropriations of public funds for sectarian schools. Already it has won over thirty court cases, thus saving some fifty-five million dollars of public money.

The threat to religious liberty is increasingly apparent. The Roman Catholic hierarchy stands, as ever, for the nation of church and state, the state professing, defending and promoting the Catholic Church, and it alone. How this works is seen in Italy and Spain, where religious liberty is denied to non-Catholics and in Colombia, where some fifty churches have been destroyed in recent years and many Protestants murdered with no restraint from priest or Pope.

The Roman hierarchy is using all possible means of increasing its prestige and power in America. The Catholic Church is kept con-

stantly before the public through the daily press, attractive radio and television programs, and through advertising to get requests for literature. In some places considerable success is claimed from open-house meetings for non-Catholics, such as the recent one in Raleigh. It should be noted that no effort is made to explain to truth-seekers that the hierarchy stands for the denial of religious liberty to all but Catholics. This is left in text-books for their own college, university and seminary students.

Catholics exert great influence in our Congress. A familiar device is to push through legislation favoring their church. Thus eight million dollars was secured as indemnity for war losses in the Philippines, while only three hundred thousand went as a sop to Protestants. The Hill-Burton Act allowing government grants to denominational hospitals has given over eighty million to Catholic institutions, while only about one-eighth as much has gone to others. Of course, each Catholic hospital is a propaganda agency. Here in Wake County we narrowly missed building a hospital and giving it to the Roman Catholic Church. Recently in Congress the House passed a resolution to buy a Catholic Church to be regarded as a memorial while still being used for Catholic worship; and its passage by the Senate was narrowly averted. Some years back North Carolina Baptists refused some three quarters of a million dollars appropriated to Bowman-Grey Hospital because of our loyalty to church-separation.

In many places the school situation is acute. The hierarchy is unalterably opposed to the American public school system, as is shown by Catholic Canon Law and by many clear statements of Catholic leaders. When possible, Catholics secure influential positions in a school system and make the schools Catholic while the expenses are paid from public funds. POAU has fought and won in several such cases.

We make the following resolutions:

First—That our pastors and people inform themselves about the vital differences between Roman Catholicism and New Testament teaching, the perils of Catholic-Protestant marriages, and the long-range aims of the hierarchy.

Second—That material suited to this end be added to our church libraries (information about this can be gotten from Lee Pridgen's office).

Third—That our pastors lay greater stress on religious liberty and the threat to it.

Fourth—That an appropriate resolution against congressional appropriation of public funds for sectarian schools, or for any other sectarian purposes, as a violation of the principle of church-state separation, and favoring the repeal of the Hill-Burton Act for the same reason.

Fifth—That a copy of such resolution be sent to each of our con-

gregational representatives, to the Biblical Recorder, and to Charity and Children.

L. H. Beck, Fuquay Springs	Brotherhood

45. The Rev. W. H. Vinson, Chairman of the Committee for Time, Place and Preacher, made the following report which was adopted.

The 1957 session will be held on October 24-25 at the First Baptist Church in Raleigh. The Rev. James S. Potter, pastor of the Tabernacle Church, was chosen to preach the annual sermon and the Rev. Chas. B. Summey, pastor of the Knightdale Church, was named as alternate.

46. The Rev. G. W. Bullard, Chairman of the Resolutions

Committee, presented the following resolutions which were adopted.

a. Resolved that the Raleigh Baptist Association go on record as wholeheartedly endorsing the statewide effort toward securing a public referendum on the manufacture and sale of alcoholic beverages in North Carolina, and pledge our full support as Christians to implement the passing of such legislation.

b. Resolved that the Raleigh Baptist Association go on record as being strongly opposed to financial appropriations by the Federal government for sectarian schools, hospitals or other institutions. We also affirm our unalterable opinion that the Hill Burton Act allowing Federal appropriations for sectarian hospitals is a violation of the Constitutional principles of Separation of Church and State, and should be repealed.

We further resolve that a copy of this resolution be mailed to each of our North Carolina Congressmen, and a copy be sent to the Biblical Recorder and Charity and Children.

We believe that it is possible for our Federal government and sectarian institutions to separately devise other more acceptable means for the establishment of hospitals than through funds provided by the Hill Burton Act.

c. Resolved that we express our sincere thanks to the Moderator, Clerk, and other officers of the Association for their efficient and helpful leadership in this our 151st annual session; we are grateful to the host churches — Apex, Salem, New Hill, Pleasant Plains and Shady Grove — and to Meredith College for their hospitality and the excellent luncheon furnished at the noon hour. We express our appreciation to the Program Committee for a high-quality and well-scheduled program, and to each person serving on the program. We would again commend Brother Lee Pridgen for his efficient and progressive leadership in our Associational affairs, and express appreciation to Mrs. Frances Cooke, Assistant to the Secretary of Missions, for her contribution to the effectiveness of our program since coming to us several months ago.

47. The Rev. Lee Pridgen was recognized and he made a brief review of the data contained on the informational sheets distributed among the Messengers.

48. Mrs. Frances Cooke, Assistant to the Secretary of Missions, presided over the following portion of the program.

a. The Rev. Bennie Pledger, pastor of the Carolina Pines Church, presented the Rev. D. P. Brooks, Associate in the State Sunday School Department, who spoke briefly on Sunday School enlargement. He urged the use of the State office whenever it could be of service in any area of Sunday School work in the local church.

b. Bennett Straughn, Associational Director of Training Union

Activities, made his usual interesting report of Training Union growth and progress.

c. L. H. Beck, Associational President of the Brotherhood, brought a most appropriate report on the theme of service in church activities through the program conducted by the Brotherhood.

d. The Rev. Ray Collins, Associational Director of Church Music, spoke briefly on the newest of the Associational departments — the Church Music organization. He stressed the importance of good music in our worship services and in developing talent in our membership through the use of graded choirs.

e. Mrs. Cooke then presented Dr. Douglas M. Branch, Past President of the Baptist State Convention, who used Ephesians 5 as the basis of his challenging and inspirational message. Basing his observations on the chosen passage of Scripture he reminded the congregation that the home and church formed the basic institutions of society. He stated that the future of the world and the preservation of our civilization are dependent upon these two units of our way of life. Obviously love must be the foundation of both the home and the church.

49. Moderator Simms appropriately expressed his appreciation to pastors, laymen, officers, Executive Council, Secretary of Missions and his Assistant for every courtesy and act of cooperation during his term of office, and pledged his support to newly elected Moderator John W. Kincheloe, Jr.

50. Following the installation of officers Moderator Kincheloe pledged his hearty cooperation and best loyalty to the work of the Association.

51. The 151st Session closed with prayer by the Rev. T. B. Davis of Zebulon.
